### The RAGG Pyramid: A Clear Picture of Our District's Future

The RAGG Pyramid: Understanding Our Present, Shaping Our Future

This Rotary year, District 3860 undertook a comprehensive RAGG analysis to gain a clearer understanding of our membership landscape. The purpose was not merely to review statistics, but to see, with honesty and intention, where our district stands today and where our greatest opportunities for growth truly lie.

The results form a distinct and meaningful shape, a pyramid that reflects both our strengths and our responsibilities.

At its peak are three Gold clubs, representing 3 percent of the district. With memberships of 60 or more, these clubs demonstrate what is possible when strong leadership, active engagement, and a shared sense of purpose come together. They serve as living examples of sustainability and vitality in Rotary.

Just below them are twelve Green clubs, accounting for 11.8 percent of District 3860. With 41 to 59 members, these clubs are stable and energized, poised for further growth with continued focus and support.

At the center of the pyramid are thirty-four Amber clubs, comprising 33.6 percent of all clubs. With memberships ranging from 25 to 40, these clubs represent the district's greatest opportunity. They have the structure, potential, and capacity to move upward through deeper engagement and intentional development.

Forming the foundation are forty-nine Red clubs, nearly 48.5 percent of the district, with 24 members or fewer. Rather than being a point of concern, this base defines our mission. Meaningful transformation begins here, where support, collaboration, and renewed commitment can create the strongest ripple effect across the district.

Viewed together, the RAGG Pyramid tells a powerful story. Gold shows the destination. Green reflects momentum. Amber highlights opportunity. Red defines purpose. Even modest progress at each level can elevate the entire district.

This Rotary year, District 3860 is committed to uplifting every club, supporting every president, and activating every area team. Membership growth is not simply about numbers, it is about strengthening service, expanding impact, and ensuring that no club is left behind.

When we grow together, we strengthen our ability to serve. And in doing so, we truly live our promise to Unite for Good.

# VISION DISTRICT'S

## DISTRICT'S VISION

### **The Rotary Foundation, Powering Service Beyond Borders**

November is Rotary Foundation Month, a time when clubs across the world pause to honor the heart of Rotary's mission: transforming generosity into lasting change. The Rotary Foundation takes the goodwill of Rotarians and turns it into meaningful action, from fighting disease and promoting peace to supporting education, disaster response, and clean water initiatives. It is the engine behind Global Grants, scholarships, and sustainable projects that uplift communities in need.

Our participation in Foundation-supported programs connects our local work with Rotary's global mission. Through collaboration and Global Grants, the district continues to strengthen efforts in disease prevention, education, and community development, proving how collective action creates impact far beyond our borders. This shared commitment echoes the words of Rotary International President Francesco Arezzo, who reminds us that Rotary's greatest strength lies in its ability to unite people of all cultures and generations through a shared purpose of doing good. Here in our district, that unity lives in every project, every volunteer hour, and every club that chooses service over self.

President Arezzo also emphasizes that Rotary is not something we simply attend it is something we live. His message resonates with every Rotarian who gives not for recognition but out of compassion. When we contribute to The Rotary Foundation, we are not merely giving funds; we are investing in peace, education, clean water, and brighter futures. Each contribution, no matter the size, becomes part of Rotary's global legacy of hope.

This month, District 3860 strengthens its call to "Unite for Good" through seminars, donor recognition programs, and public awareness campaigns that highlight the Foundation's mission and the role each Rotarian plays in sustaining it. A key highlight is the District Foundation Recognition Night, a moment to honor clubs and individuals whose generosity fuels projects that serve communities both near and far.

As we celebrate Rotary Foundation Month, may this November inspire us to give with intention, serve with gratitude, and deepen our commitment to the work that defines us. Together, as one district united for good, we turn gratitude into action and action into impact, building a world where kindness multiplies and service knows no borders.

## UNITED IN PURPOSE

### Turning generosity into hope, harmony, and lasting service

President's Message

November Issue | Rotary Foundation Month

November reminds us of the very heart of Rotary, the Rotary Foundation. It is where goodwill becomes action and where our shared generosity turns into real, lasting impact. Through the Foundation's support, our ideas are strengthened, our projects are sustained, and our service reaches farther than any single club could do alone.

This month, we are especially grateful for how Rotary Foundation values come alive through our own initiatives. One highlight is our Dinner-Concert for a Cause, "United in Harmony," a powerful gathering of hearts, music, and purpose. Beyond being an evening of beautiful performances and fellowship, it became a channel of hope and help for families affected by the recent catastrophe in Cebu. It showed us that when we come together in unity, compassion becomes tangible and relief reaches those who need it most.

