EDITOR-IN-CHIEF

August has been a truly remarkable month for the Rotary Club of Bislig, a period that showcased the very best of our commitment to service. Our collective actions were not just projects; they were a living testament to our shared values. In every initiative, we saw the clear embodiment of love, support, and care, and a powerful demonstration of what it means to be united in action.

The heart of our August activities was undoubtedly Project RICA-H-Pabasa. This initiative was a beautiful reflection of our mission to give back to the community and empower its members. By providing the gift of literacy, we are not just teaching a skill—we are unlocking potential, fostering a love for learning, and opening doors to a brighter future. Seeing our members come together to read with and support the children of our community was a clear sign of our unwavering care and our desire to uplift others.

Beyond the classroom, our work this month was a testament to our ability to empower abilities. Whether it was a new member taking the lead on a task, or a long-time Rotarian sharing their expertise, we saw a community of individuals using their unique skills to make a difference. This synergy of talents, all working toward a common goal, is the true meaning of being united in action. It is through this unity that we turn our ideas into tangible, life-changing realities.

As we move forward, I urge each of you to continue sharing the stories of your service. Your photos, your reflections, and your personal experiences are the threads that weave the rich tapestry of our club's legacy. They serve to inspire us all and to show our community what can be achieved when people of action unite for good. Let's carry the spirit of August—one of support, care, and empowered action—into the months ahead. **1**

PRESIDENT'S MESSAGE

RTN REBECCA BERNALES
PRESIDENT

Dear Fellow Rotarians,

As we reflect on our work this month, it's clear that August was a period of incredible service and tangible impact, all under the banner of "Unite for Good." Our commitment to "Service Above Self" was on full display as we focused our efforts on providing health, empowering children, and fostering a love for learning in our community.

In terms of public health, we are incredibly proud of our collaboration on the school-based immunization project. This vital initiative brought life-saving vaccines directly to our children, providing crucial protection against preventable diseases. It's a powerful testament to our belief in proactive health measures and our dedication to building a healthier, more resilient Bislig.

Our efforts to support the children also went beyond healthcare. We were honored to provide gifts and essential vitamins to mothers and children, ensuring that our youngest citizens are not only healthy but also feel seen and supported. These small acts of kindness nurture their well-being and demonstrate our club's commitment to their future.

Finally, we continued our unwavering dedication to literacy through Project RICA. This August, our initiative to provide books to children was a powerful reminder that every book we give opens a door to a new world of knowledge and imagination. By investing in education, we are investing in the potential of every child.

Thank you for your tireless work this month. Your passion and dedication are the driving force behind the positive change we create.

August Activities

ROTARY CLUB OF BISLIG: A MONTH OF SPREADING LOVE AND HOPE

This month, the Rotary Club's commitment to service was on full display through a variety of community initiatives. The club began by supporting the creative expression of children with disabilities at KamParalso by sponsoring arts and crafts supplies. Following that, a successful school-based immunization program was launched after a key conference for stakeholders. The club's efforts also included fostering a love for reading with Project Rlcah-Pabasa and raising environmental awareness with a coastal clean-up. Finally, they offered a supportive hand by serving warm lugaw during the PhilHealth service caravan.

WE ARE ROTARIAN. OF COURSE, WE SHARE

Our dedication to education continues through Project RICA, a long-standing initiative where the club proudly gives books to children on an annual basis. This project embodies our belief that literacy is the cornerstone of a brighter future. By ensuring children have access to books, we are not just providing a gift; we are inspiring a lifelong love for learning and empowering the next generation to reach their full potential.

The Rotary Club of Bislig recently concluded a series of initiatives focused on nurturing the health and education of our community's most vulnerable members. Through the generosity of our members, we were able to distribute gifts and essential vitamins to mothers and their children, providing crucial support to families in need. This direct act of service is a powerful reminder of our commitment to improving the lives of those around us.

WE ARE ROTARIANS. OF COURSE, WE SUPPORT

The Rotary Club's recent conference on school-based immunization stands as a powerful testament to its commitment to public health. This initiative goes beyond simple advocacy; it represents a strategic and proactive step to protect the well-being of the community's youngest members. By bringing together health officials, educators, and community leaders, the conference served as a vital platform for collaboration, turning a shared concern into a unified action plan.

This event perfectly aligns with the Rotary principle of "Service Above Self." It demonstrates that true service involves not only providing aid but also creating the infrastructure for lasting, positive change. The discussions held and the partnerships formed at this conference were the essential first steps in a project that will soon see vital immunization services directly reach children in elementary schools.

WE ARE ROTARIAN. OF COURSE, WE CARE

The Rotary Club of Bislig has successfully launched its School-Based Immunization Initiative, a powerful step toward protecting our community's youth. Our members and local partners transformed schools into temporary health centers, bringing life-saving vaccines directly to children. This on-the-ground service not only addresses a critical public health need but also safeguards our children against preventable diseases.

By focusing on the health of our youngest citizens, we are actively building a healthier, more resilient Bislig and investing in the future of our entire community. We extend our profound thanks to all volunteers and partners who made this vital project possible.

ROTARY: CREATING A CLEANER COAST, TOGETHER.

The Bislig coastline is a shared natural resource, but pollution is a constant threat to its beauty and marine life. The Rotary Club of Bislig has a strong commitment to environmental protection and is launching a new, unified clean-up effort. This mission is about more than just picking up trash; it's about building a powerful movement and fostering a sense of shared responsibility. Our members are dedicated to this vital task, working together to make a real, lasting difference.

RC BISLIG UNITED IN ACTION

A Warm Bowl of Support for the Yakap Run

The Rotary Club of Bislig was proud to support the recent Philhealth Yakap Run, a community event dedicated to promoting health and wellness. In an act of genuine compassion and solidarity, our members provided a warm bowl of lugaw to the runners.

This simple gesture was more than just a meal; it was a way to nurture the participants and offer them a tangible sign of encouragement after their physical effort. By being present and offering this support, our club demonstrated a commitment to uplifting important health initiatives and contributing to the well-being of the community in a direct and meaningful way.

THE FOUR WAY TEST

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIP**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service;

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal and community life;

FOURTH, the advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life;
2. Deal fairly with others and treat them and their occupations with respect;
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world;
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

7 AREA OF FOCUS
