Quote for the Week

"The secret of getting ahead is getting started." - Mark Twain

Hosted by:
PE Berns Amago IV

INVOCATION

O Lord, our Heavenly Father, at the beginning of another week we come to you for help and light. Grant, we beseech you, that we may hallow this day of rest to your service, and find in you all peace and strength. Enliven our devotion that we may serve you in spirit and in truth, and build a good foundation for our work in the week ahead. Be with us in all the public services of our times, that we may join in them with heart and soul, and receive the blessing that you have promised to all who sincerely pray to you and faithfully hear your Word. This we pray in the spirit of Jesus. Amen.

Presidents Message

Happy New Rotary Year everyone! The month of July is the beginning of Rotary Year and everybody seems to be busy during this month. So not to be outdone, let's hit the ground running by planning our own activities for the month of July.

Fellow RCCF Rotarians roll your sleeves and dig in! First let's grow our club membership. Discuss with The Chairman of the Membership Committee the open classifications of the club. Bring a friend along in the meeting and introduce the good things Rotary does to the community.

Recruitment is just the beginning of growing club membership. So let's make good in our recruitment but, let's do even better maintaining the members that we already have. Ergo, engage every member of the club so that they won't feel that they are left out. Involve everyone in the club's activities and let them feel they're important.

Another important aspect of a healthy club is good camaraderie and the club should exert extra effort to maintain this good habit. Avoid groupings as much as possible so as not to promote factionalism. Encourage healthy discussion or exchange of ideas but not argument.

Fellow Rotarians following the above tenets will bring us to our goal: more new members.

EMMANUEL "EMMIE" P. TESALONA
President, RY 2020-2021

Dear Rotarians, Rotaractors, and friends,

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of *Rotary Opens Opportunities* at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People

were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary that the world so desperately needs.

This is our great challenge, not just in the next year but into the future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that *Rotary Opens Opportunities* for generations to come.

HOLGER KNAACK

President, Rotary International

**A message from
Foundation Trustee Chair
K. R. Ravindran**

I believe that RI President Holger Knaack's theme, *Rotary Opens Opportunities*, fits the times so well. You might ask how that can be, given all of the turmoil happening around us today. The following story, paraphrased from British author Alan Watts' telling of a Taoist parable, helps explain why.

Once there was a farmer whose horse ran away. That evening, all of his neighbors came around to commiserate. They said, "We are so sorry to hear your horse has run away. This is most unfortunate." The farmer said, "Maybe."

The next day, the horse came back, bringing seven wild horses. In the evening, everybody said, "Isn't that lucky. What a great turn of events. You now have eight horses!" The farmer again said, "Maybe."

The following day, his son tried to break one of the horses, and while riding it, he was thrown and broke his leg. The neighbors said, "Oh dear, that's too bad." The farmer responded, "Maybe."

The next day, officers came around to conscript people into the army, and they rejected his son because he had a broken leg. Again all the neighbors said, "Isn't that great!" Again, the farmer said, "Maybe."

What we learn from this is that nature is immensely complex. It's impossible to tell whether anything that happens is good or bad, because you never know what the consequences will be. All we can know is that with every action and reaction, there is an opportunity — a chance to live our values, express our desires, and take action to make the world a bit closer to the way we want it to be.

The Rotary Foundation is our conduit to make those meaningful changes. Through the Foundation, we do our part to help rid the world of polio. In addition, we can help support important COVID-19 projects and prepare the world for the massive vaccination effort that will be needed soon. And we can help keep some continuity in service to people in need when so many regular services are being disrupted.

Will this be Rotary's great moment to become an even stronger organization in the 21st century? Maybe. Is this your great opportunity to live your values? Maybe! It's up to you and me.

Meet the District Governor

RODEL RIEZL S. REYES believes that the opportunity to lead the District is an honor and a privilege to give back to Rotary what he has achieved in his 22 years of dedicated and committed service in doing good with the community.

A third generation Rotarian, he was destined to serve the District drawing inspiration from his father, the late Roberto C. Reyes, past president of the Rotary Club of South Davao. His journey as a Rotarian began when he was inducted as member of the Rotary Club of Metropolitan Davao in September 1998, with his friends in the same line of business. In August 2001, he joined the Rotary Club of East Davao and ascended the club leadership ladder to become its 41st President in RY 2005-06. Throughout his 16 years in Rotary, he displayed admirable leadership skills that paved the way for him to be appointed various key positions within and beyond the club level having served as conference and training chair, resource speaker and district officer that enriched his knowledge in Rotary and honed him to lead us in this coming Rotary year.

He then continued to serve Rotary beyond the club level as twice Assistant Governor in RY 2006-2008. A Senior Assistant Governor for Operations in RY 2012 -13 and for Administration in RY 2014 -15. He also handled various district committees such as membership chair, Annual Programs and Polio Fund Chair, World Community Service

(WCS) district officer and the Group Study Exchange Chair.

