## SPOTLIGHT

## Josephus Maxilom Gonzales

*Club President, RY 2025–2026*

*A life of service, a legacy of leadership*

With a career defined by public service and a heart deeply anchored in family, Josephus Maxilom Gonzales brings wisdom, humility, and drive to his role as Club President.

A proud husband to Juanita Sampilo Gonzales, and father to three accomplished daughters and a cherished granddaughter, Jojo lives by values shaped over decades of government leadership and academic excellence. He retired as Chief Agrarian Reform Officer after 31 years with the Department of Agrarian Reform, and dedicated 21 years as a graduate school professor, guiding aspiring public servants and professionals.

Beyond titles, he is a builder of institutions — most notably as the Founding President of the Association of Government Internal Auditors in 1998, and as a respected government internal auditor in Region 7.

Jojo holds not one, but three doctoral degrees:

- Doctor of Public Administration from Cebu Normal University (1997)
- Doctor of Management from the University of the Visayas (2006)
- Doctor of Education from Southwestern University (2011)

Even in retirement, his commitment to growth continues. He now helps others pursue health and financial security as a Gold Director at USANA and Financial Wealth Planner with FWD Life Insurance Corp. He also serves as a Land Use Conversion Consultant, sharing his expertise with communities navigating development and land reform.

In Rotary, he brings all these layers of experience — government, education, business, and mentorship — into one purpose: to unite people for good and uplift the lives of others through meaningful service.

*Beyond his impressive accomplishments, let's take a closer look at the leader at the heart of our club.*

Q: What inspired you to accept the role of Club President?

Jojo: What inspired me most was the opportunity to serve with purpose and to give back to a community that has shaped me. Rotary's values resonate deeply with my personal beliefs in servant leadership, collaboration, and impact. I also saw it as a chance to work alongside fellow Rotarians who are equally passionate about service. Together, I believe we can do meaningful work.

Q: What is your vision for the club this Rotary year with the theme, Unite for Good?

Jojo: My vision is to foster a more engaged, inclusive, and collaborative club environment where every member feels heard, valued, and empowered to lead. We will strengthen partnerships within and beyond our club, amplify impactful projects, and develop the next generation of leaders. Through unity, we will magnify our good.

Q: How does this year's Rotary theme resonate with you?

Jojo: Unite for Good speaks to the heart of what I believe leadership should be: bringing people together—not just to act, but to act for a higher purpose. It's about setting aside differences, aligning on values, and moving forward together for the common good. It reminds me that progress is not a solo act—it's a shared mission.

Q: Which area of Rotary service are you most passionate about?

Jojo: I am most passionate about Community Development, especially in empowering underserved sectors through sustainable livelihood and education. When we uplift a community with lasting solutions, we don't just give aid—we give dignity, hope, and a future.

Q: What message would you like to give members as we begin this journey?

Jojo: Let us walk this journey with open hearts and collaborative minds. Each of us brings something unique to the table. Let's unite our strengths, share our time and talents, and remember that the smallest act of service, when done together, becomes something truly powerful. Let's make this year memorable—not just in achievements, but in the relationships and legacy we build.

Q: Share one fun fact about yourself that members might not know.

Jojo: One fun fact? I'm actually a big fan of urban gardening—I grow herbs, vegetables, ornamental plants and even some fruit trees right in the heart of the city. It's my stress reliever and my way of staying rooted—literally and figuratively.

## SHINING MOMENT

### Mary Grace Guingona Catarata

*Club President, RY 2024-2025*

*Grace in leadership, strength in service*

Mary Grace Catarata serves as the Chief Financial Officer of Adeptworks Corporation, a prominent construction company based in Cebu. Her extensive career in the construction industry spans 22 years, showcasing deep expertise and leadership in financial management within this dynamic sector. This long tenure highlights her significant contributions and adaptability within the field.

Beyond her professional achievements, Mary Grace is a dedicated mother of two, balancing her executive responsibilities with her family life. She also demonstrates a strong commitment to community service, passionately contributing her time and skills to various non-denominational religious organizations. Her involvement underscores a rich personal life dedicated to both her family and her faith.

This combination of seasoned financial leadership in a demanding industry, coupled with her devotion to family and community, paints a picture of a well-rounded and impactful individual. Her profile reflects a blend of professional excellence, personal dedication, and active civic engagement, making her a truly distinguished figure.

Here is a chance to get up close and personal with our iron lady:

Q: How would you describe your Rotary year in three words?

Grace: Challenge. Unity. Achievement.

Q: What accomplishment or project are you most proud of?

Grace: The GIRL Project 4 with the Everlasting Hope Cancer Kids

Q: Share one challenge your team overcame and how.

Grace: Hosting the PELS/SELS (President-Elect and Secretary-Elect Learning Seminar), DTLS (District Training Learning Seminar), and DLA (District Learning Assembly) for Visayas last April 3-5, 2025 was no small feat, especially with the limited time we were given to prepare. Despite the tight schedule, everyone rose to the challenge and gave their full support to ensure the event's success. I witnessed first-hand the dedication, teamwork, and unity of our club members, each one doing their part with unwavering commitment. It was truly heart-warming to see everyone come together for a common goal. All the effort was worth it when we received positive feedback from fellow Rotarians and guests. It was a big event, and yet, we pulled it off. Thankful to our district officers for going the extra mile and generously contributing both their time and resource. Their support played a huge role in making the event a memorable success.

Q: What is your favorite memory from your term as President?

