PRESIDENT'S MESSAGE

Dear fellow
Rotarians,

Welcome to the new Rotary Year! This Rotary Year marks the 25th anniversary of the Rotary Club of Banilad Metro! It is a joyful occasion remembering the years of service and fellowship the club has been through while looking

forward to the future filled with greater bonding and service, guided by the values of Rotary International.

Inspired by Rotary International President Shekhar Mehta's theme to "Serve to Change Lives" and aligning it to our 25th Jubilee, we have decided to interpret and implement this call to action in a specific way, creating our Club's theme for the year:

"Stronger At 25: Sharing Love and Touching Lives".

We have accomplished much in our 1st month as we welcome our 25th year as charter Rotary Club with greater heights of service.

To truly strengthen our impact and touch more

lives effectively, we did our strategic planning together & give closer thought to our seven areas of focus and truly put them at the forefront of our service. We are able to set our whole rotary year calendar of activities with different impactful service projects & activities.

To help our club a clear & effective guide for the next 25 years, am so glad that our brilliant Past President Chona Cejas accepted my request for her to conduct our vision mission workshop for the love of our RCBM. May it inspire us to do greater things in the name of service as we do together as People of Action, serving above self, creating lasting change, in others and in ourselves.

We had our 1st General Membership Meeting with a lot of

MAMAC MENDOZA

DESIGN & DEVELOPMENT CORPORATION

Mamac Mendoza Design and Development Corporation is a Filipino owned Company, established in the late 2000. The company is primarily engaged in the design and construction of medium-end to high end residential houses and commercial buildings and offices. It is proud of its expertise and wide experience in General Construction, Architectural Design, Construction Management, Structural Design, Construction Supervision, Detailed Civil Works, Landscaping and more.

privileged to develop his skills in most aspects of the architectural practice as a draftsman, junior designer, project/site inspector and estimator. This was followed by a stint as a marketing assistant/consultant in a tile shop company. Having learned to diversify and acquire a degree of versatility, he moved on to become the in house architect of a prominent company in the country where he designed showrooms and commercial spaces as well as school expansions nationwide.

Armed with sufficient experience and expertise, he put up his small architectural office specializing in architectural interiors. His projects ranged from simple residential interiors, renovations and other commissions.

Like all other beginnings, the company struggled but steadfastly created techniques and market differentiation to survive in this mature industry. From repairs, to restoration, and from small to major projects, the tenacity of the team's spirit lives on. The roster of completed and ongoing projects gives an epitome that the group will continue to deliver quality projects within schedule and budget.

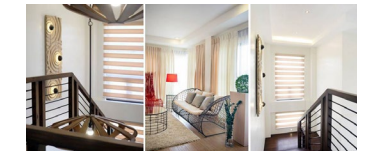

In just a short period of time, MMDDC built and established a trusted name and excellent reputation in the construction industry due to its worthiness and reliability as attested

to by its many foreign or abroad based customers, who have become highly-satisfied homeowners or building investors. These highly-satisfied customers simply relied on an open and transparent business relationship with MMDDC which is founded on Mutual Trust – the essential principle which bridges distance and absence as well as turns mere architectural drawings into elegant dream homes and/or income-generating building investments. The Company already expanded not only in Cebu City and the rest of Cebu province as well as in the Visayas and Mindanao regions.

MMDDC adheres to the philosophy that no two projects are alike, that quality is always better than quantity and that every project has its unique and distinctive features that meet the needs and preference of the end users. Constantly reinventing himself and experimenting on new ideas,

Architect Mamac, together with his wife Richel Mendoza Mamac, guide and motivate their team towards the realization of their clients' ideas and concepts. MMDDC believe that with the changing needs of clients, the company has to be "multi-faceted, dynamic, innovative and adaptable".

HISTORY

By: Emmanuel Hernandez
PRESIDENT ELECT RY 2021-2022

RCBM was chartered on October 8, 1997 at Wayne's Inn (now Ford's Inn) in Banilad, Cebu City during the term of District Governor Jesus G. Veneracion and Rotary International President Glen W. Kinrose. The Club was a brainchild of Atty. Manuel "Jun" Satorre, the 19th President of RCBM's sponsoring Club, the Rotary Club of Metro Cebu.

