RTR. AGIELOU PEIG
Past President, RACCF

INVOCATION

For the preservation of your Church, O God, for the ordering of your worship, for the due administration of your Word and ordinances, for the maintenance of Christian fellowship and discipleship, for the edification of believers, and for the conversion of the world, we offer unto you these gifts. Accept them, we beseech you, in the name of your Son, our Lord, Jesus Christ. Amen.

Quote for the Week

"Life is about making an impact, not making an income" - Kevin Kruse

President's Message

Dear RCCCF Family,

I hope you are all well!

Indisputably, the three (3) Rotary Clubs of Cebu Fuente are our indispensable partners in service. They have tirelessly waved the banner of the Rotary Club of Cebu Fuente as they undertake their respective life-changing projects. Hence, we devote tonight's meeting to recognizing the milestones that our Rotaractors have reached in changing lives.

Further, RCCCF takes pride in the generosity of our honorary member, Fritz Strols and Spouse Pearle, whose substantial donation will grant access to intervention and education to indigent children with autism. My heart brims with gratitude on this particular gesture of kindness and selflessness that will further advance our Prism for Autism Project.

With grateful heart, I enjoin our RCCCF Rotarians to enjoy our general membership meeting as we celebrate the impact we have shared to our community and to the world. Choose kindness...Change lives!

Thanks and best regards,

ATTY. BERNARDINO T. AMAGO IV
President, RY 2021 - 2022

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it **build goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GREETINGS, DEAR CHANGE-MAKERS OF ROTARY,

Due to your positive response to the Each One, Bring One initiative, I am so happy to see that the membership trends in Rotary are looking up. Let us not lose this momentum — keep inviting new members, and also work hard to retain every member we attract. I look forward to seeing you next month in Houston at the 2022 Rotary International Convention, which I assure you will be a great event.

Also in Houston this June, we will be hosting my final presidential conference. We have devoted this year to conferences built around Rotary's areas of focus. They have been a tremendous success, both in terms of attendance and in the ideas that were generated.

Last fall, our conference in the Philippines, which focused on protecting the environment and growing local economies, attracted 2,200 people online. In Brazil, our meeting centered around water, sanitation, and hygiene and how it relates to disease prevention and treatment; more than 600 people attended. That was followed by an event about the environment, economy, and peace in Maputo, Mozambique, which attracted around 400 in-person attendees and another 700 virtually. Our conference about keeping the economy and environment in harmony, held in Venice, Italy, had more than 600 in attendance.

Through these conferences and my world travels, numerous leaders have met with me and agreed to collaborate with Rotary. They include the prime minister of Mauritius, the president of Seychelles, the deputy prime minister of Bahrain, and the presidents of Albania and Kosovo. Clearly, Rotary is making an impact, and the world is eager for our leadership.

In Houston, the final presidential conference, *Serve to Bring Peace*, will focus on an area in which Rotary has long provided leadership. Everything we do in Rotary helps create the conditions that foster peace in communities, nations, and ourselves.

In March, I was able to see firsthand the tremendous difference Rotary is making in Ukraine, as refugees continue to pour into Poland. Donors have contributed millions of dollars to this effort; our projects are making a tremendous difference, and there is enormous gratitude for your continued generosity and support.

It is heartbreaking to see up close all the lives that have been uprooted, and the Ukrainian people are not alone. A devastating civil war in Yemen continues. The humanitarian crisis in Afghanistan is deepening. Armed conflicts affect nations across Africa, including Libya, South Sudan, the Central African Republic, northern Mozambique, Ethiopia, and Cameroon. And major refugee crises continue in Syria and Venezuela.

Rotary will always be on the side of the peaceful resolution of conflict and providing aid and comfort to people in need. Rotary was there at the end of World War II, promoting the creation of the United Nations and standing up for the cause of peacebuilding worldwide. It is time to renew our mission and perform our role as one of the world's great promoters of peace.

There is no better way to *Serve to Change Lives* than to serve the cause of peace.

