Presidents Message

My fellow rotarian, as we celebrate the Rotary Foundation Month let us try to promote all the good projects done by the Rotary Foundation.

Currently we are working our global project in rehabilitating and supplying school equipments to our recipient partner, Paril Elementary School. We thank our sister club from RC-Seuoswon in Korea for partnering us in this global grant project. We have already submitted our online application to RI with Global grant ref no. GG2091763.

We are also trying to work for another possible global project or thru DDF soon in supplying water line, handwash and rehabilitation of restroom in Lanipga elementary school.

These projects once approved will be supported by The Rotary Foundation & our International Partner. The large amount of financial support is all from The Rotary Foundation.

So let us continue to support the Rotary Foundation by giving more in our TRF funds so that many can benefit the good works and project within our community and around the world.

Thank you.

President's message

Dear fellow Rotarians and members of the family of Rotary,

Rotary Day at the United Nations, which we celebrate each November, is an important reminder of the historic relationship between our organizations. But this year's event is even more important than usual, because we are building up to the 75th anniversary of the signing of the UN Charter in June 2020.

You might ask, why celebrate this anniversary? For Rotary, it is entirely appropriate, because we played such a critical leadership role in the San Francisco Conference that formed the United Nations in 1945. Throughout World War II, Rotary published materials about the importance of forming such an organization to preserve world peace.

Not only did Rotary help influence the formation of the UN, but this magazine also played a leading part in communicating its ideals. Rotary educated members about plans to create the UN through numerous articles in *The Rotarian* and through a booklet titled *From Here On!* When the time came to write the UN charter, Rotary was one of 42 organizations the United States invited to serve as consultants to its delegation at the San Francisco Conference.

Each organization had seats for three representatives, so Rotary International's 11 representatives served in rotation. The people officially representing Rotary included the general secretary, the current and several past presidents, and the editor of *The Rotarian*. In addition, Rotarians from Africa, Asia, Australia, Europe, and North and South America served as members of or consultants to their own nations' delegations.

We have a deep and lasting relationship with the UN that deserves to be celebrated and appreciated. To recognize this relationship, Rotary will host five special events between now and June: Rotary Day at the UN in New York on the 9th of this month; three presidential conferences next year in Santiago, Chile, in Paris, and in Rome; and a final celebration just before the Rotary International Convention in Honolulu.

The focus on the UN in the year ahead is not only about the past; it also lights a path to our future. There are so many parallels between the work we do through our areas of focus and the work of the UN Sustainable Development Goals. While those goals are indeed incredibly ambitious, they provide inspiration and direction — and are similar to many Rotary goals, which have proven to create lasting, positive change in our world. The goals can be achieved, but only if undertaken with the same long-term commitment and tenacity that Rotary understands so well. Alone, we cannot provide clean water for all, we cannot eliminate hunger, we cannot eradicate polio. But together with partners like the United Nations, of course we can.

Please consider attending one of our five UN celebrations. I look forward to sharing news of these special events with you throughout the year.

Rotary President Mark Daniel Maloney outside the United Nations headquarters in New York City.

MARK DANIEL MALONEY
President, Rotary International

A message from
Foundation Trustee Chair
Gary C.K. Huang

Ni hao, Rotarians!

We just had our first-ever fundraiser in Taiwan for The Rotary Foundation — and it was a great success.

The Taiwan AKS Members Association organized the event in August in Taipei. We were treated to an inspirational speech by Ravishankar Dakoju of the Rotary Club of Bangalore Orchards, India, in District 3190. He shared why he contributes his time and money — and why he's an organ donor. His generosity is legendary, and he wants to help the world in any way he can. His speech touched everyone who attended the event.

We are pleased and honored to announce that the final total for the fundraiser was \$5.5 million. We have 11 new Arch Klumph Society members contributing at the Chair's Circle level (\$500,000 to \$999,999) and 14 at the Trustees Circle level (\$250,000 to \$499,999). Thank you to our generous donors in Taiwan!

At great events like this one, I am reminded how Rotary gives us something good that we can all do together. Our service puts us in touch with so many interesting people from all over the world. When we meet, we hear about projects of all kinds, and it is always inspirational. And we never stop learning from one another.

