Dear RCCF Family,

I hope this finds you well!

We had a successful review of our membership status last week together Rotary Club of Central Davao and it was such a relief to know that we share the same sentiments in terms of membership development with them. I congratulate our August team for pulling off such an enlightening forum.

This week, we partake in the sumptuous buffet of our club's diverse classification. Truly, despite the varying roles we play in our respective businesses and offices, it is refreshing to know that we can share our time and resources to worthwhile causes. We can step it up further, if we are able to make use of our respective vocation as a means of achieving our club's service goals.

I look forward in seeing you all shine in your fields of expertise whilst serving to change more lives.

Thanks and best regards,

### WEDDING ANNIVERSARIES

GREETINGS, MY DEAR CHANGEMAKERS,

**A**s we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million.

Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we *Serve to Change Lives*, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio.

As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society.

Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an

engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

As you *grow more*, you will be able to *do more*. Let us keep *empowering girls* through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I'm challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit [rotary.org](http://rotary.org) to find out more about all of these initiatives, along with other ways to *Serve to Change Lives*.

## TRUSTEE CHAIR'S MESSAGE

### With more members and support, we'll do more good in the world

In August, we focus on membership — exploring ways we can expand Rotary's ranks and reach. As we form new clubs and answer RI President Shekhar Mehta's call of Each One, Bring One, let's consider how these efforts will have a positive impact at every level of our organization.

Rotary's two greatest assets are its members and The Rotary Foundation, and they are linked. Our organization is made up of more than 48,000 Rotary and Rotaract clubs, and without our dedicated club members, we can't perform service. Our members also carry out the Foundation's mission of doing good in the world, by working on grassroots projects and making contributions that support countless Foundation programs and grants.

With more members in Rotary, the Foundation could do even more good in the world. We would have more hands to set up water, sanitation, and hygiene projects, so that more people could access clean water. We would have more minds to plan global grants projects that support prenatal services, so that more babies could live. We could fund more district grants that support literacy, so that more people could learn to read.

Today, roughly a third of our members actively support the Foundation through

annual giving or other means. Imagine how we could extend Rotary's reach if we were to increase that engagement, even by just a little. More Rotarian contributions would mean additional funding for the Rotary Peace Centers, as well as more matched contributions to help eradicate polio, thanks to our partnership with the Bill & Melinda Gates Foundation.

The Rotary Foundation is a powerful force that efficiently carries out impactful and sustainable projects around the world; Charity Navigator has recognized The Rotary Foundation with a four-star rating annually for 13 consecutive years. All Rotary members can be proud of this. And how great it would be if all Rotarians would support the Foundation in whatever way they could.

I have a simple request this month. Please take 10 minutes during your next club meeting to discuss ways to get more involved in the Foundation this year. It could be planning an online fundraiser to benefit the Foundation or partnering with other clubs for a global grant project.

Whatever you do, remember that our members — all of us — drive Rotary's efforts and sustain our Foundation.

# SERVICE ABOVE SELF

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First** The development of acquaintance as an opportunity for service;

**Second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it **build goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

## ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

When the Rotaractors agreed to sponsor tonight's GMM, they only had one choice for guest speaker. Yes, he is the person I am very honored to introduce tonight.

An alumnus of the University of Sto. Tomas, our guest speaker earned his Bachelor of Arts degree in Political Science with Latin Honors.

At a very young age, he already assumed several leadership roles notable among which are:

President of the Skolar ng Bayan Executive Committee  
President of the Rotaract Club of San Francisco Del Monte Malaya Achievers

A well-travelled youth leader, he is the recipient of numerous awards and recognitions which include the:

2008 Pambansang Gawad sa Uilirang Kabataan Award

2010 Most Outstanding NSTP Student and NSTP Student leader Award of UST

10 Most Outstanding Campus Journalists of NCR Award

10 Most Outstanding Student Leaders of Quezon City Award

2010 Scholar Community Leader of the Year, Academic Excellence Award and Most Outstanding Scholar Award

2012 Huwarang Mag aaral ng Bayan Academic Excellence and leadership Commitment Award .... Among others

His journey in Rotary started in 2010 when he joined the Rotaract Club of San Francisco Del Monte Malaya Achievers. Since then, there was no stopping this young leader from seeking greater heights. From President of his club, he became the District Rotaract Representative of Rotary International District 3780 then Chair of Pilipinas Rotaract Multi-District Information Organization or MDIO for 2020-2021 which landed him a spot in the Rotary International Assembly 2020 in San Diego, California, USA.

My fellow Rotarians, dear Rotaractors and guests, mine is the privilege to present to you The Chairperson of the Asia Pacific Rotaract MDIO, Louie Boy de Real of the Rotary Club of San Francisco Del Monte Malaya Achievers.

### BRING YOUR OWN BIB

**Event:**  
Cambridge Ribfest

**Host:**  
Rotary Club of Cambridge Sunrise,  
Ontario

**What it benefits:**  
Local charities and projects

**What it is:**  
To ensure everyone can safely enjoy the delicious food at Ribfest, this annual event has been boiled down to a one-day, drive-thru experience. "Ribbers" compete for Best Ribs, Best Chicken, Best Sauce, and People's Choice trophies.

25<sup>th</sup>

### TASTE THE FLAVORS

**Event:**  
Taste of Lakeville

**Host:**  
Rotary Club of Lakeville, Minnesota

**What it benefits:**  
Local projects

**What it is:**  
This community celebration brings together local restaurants, caterers, and fine beverage purveyors for one evening of sampling the culinary delights available around town. The event is normally held in May; this year an auction portion of the event took place then online, with the rest of the event moved to this month.

