PRESIDENT'S MESSAGE

Greetings!

May is a month filled with excitement, service opportunities and greater bonding between our club members and beyond.

Here is a rundown of our club highlights for the month of May 2022:

Mary Christine L. Chua
PRESIDENT RY 2021-2022

On May 11, we had our 17th General Membership Meeting in which my bank, Security Bank Corporation, share a classification talk on our services and how we can help fellow Rotarians do better banking & offer credit facilities solutions in support to our recovering economy.

We also inducted a new Rotarian, Marvey Alcantara. Uratex General Manager for VISMIN Business Unit to our growing RCBM family - making it 25 members in our Club 25th year. Our Interact Club of Banilad Metro – Science High Cebu's charter certificate was also presented. A wonderful surprise also came up when District Governor Elect Lilo Alino and Incoming District Trainer Barbetta Lominoque presented me a certificate of

appreciation for being one of the speakers of the topic, "Club Best Practices" during the last PETS SETS (President Elect Training Seminar – Secretary Elect Training Seminar) for the Rotary Year 2022-2023.

On May 14, we had our 38th child operated for cleft lip from Toledo area. A joint project with Mason Brotherhood Cebu Lodge 128 wherein I personally assist in the operation every Saturday in Perpetual succor Hospital.

Eight Rotarians from our Club attended the District Convention for Rotary International District 3860 in Ormoc City. It was an amazing gathering of Rotarians from all over the district and was filled with fellowship, learning and connection. Some highlights included our club recognition for our contributions to The Rotary Foundation and having three incoming

District Officers for the next Rotary year starting July 2022. We also arrived early for a fun fellowship in Ormoc.

May 31st featured our 18th General Membership Meeting which was a joint meeting with two other Rotary Clubs: with Cebu Gloria Maris and Mandaue East. Our empowering girls initiatives & anti human trafficking campaign called, "Dignity and Humanity: Rotary Against Human Trafficking" followed as a joint webinar of 3 clubs. It was a hybrid webinar featuring the Global Chair of the Rotary Action Group Against Slavery, Dave McCleary, from the Rotary Club of Roswell in Georgia, USA. We also had a panel of speakers which included Banilad Metro Club's Past President Lito Aquino, who talked

and a profile of trafficking in the Philippines, and Cebu Gloria Maris Club's President Rhea Judilla, a lawyer who talked about the legal aspect of trafficking.

Uniquely, we were able to present Dave McCleary an actual certificate of appreciation in person in the Rotary International Convention in Houston, Texas, USA thanks to the District 3860 delegation on June 4-8, 2022.

We also did a call for donation for the benefit of Mary Queen of Heaven Missionaries' women and children's shelter called "Home of Love" in Tuburan, northern Cebu which is scheduled on June 4, 2022. We will then have our socials and fellowship at Asturias Beach Resort, not too far from the Home of Love.

*Busy as always,
it's always fun
in Rotary. Keep
posted!*

*Yours in Rotary
Service,*

I WEAR MY MASK IN PUBLIC FOR THREE REASONS:

1. **HUMILITY:** I don't know if I have COVID as it is clear that people can spread the disease before they have symptoms.
2. **KINDNESS:** I don't know if the person I am near has a child battling cancer, or cares for their elderly mom. While I might be fine, they might not.
3. **COMMUNITY:** I want my community to thrive, businesses to stay open, employees to stay healthy. Keeping a lid on COVID helps us all!

MAMAC MENDOZA
 DESIGN & DEVELOPMENT CORPORATION

Mamac Mendoza Design and Development Corporation is a Filipino owned Company, established in the late 2000. The company is primarily engaged in the design and construction of medium-end to high end residential houses and commercial buildings and offices. It is proud of its expertise and wide experience in General Construction, Architectural Design, Construction Management, Structural Design, Construction Supervision, Detailed Civil Works, Landscaping and more.

privileged to develop his skills in most aspects of the architectural practice as a draftsman, junior designer, project/site inspector and estimator. This was followed by a stint as a marketing assistant/consultant in a tile shop company. Having learned to diversify and acquire a degree of versatility, he moved on to become the in house architect of a prominent company in the country where he designed showrooms and commercial spaces as well as school expansions nationwide.

Armed with sufficient experience and expertise, he put up his small architectural office specializing in architectural interiors. His projects ranged from simple residential interiors, renovations and other commissions.

Like all other beginnings, the company struggled but steadfastly created techniques and market differentiation to survive in this mature industry. From repairs, to restoration, and from small to major projects, the tenacity of the team's spirit lives on. The roster of completed and ongoing projects gives an epitome that the group will continue to deliver quality projects within schedule and budget.

The Company is managed and run by a dynamic team of young, highly qualified, competent, experienced and upright professionals in the fields of engineering, architecture and construction, ably supported by skilled and well trained construction manpower. Said team is effectively led by Ar. Jasper Miranda Mamac, President and CEO. He belonged to Batch 2004 of graduates from the Cebu Institute of Technology where he earned his Bachelor of Science in Architecture. Even before passing the board exams for architects in 2006, he was already earning valuable architectural skills through his apprenticeship with a well-known architectural firm in Cebu where he was

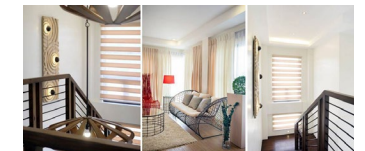

In just a short period of time, MMDDC built and established a trusted name and excellent reputation in the construction industry due to its worthiness and reliability as attested

to by its many foreign or abroad based customers, who have become highly-satisfied homeowners or building investors. These highly-satisfied customers simply relied on an open and transparent business relationship with MMDDC which is founded on Mutual Trust – the essential principle which bridges distance and absence as well as turns mere architectural drawings into elegant dream homes and/or income-generating building investments. The Company already expanded not only in Cebu City and the rest of Cebu province as well as in the Visayas and Mindanao regions.

MMDDC adheres to the philosophy that no two projects are alike, that quality is always better than quantity and that every project has its unique and distinctive features that meet the needs and preference of the end users. Constantly reinventing himself and experimenting on new ideas,

Architect Mamac, together with his wife Richel Mendoza Mamac, guide and motivate their team towards the realization of their clients' ideas and concepts. MMDDC believe that with the changing needs of clients, the company has to be "multi-faceted, dynamic, innovative and adaptable".