For District 3860 to thrive, DGE Riz believes that Rotarians must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, commitment."

His top priority is to increase membership, which he believes as the bedrock of Rotary. The campaign on membership has to continue with focus on the younger generation, the lifeblood of Rotary. He is also looking at the opportunity to attract and entice former Rotarians back into the folds of Rotary service.

A TRF Major Donor and Paul Harris Society member, he will continue to work on increasing members' contribution to The Rotary Foundation and ensure that all the 98 clubs contribute to the Annual

Programs Fund and Polio fund.

He envisions District 3860 boldly and creatively engaging the community to proactively participate in END POLIO NOW campaign.

His passion for everything and anything in Rotary that spanned for 22 years of his life earned him several recognitions from his club as twice Rotarian of the Year; consistent Presidential Leadership awardee; and has maintained his perfect attendance for the past 20 years.

He is also a recipient of several Rotary International recognitions such as the Four Avenues of Service award, TRF Distinguished Service Award and the TRF Meritorious Service Award.

He is also involved in various charitable organization and socio-civic organization like the Maharlika Charity Foundation as VP- Operations, Smile Train Philippines as Davao City coordinator, The Most Worshipful Grand Lodge of Free and Accepted Mason as DDGM in 2008, and a Past Grand Master of the Supreme Council Order of DeMolay.

Professionally, he joined SGV & Company based in Makati right after his graduation in 1983. In the same year, he passed the Certified Public Accountancy Board Examination. He is a proud graduate of San Beda College. In 1986 he was engaged by San Miguel Corporation Audit and Finance group. In 1990, a call for family duty brought him back to Davao to take care of the family business.

He is happily married to Anne Marie C. Lopez, a daughter of former Davao City Mayor Elias B. Lopez. Blessed with an only son Roberto Elias who is currently working in Manila.

He believes that District 3860 will adapt to a rapidly changing world by embracing innovation within the guidelines of our tradition and values. By aggressively embracing new technologies, social media and new opportunities, individual and businesses will see that Rotary helps promote a good civic and public image while adding credibility. As Rotarians we are still Blessed to take on leadership at this wonderful but very challenging moment of our organization. Let us together embrace the new year as Rotary Opens Opportunities.

Rotary
District 3860

**Rotary Opens
Opportunities**

5 QUESTIONS ABOUT

Environmental projects

with Karen Kendrick-Hands

Communications director, Environmental Sustainability Rotary Action Group (ESRAG)

1 How does the environment fit into Rotary's areas of focus?

Any project in any area of focus will benefit from having environmental sustainability as one of its watchwords. It's a lot harder to supply clean water to people if your watershed is compromised — if your river is full of industrial, human, and animal waste. Basic education and literacy is a challenge when kids are sick because the school well is contaminated. Health is affected when insects carrying diseases expand their geographic range due to changing climate patterns. Water wars and climate refugees will make achieving peace and conflict resolution more complicated. Economic development is slowed when there's not adequate energy. Rotary would do a huge service to the world if it moved every water project from a diesel pump to wind or solar. That's a project that's scalable.

2 Why did ESRAG publish a handbook with environmental project ideas?

A lot of people say they'd like to do an environmental project, but they don't know where to start. Or they may already be doing something in their community that they didn't even realize was an environmental project — like adopting a highway or organizing an electronic waste recycling drive — and the handbook, which we worked with the United Nations Environment Programme

(UNEP) to create in 2019, helps educate them about the broad range of projects that help the environment. Other people say they need an idea that will inspire their clubs. I was astonished at the wide variety of project ideas we were able to gather and present in the handbook.

3 Can you describe some of the project suggestions?

We looked to address topics that we thought were important, topics that fit well with existing areas of focus, and topics that expanded Rotary clubs' reach into the UN Sustainable Development Goals. Six of the 17 goals don't currently fit under one of Rotary's areas of focus — things like affordable and clean energy, sustainable cities and communities, and responsible consumption and production. The back cover is a sample press release. It's a reminder that sharing our story builds the brand and creates momentum for more service.

4 What inspired ESRAG's collaboration with UNEP?

In 2018, Rotary Day at the United Nations was celebrated in Nairobi, Kenya, and UNEP, which is based there, helped host the event. Rotary and UNEP decided to work together to create a handbook for Rotary clubs that want to participate in World Environment Day, which is 5 June. ESRAG worked with UNEP on the handbook. It starts with a joint statement from former

RI Presidents Barry Rassin and Mark Daniel Maloney. We were thrilled to have that endorsement and hope this can be the start of more collaboration between Rotary and UNEP.

5 Are Rotarians getting more involved in environmental projects?

I was invited by Rotary staff earlier this year to help put together a survey to gauge interest in environmental projects throughout the Rotary world. We had some input from the Climate Solutions Coalition, which is a youth movement within ESRAG. We sent out the survey link in a newsletter on 23 January. We had to get all the results in by 31 January. In that brief time, we got over 5,000 completed surveys back. I think that shows there is a lot of pent-up demand.

People interested in environmental solutions could go out and work with other groups, and many Rotarians do. But what we're seeing is a real desire to do their environmental work within the Rotary framework. That's a valuable future asset for Rotary. We have no idea of the members it will attract, the purse strings that will be loosened. With the people who will be the next generation of Rotary, the future is clear.

— DIANA SCHOBERG

Stay connected through Rotary's online Learning Center

ROTARY CONNECTS THE WORLD — that is Rotary President Mark Daniel Maloney's theme, and despite the challenges presented by the COVID-19 pandemic, Rotarians are continuing to connect with one another and the world. Rotary's new Action Plan calls on us to increase our ability to adapt — and members are coming up with innovative ways to serve their communities and create opportunities for fellowship. Many clubs are meeting online for the first time, reimagining fundraisers and other events, and reinventing planned service projects.

Rotary's online Learning Center has resources that can help you stay connected to the organization and to one another. Instead of meeting one week, for instance, everyone in your club might choose a topic to learn more about and then report back to the other members. You might even decide to develop a webinar using Rotary tips and resources. "The Learning Center courses could be used for general knowledge and for brainstorming, action planning, and idea sharing," says Kimberly Kouame, learning resources manager at Rotary International.

Often, the first time Rotarians use the Learning Center is when they are elected to a club office. But with more than 600 courses in over a dozen languages (including more than 80 in English), the Learning Center has something to interest every Rotarian. Here are a few to pique your interest; find them all at rotary.org/learn.

COURSES

➔ Is Your Club Healthy?

When your club isn't able to meet in person, it can be a challenge to keep members engaged. Now might be an ideal time to assess the state of your club and ask members what is working for them and what isn't.

➔ Your Membership Plan

Perhaps you've been thinking about creating a long-term membership plan. This course offers a helpful worksheet and step-by-step guidelines for crafting a strong future for your club.

➔ Building a Diverse Club

In line with Rotary's focus on diversity, equity, and inclusion, this course can help you expand your club's membership to include people from different walks of life.

➔ Committing to Diversity, Equity, and Inclusion

This course offers a closer look at Rotary's DEI statement and how you can put those values into action.

▶ **Practicing Flexibility and Innovation**

This course guides you through some of the ways your club can be innovative, with advice on subjects such as setting up satellite clubs.

▶ **Kick-Start Your New Member Orientation**

If your club has had trouble retaining new members, with people joining only to leave a few years later, this course can help. Get tips on how to make sure your new members feel welcome and engaged.

▶ **All About Rotary Peace Fellowships**

Perhaps you know someone who might be a good candidate for a Rotary Peace Fellowship and you want to be able to talk knowledgeably about the program. Or maybe you would like your club to be more involved. This course will give you information on Rotary's Peace Centers and the requirements and deadlines for applicants.

▶ **Building Rotary's Public Image**

Rotarians are people of action, and we

want the world to know what we are accomplishing. But how can you get the message out? This course will teach you how to build awareness of Rotary and its work.

▶ **Planning Your Projects: Service Projects Committee**

This course is designed for people serving on a club service projects committee, but anyone can benefit from the ideas about how to carry out effective projects — with tips on doing a community needs assessment and executing the project.

▶ **Rotary Foundation Basics**

The Rotary Foundation is central to Rotary's work in the world. This course will walk you through the century-long history of the Foundation and its role in grant-making, supporting polio eradication efforts, and funding the Rotary Peace Centers.

▶ **Becoming an Effective Facilitator**

Develop your leadership skills for Rotary and beyond through this course, which

guides you on how to effectively work with a team to define and achieve objectives.

▶ **Mentoring Basics**

Mentoring has always been one of the cornerstones of Rotary. This course identifies the traits of a good mentor and suggests some best practices to make sure your mentoring relationship is beneficial to all concerned.

▶ **Essentials of Understanding Conflict**

We've all had to deal with interpersonal conflict, whether the issues are small (who sits at which table at the meeting?) or large (what are our club's priorities?). This course gives you tools to understand different types of conflict and describes conflict management styles.

▶ **Leading Change**

Change is hard, especially in a collaborative organization. This course offers ideas on how to lead a group of people through organizational change, how to assess people's readiness for change, and how to deal with resistance to change.