## SUSTAINABILITY

For Rotary, sustainability means providing long-term solutions to community problems that community members themselves can support after the grant funding ends.

### Start with the community

Identify a need and develop a solution that builds on community strengths and aligns with local values and culture.

### Encourage local ownership

Identify key community members who can help pioneer lasting improvements.

### Provide training

A project's success depends on people.

### Buy local

Purchase equipment and technology from local sources.

### Find local funding

Get local funding through governments, hospitals, companies, and other organizations.

### Measure your success

Develop clear and measurable project outcomes and determine how you will collect your data.

HOUSTON CONVENTION

## Star power

Since the 1960s, Houston has been home to mission control for the United States human space program and its astronaut training program. When you are in town for the Rotary International Convention, 4-8 June, you can learn more about that history as well as the science of outer space at Space Center Houston, which houses educational programs and a museum.

Among the spacecraft you'll find in the Starship Gallery are: Faith 7, the final Mercury capsule in which Gordon Cooper orbited the earth for

34 hours in 1963; Gemini V, in which Cooper and Pete Conrad spent eight days in space in 1965 as part of NASA's research for a trip to the moon; and the command module from Apollo 17, the last Apollo mission to the moon. You can also see the largest publicly displayed collection of moon rocks in the world.

The Astronaut Gallery features space suits, from 1960s pressure suits to a prototype designed for long stays on the moon — or even Mars. In Independence Plaza, you can explore a replica space shuttle

that is mounted on an airplane that transported shuttles from landing sites to the Kennedy Space Center in Florida.

There's a gallery dedicated to the International Space Station, the largest structure built in space, where astronauts continue to do scientific research and prepare for the next phase of space explo-

ration. You'll learn about the challenges of visiting the red planet in the Mission Mars exhibit.

And the NASA Tram Tour is a must, taking visitors to the astronaut training facilities and, of course, Mission Control. Visit [spacecenter.org/visitor-information](http://spacecenter.org/visitor-information) for more information.

IN BRIEF

## Youth Exchange alumni honored

A group of former Rotary Youth Exchange students in District 3054 (India) was selected in April as the winner of the 2020-21 Rotary Alumni Association of the Year Award. The award, which was established in 2011, honors an alumni association that displays heightened awareness of the role that alumni play in Rotary and demonstrates the significant impact of Rotary's programs. The 35-member Rotary District 3054 Rotex Alumni Association (Rotex 3054) was recognized in part for its ability to adapt to the challenges of the COVID-19 pandemic.

As COVID-19 cases spread throughout India in April 2020, Rotex 3054 members organized a fundraiser for frontline workers in their district, which covers parts of the Indian states of Gujarat and Rajasthan. By tapping into their networks of Rotarians and friends, they managed to collect \$5,150 within two weeks. Combined with a \$2,000 district grant, the funds allowed the association to purchase 1,100 PPE (personal protective equipment) kits and masks,

which members distributed to hospitals, health centers, police, and public health authorities. The group also purchased 100 grocery kits for low-income workers whose livelihoods were affected by the nationwide lockdown.

Rotex 3054 was formed in 2018 by Rotary Youth Exchange alumni in District 3054. Members coordinate the orientation of outbound exchange students in the district and host inbound students in a short-term exchange program that they help facilitate. They also serve as ambassadors for Rotary Youth Exchange at district events and club meetings as well as at schools.

Since its inception, the alumni association has led a number of community-service projects. In 2019, members celebrated Christmas with children in a cancer

hospital, distributing blankets and providing games and entertainment. As the COVID-19 crisis worsened in India earlier this year, the association launched a crowdfunding campaign to provide oxygen concentrators to those who needed oxygen at home. Other service activities have included clothing drives, a tree planting, and an art competition for children at a school near Ahmedabad.

The association collaborates with Rotary and Rotaract clubs in the district and is advised by Bhanu Gupta, a member of the Rotary Club of Ahmedabad West. Members meet for skill-sharing sessions, bike rides, and weekend brunches.

Rotary alumni associations are organizations of people who have participated in any of Rotary's programs, including Rotary Peace Fellows, Ambassadorial Scholars, Group Study Exchange participants, Interactors, Rotaractors, and others. Associations may include alumni from various Rotary programs or be exclusive to alumni from one program, and most are organized within a Rotary district. Rotex 3054 is one of 37 Rotex (Rotary Youth Exchange) alumni associations found throughout the world.

— JOHN M. CUNNINGHAM

▲ Rotex 3054 members helped fight COVID-19 in northwestern India by providing protective items to frontline workers.

Do you know of an outstanding alumni association? Nominations for the 2021-22 Alumni Association of the Year Award are due 15 September. Learn more at [rotary.org/awards](http://rotary.org/awards).

**END

NOW**

**COUNTDOWN TO  
HISTORY**

**END  
POLIO  
NOW**

**TAKE ACTION**  
ERADICATE A DISEASE FOREVER

# 5 REASONS WHY WE MUST ERADICATE POLIO

## 1 YOUR GIFT WILL IMPROVE LIVES.

Today, 19 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

## 2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

## 3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

## 4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

## 5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

At the end of the 1980s, more than 350,000 children were paralyzed by polio every year. Today, Rotary and its partners have reduced the incidence of polio by 99.9 percent. However, until we see the last of the poliovirus, eradication efforts need additional funding to:

### IMMUNIZE

more than 400 million children against polio every year

### IMPROVE

disease surveillance systems to detect any poliovirus in a person or the environment

### HIRE

more than 150,000 health workers to go door to door to find every child