The success of this event also strengthens our commitment to our sustaining projects, particularly Everlasting Hope and Home of Love, along with our other RCCFSP programs. These initiatives remind us that service is not a one-time response, but a long-term promise to walk with our communities, to nurture dignity, and to create opportunities for healing and growth.

As we celebrate Rotary Foundation Month, may we continue to give with purpose, serve with consistency, and lead with empathy. Every contribution, every partnership, and every act of service becomes part of a larger story, a story of people united to do good, today and for generations to come.

Service Above Self.

What does “Service Above Self” mean to you personally?

Service Above Self means being motivated by compassion rather than reward for me. I see it as showing up for others, taking responsibility for my community, and living out the values of integrity, respect, and generosity.”

What’s the best advice you’ve ever received?

A piece of advice that has really changed me comes from Malachi, which teaches that when we’re generous, we ‘open the windows of heaven’ for blessings. To me, that means when we give freely (whether it’s time, support, or resources), we create space for positive things to grow in our lives and in our community. That message taught me to help without hesitation and to trust that generosity always makes life richer.

What’s your biggest fear in life?

My greatest fear is not serving God to the best of my ability. For me, that means falling short of the purpose I was created for, missing opportunities to love, to help, and to make a difference. That fear pushes me to live more intentionally, to choose kindness, and to use my abilities in a way that honors my faith.

What’s your favorite comfort movie, book, or show?

My favorite comfort is to pass my time by watching funny video clips and doing simple puzzle games

# ROTARY KNOWLEDGE

RISING ABOVE THE STORM: ROTARY'S RESILIENCE  
IN CEBU

## A Charge in Times of Trouble

The Philippines has always been a land of beauty and challenge. We are blessed with islands of great promise, yet we live with the constant rhythm of storms and shifting seas. Once again, our resilience was tested when Typhoon Tino swept through the Visayas, bringing heavy rain and strong winds to Cebu City and its surrounding areas.

As floodwaters rose and homes were damaged, stories of courage and compassion quickly followed. Rotary members from District 3860 moved without hesitation, checking on fellow Rotarians, gathering relief goods, and reaching out to affected families. Their quick response reminded everyone that service doesn't wait for calm skies.

In true Rotary fashion, the effort has gone beyond emergency relief. The focus now shifts to long-term recovery and community resilience, helping families rebuild their homes, restoring livelihoods, and preparing for future challenges. Rotary's role continues long after the winds die down.

Each act of service, no matter how small, becomes part of a larger effort to bring hope where it's needed most. Rotary's strength has always come from its members who choose to care, to show up, and to serve when others cannot. Bagyong Tino may have left its mark on Cebu, but so will the compassion and unity of those who answered the call. And in that shared purpose, the city finds its way forward once again.

# ROTARY FOCUS

# WHERE IDEAS BECOME ACTION:TURNING GENEROSITY INTO SUSTAINABLE IMPACT ACROSS ROTARY'S AREAS OF FOCUS.

The Rotary Foundation makes it possible for our ideas to become action. It fuels projects that bring clean water, better health, stronger education, and care for the environment, the very heart of Rotary's Areas of Focus.

This November, as we celebrate Rotary Foundation Month, clubs are encouraged to highlight how their projects connect with these focus areas and how Foundation support through District or Global Grants helps make them stronger and more sustainable. Maybe it's a water system built with the help of a Foundation grant or a health program that grew through matching funds. Each project tells a story of how generosity multiplies through partnership.

When we share these stories, we remind our members and communities that giving to the Foundation is more than charity; it's an investment in real, lasting change.

# ROTARIAN DOCTOR OFFERS FREE LEPTOSPIROSIS PREVENTION IN CEBU CITY

November 4, 2025 -

As Cebu faced the aftermath of heavy rains and flooding, health concerns quickly followed, among them the threat of leptospirosis, a waterborne disease that often spreads after floods.

In true Rotary spirit, Rotarian Doctor Maamo extended his time and expertise by offering free medical prescriptions for leptospirosis prevention to Cebu City residents. His initiative ran until November 4, providing accessible care and guidance to help protect the community during a critical time.

Acts like this reflect what Rotary stands for: service that responds to real and immediate needs. Through individual commitment and compassion, members continue to uphold the Rotary ideal of "Service Above Self," turning care into concrete action when it's needed most.