This provides such a wonderful lesson to our children. We share with them the importance of fellowship and forming new bonds with other people. We also show them what is really important in life: making connections, improving life for those in need, and doing all we can for others. Rotary is the best education a family can have.

I am excited that Rotary President Mark Daniel Maloney has made expanding the family of Rotary a priority. We must bring our family members to Rotary events and do all we can to encourage them to be part of this wonderful organization. And through The Rotary Foundation, we can make these family connections part of our legacy. You are never too young or too old for Rotary.

So give your high-five to Rotary and find ways to bring your family into Rotary. It's the most wonderful gift you can share with the people you love.

NOVEMBER events

Cycle against cancer

EVENT: Ride the Point

HOST: Rotary Club of Point Loma (San Diego), California

WHAT IT BENEFITS: Pancreatic cancer research

WHAT IT IS: This ride, in which participants can choose from a 10-mile family route, a 25-mile enthusiast course, and a 62-mile metric century, honors the late Jim Krause, a Rotarian and cyclist who dedicated himself to supporting the search for a cure for pancreatic cancer.

1-11

All hail Old Glory

EVENT: Flags for Heroes

HOST: Rotary Club of Manassas-Bull Run, Virginia

WHAT IT BENEFITS: Serve Our Willing Warriors (SOWW) Warrior Retreat at Bull Run

WHAT IT IS: A field of American flags decorates the Manassas Museum lawn, honoring local veterans and first responders as a prelude to Veterans Day. Community members can “purchase” a flag with a \$50 donation and leave a dedication.

2

Do it for the doughnuts

EVENT: Krispy Kreme Dash

HOST: Rotary Club of Carolina Forest Sunrise, South Carolina

WHAT IT BENEFITS: Club projects

WHAT IT IS: If you enjoy running but aren't opposed to a doughnut — or a dozen — this is the race for you. A “competitor” category involves completing a 1.5-mile walk or run, devouring a dozen doughnuts, then racing another 1.5 miles. A “casual” 5K category is for runners who would rather just walk away with a dozen doughnuts at the end of the course.

16-17

Fine art, fine wine

EVENT: Art, Craft and Wine Festival

HOST: Rotary Club of Seminole County South, Florida

WHAT IT BENEFITS: Local charities

WHAT IT IS: The crown jewel of this two-day event is a wine stroll where attendees will sample different wines along the festival path. They can also enjoy a chili cook-off, a VIP dinner, live entertainment, and opportunities to shop for works by more than 150 artists and crafters.

28

Dash before dinner

EVENT: Silverdale Turkey Trot

HOST: Rotary Club of Silverdale, Washington

WHAT IT BENEFITS: Various charities

WHAT IT IS: Get out of the house on Thanksgiving morning for a pre-emptive sweat session to benefit a good cause. Opt for a 5K, a 1-mile, or a kids dash. This fairly flat course is perfect for all levels and ages. Then you can take that post-turkey nap with zero guilt!

Tell us about your event. Write to rotarian@rotary.org with “calendar” in the subject line.

A Dose of Positive Thoughts

MARICEL BORRROMEO-AMORES **GML Editor -In-Chief, District 3860** **President, RY 2017-2018**

Hardship makes you tougher and adept to endure the full predicament you face peripatetic through the diverse junctures of life in the direction to make you robust both intellectually and physically.

The author of the quote in my article, Gail Devers, is a three-time Olympic 100-meter Gold Medalist Champion. During her college days, she was diagnosed with an immune system disorder called Graves 'disease (overproduction of thyroid hormones) at the peak of her career and setting a new American record. Her hair started to fall out, broken nails and lost a lot of weight down to 85 pounds. She felt and looked terrible that she covered up mirrors in her house.

According to her, "In my race, there's 10 hurdles, but in life, there is always a hurdle. There is always something you gotta get over, and it's what you do, you know.

Sometimes we fall, sometimes we stumble, but we can't stay down. We can't allow life to beat us down. Everything happens for a reason, and it builds character in us, and it tells us what we are about and how strong we really are when we didn't think we could be that strong. I am very thankful that I have lived the life I have lived. I am thankful for my Graves' disease, and I tell people, if I had my whole life to live over, I would have it, because it has really made me into the person that I am." She is in a lifetime medication but it never stopped her to keep her dream alive.

