

Twenty eight (28) community site guides from two (2) barangays in Calbayog City (Tinaplacan and Malajog) handpicked by their respective barangay captains; and two (2) personnel from Malajog Integrated School participated in the six-day Trainings on Basic Life Support and Standard First Aid held at Malajog Integrated School on February 21-26, 2022.

Club President Sandro Daguman who is also the head of the City Disaster Risk Reduction and Management Office, led his team in conducting the rigorous training of would-be community site guides. He gave emphasis on the importance of organizing such trainings, and that is primarily to save lives.

The six-day training was made possible through the Rotary Club of Calbayog, in partnership with the City Government of Calbayog, through the City Tourism and Information Office, in coordination with the City Disaster Risk Reduction and Management Office and the City Health Office.

Special thanks to the Calbayog City Tourism and Information Office for the pictures