# GRATEFUL HEARTS, HELPING HANDS

November 07, 2025

*Rotary partnerships bringing hope, relief, and clean water to Cebu communities*

The Rotary Club of Cebu Fort San Pedro extends its deepest gratitude to the individuals, sister clubs, and partner organizations who came together in compassion and solidarity to support families affected by Typhoon Tino.

Through the generous support of Rotary clubs from Lancaster Sunrise, Lancaster Original, Antelope Valley, Lancaster West, and Aerospace Valley, along with the Singapore Red Cross coordinated through Mr. Jun Hulayasan of the Philippine Coast Guard Auxiliary, meaningful help reached those who needed it most. We also sincerely thank spouses Eiji and Marilyn Motousu from Japan, Dr. Marlo Maamo, Airland Cargo Cebu Warehouse led by Ms. Haide Castre Canete, Haven of Peace and the Rizon Family for the drinking water support, and PP Jess Rojo Campilan Rodinas for providing truck service.

Because of this collective generosity, relief packs and a Water Roam Water Filter were distributed to affected communities, bringing comfort, renewed hope, and access to clean and safe drinking water. This effort reflects the true spirit of Rotary, service above self, and the power of partnership in turning compassion into action.

# ROTARY IN ACTION: CEBU RISES AGAIN

November 8, 2025

Typhoon Tino brought heavy rains and strong winds that left many Cebuano families in urgent need of help. In the spirit of service and compassion, the Rotary Club of Cebu Fort San Pedro responded swiftly, extending relief and hope to affected communities.

Through the Bangon Cebu initiative, a total of 310 households received relief packs distributed across Talisay City. Two hundred thirty packs were delivered to Purok Talong in Poblacion, while eighty packs reached Barangay Biasong. Each relief pack contained essential items such as rice, canned goods, noodles, bottled water, and toiletries, providing comfort and immediate support during a difficult time.

This day of service reflected the true essence of Rotary, people coming together to help, uplift, and stand beside communities in need. Beyond the relief goods, it was a powerful reminder that solidarity and compassion remain Cebu's greatest strength.

Together, we rebuild. Together, we rise.

# WATER FOR HOPE

November 8, 2025

In Sitio Biasong and nearby Barrio Wak-wak, located in the lower valley of Brgy. Bonbon, families are now able to draw safe drinking water straight from floodwaters through the Water Roam Filter, a portable purifier that works efficiently without electricity. In just minutes, it transforms murky water into clean, drinkable water, capable of producing up to a million liters for the community.

This life-saving equipment was donated by the Red Cross Singapore, through the coordination of Dr. Maamo and Mr. Jun Hulaysan of the Philippine Coast Guard Auxiliary, and turned over to Mr. Steven Lava for the benefit of the residents of Sitio Biasong and Barrio Wak-wak.

The Rotary Club of Cebu Fort San Pedro also distributed 100 relief packs to support families in these affected areas as part of its ongoing recovery efforts.

# A DAY OF PURPOSE OVER PANIC

November 9, 2025

Despite a last-minute evacuation notice, we pushed through after confirming that Typhoon Uwan had already passed. Our plan to distribute relief at a church changed quickly, and we set up medical and legal aid at the evacuation site instead. Thank you to DGN Edwin Valencia, our volunteer doctors, and pharmacists.

With DGE Arlene Adlawan, we reached remote mountain sitios where families said little help had arrived. There, we distributed food, water, and essentials to those most in need. Hearing their stories of floods and loss was heartbreaking, but it reminded us why we serve.

Three more roadside distributions followed, wrong turns, traffic, and mud included. Still, we carried on, because that's what Rotary does.

What began as a two-club effort turned into a multi-club mission with Rotary District 3860, the Rotary Clubs of Cebu, Mandaue East, Metro Cebu, Cebu Fort San Pedro, and friends from Davao. Together, we lived our calling: Service Above Self.

# SERVICE ABOVE SELF IN CONTINUED RELIEF EFFORTS

November 13, 2025

In the spirit of Service Above Self, the Rotary Club of Cebu Fort San Pedro reached out to families affected by Typhoon Tino across several locations in Balamban, Cebu. Our team visited Nangka National High School, Balamban Central Elementary School, Sitios Bang-bang and Bawac in Barangay Nangka, and Barrio Qwaki in Asturia.

