Dear RCCCF Family,

Greetings of joy and glad tidings!

It takes this most wonderful time of the year to enliven us with courage to hold a face-to-face fellowship event. To enfranchise more RCCCF Rotarians and Rotaractors in partaking in this happy occasion, we blended the celebration with a virtual option.

The Organizing Committee has taken great efforts in preparing for this event and I hope that you will enjoy the offerings. But transcending beyond the fun should be the reason for the season, which is remembering the birth of a Savior. May his selfless and divine sacrifice inspire us to change more lives!

Merry Christmas and a Prosperous New Year to one and all!

Very truly yours,

GREETINGS, DEAR CHANGEMAKERS OF ROTARY,

**P**ublic health is on everyone's mind due to the global pandemic that still threatens the safety of ourselves and our loved ones. In a sense, COVID-19 has made all of us much more aware of the roles and responsibilities of medical professionals than we were before we had to wear masks and maintain social distance. In addition, while moving through this pandemic, we have also learned about the role we can play in keeping others safe.

December is Disease Prevention and Treatment Month in Rotary. The pandemic unfortunately has schooled most people on the toll that disease takes on our communities. But fighting disease is something that Rotarians around the world have been doing for decades. In fact, it is one of Rotary's seven areas of focus.

As Rotarians, we believe that good health and well-being is a human right — even though 400 million people across the globe do not have access to essential health services. The work we do in establishing clinics, eye hospitals, and blood banks, as well as in building infrastructure for medical facilities in underserved communities, all returns to a central belief that access, prevention, and education are the keys to stopping deadly outbreaks that harm the most vulnerable.

My exposure to health work began with my Rotary club, Calcutta-Mahanagar. There, among other things, I helped pioneer a program called Saving Little Hearts that over the years has provided more than 2,500 free heart surgeries for children from India, Pakistan, Bangladesh, Nepal, and Africa. Before the program went international, it started locally with the goal of perform-

ing just six surgeries within our community. Today, our goal is to complete another 20,000 surgeries over the next five years.

The world relies on Rotary to tackle challenges like these and to set an example for others. Over the past decade, medical professionals and government workers have provided free health services to 2.5 million people in 10 countries during Family Health Days, which are organized by Rotarians around the world. Similar health camps in India also provide thousands of surgeries to those in need. Medical missions from India to Africa each year are an excellent example of hands-on service in disease prevention and treatment. Rotary members can also get involved at a local level; clubs in the United States and Mexico, for example, fund a free health clinic in Guerrero, a small town in Mexico.

And of course, our effort to eradicate polio is by far the best story in civil-society health care.

This month, think about how your club can focus on preventing and fighting disease. This is the time to take a bigger, better, bolder approach through both club and district projects that can impact more people. Re-evaluate where you are with your goals. Create strategies that can sustain change over years, not months.

Everyone deserves a long, healthy life. When you *Serve to Change Lives*, your actions today can help extend the lives of others.

*Shekhar Mishra*

*President, Rotary International*

## TRUSTEE CHAIR'S MESSAGE

# Together, we can reach our goals

December marks a special time of year. It's a time of holiday gatherings and family reunions (COVID-19 permitting). It's also the halfway point of the Rotary year, when we look back on our goals, reflecting on the *what* and the *why* of our work.

First, the *what*. This year, to stay on course to reach our goal, we need to raise \$50 million for PolioPlus, with a 2-to-1 match by the Bill & Melinda Gates Foundation bringing the total to \$150 million. To keep our Rotary Foundation programs running strong, we set a goal to raise \$125 million for the Annual Fund. We also aim to raise \$95 million for the Endowment Fund in outright gifts and new commitments, and a further \$40 million for other outright gifts.

So how do we reach our grand total of \$410 million? We must remember that in all great endeavors, including Rotary, we are part of a TEAM: Together, Everyone Achieves More.

You can't have a great team without great PEOPLE. P stands for pride in our organization, our achievements, and our potential. E is our empathy for others, which we transform into service. O has two parts: the tremendous opportunities to make a difference that Rotary has granted us, and an obligation to pull others up and to increase our ranks. Our second P is for perseverance, helping us stick to our goals, like polio eradication, when the going gets

tough. L stands for leadership, and E for enthusiasm — the fuel of Rotary.

While we are revisiting our goals, we also need to remember the *why*. For me, this needs little explanation. Why wouldn't you help expectant mothers and their children survive and thrive by supporting a Rotary Foundation grant? And why wouldn't you initiate programs to help preserve the environment, our cherished home? The pandemic has only renewed my conviction that life is precious, and we must seize every opportunity to enhance the lives of others.