2020 Rotary International Virtual Convention

We still have ten days as our term will end on June 30. While we have the biggest number of Major Donors and Major Gifts contributors this year as compared to previous years, we can see that some districts have to still improve on their EREY Eligible and still reduce the number of non-giving clubs. May I reiterate my appeal for our TRF Teams to exert extra efforts to reduce the number of non-giving clubs and increase the number of EREY Eligible. It can be \$100 or even as low as \$25 per Rotarian. Now is the time to talk to all our Champion Presidents who have not contributed to the Rotary Foundation. So far, we have two districts which have zero non giving clubs on End Polio, D3800 and D3820. On Annual Fund, D3800 as of this date had already posted zero non giving clubs. Again, our warm congratulations to the two (2) districts for showing us that zero non giving clubs can be done for both annual fund and end polio.

We have just concluded the first ever Zone 10A Regional Rotary Foundation Online Training Seminar last June 6, 2020. The online seminar was participated in by top senior leaders like PRIP K.R. Ravindran (through a written message) , PRIP John Germ, PRID and Trustee Elect Frederick Lin, RIDE Surgeon Chi Tien Liu and incumbent TRF officers EMGA Jess Nicdao, EPNC Mary Anne Solomon, RISSPO's TRF Senior Coordinator Mark Anderson, FDS Gretchen Laurel, ARRFC Gloria Nethercutt, DGND Gina Sy and PP Gina Sanchez and myself as RRFCC Convener. The online seminar was attended by close to eighty (80) participants coming from the ten (10) Philippine Rotary Districts composed of the Governors Elect, Governors Nominees, DRFCs, Annual Fund, Grants and End Polio Chairs and ARRFCs.

Rotary  **END POLIO NOW**

Last Hurrah for POLIO RY 2019 - 2020

Virtual Breakfast Meeting | Hosted by RRFCC Jun Farcon
June 18, 2020 | 7:30 AM via Zoom
(For Philippine Districts and Strictly by Invitation Only)

 PRIP JOHN GERM End Polio Chair, Convener to Rotary Campaign Chair	 PRID ROBERT HALL End Polio Chair, Convener to Rotary Campaign Chair	 PRIP MICHAEL K. MCGOVERN International President Chair	 RIFFY GARCIA Secretary International Chair	 GUILLER TUMANGAN End Polio International Chair
---	--	--	--	--

Last June 18, 2020, upon the request of EPNC Mary Anne Solomon, I also acted as the Host and Convener of the “Last hurrah for End Polio” after breakfast online meeting where top senior leaders from the International End Polio Core Group attended. We are grateful for the presence of PRIP John Germ, PRIVP Michael MCGovern, PRID Robert Hall, RID Rafael Garcia III and PRID Guiller Tumangan. EPNC Mary Anne Solomon and her deputy PDG Ernest Yuyek showcased the contributions of the different districts from

Zone 10A on the End Polio campaign as reported by the ten (10) Champion Governors. At the end, we were able to get more than one hundred thousand (\$100,000) US Dollars of pledges from unused DDFs and additional cash commitments from the attendees. The campaign for more funds for End Polio does not end with the last hurrah event but rather it continues until the wild polio virus has been totally eradicated in this world. We would like to congratulate all Champion Governors for their support and cooperation in pushing and actively pursuing projects and programs for End Polio, the number one priority of Rotary International and the Rotary Foundation.

In closing, allow me to urge all of you to stay home and keep safe always. We will have our time soon for physical meetings but in the meantime, because of this pandemic, let us do the new normal way of doing rotary business through virtual events, online trainings and meetings and physical distancing. This is now the challenge to the incoming set of district leaders led by the Transforming Governors. We look upon all of you to lead us next year in this series of new normal ways of doing rotary business and activities.

Yours in rotary service,

ORATIO IMPERATA: PRAYER AGAINST COVID-19 or 2019 CORONA VIRUS DISEASE

**God our Father,
We come to you in our need
To ask your protection against the 2019 Corona Virus Disease,
That has claimed lives
And has affected many.**

**We pray for your grace
For the people tasked with studying the nature and cause
Of this virus and its disease
And of stemming the tide of its transmission.
Guide the hands and minds of medical experts
That they may minister to the sick
With competence and compassion,
And of those governments and private agencies
That must find cure and solution to this epidemic.**

**We pray for those afflicted
May they be restored to health soon.**

**Grant us the grace
To work for the good of all
And to help those in need.**

**Grant this through our Lord, Jesus Christ, your Son,
Who lives and reigns with You, in the unity of the Holy Spirit,
God forever and ever. Amen.**

**Mary Help of all Christians, pray for us.
St. Raphael the Archangel, pray for us.
St. Rock, pray for us.
St. Lorenzo Ruiz, pray for us.**

PEOPLE OF ACTION NOW SHOWING

Rotary's public service announcement campaign has launched, bringing People of Action to life on TV, radio, and in print across the U.S. Expand our reach by featuring People of Action ads on your club website and social media channels. Learn more about our PSA 2020 Campaign at rotary.org/brandcenter.
