INVOCATION

Almighty and ever living God, we bid your presence with us who have gathered here to set aside a portion of ground upon which shall be built a fine building to serve our community and to better our human fellowship. May your love fill all who have dreamed and planned for this day, and may [name], who has given from the heart and in loving memory, be filled with the sufficiency of your grace. May each of us go forth from this happy occasion with glad and thankful hearts. Amen.

Fellow Rotarians, tonight our speakers Ms. Ma. Cristina Angan, Deputy Chief Commercial Officer, and Mr. Eric Gregor Tan, AVP for Business Development, both of GMR Megawide Cebu Airport Corp., will update us on the latest developments on Carbon Market. As we all know, Carbon Market is the biggest and busiest market in the entire Cebu City. The reason being that most fishermen, farmers, and traders choose to bring and sell their products in this well-known market. Voila! The result is fresh inexpensive products sought by millions of buyers daily. Aside from being the favorite marketplace of food producers, handicraft makers, and other products, Carbon Market is historical because it has been an edifice since the Spanish Era. It is for these reasons, that a big development company like Megawide took interest in transforming Carbon Market into a first-world market and make it into a diverse tourist destination.

Megawide envisions the Carbon Market with the tag line “the past meeting the future” by using Spanish-Filipino designs, while improving the facilities to suit the convenience of a mall, and the ambience of a promenade.

So, sit back, relax, and listen to our speakers transform your favorite market into a mall - a market and tourist destination rolled into one.

FOR YEARS, SUSANNE AND I hosted many Rotary Youth Exchange students in our home. This program was an entry point to Rotary for me, and my heart is truly in it. When Rotary's exchange programs were suspended because of COVID-19 to keep students and families safe, we felt sorry, especially for the participants, because those years cannot be repeated.

Because of the many uncertainties of the pandemic, the Rotary Board has decided to suspend in-person exchanges through June 2022. As we look ahead with hope, we thank Youth Exchange officers, host families, and volunteers for their contributions in years past, and we encourage districts to offer virtual exchanges as a way of connecting students around the world with each other and with our communities.

For those who are not able to participate in Rotary Youth Exchange, Rotary offers other opportunities. New Generations Service Exchange (NGSE) is a Rotary program that deserves wider recognition: It is an excellent opportunity for young people ages 18 to 30 to participate in community service as individuals or in a group and to gain internship experience. Simukai Matshalaga, a Rotaractor from Zimbabwe, stayed with us in Ratzeburg during her NGSE experience three years ago.

When I applied for the New Generations Service Exchange program, I did not realize that I was signing up for a life-changing experience. This program gave me that opportunity and much more. It taught me about the importance of failing fast, learning quicker, and being myself.

Some of my greatest experiences happened at the dinner table. The warmth and kindness of every home I lived in still resonate with me today. It took me weeks to understand how a stranger could care for me as deeply as these

members of the Rotary family did. I am inspired by the lessons of humility I learned from all the amazing people I met. I came to understand a new culture and realized that the only things that separate us as people are our experiences and, at times, our false assumptions.

Professionally, it gave me confidence in my own abilities as an engineer. Seeing how other organizations handled problems made me aware that the best person to solve the challenges in my country was me. Returning home from northern Germany, I declined a promotion, quit my job, and began building a family business — a decision that previously I would have never made, out of fear.

I am indebted to the Rotary family. I am not sure whether the friends, mentors, and families I left behind knew that they changed my life permanently. I hope they now do.

New Generations Service Exchange changed Simukai's life. It can change yours, too. All Rotary members can experience something similar at any time: I encourage everyone to take a virtual journey this month and visit meetings of other clubs online. You will see how different Rotary is around the world as you meet great people and make new friends.

Let us build upon these connections forged online — and later, when the time is right, enjoy in-person exchanges through Rotary Friendship Exchange, another excellent program for Rotary members of all ages.

Our ability to meet in person is limited now, but we know that *Rotary Opens Opportunities*, always. Now is the time to get ready, so that when the pandemic is behind us, Rotary's exchange programs will come back stronger than before, serving a world that is yearning to reconnect.

TRUSTEE CHAIR'S MESSAGE

Rotary members are writing the future

In the classic film *Lawrence of Arabia*, Peter O'Toole plays T.E. Lawrence, the British scholar, military officer, and author who helped Arab tribes in their struggle for independence against the Ottoman Empire.

Lawrence leads a group of Bedouin warriors through the desert for a surprise attack on the Ottoman port of Aqaba. As they reach the end of the desert, they discover that a soldier, Gasim, has fallen off his camel during the night. But it is morning, and the tribesmen, led by Sherif Ali, played in the movie by Omar Sharif, advise Lawrence that going back to find him would be futile, that Gasim would already be dead given the sandstorms and the scorching heat. "Gasim's time has come; it is written," one of the soldiers tells Lawrence.

But Lawrence does go back and finds Gasim near death, staggering in the dunes. When they return to camp, Ali offers Lawrence water. Before taking a drink, Lawrence looks at him and says: "Nothing is written."