The District Governor's Special Representative, RCMC Past President Leandro "Jun" T. Ocampo (deceased), personally made sure that the Club would be born.

The name "Banilad Metro" stems from the two bordering barangays between Cebu City and Mandaue City, both named Banilad. The "Metro" part reflects its heritage from RC Metro Cebu.

In its 25 years of service and fellowship, RCBM has garnered many distinctions including but not limited to multiple awards in vocational and service projects, sports competitions and more.

RCBM was and is still known for its tightly knit fellowship that always leads to deeper and meaningful service towards the community. "Service Above Self" rings true in RCBM as with all Rotary Clubs.

“Imagination and Creativity can change the World”

I WEAR MY MASK IN PUBLIC FOR THREE REASONS:

1. **HUMILITY:** I don't know if I have COVID as it is clear that people can spread the disease before they have symptoms.
2. **KINDNESS:** I don't know if the person I am near has a child battling cancer, or cares for their elderly mom. While I might be fine, they might not.
3. **COMMUNITY:** I want my community to thrive, businesses to stay open, employees to stay healthy. Keeping a lid on COVID helps us all!

AUTHENTIC WORSHIP

By: Rtn. Mae Pepino

What does it mean for us to worship God?

A lot of us think that worshipping God is going to weekly Sunday Service, singing songs and getting emotional about our faith. Christians are being asked, does getting dramatic every Sunday mean that you have fully worshipped the Lord? Many 'christians' are Sunday worshippers. A lot give their all every Sunday yet forget about God the entire week.

Let us take a look first on how worship is defined. Worship is defined in the dictionary as *'to regard with great or extravagant respect, honor, or devotion'*. In other words, worship is when we feel so strongly about someone or something that we give all our love, admiration and emotions into it. When we worship a person or a thing, they become our number 1.

People are worshippers. That's a fact. We have something or someone in our lives that we are so obsessed about. Some men are obsessed about cars that 'they worship' them. A lot of girls are into celebrity idols, that you will see how crazy they get during concerts or fan meets. So many of us love our work, that we devote much of our time and energy to it, that there is none left for other things. A lot of mothers 'worship' their children that they take up the number one spot of their lives. For Christians, we are asked to worship God alone, yet many of us fall short of this since God is not really number one in our lives.

We have replaced God with other things we 'worship'.

Authentic worship is when our hearts are filled with so much love for the Lord that it is evident in the way we live. It is when we put God first in everything we do and nothing goes above Him. It is when we are fully surrendered to His will that we are fully worshipping the Lord.

At this difficult time of the **pandemic** where fear and uncertainty oftentimes take a grip of our lives, it is also the best time for Christians to reflect and ask ourselves, are we truly worshipping God in an authentic way, as how we are supposed to? Let us ask ourselves these questions.

1. What have we done with our time while we are on quarantine? Is God even part of our calendar? Are we helping and adding value to the lives of other people while pleasing the Lord as our number one motivation?
2. What is our attitude right now? Are we living in fear or are we living in faith? Are we someone who succumbs to keeping count of the number of daily deaths and obsessing about Covid related things while getting so negative and depressed and failing to enjoy of what's left of our lives?
3. Do we put prayer as part of our daily habits?
4. Have we fully surrendered our lives to the Lord by giving up control of the things we value in our life and letting God have his way on us? Are we conscious of the fact that 'anything we want to control will begin to control us.'
5. Do we love God with all of our hearts and all of our soul, **for real?**

If we are not there, it is not too late yet. Come to the Lord immediately in prayer and seek reconciliation. Express to him the desire to become an authentic worshipper. Not until we learn how to authentically worship God will we be able to live a life of freedom, happiness, joy and peace. I hope we all get to experience this kind of life. It is not easy to attain, but it is very much possible have. Humble yourself to God and call on HIM. He will meet you where you are. God bless you.

“These people honor me with their lips, but their hearts are far away. Their worship is a farce, for they replace God's commands with their own man-made teachings.” (Mk 7:7, NLT)”
