OCTOBER 7, 2022 | 7:30 AM CCNHS, CALBAYOG CITY

WITH ZIN ANNIE & ZIN RHON

October is the month that marks the beginning of Breast Cancer Awareness. Recalling all those who have resorted to the disease, commemorating all those who have survived, and increasing awareness on the ongoing battle against Breast Cancer is everyone's concern.

This 7th day of October is a life goal changing for the Rotary Club of Calbayog, Rotaract Club of Ibatan-Calbayog, Interact of Calbayog City National High School and special participation of the students and teachers of Calbayog City National High School, turning everyone's attention to dance, away from the daily grind, is a great way to changing lifestyle that could surely prevent everyone from any harmful diseases.

District Grant for RY 2021-2022

with the Bureau of Fire Protection as the beneficiary

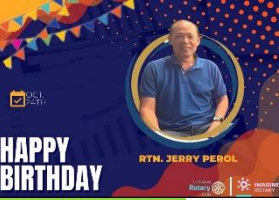

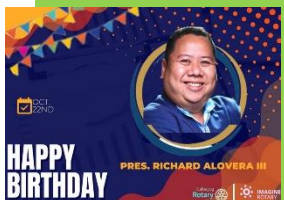

The Rotary Club of Calbayog was grateful to have been granted again a District grant by Rotary International District 3860. The Bureau of Fire Protection is this year's beneficiary of various equipment for rescue operations in the amount of Two Hundred Thousand Pesos (Php 200,000.00).

BFP's lifelong dedication and faith is only worthy of reciprocation and be rewarded with goodness.

Kudos to the dedicated men and women of BFP! Thank you for serving the community.

OCTOBER HAPPY Birthday

Rotary  **4 Way Test**
of the things we think, say, or do:

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?

Imagine that young individual have the same capacity for leadership and have the exposure of service and skills to help the community, and imagine special needs young individuals having the knowledge to grow at their pace and do things to make a difference.

Interact of Calbayog City High don't just Imagine however they Act and make steps to what they have Imagined. As they are constantly growing as a club supported and chartered by the Rotary Club of Calbayog where there are newly inducted officers and members were added last October 1,2022, they instilled in their minds that service is the top priority.

With the new leaders inducted may you continue to serve the community and hoping to continue to inspire others with utmost passion .

Last October 1, 2022 was full of fun and sure to be good memories as we celebrate the One Club, One Rotary, One Day Fun, at Balay ni Monyeka, Sta. Margarita, Samar. The Rotarians, Rotaractors, and Interactors spent and enjoyed the night through fun games, dancing, and relaxing while listening to the acoustic bands. It was a great opportunity and experience to take a break; to relax and enjoy.

Nijaga Park

Calbayog river in Samar Province was awarded as the second cleanest river in the Philippines by DENR last 2019.

Hence, today the Rotary Club of Calbayog donated a River Boat Patrol to the Local Government Unit to continuously preserve the cleanliness of the ever beloved Calbayog River.

We have a common goal and that is to give back to our environment who gave us life and resources. Even in a simple deeds if we work together, we can make a big difference.

Let's be kind to our environment, it's the only one we have.

ANG ROTARY CLUB OF CALBAYOG AY NAKIPAGUGNAYAN SA CDAPRO PARA IPAGDIWANG ANG LINGGO PARA SA KALUSUGANG MENTAL. BINIGYANG DIIN NI DR. RICHARD ALOVERA II , PSYCHIATRIST AT ROTARY CALBAYOG PRESIDENT na mahalagang mabigyang diin ang importansiya, hindi lang ng ating pisikal na kalusugan, kundi pati na rin ang ating mental health. Importante lang na mapalakas natin ang kaalaman tungkol sa mental health at paano natin ito aalagaan nang tama. Huwag nating kalimutang kumustahin at alalayan ang ating mga mahal sa buhay at mga kaibigan. Tiyakin natin na palaging naririyan tayo para mag bigay ng KALINGA sa isa't isa.

Thank you very much SOS Children's Village Calbayog for the commendation.

The Rotary Club of Calbayog joined the Bureau of Fire Protection and the rest of the personnel of Toyota Calbayog in conducting Fire Safety Awareness, Prevention Seminar and Skills Training.

Every workplace or houses has a certain probability of experiencing fire, hence, this activity was conducted to constantly educate us to have plans to be prepared in ensuring our workplace and our home is protected if a fire were to ever occur. In addition, the main goal of this activity is to prevent the loss of lives and damages of properties.
