# PRESIDENT'S MESSAGE

Dear fellow life changing Rotarians,

Greetings!

*April is Maternal Child Month in the Rotary World.* Despite Cebu was hit by recent Super Typhoon Odette, our club still managed to have another service project last **April 22, 2022** for the Baybay, Leyte landslide survivors of Tropical storm Agaton who buried several mountainous barangays. Casualties

& missing individuals are increasing as well as evacuees. This is our club **Oplan RELIEF (Recovery for Livable Communities & Enhanced Future) Wave 15.** A joint service project with Uratex through the partnership of Rotary Club of Ormoc for the distribution of our donations. We turnover 500 Uratex mattress, 40pcs of 10 liters mineral water, a box of can goods (48pcs) & coffee (200pcs), hygiene kits such as 10 dozen each for shampoos & toothpaste, a box of safeguards & 30packs of sanitary napkins(10pcs/pack). We also include 20pcs complimentary shirts from boysen & 300pcs of used clothings to keep the survivors dry. My heartfelt gratitude to our Secretary Chessa Marie Pales-Maroon family for the first batch of relief goods send April 13,2022 & our newly invited rotarian Marvey Alcantara of Uratex for marvelous efforts & donations. May these donations in kind be of great help to the homeless folks.

As we continue to grow our rotary family & complete our partners in service, we had formally inducted

13 new set of passionate college students & young professionals last April 2 to revive our Rotaract Club of Banilad Metro- Community Based through the effort of Youth Director Emmanuel Hernandez & guidance of rotaract district officers. They were official pinned on our 16th GMM on site meeting.

During our **16th GMM**, we inducted another 2 new rotarians I sponsored from processed foods industry & led advertising classification. They are Carmen Cai of Tian Seng Hopia Bakery & Mona So of Landscape on Cloud Decorations Inc. We also had the presentation of our Rotary Community Corp Certificate composed of 20 newly Chartered members. Likewise, we had the official pinning of multiple PHF & new PHF members by our beloved DG Anna Bumagat. Growing our partnership in service, we also have special guest Mrs Universe 2017 ltd Queen of Honor Marilou Lot Toledo & friends who is also have the heart to serve humanity for future joint projects. We all felt so special with the presence of our District Governor Anna

Louisa & sps Troy Bumagat and DGE Lilu Alino who make time to be with us despite their busy schedule.

Last **April 22-23, 2022**, our club sent 4 delegates to District Training Assembly in Gensan namely: PE Michael Enad & fiancée Xyrene Mitchel Bahunsua as future rotarian, SE Catherine Atillo & myself as incoming Assistant Governor for Area 1E. I was able to convinced & gathered club PE & SE under my watch so we can meet & learn together as we serve RY 2021-2022 with DGE Lilu Alino. We had fun learning & fellowship with fellow rotarians. First time to have a face to face gathering as district for the past 2 years.

Last **April 29, 2022**, we had our first on site meeting with DG Anna Bumagat at Bai Hotel. We were glad to meet our fellow classmate presidents & secretaries for the 1st time in RY 2021-2022 & updating what we had accomplished previous month & our last 2 months closing projects.

We are gearing up for some closing projects for the last 2 month of RY

2021-2022: We are also happy to announce that our rotaractors will be launching the first virtual fund raising for a cause dubbed as **Run for Smiles** in partnership with us as mother club next month. Proceeds will be for the surgery of cleft lip children of indigent families. We encourage fellow members to register & share this cause to their families & friends to boost the new generation new ideas of fund raising for their projects.

We also coordinated with District Rotaract Chair Bolyn Puno for a kick off event on Rotaract Elevate Talk to enhance their understanding of rotaract as people of action. Depending on our partner in service **RC Iloilo Midtown** of District 3850, will be having our **Wave 16 Oplan RELIEF** to Lemery Iloilo survivors of tropical storm Agaton. Another batch of 500 Uratex mattress was turnover to them last **April 22, 2022** for distribution on May 21 if God's willing. We also invited 2 clubs in our district about Human trafficking & modern slavery talk with invited guest from USA.

April was a fulfilling month indeed! May our club continue to be a positive contributor to our district 3860 & the community we serve even though Cebu still recovering from recent ST Odette & national election campaign.