Shekhar Mehta

President, Rotary International

TRUSTEE CHAIR'S MESSAGE

We can build a better future

As an engineer, I have worked my entire life for success that can be measured. I believe in the kind of success you can reach out and touch. And I also know that it doesn't come overnight, it happens one step at a time.

At The Rotary Foundation, we don't settle for a vague idea of doing good; we take measurable steps, ones that are concrete and real, toward a defined goal. It's progress that you can see and tell your family and friends about, each step of the way.

Measurable success is what our new Programs of Scale grants are all about. The first member-led program to receive this annual \$2 million grant, Partners for a Malaria-Free Zambia (PMFZ), seeks to reduce malaria by 90 percent in 10 highly affected districts within two provinces of Zambia. It's an ambitious but achievable goal, based on a community health worker model that has been successful in reducing malaria in other parts of Zambia, as implemented by Rotary members and our partners on the ground.

To help end malaria in Zambia, The Rotary Foundation, World Vision U.S., and the Bill & Melinda Gates Foundation are each contributing \$2 million to PMFZ, whose Rotary-led program already has begun to expand life-saving malaria diagnosis and treatment to hundreds more rural communities. So far this Rotary year, PMFZ has trained, equipped, and deployed more than 1,300 of the 2,500 new community health workers who will

help local health centers reach more people who are vulnerable to malaria, such as mothers and children. PMFZ is also collecting and analyzing data to ensure medical supplies get to where they are needed most. This work, along with the close collaboration between implementing partners and Rotary and Rotaract clubs across Zambia, has comprised the first bold steps toward our goal.

PolioPlus is another example of a global project that has been engineered for impact. The fact that we have reduced polio cases by 99.9 percent worldwide is a testament to your generous contributions, our strong partnerships through the Global Polio Eradication Initiative, and a vast network of volunteers who administer drops to children around the world.

And we won't stop now. Rotary spearheaded the drive to end polio, and Rotary will complete it. Encourage your district leaders to designate leftover District Designated Funds (DDF) for polio eradication, so we can finish the job.

As an engineer, I have been proud to see my blueprints transformed into great structures and facilities. But perhaps I am even prouder of how together in Rotary we have engineered a better world — measurably, step by step, project by project. In Rotary, we can all be engineers of hope, building a better future for the next generation.

May events

The greatest show

Event:
Spring Cirqtacular
Host:
Rotary Club of Knoxville, Tennessee
What it benefits:
Local scholarships and projects
Date: 6 May

Jugglers, fire breathers, and aerialists make this Monte Carlo-themed dinner party at Zoo Knoxville more exciting than the average trip to the zoo. But don't forget the animals. Attendees can say hello to the tigers and gibbons in the Asian Trek exhibit and tour the new amphibian and reptile conservation facility.

Put a stop to polio

Event:
Polio Purple Pinkie Trail Run
Host:
Rotary Club of Reno Centennial Sunset, Nevada
What it benefits:
End Polio Now, Immunize Nevada, and the club's foundation
Date: 7 May

During polio immunization campaigns, health workers apply purple dye to children's pinkie fingers to keep track of who has received the vaccine. That practice inspired the name of this event, which is held in conjunction with the nonprofit Immunize Nevada. Registrants meeting at Rancho San Rafael Regional Park can run a 10K, or walk or run a 5K; others can take part virtually by running one mile wherever they are.

Return of the race

Event:
Tackle the Tar
Host:
Rotary Club of Rocky Mount, North Carolina
What it benefits:
Local scholarships
Dates: 13-14 May

After a two-year hiatus, this annual mud run is back on track. The weekend festivities will begin Friday night with activities focused on health, wellness, and family fun, including a fireworks display. The run itself will take place Saturday on a course with more than 20 obstacles and five mud pits. With proceeds going toward scholarships, the club invites participants to "play in the mud and send a kid to college."