We distributed essential relief goods, rice, canned food, water, clothing, hygiene kits, and butane stoves to 150 families. We also provided packed meals for 300 individuals, ensuring nourishment and comfort for those in need.

This mission was made possible through the generosity and collaboration of our partner Rotary Clubs, friends from Japan, local leaders, and kindhearted community supporters. Your compas

## Area 1 Coordination Meeting

The Area 1 Coordination Meeting brought together clubs to align, collaborate, and strengthen support for District initiatives. It served as a platform for clubs to join discussions, present updates and best practices, and actively support upcoming District meetings and programs. Through shared insights and collective planning, the meeting reinforced unity, accountability, and our shared commitment to working as one Rotary family in service of greater impact.

## REBUILDING WITH PURPOSE

**UNITE  
 FOR  
 GOOD**

**November 30, 2025**

The post highlights a relief mission led by the Rotaract Club of Cebu alongside partner Rotary clubs, responding to the needs of communities affected by Typhoon Ino. What stands out is the clear intention to move from words to concrete action, showing how coordinated efforts can bring real support to families still recovering from the storm. The collaboration with District 3860's Disaster Management team reflects the district's continuing commitment to preparedness and long-term service.

The distribution of ShelterBox kits in Lilo-an demonstrates how important partnerships are during times of crisis. These kits, delivered directly to families in places like Sitio Tabunok and Don Bosco, provide immediate comfort and help restore a sense of normalcy. The presence of Rotaract Cebu's team members and past leaders also reinforces the club's strong culture of service, mentorship, and hands-on involvement.

The message of the post also carries a reminder of what Rotary and Rotaract values truly mean: service carried out with dignity, transparency, and respect for the people being helped. By emphasizing consent in documenting their efforts, the team shows care not only in what they give but also in how they engage with the communities they serve.

Overall, the post reflects the heart of Rotary District 3860's service framework: collaboration, compassion, and consistent action. It's a clear example of how clubs can extend hope and practical assistance when it matters most, working together to uplift fellow Filipinos in times of need.

# MOMENTS & MILESTONES

# INDUCTION OF NEW MEMBERS

## Welcoming New Members to Our Circle of Service

On November 15, 2025, the Rotary Club of Cebu Fort San Pedro proudly welcomed three new members into our growing family of service. The induction marked not just a formal ceremony, but the beginning of a shared journey rooted in service, fellowship, and purpose.

We warmly welcomed Juanita Sampilo Gonzales, Dr. Marlo Maamo, and Generose Qutorio, each bringing with them distinct strengths, experiences, and a heart aligned with Rotary's mission of Service Above Self.

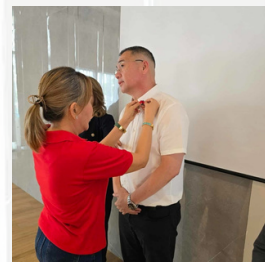

Their decision to join Rotary reflects a commitment to contribute meaningfully to community development and to be part of a global network dedicated to creating lasting impact.

The induction was made even more meaningful as the new members were formally inducted by our very supportive mentor and the mother of our club, Past District Governor Lilo Aliño. Her presence and guidance continue to inspire the club, reminding us of the values, discipline, and compassion that define true Rotary leadership.

The ceremony served as a reminder that Rotary continues to thrive through the diversity, passion, and dedication of its members. As new Rotarians take their oath, they do not simply receive a pin, they accept a responsibility to lead with integrity, compassion, and action.

We look forward to the ideas, energy, and service these new members will bring to our club and the communities we serve. Together, we strengthen our capacity to do good, locally and beyond.

Welcome to Rotary. Welcome to RCCFSP.

# A NEW CHAPTER OF LEADERSHIP

## JENSEN RACHO

DISTRICT GOVERNOR NOMINEE DESIGNATE

This announcement marks a significant milestone for Rotary District 3860 as it welcomes its District Governor Nominee Designate. It reflects the district's continued commitment to strong, capable leadership, leadership that guides clubs, inspires service, and strengthens the collective work of Rotarians throughout the region.

The recognition given here is not just a personal milestone; it also represents the trust and confidence placed in someone who has shown dedication to Rotary's mission. Moments like this remind members across the district of the value of steady direction, thoughtful decision-making, and a sincere commitment to community.

As the district moves forward, this designation sets the tone for future collaboration and growth. It signals readiness for the challenges and opportunities ahead, anchored by the shared belief that Rotary's strength lies in unity, service, and purposeful leadership.