You are one of the PEOPLE on our TEAM. I encourage you this month to join other leaders who participate in Rotary's strong tradition of philanthropy by making a gift to The Rotary Foundation. It is the season of giving, and every gift counts. Please contribute any amount that feels right by 31 December, and your gift will keep on giving in 2022 and for years to come. There are many ways to give, as a club or an individual — why not set up a giving plan?

The Rotary Foundation offers us countless opportunities to help make a difference in the world. Let us never squander those opportunities, nor take our Foundation for granted.

Judy and I wish you the happiest of holidays.

## Better together

**Rotary’s partnerships provide the tools and resources to make projects more successful**

Rotary has been partnering with other organizations for decades. Its work as a spearheading partner with the Global Polio Eradication Initiative has put Rotary on the world stage as a leader in the fight to eradicate polio, and its partnership with the U.S. Agency for International Development (USAID) has engaged Rotary members in finding sustainable solutions for bringing clean water, sanitation, and hygiene services to those who need them.

In addition to these high-profile partnerships, Rotary has agreements with a number of other organizations that offer members and clubs the opportunity to tap into resources and training.

“Partners bring complementary skills, knowledge, and the ability to create something really valuable,” says Ingrid Schwab, a senior specialist in service and project partners at Rotary International. Erica Gwynn, Rotary’s program manager for the RI-USAID Partnership, adds that working with global partners allows Rotary members to get involved in large-scale programs (learn more at [riusaidwash.rotary.org](http://riusaidwash.rotary.org)). “This moves us from charitable giving to programs of impact,” she says.

Rotary members bring immense value to these partnerships. “The superpower of Rotary is our social capital, which is our membership,” says Amanda Ottman, RI’s partner relations manager. Gwynn agrees: “We are positioned to convene, to influence decision-makers, and to amplify the voices of the unheard.”

— SUSIE MA

### PEACE CORPS

Peace Corps volunteers work in communities around the world to address local challenges and promote better understanding between Americans and other peoples. Peace Corps volunteers can provide Rotary clubs with a connection to a project or a group that needs assistance. For example, clubs in Minnesota and the Dominican Republic partnered with Peace Corps volunteers to implement a water and sanitation project in the Dominican Republic. Peace Corps volunteers and returned volunteers can also help Rotary clubs understand the culture and the specific needs of the region where they were posted.

### GLOBAL PARTNERSHIP FOR EDUCATION

The Global Partnership for Education (GPE) works to improve outcomes and achieve gender equity in education by bringing together governments and other stakeholders to work toward common goals. Rotary and GPE are working together in several partner countries, with an initial focus on Kenya, Uganda, and Zimbabwe. The partnership will give Rotary members a seat at the table with other international organizations, government partners, and the private sector to contribute insights about educational needs based on their involvement in local communities.

## INSTITUTE FOR ECONOMICS AND PEACE

The Institute for Economics and Peace is a nonprofit think tank dedicated to advancing peace. The goal of this partnership is to provide education to Rotary members and to encourage them to support peacebuilding projects in their communities. One of the partnership's main initiatives is the Rotary Positive Peace Academy — an online training program created specifically for Rotary members. This program is free and open to all Rotary members, who earn a certificate upon completion. Rotary members in Colombia and Mexico have utilized the training to create peace programs for youth leaders.

## ASHOKA

This NGO sponsors the prestigious Ashoka Fellowship, which supports social entrepreneurs in developing innovative solutions to challenges around the world. Rotary members can take advantage of this partnership by inviting one of Ashoka's network of 3,500 social entrepreneurs to a club meeting, or by working with Ashoka fellows on a project.

## USAID: HEARTS OF EUROPE

Rotary members have a second partnership with USAID called Hearts of Europe, a program in which U.S. clubs work with clubs in Eastern Europe on global grant projects. USAID and Rotary jointly fund grants in specific Eastern European countries around Rotary's areas of focus. The goal of the partnership is to develop cross-cultural ties and promote relationships between countries that could open doors for projects, professional exchanges, and friendship. Rotary members in the United States and in the Hearts of Europe countries can take part and work together in this special global grant opportunity.

Rotary has connections with even more organizations that clubs can tap into for training, information, and help with projects. Visit [rotary.org/partnerships](http://rotary.org/partnerships) to learn more about:

# SERVICE ABOVE SELF

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**Third** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it **build goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

## ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:
