INVOCATION

*Look upon us, Lord, and let
all the darkness of our souls
vanish before the beams of
your brightness.*

*Fill us with holy
love, and open to us the
treasures of your wisdom.
You know all our desires,
therefore, perfect what you
have begun and what your
Spirit has awakened us to
ask in prayer. We seek your
face. Turn your face towards
us and show us your glory.
Then shall all our longing be
satisfied and our peace shall
be perfect. Amen.*

Presidents Message

37 glorious years of being an embodiment of 'serving from the heart'. The Rotary Club of Cebu Fuente has become a formidable institution that helps and reaches out to the less fortunate individuals and marginalized groups in the community. Through the years, the club has paved its way to becoming one of the strongest organizations that has the heart for community service.

37 presidents who have opened their hearts and heeded to the call of community service. Being a servant-leader is no easy task, but all 37 individuals have accepted the challenge and took it without qualms. Every president who has been given the chance to serve has this in mind, to make a difference in the society. And, make a difference did each one do! Each president has truly made an impact not only in the lives of the members of the club, but more importantly in the lives of those who have been touched by the generosity and dedication of the club, in general.

As we commemorate the club's charter day, we pay tribute to the men and women behind the success of the club. Each leader and each member play an important role in the promulgation of the club's goals and projects. Without the helping hand of each, the club would not make it to where it is now.

I am proud to be a member of the Rotary, but I am prouder now that I am able to serve the club and community under the position vested unto me, along with my fellow Rotarians.

It gives me great honor to have my name recognized alongside with the topnotch men and women who have served as presidents of the club. And for this, I will give my 100% just to ensure that all projects will be rolled out and delivered as planned. We will make a difference. We will continue to make a difference.

Thank you and here's to more glorious years ahead!

President's message

Dear fellow Rotarians and members of the family of Rotary,

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

Mark and Gay Maloney along with RI director of PolioPlus Carol Pandak during Rotary's record-breaking Sydney Harbour Bridge climb. The climb raised money for polio eradication and broke two world records (at the time): the most flags flown on a bridge (278 flags) and the largest number of climbers on the Sydney Harbour Bridge at one time (340 people).

**A message from
Foundation Trustee Chair
Gary C.K. Huang**

Ni hao, Rotarians!

Friends, World Polio Day is this month and we are facing a major challenge. The news out of Afghanistan and Pakistan tells us that we have more work to do. It tells us that polio will not die out quickly or easily.

Most of all, it tells us that we are needed now more than ever. Success will require us to remain steady and show that there is no time limit to our commitment. We are in this to the end, and we will conquer this terrible disease. We will give life back to children and families, and restore hope to communities.

We are fortunate to have great friends in the Global Polio Eradication Initiative – including the Bill & Melinda Gates Foundation, which continues to match every donation 2-to-1. We have already eradicated wild poliovirus type 2, and type 3 could soon be wiped out. India is polio-free. All of Africa may soon be polio-free.

The most important factor in ending polio forever is you. The people of Afghanistan and Pakistan have faced so much hardship in recent years. Polio is just one more challenge. To them, it could all feel overwhelming. But not to Rotarians. We do not feel overwhelmed. We feel challenged, and, as people of action, we rise to challenges.

In the words of Confucius: “If one is virtuous, one will not be left to stand alone. It is certain that associates of like mind will come and join with one.” In Rotary, we understand these words very well. When we say “Service Above Self,” we take a stand for this virtue. We know that our like-minded brothers and sisters around the world will join us. We have been drawn together by our need to do good in the world.

We can rid the world of a disease forever. And you will be the ones to do it, through your continued commitment and generosity.

Be a part of history! Help us overcome the final hardship, the final challenge. Make your donation at endpolio.org/donate.

MESSAGE

On behalf of the Province of Cebu, let me convey our heartfelt congratulations to the new set of officers and directors of the Cebu Fuente Rotary Club who will take their oath on its 38th Induction of the Club Officers and Directors on July 6, 2019 with the theme, "Rotary Connects the World".