Grace: Looking back, I can honestly say that my entire term as Club President has been the most meaningful time in my seven years as a Rotarian. Throughout this journey, I truly felt the love, encouragement, and unwavering support from my fellow club members. They never left my side, from accompanying me to my president's training in Dumaguete to standing with me during my final days as president in Tacloban. Along the way, whether it was through service projects, meetings, fellowships, or hosting district events, their commitment to both me and the club never wavered. This year was not only about leadership; it was about friendship and connection. I gained new friends, built lasting relationships, and had the privilege of meeting many inspiring people. It's an experience I will always treasure.

Q: What advice or encouragement do you want to give the new leadership team?

Grace: First of all, congratulations on stepping up to lead! You're about to embark on a truly meaningful journey, one that will challenge, inspire, and transform you in ways you might not expect. Lead with purpose, serve with heart, and never forget why we do what we do. Rotary is not just about projects and meetings, it's about people. It's about creating impact, building connections, and making a difference, one act of service at a time. You don't have to do it all alone. Lean on each other, trust your team, and remember that your fellow Rotarians are here to support you, just as mine stood by me throughout my term.

There will be challenges, but also countless moments of joy, pride, and fulfillment. Embrace them all. And above all, enjoy the journey; it's one of the most rewarding experiences Rotary has to offer. Wishing you a successful and meaningful year ahead!

Q: A short personal message to the members.

Grace: Thank you for walking beside me throughout this incredible journey. Your support, friendship, and dedication have made my Rotary year truly unforgettable. I'm proud of what we've achieved together, and even more grateful for the bond we've built. For choosing RC Cebu Fort San Pedro as your second home. Your time, effort, and resources spent in every activity are deeply appreciated. Please know that each of you plays a vital role in the success of our club. You are valued, you are needed, and you belong. Your journey as a Rotarian is no coincidence, it's part of a greater purpose. Your service will never go unnoticed, because it touches lives in ways you may never fully see. Together, we have planted seeds of hope and change that will continue to grow long after this Rotary year ends. Carry forward the passion, the fellowship, and the commitment that define us. Keep serving with open hearts and willing hands, knowing that every act of kindness brings us closer to a better world.

## JULY SPARKS: Igniting a New Rotary Year

As the Rotary calendar turned, so did a new chapter for the Rotary Club of Cebu Fort San Pedro. July wasn't just a month—it was a momentum. From vibrant service to powerful leadership transitions, every event reminded us of why we do what we do. This issue captures the passion, purpose, and people behind our projects. Whether you're a longtime Rotarian or just curious about what we're all about, welcome. Come see what impact looks like in motion.

### • Bloodletting Drive: One Pint, A Hundred Hopes July 26, 2025

Not all heroes wear capes, some roll up their sleeves.

In a life-saving collaboration with our district partners, our club helped collect precious blood donations in July's community bloodletting drive.

Donors arrived quietly, left smiling, and unknowingly became lifelines for someone in need.

### • Unang Lakang: First Steps, Big Dreams July 1, 2025

We kicked off the Rotary year by stepping into the hearts of children. Unang Lakang, held at the Cebu City Sports Institute, brought joy, laughter, and learning to over a hundred young participants. From storytelling corners to mini-games and surprise treats, it was a full-day love letter to the youth. More than an outreach, it was a reminder of why we serve.

## Where Hope begins.

A child, lost in the simple bliss of his meal, captures the pure joy and innocence at the heart of "Unang Lakang": *Rotary Day for Children*. In this quiet, tender moment, hope feels tangible, and the mission to nurture young lives becomes more than an act of service, it becomes a promise for a brighter future.

Club Goals and Strategic Alignment  
Who says strategy can't be inspiring? At the Area 1 Coordination Meeting, we gathered with other clubs from Cebu, Bohol, Negros Oriental and Siquijor to align calendars, compare notes, and cook up plans that serve bigger, better, and together. When clubs collaborate, communities win.

For July, the Rotary Club of Cebu Fort San Pedro had the honor of hosting the meeting. It was a proud moment to bring everyone together under one roof and set the tone for a strong, united Rotary year.

## • Governor's Visit: Defining Our Direction, Driving Our Mission

July 30, 2025 – With DG Jong Fernandez in the house, our club came alive with stories of impact, strategic plans, and a whole lot of heart. He saw not just our numbers—but our drive, our passion, and our people. The visit was both validation and ignition. To those watching: this is a club on the move. Think big. Serve bold. Be one with us.

#### Rotary's Areas of Focus: What Drives Our Service

Rotary's seven Areas of Focus define the kinds of lasting change clubs aim to create in their communities and around the world. These priorities help ensure that projects are meaningful, sustainable, and aligned with global development goals:

- **Promoting Peace**

Conflict resolution, mediation training, and support for displaced communities help foster a more peaceful world.

From medical missions to public health education, Rotary works to reduce the spread of life-threatening illnesses and improve access to care.

- **Providing Clean Water, Sanitation, and Hygiene**

Sustainable systems bring safe water and proper sanitation to underserved areas, improving health and dignity.

- **Saving Mothers and Children**

Access to quality healthcare, nutrition, and maternal support helps reduce preventable deaths and build stronger families.

- **Supporting Education**

Literacy programs, scholarships, and teacher training initiatives help unlock opportunity and reduce inequality.

- **Growing Local Economies**

Vocational training, microloans, and job creation projects empower communities to thrive independently.

- **Protecting the Environment**
