PRESIDENT'S MESSAGE

Dear fellow Life Changing Rotarians,

Greetings!

The month of August was marked with the re-imposition of the stringent Modified Enhanced Community Quarantine (MECQ) in several areas in our country, including Cebu City. We have witnessed the deleterious and heightened effects of the COVID-19 pandemic with our very own eyes, personally, in several posts on social media, or both. Indeed, we cannot gainsay that the sudden resurgence of the COVID reinfection rate

has brought a sense of gloom and despair. Nonetheless, our Rotarian mandate to serve our community continues and remains undeterred.

Making the most out of the quarantine restrictions, our Club, RCBM, took a sheer effort to have it packed with fun-filled activities and projects. We proceeded with our regular scheduled programs, meetings and activities, mostly via online, while already onboarding our newest Rotarians, who are just waiting to be formally inducted. With everyone's help and cooperation, we were able to successfully hold them despite the challenges of having to conduct most of them in a purely online setting or environment.

Significant developments had occurred in our Club's internal and external affairs. Beginning with our Club's internal affairs, RCBM has successfully released its all new

RCBM Newsletter for the Rotary Year 2021-2022 in August,

which anyone can readily access through our Facebook Page. RCBM Newsletter contains updates and developments regarding the activities and projects embarked by our Club, including our District and the Rotary in general. This was a herculean task, which could not have been

made possible without the collective effort of our creative Public Image Team spearheaded by Dir. Aimee Comaling. My heartfelt **CONGRATULATIONS** to the entire public image team for the good work and dedication, and for taking it to the next level. As Steve Jobs quoted, "the only way to do great work is to love what you do."

It was also exciting to share that our Club has the honor of being the **FIRST** Club in our District to achieve the following status and recognitions:

- 1.) **100% Every Rotarian, Every Year (EREY);**
- 2.) **100% The Rotary Foundation All-Member Giving Club; and**
- 3.) **the District's first (1st) Multiple Paul Harris Foundation (PHF+1) President for Rotary Year 2021-2022.**

I would like to express my deep gratitude to our Club's members for contributing to The Rotary Foundation and endeavor to truly do more good in the world! It's a great way of celebrating our **CLUB'S 25TH CHARTER ANNIVERSARY THIS ROTARY YEAR!**

Consistent with our guiding principle on building goodwill

and better friendships, we held two online General Membership Meetings (GMMs) for this month, with the first GMM having been honored and graced by our **DISTRICT GOVERNOR, ANNA LOUISA BUMAGAT** and **DITO JEFFREY TAN** joining us. On the other hand, our Club hosted our second GMM with our Rotarian friends from Thailand! It was a joint meeting with the officers and members of the **ROTARY CLUB OF KHUANLANG HATYAI DISTRICT 3330 FROM SONGKHLA CITY, THAILAND**. New friendships were forged during the said conference, and we cannot help but feel eager and excited with the vivid prospect of future partnerships and joint projects.

August is the

"New Club and Membership Month"

in the Rotary World. Being so, we encouraged our Club's members to attend seminars from other clubs and districts not only to bond friendship with fellow Rotarians, but also deepen our knowledge about the Rotary and our role as Rotarians. We attended our District's membership seminar titled "Membership is Back: Strengthening Membership" and learned a lot from the knowledge and experiences shared by the District's great and passionate speakers. We also participated other clubs "Back to Basics," "The Rotary

Foundation Basics' & "Global Grants Talk." These were explained by PDS Barbette Lominoque, DGE Lilo Alino & PP Bing Martinez, respectively.

For our external activity and project, we are pleased to note that we have launched

Project: ARAL (Access to Reading & Learning).

This is one of our Club's Basic Education and Literacy Project. This project's theme is: **"Batang Nagtuon, Naay Kaugmaon"**. This was captained by our ever-compassionate Community Service Director/ PP Lito Aquino. This project was intended to benefit of students in the towns of Kinoguitan, Balingasag, Talisayan, & Balingoan, which are all located in the province of Misamis Oriental. Specifically, the recipients were the 200 children of several fair trade and organic coconut farmers, who would be attending elementary school for the incoming school year.

August was a pressing yet fulfilling month indeed. It is my fervent hope that our dear Club continue to be a positive contributor to our District 3860 and the community we serve, despite the challenges and movement limitations brought about by the continuing quarantine restrictions.

Our Club aims to continue to SERVE TO CHANGE LIVES as we envision to BE the club of choice of executional excellence in dynamic community service.

More power to RCBM!

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

VISION **BE** the club of choice of executional excellence in dynamic community service

MISSION

WE CAN CREATE A LASTING IMPACT;

- > By attaining ambitious yet achievable roles to influence chosen communities;
- > Believing in the Life Purpose of Giving and Sharing and living by the principles and values that accelerate our progress together;
- > Building a viable base to sustain success in service
- > Being committed to deliver excellence.
- > Becoming Bigger and Better

Respect.

We RECOGNIZE and celebrate the uniqueness and diversity of talents, experiences, perspectives of everyone and treat our participants, patrons, and each other with sensitivity. We value everyone for his words, actions, thoughts and aspirations.

Collaboration.

We are kind, CARING, to people we encounter. We work together and achieve more.

Boldness.

We bring out the BEST in everyone. We are a top club BRAND that people love and prefer to BELONG.

Agility.

We are fast and focused. We move as we speak. We speed-up as we succeed. We are hands-on proactivators. We adapt quickly in rapid change amidst ambiguity.

Network.

We are a web connection of fun and passion. We energize, engage and inspire one another. We like to be a source of human fuel. We like to laugh. It makes the service tasks enjoyable while connecting beyond the usual.

Involvement.

