## FRANCESCO AREZZO

President, Rotary International - RY 2025-2026

### JULY 2025

Two weeks ago, I was in my living room playing with my grandchildren. A few days later, I was on a plane to Calgary, suddenly carrying the responsibility of leading this incredible organization. Life comes fast, but so often, it brings us exactly where we're meant to be.

We begin this year with a clear message/; Unite for Good. It is a simple phrase, but a powerful one. Because behind every successful Rotary effort, every act of service, every new member welcomed, every global challenge met-there are two things that matter most: friendship and trust.

This is how we build strong clubs. It's how we create meaningful partnerships and transform global problems into local solutions. It's also how we lead-not through titles or applause, but with humility, humanity, and heart. But let me be honest with you-this kind of leadership is not always easy. We're human and yes, we make mistakes. We sometimes disagree, but in Rotary, we are called to something greater. let us reflect on the full vision of Rotary:

*Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.*

The last part is essential, because transformation doesn't start with strategy. It starts with character and the way we treat one another. It starts with how we listen, how we support, and how we serve.

This year, I ask you to lead with that spirit. To grow Rotary through relationships. To make your clubs more welcoming, more flexible, more open to new ideas. To think big-but also to think beyond one year. Our term is short, but our impact can be lasting if we plan and act with continuity and vision.

Let us remember our key priorities: membership, polio and peace. We are closer than ever to ending polio. We cannot stop now. We must keep the promise we made tot he children of the world. And as for peace-Rotary has been building it for over a century. Every clean water system, every youth exchange, every maternal health project is a step toward peace.

I joined Rotary as a young professional, eager to help but terrified of public speaking. My fellow Rotarians believed in me and encouraged me to take on new roles, and in doing so, Rotary changed my life. It gave me courage and purpose, but above all, it gave me you: my friends, my team, my family around the world.

So now, my friends..take out your dreams tucked away in a drawer, especially those you thought were too big or bold to achieve. Let's bring them into the light. Let's Unite for Good-for our clubs, our communities, and our world. And let's make this a year not only of service, but of joy, of connection, and of love.