*We continue to Serve To Change Lives as we envision to BE the club of choice of executional excellence in dynamic community service. More power to RCBM!*

**OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1. The development of acquaintance as an opportunity for service;
- 2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3. The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# MISSION

**WE CAN CREATE A LASTING IMPACT;**

DESIGN & DEVELOPMENT CORPORATION

Mamac Mendoza Design and Development Corporation is a Filipino owned Company, established in the late 2000. The company is primarily engaged in the design and construction of medium-end to high end residential houses and commercial buildings and offices. It is proud of its expertise and wide experience in General Construction, Architectural Design, Construction Management, Structural Design, Construction Supervision, Detailed Civil Works, Landscaping and more.

privileged to develop his skills in most aspects of the architectural practice as a draftsman, junior designer, project/site inspector and estimator. This was followed by a stint as a marketing assistant/consultant in a tile shop company. Having learned to diversify and acquire a degree of versatility, he moved on to become the in house architect of a prominent company in the country where he designed showrooms and commercial spaces as well as school expansions nationwide.

Armed with sufficient experience and expertise, he put up his small architectural office specializing in architectural interiors. His projects ranged from simple residential interiors, renovations and other commissions.

Like all other beginnings, the company struggled but steadfastly created techniques and market differentiation to survive in this mature industry. From repairs, to restoration, and from small to major projects, the tenacity of the team's spirit lives on. The roster of completed and ongoing projects gives an epitome that the group will continue to deliver quality projects within schedule and budget.

In just a short period of time, MMDDC built and established a trusted name and excellent reputation in the construction industry due to its worthiness and reliability as attested

to by its many foreign or abroad based customers, who have become highly-satisfied homeowners or building investors. These highly-satisfied customers simply relied on an open and transparent business relationship with MMDDC which is founded on Mutual Trust – the essential principle which bridges distance and absence as well as turns mere architectural drawings into elegant dream homes and/or income-generating building investments. The Company already expanded not only in Cebu City and the rest of Cebu province as well as in the Visayas and Mindanao regions.

MMDDC adheres to the philosophy that no two projects are alike, that quality is always better than quantity and that every project has its unique and distinctive features that meet the needs and preference of the end users. Constantly reinventing himself and experimenting on new ideas,

Architect Mamac, together with his wife Richel Mendoza Mamac, guide and motivate their team towards the realization of their clients' ideas and concepts. MMDDC believe that with the changing needs of clients, the company has to be "multi-faceted, dynamic, innovative and adaptable".

# IT'S TIME TO LEARN TO SAY NO

Rtn. Mae Pepino

Many people have made such a mess of their lives because of pursuing the wrong things. The world has given us so many things to desire. A lot of things and distractions call for our attention. A lifetime is not enough to do the things the world dictates us to do if we want to do it all.

Are you like most people who are 'crazy busy' these days?

'Being busy' is what most people say as an excuse for 'not praying', for 'not calling a loved one', for 'not spending time with family', for 'not paying attention to one's health', for not 'being there at the moment'.

Work has become the number one reason why people call themselves 'busy' these days. Another reason is 'saying Yes' all the time to 'all things'. Being a yes man is dangerous as one will be consumed by doing so many things that it is hard to distinguish anymore if what we are doing are even worth doing. Pursuing success, fame, and popularity can also be factors why most people are spreading themselves too thinly.

In the end, people become tired and burned out and life is not worth living anymore. Why do people find themselves entangled in this mess all the time? Why are most people so exhausted all the time?

As what the wise say, 'it all boils down to priorities'. Most of us do not know what our priorities are. A lot too may have given priorities to the wrong things.

## *What is the correct order of priorities?*

The church has always been clear with this advice. As Christians, this should be our order of priorities:

1. **God**
2. **Spouse**
3. **Children**
4. **Work**
5. **Ministry**
6. **Others**

As what Stephen Covey said, we should focus on the 'Big Rocks' first so that all the other small rocks will fit in. If we fill our life with small things, then we will no longer have time for the big things. The first 6 things I mentioned should be our 'big rocks'.

If you find yourself tired and exhausted all the time, if you find yourself always saying sorry for missing out important things with your loved ones, if you have been pursuing the wrong things, it is time to stop and reassess your priorities.

Life is not meant to be lived hurriedly. What use is it to kill yourself from working too hard and pleasing others, when we no longer enjoy our family and our loved ones.

We have to enjoy life and the only way to enjoy it is being selective on the things we do. WE have to learn to say NO to a lot of things, and only say YES to the things that matter.

"So what profits a man if he gains the whole world but loses his soul? **Mark 8:36**

" Seek first the kingdom of God and everything shall be added unto you". **Matthew 6:33**

## I WEAR MY MASK IN PUBLIC FOR THREE REASONS:

1. **HUMILITY:** I don't know if I have COVID as it is clear that people can spread the disease before they have symptoms.
2. **KINDNESS:** I don't know if the person I am near has a child battling cancer, or cares for their elderly mom. While I might be fine, they might not.
3. **COMMUNITY:** I want my community to thrive, businesses to stay open, employees to stay healthy. Keeping a lid on COVID helps us all!
