FRANCESCO AREZZO

President, Rotary International - RY 2025-2026

APRIL 2026

Not long ago, in a small health center in the village of Aaye in southwest Nigeria, a woman arrived in labor carrying twins. The facility was short-staffed. The nurse midwife in charge was not present.

A community health worker stepped forward. She had participated in Together for Healthy Families in Nigeria, a Rotary Foundation Programs of Scale initiative. And though she was not formally trained as a midwife, she was equipped with essential emergency obstetric skills.

Hours later, both babies had been delivered, one at the health center and the other at a general hospital, where the mother had been referred after complications were quickly identified. The newborns and their mother were alive and safe.

Women around the world face similar circumstances every day — moments when the difference between life and loss depends on well-trained medical staff and reliable systems and procedures.

Together for Healthy Families in Nigeria exists to increase the chances that those moments end in hope. By strengthening health systems and training frontline workers, this program helps communities protect mothers and children even when circumstances are difficult.

This work reflects the very heart of Rotary service. Service is not only what we do when conditions are ideal. It is what we do when systems are strained, resources are limited, and the need is urgent. It is the commitment to prepare people before a crisis arrives and to stand with communities when it does.

Maternal and child health is not an abstract goal. It is deeply personal. It is a mother who survives childbirth. It is a newborn who takes a first breath. It is a family that remains whole because someone was trained, ready, and cared enough to act. Rotary understands that service means investing in people and systems long before they are tested.

Programs like Together for Healthy Families in Nigeria show what is possible when Rotary brings together local knowledge, global partnerships, and sustainable solutions. By working alongside health professionals and local leaders, Rotary helps ensure that lifesaving care does not depend on luck or location.

The story of the mother and her twins is at its core a story of service. It is a reminder that Rotary's impact is measured in human moments when people step forward to help others in their most vulnerable hours.

When we *Unite for Good*, service becomes more than an ideal. It becomes a lifeline for families, a source of strength for communities, and a promise that Rotary will continue to go wherever help is needed most.

CHRISTINE JOY ALIÑO
 Club President

As we welcome the month of April, we are reminded of our shared responsibility to protect and preserve the environment — not only for ourselves, but for the generations that will follow.

In Rotary, service goes beyond communities; it extends to the very world we live in. Environmental stewardship is no longer an option — it is a duty. The challenges we face today, from climate change to waste management and resource depletion, call for urgent and collective action.

As Rotarians of Buhangin Davao, we are in a unique position to lead by example. Through our projects, partnerships, and daily choices, we can inspire others to take meaningful steps toward sustainability. Whether it is tree planting, coastal clean-ups, reducing plastic use, or supporting eco-friendly initiatives, every action counts.

Let us use this month as a platform to strengthen our commitment — not just as individuals, but as a club united by purpose. Let us educate, advocate, and act with intention. True leadership is not only measured by what we achieve today, but by the legacy we leave behind.

Together, let us nurture a greener, cleaner, and more sustainable future for Davao and beyond.

Service Above Self.

CLUB UPDATES

The 11th Area 2 Coordination Meeting (ACOM) was held at Miko’s Café, Tagum City, Davao del Norte last April 9, 2026. Secretary Jerson and Treasurer Joan Mae represented the Club. On the same day, President Joy has the opportunity for a fellowship lunch with District Governor Jong Fernandez during her visit at Cebu City.

On April 10, 2026, Vice President Terry Ungson Call the Monthly Club Regular Meeting to Order, in lieu of President Christine Joy who is out of town for official business. Accomplishments and future plans were presented and discussed.

President-Elect Maria Teresa Ungson lead the delegation of participants for the PELS/SELS/DTLS held at The Farm, Koronadal City, South Cotabato last April 16 to 18, 2026. Secretary-Elect Joan Mae Marilao and District Membership Coordinator for Davao City and Davao Del Sur (Appointed) Jerson Dedel joined the said training as Club delegates.