For about 38 years, the Cebu Fuente Rotary Club has zealously served the Cebuanos through its various outreach projects and humanitarian programs. We, Cebuanos, are indeed very proud and appreciative of your accomplishments, which speak well of your dedication to the service of the community.

May the new set of Officers and Directors continue to lead the organization with renewed commitment and passion to carry out its numerous undertakings for the benefit of the Cebuanos.

MESSAGE

On behalf of the Cebu City government, may I extend my warmest congratulations to all the Officers, Directors and Members of the Rotary Club of Cebu Fuente on the occasion of its 38th Induction of Club Officers and Directors.

As an aggrupation of business and professional leaders, the Rotarians are a beautiful bunch of civic minded people whose active role in community service make them a very important, albeit a silent partner, of government in delivering some basic needs to the people particularly in the field of health promotion, poverty alleviation, environmental protection and disaster response.

Through the years of its existence, the Rotary Club of Cebu Fuente has been a consistent awardee for being an outstanding civic organization, contributing wholeheartedly their own skills and resources to be able to make a difference in the lives of other people particularly those who are in need. This year is of no exception as the Club has again been awarded as the Most Outstanding Club in the Visayas District 3860, thus living up to its ideals and principles of being a family among themselves and its partners in service.

This year's theme, "Rotary Connects the World, is indeed a fitting description of what the organization has become through the years. Having shown to the world that the Rotary Club is a true charitable civic organization, its seeming omnipresence, for being established in many countries and regions, provides itself a unique position to "connect the world" and to reach out to the most vulnerable members of the society, those people who are in need of the Rotarian way of loving and caring. With their capability and desire to initiate life-changing projects for the community and even in immediate disaster response, Cebu City is indeed blessed and fortunate to have the Rotary Club of Cebu Fuente in our midst.

Once again, I congratulate the Rotary Club of Cebu Fuente on the occasion of its 38th Induction Ceremony for its new set of Club Officers and Directors for the Rotary Year 2018-1019. Rest assured that the Cebu City government will give its whole hearted support to all your civic oriented endeavors.

Thank you and Mabuhay!

Mayor

Message

We congratulate and thank the RY: 2018-2019 Outgoing Officers for Being the Inspiration at the same time congratulate the RY: 2019-2020 Incoming Officers of the Rotary Club of Cebu Fuente as they Connect to The World. For RY: 2019-2020, let us reflect on our commitment to Rotary.

Let me share this story about a chicken and a pig...something for you to reflect on. One morning the pig asked the chicken. "What shall we have for breakfast?" The chicken suggested, "Let's have ham and eggs." The pig said? "Oh no, not ham!" The chicken replied. "Why not? I'll furnish the eggs and you give the ham." To that the pig said?" For you it's involvement, but for me, it's total commitment."

My dear Fellow Rotarians, which will you be for your club and for President Kendrick this year - the chicken or the pig? Either way both of them gave. It was in the degree of giving that set them apart.

Let us continue to Serve Humanity to Make A Difference and Be The Inspiration to Connect To The World.

My fellow “Champion” Club Officers and Rotarians,

First of all, allow me to congratulate the Rotary Club of Cebu Fuente on your 38th Induction of Officers and Turnover Ceremonies for Rotary Year 2019-20!

This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each other’s aspirations in life. Let us work to achieve our goals and make this Rotary year the most innovative and memorable one.

At our Governor’s training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who will lead their respective Districts. Together, we committed to the vision of Rotary International President Mark Maloney who encouraged us to live by the theme: “Rotary Connects the World”. Personally reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make meaningful and sustainable CONNECTIONS with people of different cultures, traditions and religions. It allows us to connect to our fellow partners in service who persevered to make a difference in our communities. It also enables us to connect to professional opportunities we would otherwise not encounter if not through Rotary.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to SERVE BEYOND OURSELVES.

Yours in Rotary Service,

Greetings my dear Cebu Fuente Rotarians!