This unforgettable scene means more than just a quotable movie line; it represents a way of looking at the world. It is a challenge to fatalism — that we must accept a certain outcome because of the way it has always been. No, Lawrence says, history is not written, yet.

So it is with The Rotary Foundation. We have not yet emerged from the sand-

storm of the COVID-19 pandemic and the economic fallout from it. We are still occupied by work to raise awareness, deliver critical personal protective equipment, and provide support for frontline workers.

We do not know the day when, standing beside our polio eradication partners, we will announce that for the second time in history, a disease has been eradicated. We do know that, because we have worked steadfastly for years, the end of that story will be written soon.

And thanks to a \$15.5 million contribution from the Otto & Fran Walter Foundation, we are also adding a new chapter in the story of our expansion of the Rotary Peace Centers: Plans are underway to launch a new peace certificate center in the Middle East or North Africa.

Rotary is engaged in so many noble efforts; it is an ongoing story that inspires me even more than *Lawrence of Arabia*. We do not yet know the name of the baby whose life will be saved because of a maternal and child health grant from Rotary, or the name of the girl who will learn to read with our support. When will those grants start, and will your district — or you — be directly involved?

Nothing is written. We write it.

ORATIO IMPERATA: PRAYER AGAINST COVID-19 or 2019 CORONA VIRUS DISEASE

**Merciful and compassionate Father,
 we come to you in our need
 to seek your protection against the COVID 19 virus
 that has disturbed and even claimed lives.
 We ask you now to look upon us with love
 and by your healing hand,
 dispel the fear of sickness and death,
 restore our hope, and strengthen our faith.
 We pray that you guide the people
 tasked to find cures for this disease
 and to stem its transmission.
 We thank you for the vaccines developed
 made possible by your guiding hands.
 Bless our efforts to use these vaccines
 to end the pandemic in our country.
 We pray for our health workers
 that they may minister to the sick
 with competence and compassion.
 strength in their commitment,
 protection from the disease.
 We pray for those afflicted.
 May they be restored to health.
 Protect those who care for them.
 Grant eternal rest to those who have died.
 Give us the grace in these trying times
 to work for the good of all
 and to help those in need.
 May our concern and compassion for each other
 see us through this crisis
 and lead us to conversion and holiness.
 Grant all these through our Lord Jesus Christ your Son
 who lives and reigns with you, in the unity of the Holy Spirit,
 God forever and ever. Amen.
 We fly to Your protection, O Holy Mother of God.
 Do not despise our petition in our necessities,
 but deliver us always from all dangers,
 O glorious and blessed Virgin. Amen.
 Our Lady, health of the sick, pray for us.
 St. Joseph, pray for us.
 St. Raphael the Archangel, pray for us.
 San Roque, pray for us.
 San Lorenzo Ruiz, pray for us

IN BRIEF

Honolulu to host 2027 convention

A year after canceling the 2020 Rotary International Convention in Honolulu because of the COVID-19 pandemic, Rotary announced that the city will host the organization's 118th convention, scheduled for 5-9 June 2027.

About 20,000 Rotary members from 170 countries and geographical areas had been expected to attend the event in Honolulu in June 2020, which had been projected to bring as much as \$40 million into the local economy. The convention was reimagined as a virtual event.

"We are grateful to the citizens of Honolulu for welcoming us again in 2027," says Rotary President Holger Knaack. "As a global organization that values bringing people together, we look forward to sharing and celebrating our friendships, cul-

tures, and service in the spirit of aloha."

"Beyond the incredible economic impact this convention will have, the people of Hawaii will be inspired by the humanitarian causes of Rotary International," says John de Fries, president and CEO of the Hawaii Tourism Authority. "As a global

community, Rotary members embody the values we cherish here in Hawaii."

The first Rotary club in Hawaii, the Rotary Club of Honolulu, was chartered in 1915. Today, there are about 1,500 Rotary members and more than 50 clubs in the state.

IN BRIEF

Governors-elect gather virtually for International Assembly

Rotary President-elect Shekhar Mehta (pictured) announced the 2021-22 presidential theme, *Serve to Change Lives*, at the International Assembly in February.

The assembly, a yearly training event for incoming district governors, was held virtually this year because of the COVID-19 pandemic. In both general and breakout sessions, governors-elect and a select group of Rotaractors discussed the impact of service, the power of Rotarians and Rotaractors to do good in the world, and the importance of telling Rotary's story. They also focused

on membership and how Rotary leaders can give members the tools to help the organization grow. In addition, the assembly included programs for governors' partners and opportunities to connect with other participants and with Rotary staff members.

"Rotary kindled the spark within me to look beyond myself and embrace human-

ity," Mehta said in announcing the theme. He urged members to "do more and grow more": to become more involved in projects with measurable and sustainable impacts, and to help increase Rotary's membership to 1.3 million by July 2022. "As we all serve, we change the lives of not only others," he said. "We change our lives, too."
