## 2023-24 Rotary International President Gordon R. McNally

Gordon R. McNally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

McNally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

"We have learned there is a willingness within communities to care for one another," he says, "and we must ensure that we encourage people who have recently embraced the concept of volunteering to join us to allow them to continue giving service."

McNally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "face-to-face meetings remain important, as they encourage greater interaction."

The best way to increase membership is engagement, according to McNally. To better support clubs, he says, Rotary International, regional leaders, and district teams all need to engage with them. Engagement through social media will reinforce Rotary's brand and showcase the opportunities that come with it. And, he says, engagement with governments, corporations, and other organizations will lead to meaningful partnerships.

With better engagement, McNally says, "We will grow Rotary both by way of membership and in our ability to provide meaningful service."

He adds, "Membership is the lifeblood of our organization. I would encourage the use of the flexibility now available to establish new-style clubs that would appeal to a different demographic."

McNally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

A Rotary member since 1984, McNally has been president and vice president of Rotary International in Great Britain and Ireland. He has also served Rotary International as a director and as member or chair of several committees. He is currently an adviser to the 2022 Houston Convention Committee and chair of the Operations Review Committee.

McNally and his wife, Heather, are Major Donors and Benefactors of The Rotary Foundation. They are also members of the Bequest Society. ([rotary.org](http://rotary.org))

The Rotary Club Calbayog is truly a service organization that deserves our thanks. By helping schools through donation efforts, the club is making a positive difference in the lives of our learners as end beneficiaries of their eleemosynary mission.

The Rotary Club Calbayog has been a big help to the Calbayog City SpEd Center. Their support to the annual implementation of the Brigada Eskwela by their Serbisyo Brigada is greatly appreciated.

We are looking forward to furthering our connection as we forward to the opening of the next school year.

**ROTARY'S GUIDING PRINCIPLES**  
 These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

**Rotary**

**OBJECT OF ROTARY**  
 The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

**Rotary**

**THE FOUR-WAY TEST**  
 Of the things we think, say, or do

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

**Rotary**

**AVENUES OF SERVICE**  
 Channel our commitment to service at home and abroad through five Avenues of Service.

- CLUB SERVICE:** focuses on making clubs strong.
- VOCATIONAL SERVICE:** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society.
- COMMUNITY SERVICE:** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest.
- YOUTH SERVICE:** recognizes the importance of empowering youth and young professionals through leadership development programs.
- INTERNATIONAL SERVICE:** exemplifies our global reach in promoting peace and understanding.

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand.