What an Inspiring Year that was. Thank you for making my journey as your governor more inspiring. I have always known that I can count on your club to see it through and you did with flying colors. My warmest congratulations to your Outgoing President Alain and the whole membership of your club for a truly inspiring year.

As the song goes, all good things must come to an end. We are now ending the Inspiring Year to usher in a whole new era in Rotary, that of firming linkages and bonds as we connect to the world.

I know your club as vibrant as it is, will give this year another dimension, all towards making Rotary a tool to serve.

To you President Kendrick, have fun and enjoy your term.

I wish you all the best, especially to my dear officers and directors of the Rotary Club of Cebu Fuente lead by Champion President Kendrick S. Sulay on the occasion of your 38th Annual Induction and Turn-Over Ceremonies.

May I remind that the offices conferred upon you, the trust reposed in you and the responsible duties of your positions, demand a corresponding fidelity and attachment to the welfare of your club. Let no effort be wanting in the faithful discharge of all your duties; let benefit to Rotary be your constant aim and desire. Thus you will merit the continued esteem of your members and you shall have occasion to rejoice in the consciousness of service well-rendered.

As you meet the challenges of this Rotary year, I trust that you would be able to give meaning and purpose to this year's theme; "Rotary Connects The World".

My prayers are with you in all your lawful undertakings.

Mainiton ug madasigong pagtimbaya kaigsoonan sa Rotary Club of Cebu Fuente!

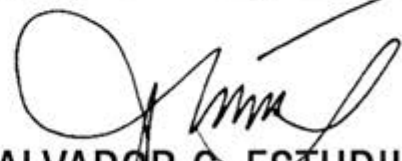

Indeed, I would not have it any other way but greet you in words that tug at your heartstrings for a special occasion that we all care about as it has nurtured our bond of friendship and shared ideals in Rotary.

Your 38th Induction of the Club Officers and Directors is certainly a testament to the enduring strength and commitment of the leadership and members of your Club given the many challenges it has faced from its inception up to the present. You have achieved most of your aspired goals and for these, your Club has been recognized many times over. These laurels now serve as your strong foundation because you should reap from these moments of triumph to make future aspirations and goals more attainable.

But in the course of realizing bigger dreams, you have to contend with bigger obstacles that can threaten your hard-earned values as a service organization- notwithstanding the advances in communications technology. Indeed, this year's theme "Rotary Connects the World" is not just about simulated or virtual linkages and connections of people through social media and the internet that has unfortunately become the yardstick of relationships. Rather, it is a call and a challenge for every Rotarian, through the new leadership of every Club, to serve as "flesh and "blood" and living bridges of friendship, compassion and solidarity amongst and between cultures, communities and nations.

As you brace and gear up for another year of "serving humanity," the outstanding feats that your Rotary Club of Cebu Fuente has earned are for everyone- shared, savored, treasured and sustained. These should forever be cherished yet redefined along this year's Rotary theme. With a solid commitment and a zest of greater energy, the Officers, Directors and membership of the Rotary Club of Cebu Fuente need to embark on novel initiatives to "connect the world" and take an active part in making it a better and safer place to live in.

To the new leadership and members of the Rotary Club of Cebu Fuente as you celebrate your 38th Induction Ceremonies, "mainitong pagpasidungog ug malungtarong pagpanghinaut alang sa kaayohansa sa tanan!"

Message

It is my distinct honor to be part of another Rotary Year of service for the Rotary Club of Cebu Fuente, for once again we hold our annual induction of officers this year.

Let me congratulate all of our members on this our 38th Induction Ceremonies. A significant event such as this marks one of the most cherished traditions of our club. As we embark on this special journey, let us focus on the achievements of the Club the past 37 years and give due recognition to our members who have one way or another contributed to a very rich and colorful history of our Club. It is said that the way to the future is to celebrate the present by building on one's past. This could be one way of honoring our past as "Rotary Connects the World" this coming year.

Allow me to congratulate Pres. Alain Senerpida, and our Officers for being "The Inspiration" by leading the Club successfully this past Rotary Year as we welcome with pride the new set of officers of the Rotary Club of Cebu Fuente headed by Pres. Ken Sulay. May you continue with the legacy that your predecessors have set out for you and guide the Club towards a fun-filled and active year.

Sincerely,

The Officers and Members
ROTARY CLUB OF CEBU FUENTE

Dear fellow Rotarians,

As you hold your annual Induction of officers and directors for Rotary Year 2019-2020, allow me to take this opportunity to wish you another year of successful and fulfilling Rotary service. It is undoubtedly in the tradition of your club that the ideals of Rotary fellowship and service to the community is of prime concern; a quality that every Rotarian is proud of.

Let me congratulate the incoming officers and directors for taking the challenge of leading your club into another year of successful service. As we continue to Celebrate Rotary, I encourage you to look forward and take pride in delivering service to mankind as that is its business.

In closing, let us remember that what you are today is a result of what you did yesterday. And what you will be tomorrow depends on what is being done today. Let this Rotary Year therefore be a time for crafting great ideas, for formulating and implementing doable community projects, for reconfiguring the membership base and for promoting the goals of the Rotary Foundation as Rotary continues to connect to the world. Good luck and God bless us all!

Message

My warmest greetings and congratulations to the officers and members of The Rotary Club of Cebu Fuente, a perennial most outstanding club in the Visayas area of District 3860 headed by its outgoing President Kendrick S. Sulay and incoming President Alain O. Senerpida on the occasion of its 38th Induction of Officer and Directors on July 6, 2019. Time indeed flies since I had the honor to be your District Governor in 1995-1996.

Looking back, your excellent track record in our district as well as in the Rotary International of doing good in the community will speak for the kind of Service your Club is doing, thus making this world a better place to live in.

As you begin your journey for the coming Rotary year, aspire always to continue implementing projects that we as Rotarians are passionate about doing. You may focus your best efforts on programs which your club can best serve.

As a Past District Governor of D-3860 I came to realize that strong clubs are marked by strong presence and support of its past presidents. Your club is not wanting in this aspect, that is why you are among the best, if not the best club in the District.

Once again, congratulations on your 38th Induction of Officers and Directors and may you continue your service of doing good in the community and in the world under this years R.I. theme: "Rotary Connects the World".

Every new year brings new aspirations and dreams and the opportunity for new achievements. The same is true for Rotary, and as we begin our new year, I wish to offer heartfelt congratulations to your very own Immediate Past President Alain, for providing the Rotary world with amazing inspirational leadership. We truly appreciate and thank him for all that he has done and will continue to do.

I do believe that your New Rotary Year will be an exciting time for the Rotary World under the leadership of President Kendrick, as you work closely together to build on the successes of the past, and thus achieve even greater heights.

Under the theme “Rotary Connects the World” R.I. President Mark Maloney has encouraged us to focus on Connections. He implores us to connect to strengthen our clubs and to grow Rotary; to complement and not compete with the family; to connect with community minded younger professionals to secure a new generation of Rotary Leaders; and to connect with partners from across the globe for a healthier and more peaceful world.

My sincerest congratulations to all the officers and members of the Rotary Club of Cebu Fuente and I look forward to a year of Champions in all your endeavors.

Greetings on the occasion of your 38th Induction of Officers and Directors!

I admire your club and the tradition of excellence you have built these past 38 years. As People of Action, you have trail-blazed in your A-B-C-D-E signature projects that have improved the lives of your beneficiaries. As a strong supporter of The Rotary Foundation, you have lived up to your significant role of "doing good in the world" locally and across the globe.

It is for this reason that I anchor my hope that you march on to greater adventures this Rotary year 2019-20 and make meaningful connections between and among your fellow Rotarians and partners in service. I encourage you to embrace new challenges as you make an impact in the communities you continue to serve and those that you have yet to serve. I know it may seem daunting but your track record of excellence will definitely be your inspiration. As James Lane Allen said, "As you think, you travel, and as you love, you attract. You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you."

In closing, I wish to extend my warmest congratulations the Champion Officers, Members, Spouses and Partners of the Rotary Club of Cebu Fuente. Godspeed in our year of Connecting Rotary to the World!

Rotary Greetings!

As we embark another year of service above self, let's always remember that the heart of Rotary are the people who continuously share their time and resources just to be of service. Because of Rotary, our platforms have been laid upon like brick roads waiting to be traversed day after day. And no matter how frequent the road less travelled pops up I know we are together. The kinship has been sealed and provides us with stronghold support that our good intentions are backed up with a good squad.

Amidst the diversity each of us undergoes in life, we all sing one song all which is for the betterment of what is there for tomorrow. Across the globe wherever we are, though how tiny a dot we are in the larger scale, we are one, intertwined.

Our heart will forever yearn to cross roads, fly heights, sail seas and hike more mountains, touch and change lives – for Rotary connects the world!

Congratulations Rotary Club of Cebu Fuente! You have inspired me, us and them!

Continue to lead!

Message

Good Evening!

I am very much elated to be ending my presidency and handing it over to my "very excited" successor President Kendrick Sulay. It has been an inspiring year for me and together we have inspired one another for the Rotary year 2018-2019

I feel very much humbled and at the same time challenged to have served Rotary Club of Cebu Fuente. Our club may have had our ups and downs but we have hurdled the inspiring year together as one family. We may have had differing opinions, some good and others not so good, but together we have faced the challenges and obstacles and overcame them. We have worked as one for the good of the community, the district and the club. We have been successful and have reaped the rewards for our hard work.

First, please give me the opportunity to say thank you from deep in my heart. I cannot just step down and turn over without thanking and giving my heartfelt gratitude to this person. For this person is always there with me no matter we have different opinions and thoughts, this person is still there. The support this person gave me is so overwhelming, that I take my hat off.

So to my lovely and force to support me better half. Thank you, my wife and best friend, for life for bearing with me. Ma. Cristina Senerpida, I love you. It is true that behind a man's success is a woman who is the partner in life.

May I ask all of you my fellow members of the Rotary Club of Cebu Fuente to stand up! Everyone please join me in applauding and paying tribute to each member of Rotary Club of Cebu Fuente for doing an exceptional job!

Let us continue to make Rotary Club of Cebu Fuente an extraordinary club. A club united for the good of others! And may I ask all of you to continue our journey with our incoming President Kendrick Sulay and give him our full support

President Kendrick, rest assured that you can count on me as you connect Rotary Club of Cebu Fuente to the world!

Godspeed and Goodluck Bro Pres. Ken and the incoming officers and board for the champion year!
Thank you and Good night!

BE THE INSPIRATION

QUESTIONS

Our new strategy to end polio with John Sever

International PolioPlus Committee vice chair

1 Why do we need a new strategy?

The Global Polio Eradication Initiative's (GPEI's) previous strategic plan was from 2013 to 2018. We achieved many important things: Wild poliovirus type 2 was declared eradicated in 2015; wild poliovirus type 3 was last seen in 2012, giving us high confidence that it's no longer circulating; no wild poliovirus has been detected outside Afghanistan and Pakistan since 2016. But the clear factor in creating the new Polio Endgame Strategy 2019–2023 is that we have not yet achieved complete eradication.

The new plan has three goals. The first goal is eradication. Second, integration — collaboration with other public health actors beyond the GPEI to strengthen health systems to help achieve and sustain eradication. Then, certification and containment — we have to prove through surveillance that we have interrupted the transmission of the poliovirus, and we have to be able to show that the virus in laboratories either has been destroyed or is appropriately contained.

