President's Message

How time flies! A month has already passed in this new Rotary year, and before we know it, it's Christmas time already.

But before thinking of any celebration, let's buckle down to work and finish the task at hand. August is membership month, and this year is dedicated to increasing the membership of our prestigious organization. No less than the RI President, Holger Knaack, mentioned in his speech the need to grow Rotary not only in number, but also in quality. He cited several ways on improving the number of Rotary membership, like: recruit more women members; convert Rotaractors into Rotarians; increase impact; expand our reach; enhance participation of members; and increase our ability to adapt.

Right on cue, the former President of Rotaract Club of University of San Carlos, Atty. Sydrick Deiparine, delivered his classification talk last Monday to be our baby Rotarian. This is in response to the challenge of the RI President that we should prepare our Rotary club for the future. He added that the club should bring in millennials, develop flexibility, enhance participant engagement, and reinvent Rotary.

Knowing all these strategies to improve club numbers, our Membership Director conducted a Membership Satisfaction Survey to know the sentiments of all the club members and gave some recommendations to address the issues. She also created video to guide the members on how to go about the recruitment process.

Until next week, fellow Rotarians!

EMMANUEL "EMMIE" P. TESALONA
President, RY 2020-2021

Dear Rotarians, Rotaractors, and friends,

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cellphones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. *Rotary Opens Opportunities* — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values.

A message from
Foundation Trustee Chair
K.R. Ravindran

There is a world of difference between a problem and a challenge.

If a honeybee faces a giant hornet alone, the bee has a problem. But if the honeybee faces the hornet with a swarm of other bees, then it is the hornet that has a problem.

This is true in nature, but it is also the human predicament. So when the situation I confront is greater than the resources I have, then it can be termed as a problem. However, if the resources I have are greater than the situation I am faced with, then it is just a challenge. Sometimes we overestimate our problems and underestimate our ability to overcome them.

The COVID-19 pandemic seemed like a situation that might overwhelm The Rotary Foundation. But as things have progressed, we have not allowed it to do so. As of 4 June, we have funded 208 disaster response grants for \$5.2 million and 169 new global grants at \$13.8 million — all in three months. We have leveraged individual Rotarians' generosity with Foundation funds and in many cases other corporate funds to make projects larger and more impactful.

We never allowed the pandemic to overpower us. Indeed, history shows that Rotarians are a curious breed. We are visionaries, an idealistic lot that dreams big dreams of a better world. At the same time, we are resilient and able to withstand challenges that others might succumb to.

We were not idle during the pandemic lockdowns. We raised funds and did projects just as we would have if there had been no lockdown. We remembered that it's the same business that we always do — reaching out to people in distress — except the methodology by which we did it changed.

Our process of preparing and delivering the projects changed.

The way we communicated what we did changed.

The Rotary Foundation is more than 100 years old and has already weathered many storms — some of them mild and others devastating to the world. Thanks to the strength, sacrifice, and compassion of Rotarians and the level to which they have extended themselves, I believe the Foundation will continue to face the future with renewed hope and inspiration.

Our Foundation will emerge from this pandemic much stronger and more resilient as long as you continue to have trust and faith in it.

“ROTARY BRINGS HOPE”

ORATIO IMPERATA: PRAYER AGAINST COVID-19 or 2019 CORONA VIRUS DISEASE

**God our Father,
We come to you in our need
To ask your protection against the 2019 Corona Virus Disease,
That has claimed lives
And has affected many.**

**We pray for your grace
For the people tasked with studying the nature and cause
Of this virus and its disease
And of stemming the tide of its transmission.
Guide the hands and minds of medical experts
That they may minister to the sick
With competence and compassion,
And of those governments and private agencies
That must find cure and solution to this epidemic.**

**We pray for those afflicted
May they be restored to health soon.**

**Grant us the grace
To work for the good of all
And to help those in need.**

**Grant this through our Lord, Jesus Christ, your Son,
Who lives and reigns with You, in the unity of the Holy Spirit,
God forever and ever. Amen.**

**Mary Help of all Christians, pray for us.
St. Raphael the Archangel, pray for us.
St. Rock, pray for us.
St. Lorenzo Ruiz, pray for us.**