We are open and actively engaged; we participate, we contribute, we immerse with our programs and our service communities

Leadership.

Our course to change a better future.

MAMAC MENDOZA
 DESIGN & DEVELOPMENT CORPORATION

Mamac Mendoza Design and Development Corporation is a Filipino owned Company, established in the late 2000. The company is primarily engaged in the design and construction of medium-end to high end residential houses and commercial buildings and offices. It is proud of its expertise and wide experience in General Construction, Architectural Design, Construction Management, Structural Design, Construction Supervision, Detailed Civil Works, Landscaping and more.

privileged to develop his skills in most aspects of the architectural practice as a draftsman, junior designer, project/site inspector and estimator. This was followed by a stint as a marketing assistant/consultant in a tile shop company. Having learned to diversify and acquire a degree of versatility, he moved on to become the in house architect of a prominent company in the country where he designed showrooms and commercial spaces as well as school expansions nationwide.

Armed with sufficient experience and expertise, he put up his small architectural office specializing in architectural interiors. His projects ranged from simple residential interiors, renovations and other commissions.

Like all other beginnings, the company struggled but steadfastly created techniques and market differentiation to survive in this mature industry. From repairs, to restoration, and from small to major projects, the tenacity of the team's spirit lives on. The roster of completed and ongoing projects gives an epitome that the group will continue to deliver quality projects within schedule and budget.

The Company is managed and run by a dynamic team of young, highly qualified, competent, experienced and upright professionals in the fields of engineering, architecture and construction, ably supported by skilled and well trained construction manpower. Said team is effectively led by Ar. Jasper Miranda Mamac, President and CEO. He belonged to Batch 2004 of graduates from the Cebu Institute of Technology where he earned his Bachelor of Science in Architecture. Even before passing the board exams for architects in 2006, he was already earning valuable architectural skills through his apprenticeship with a well-known architectural firm in Cebu where he was

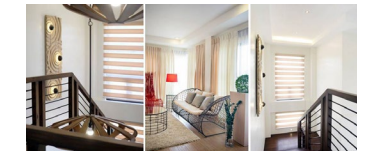

In just a short period of time, MMDDC built and established a trusted name and excellent reputation in the construction industry due to its worthiness and reliability as attested

to by its many foreign or abroad based customers, who have become highly-satisfied homeowners or building investors. These highly-satisfied customers simply relied on an open and transparent business relationship with MMDDC which is founded on Mutual Trust – the essential principle which bridges distance and absence as well as turns mere architectural drawings into elegant dream homes and/or income-generating building investments. The Company already expanded not only in Cebu City and the rest of Cebu province as well as in the Visayas and Mindanao regions.

MMDDC adheres to the philosophy that no two projects are alike, that quality is always better than quantity and that every project has its unique and distinctive features that meet the needs and preference of the end users. Constantly reinventing himself and experimenting on new ideas,

Architect Mamac, together with his wife Richel Mendoza Mamac, guide and motivate their team towards the realization of their clients' ideas and concepts. MMDDC believe that with the changing needs of clients, the company has to be "multi-faceted, dynamic, innovative and adaptable".

*"Stronger At 25:
Sharing Love and
Touching Lives".*

THIS TOO SHALL PASS

Rtn. Mae Pepino

Have you ever felt dry and depleted especially at this pandemic we are all in? It is natural because we now live in this unique time of isolation. For the first time in history, distancing ourselves from others is actually prescribed.

Humans are meant to be social people. We were created by God to form relationships and be in fellowship with others. Because of the distance, we somehow lost the benefit of connecting to people. A lot are lonely and already feeling the downside of seclusion. Our friends, family & loved ones seem to feel so far away. How do we remedy this bad feeling? How do we make up for lost time with friends and loved ones?

THE BIBLE SAYS IN ECCLECIASTES:

“For everything there is a season, and a time for every purpose under heaven. A time to live and a time to die, a time to plant and a time to sow.”

My recommendation on how to bust the blues brought by the Covid Pandemic is to have a strong mindset that the pandemic is just temporary. ‘This too shall pass’. We are meant to be here, at this time, stuck at this place for a specific reason. Though it seems like our world has stopped, it’s not going to be this way forever. This is just a pause meant for a season. Just like in any other season it will soon end.

Think about it. How have we used the abundance of time we have to do something meaningful and value adding to others? How have we optimized the experience of working from home? Instead of looking outside and thinking about how we missed seeing and talking to our friends, have we improved and developed our relationship with the people we live in our homes? Do we communicate to them more and develop a better and deeper connection with them?

Sometimes, we feel like the world will end. It brings so much fear and unnecessary stress to all of us. If we shift our gaze to another direction and see this as a blessing of time, then our perspective will change.

I thank God for technology, because even without going out I can still connect and talk to friends and family outside my home. I thank God for the gift of time, and for the provision that work has given to us to sustain us. Being thankful instead of looking for the things I miss makes me feel better.

How about you? How have you been this pandemic? What are the things you are thankful for? What are the things you still need to improve to make your experience of isolation so much more meaningful.

“Thank you Lord always for your protection and guidance. Thank you for the gift of good health and time. Amen.”

Isaiah 43:1-4 “When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you. For I am the Lord your God, the Holy One of Israel, your Savior.”

“Imagination and Creativity can change the World”

I WEAR MY MASK IN PUBLIC FOR THREE REASONS:

1. **HUMILITY:** I don't know if I have COVID as it is clear that people can spread the disease before they have symptoms.
2. **KINDNESS:** I don't know if the person I am near has a child battling cancer, or cares for their elderly mom. While I might be fine, they might not.
3. **COMMUNITY:** I want my community to thrive, businesses to stay open, employees to stay healthy. Keeping a lid on COVID helps us all!