This post celebrates not only an individual but also the ongoing journey of District 3860, one built on service above self and on leaders prepared to carry that mission forward.

# A NEW CLUB STRENGTHENING THE DISTRICT

October 4, 2025

This announcement marks an encouraging milestone for District 3860 as it welcomes the Rotary Satellite Club of North Davao Preeminence into the Rotary family. Every new club brings fresh energy, new perspectives, and a renewed commitment to service, and this group steps forward with that same spirit of purpose. Becoming part of Rotary is more than joining an organization; it's embracing a culture of fellowship, shared leadership, and meaningful action. The formation of this satellite club reflects the growing drive within the district to expand service opportunities and to empower more individuals to contribute to community-building efforts.

Their entry opens a promising chapter for the district, especially in the Davao area, where Rotary's presence and impact continue to grow. With dedicated individuals ready to take on the responsibilities of membership, the club stands prepared to shape projects that respond to local needs and uplift the communities around them.

This welcome serves as a reminder that Rotary thrives when new leaders, new ideas, and new hands join the mission. The district looks forward to the meaningful work this club will bring and to the positive difference their collective effort will create in the years ahead.

# BEFORE THE MUSIC BEGAN

## The Days of Preparation Behind United in Harmony

In the days leading up to the United in Harmony concert, the real work was already in motion. Meetings were held, tickets were sold, logistics were planned, and countless small details were carefully aligned to bring the vision to life.

From coordination sessions to on-ground preparations, members worked closely together, fueled by a shared purpose and quiet determination. Every ticket sold carried hope, every checklist completed brought the event closer to reality, and every conversation reflected a collective commitment to serve.

These moments, often unseen, formed the foundation of a night that would later resonate with music, generosity, and impact. Before the stage lights turned on, there was teamwork, dedication, and heart, proving once again that meaningful service begins long before the applause.

# UNITED IN HARMONY: A NIGHT OF MUSIC AND PURPOSE

**November 26, 2025**

The United in Harmony: Rotary Dinner Concert for a Cause was a truly memorable evening at SM Seaside Sky Hall. What began as a fundraising event quickly became a powerful reminder of what can happen when people come together for a shared purpose.

The energy in the room was incredible, from the performances on stage to the warm and enthusiastic support of everyone who filled the hall. It was a night where music uplifted the crowd, generosity flowed naturally, and the spirit of service was felt in every part of the program.

Thank you to everyone who attended, cheered, donated, and believed in the cause. Your presence made the night meaningful, and your support will help us create real impact for the communities we serve. Moments like these show how compassion, unity, and shared commitment can transform an event into something unforgettable.

We're grateful for your trust and your time, and we look forward to bringing more people together through service and purpose in the future.

# Rotary

November is a significant month for Rotary as we highlight the work and impact of the Rotary Foundation. It's a reminder that giving is not defined by the amount we offer, but by the heart and intention behind our support. The Foundation continues to turn these acts of generosity into meaningful programs that uplift communities, advance education, improve health, and create lasting change.

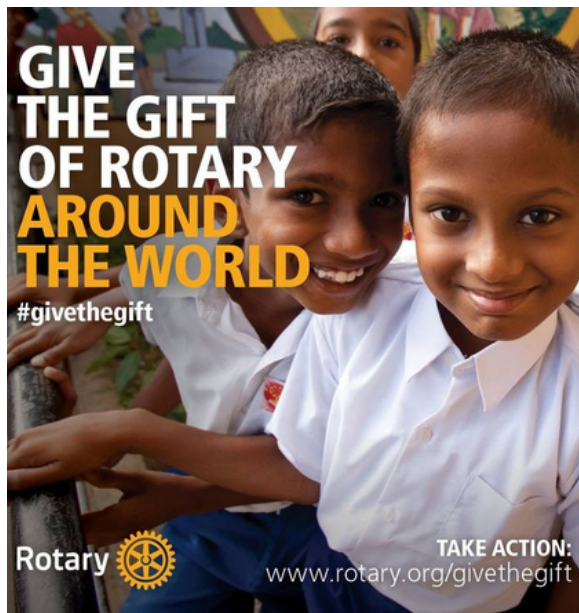

This month also includes the announcement of the official Rotary International exchange rate for November 2025, set at \$1 = ₱59. This helps ensure transparency and consistency in contributions and transactions across Rotary activities.

Together, these updates reinforce Rotary's commitment to service and its ongoing mission to create hope and opportunity wherever it's needed most.