We should do the same and face the music though you may not want to dance to its tune but glide through it to achieve your dreams. Always remember that after the rain, the sun will come shining through. And keep in mind that if you have this faith in God that He will always be at your side to catch when you fall and carry you when it will be too much to walk again.

"Keep your dreams alive.
Understand to achieve anything
requires faith and belief in yourself,
vision, hard work, determination and dedication.
Remember all things are possible
for those who believe."
Gail Devers

ARCH KLUMPH SOCIETY

2018-19 honorees

Named for the founder of The Rotary Foundation, the Arch Klumph Society was established to recognize the Foundation's highest tier of donors — those who have contributed \$250,000 or more.

This distinguished society includes supporters from more than 40 countries. Their generosity enables the Foundation to continue its mission of advancing world understanding, goodwill, and peace through the alleviation of poverty, the support of education, and the eradication of polio.

The members listed below were recognized in the 2018-19 Rotary year through a formal induction or elevation ceremony.

Take a Cruise, Eat Great Food, and Learn About Hawaiian Culture

Friday, June 5th or Monday, June 8th

Experience the natural beauty of Hawaii from its crystal blue waters on board the award-winning **Star of Honolulu**. Embark from the landmark Aloha Tower Marketplace pier for a 2-hour tour, featuring spectacular views of the majestic coast of Honolulu, Diamond Head, Waikiki and the Kahala Gold Coast.

Learn how to play the ukulele, dance the hula and create your own Hawaiian flower lei, as part of the many Hawaiian cultural activities you'll find while aboard the ship.

Lunch will include a buffet featuring Hawaii's favorite local cuisine, including Alaea Salt Crusted Top Round Roast Beef, Teriyaki Chicken, Citrus Miso Glazed White Fish, other local favorites, salads, vegan options and more.

(Thank you for your help.)

TRAVEL THE ISLANDS—KAUAI

KAUAI IS CALLED “THE GARDEN ISLE” BECAUSE OF THE LUSH TROPICAL RAINFOREST THAT COVERS MOST OF THE ISLAND. COVERED IN EMERALD VALLEYS, RUGGED MOUNTAIN SPIRES AND JAGGED CLIFFS, KAUAI IS A NATURE LOVER’S DELIGHT!

NAPALI COAST STATE PARK - Pali means cliff, and you will find some thrilling ones, dotted with waterfalls, in the valleys along the coast. You might recognize this coastline from Jurassic Park; parts of the film series were shot here.

SEAFUN SNORKEL— This four-hour tour is great for all ages. Bring the whole family! You’ll see a variety of fish and coral gardens in a clear, shallow area (approximately 8 feet deep). Guides, equipment, snacks and water are included. All you need to bring are towels and suntan lotion. www.seafunkauai.com

HELICOPTER TOUR— Helicopter tours are very popular on Kauai. . . more so than on any of the other islands. Kauai was made to be seen from the air! Only 30% of the island is developed. The rest is nature at its best! The canyons, the waterfalls, and the shoreline are all spectacular—even in the rain. You might just see a rainbow!

WAIMEA CANYON—Whether you take a bus tour to the Overlook or hike one of the trails, you must see Waimea Canyon! Called “the Grand Canyon of the Pacific” by Mark Twain, Waimea Canyon is approximately ten miles long and up to 3,000 feet deep. The name “Waimea” is Hawaiian for “reddish water,” a reference to the erosion of the canyon’s red soil. <https://www.gohawaii.com/islands/kaui/regions/west-side/waimea-canyon>

“HIV awareness and HIV testing”

Currently, Cebu ranked number one in HIV cases in the Philippines affecting the age 15-24 years old, a very alarming situation for the vulnerable sector of the youth which are the students from high school to college. The Rotaract Club of Cebu Fuente-University of the Visayas Chapter initiated a project in partnership with the local government City Health and one of the most active youth organization in Cebu advocating for HIV/AIDS awareness. The recently concluded free HIV seminar and HIV testing this last November 13 2019, HIV testing at Inday Pining Teatro UV Main campus was the first phase of the project implementation.