2 The GPEI's five-year budget to execute this is \$4.2 billion. Why does it cost so much?

Every year, we have to vaccinate more than 450 million children in up to 50 countries to prevent the spread of polio from the endemic areas. In addition to the children in Pakistan

and Afghanistan, we are immunizing children all over Africa and Asia. So we have to have a lot of people out there to help immunize, and that costs money. We have to have the vaccine, and that costs money. And we have to maintain and pay for sizable quantities of vaccine in case of an outbreak, and that costs money. Then we have to investigate about 100,000 cases of paralysis each year to rule out polio. We have to continue surveillance — looking for cases of polio to be sure we are not missing cases in certain areas. We need to test sewage samples in 34 countries to ensure that the poliovirus is not circulating undetected. And all of those things cost money. It's a significant expense every year to maintain that level of performance.

3 What strategies are in this plan?

One key element is establishing a regional hub for Afghanistan and Pakistan to consolidate our efforts and increase technical support. We're also focusing on mobile and hard-to-reach children — children who are crossing borders, riding on trains, and coming out of areas where our access has been restricted. We are developing rapid-response teams and surge capacity so if the virus is detected, our response can be swift and intense. We're working with other actors such as Gavi, the Vaccine Alliance, to help

strengthen immunization systems. And we're delivering additional services such as clean water, nutrition, health, and sanitation, because often the local people say we're always coming back to immunize against polio, but what about their other problems?

4 What can Rotarians do to ensure that the plan is successful?

The No. 1 thing is to continue to support the program. We have a \$3.27 billion funding gap. We will need Rotarians to make direct donations as well as to advocate with their governments and other groups for their support so that we can continue to do all of the immunizations and surveillance we've been talking about. Rotarians in countries where active polio eradication efforts are underway need to continue helping with these efforts and immunizing children. They need to keep advocating with their governments to continue to support polio eradication.

MAKE THE PLAN A REALITY

Help close the \$3.27 billion funding gap. Rotary's goal is to continue raising \$50 million annually to be matched 2-to-1 by the Bill & Melinda Gates Foundation. Make your donation at endpolio.org.

TOP 5 REASONS TO ERADICATE POLIO

1 THE HUMAN COST: If we choose to control polio rather than eradicate it, the virus could rebound and cause 200,000 cases annually in the next 10 years.

2 IT'S ACHIEVABLE: We have effective vaccines to end polio and the means to reach all children.

3 IT'S A GOOD INVESTMENT: An independent study published in the medical journal *Vaccine* estimates that the return on the global investment in a polio-free world will reach \$40 to \$50 billion within the next 20 years.

4 IT STRENGTHENS THE SYSTEM: Our polio eradication efforts have established an active global disease surveillance network that is being used for other health interventions, such as measles vaccinations, deworming tablets, and mosquito bed nets.

5 IT SETS THE STAGE: The ability to reach all children with the polio vaccine is proof that we can succeed in our next major global health initiative.

A Dose of Positive Thoughts

MARICEL BORRROMEO-AMORES GML Editor -In-Chief, District 3860 President, RY 2017-2018

Have you ever had the dream that something you are desiring for right now like travel to some exotic country, a successful business of your own, a better house to live would be yours if you had taken steps to make it happen many years ago? Your present is the result of the cumulative actions and reactions of the past.

Therefore, be inventive in molding your life. It is fundamentally so often conceivable to try your desires into reality. Engross yourself with the goings-on that would lead you to milestones that makes you feel proud about yourself. The choices we make determine the direction of our life.

You are the CEO of your life, the director and composer to orchestrate a harmonious symphony. The song of your life must make you feel a deeper sense of belonging, accomplishment and satisfaction with the daily activities you do. Do not allow time and chance to determine your course. We only get to live one life so why not live the best possible one you can? Glide in your waltz in life rather than do rigorous sports dance.

Where are you directing your life? What do I want to do with my life? What am I passionate about? Oftentimes, we have this outlandish idea that we were born for some higher purpose and it's now our intergalactic undertaking to find it. The truth is life is simple... what gives meaning to your life, makes you happy, peaceful and content are the essentials of life on this earth.

Take charge of your course and set your sails to the direction of the wind of bliss. Make sure that you find the compass that would lead you to the true north. Allow God to be your guide as He knows the best and right destination for you. You are assured you will reach and attain the desires of your heart.