Sophisticated soiree

Event:
Art & Wine Festival
Host:
Rotary Club of Lake Arrowhead, California
What it benefits:
Local charities
Dates: 20-21 May

A community tradition for four decades, the Art & Wine Festival will take place for the first time since 2019. Attendees can sip regional wines and craft beers while enjoying fine art and music on the shores of picturesque Lake Arrowhead. An additional fee provides access to a VIP patio with special wine tastings and small plates.

Fly the flags

Event:
Healing Field® of Honor
Host:
Rotary Club of Winchester, Virginia
What it benefits:
Local projects
Dates: 26-30 May

Picture 1,000 American flags, lined up in ceremonial formation, fluttering in the wind. Each flag in this Memorial Day weekend display at Winchester's John Handley High School is sponsored by an individual or organization to honor an active military service member, veteran, first responder, or other hero. Flags can be bought and dedicated online or at the school.

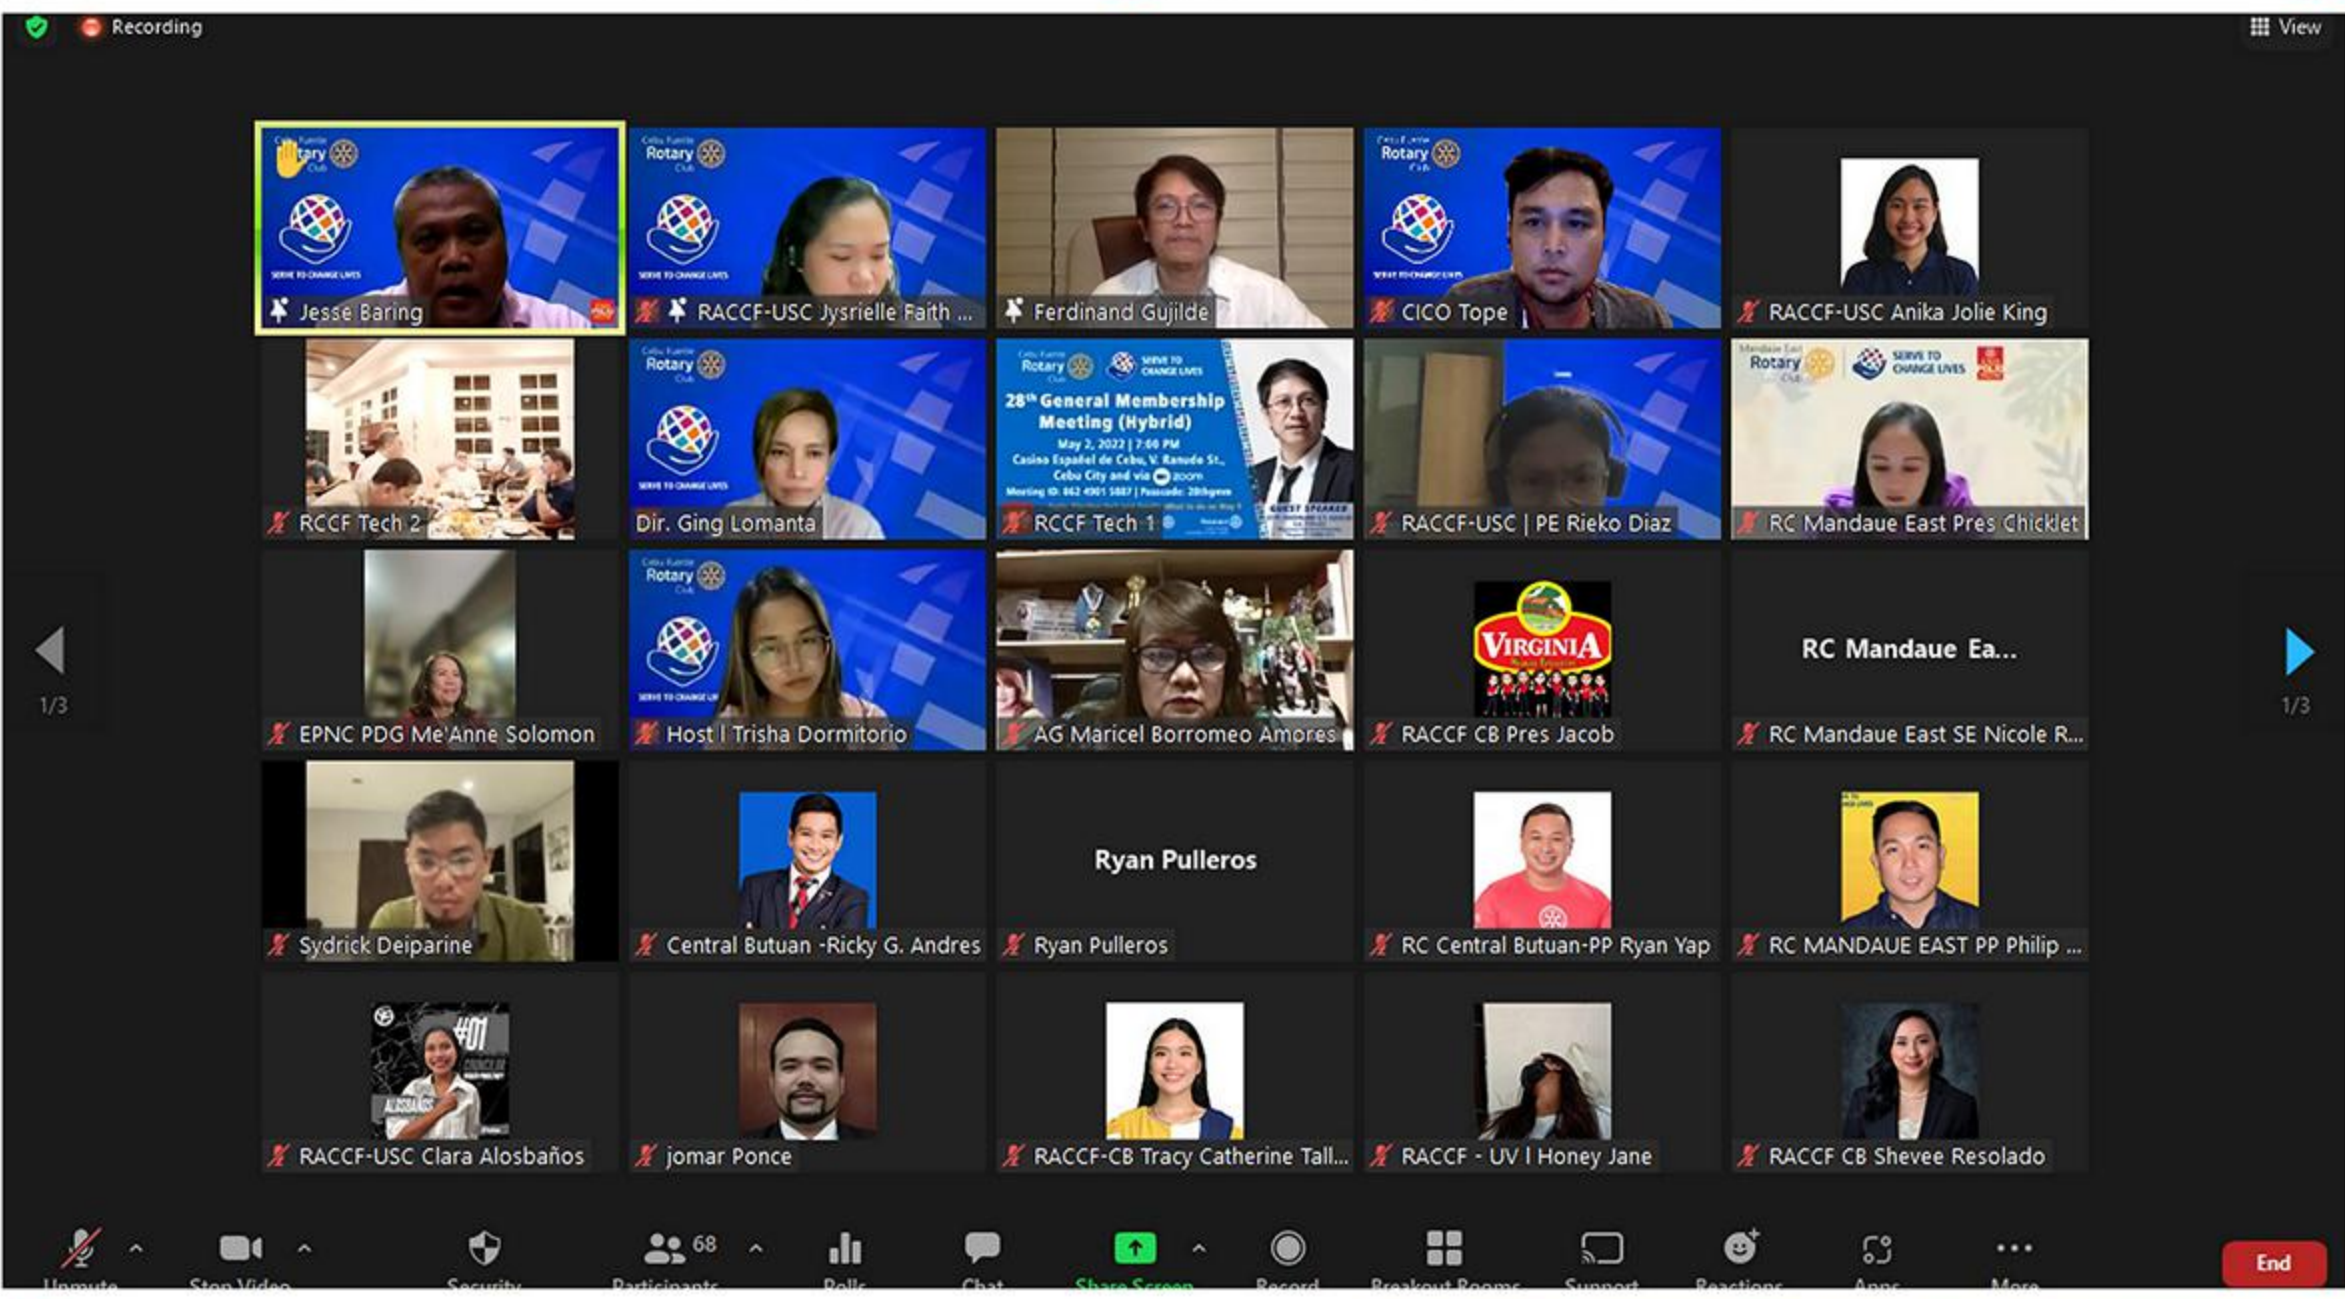

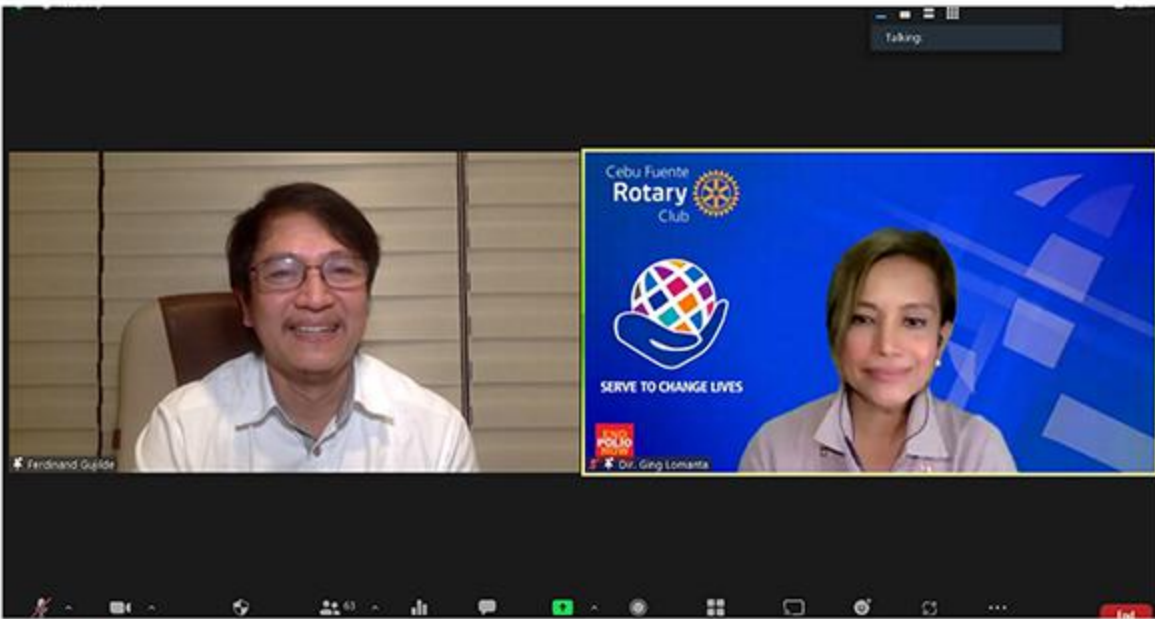

Battle of the barbecue

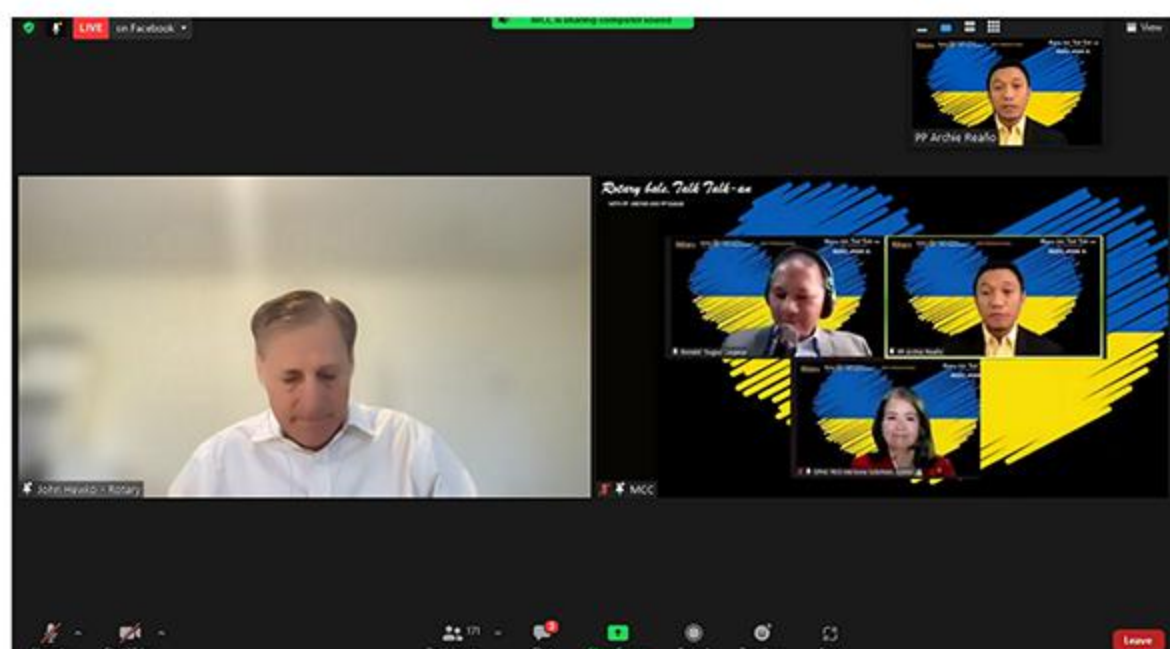

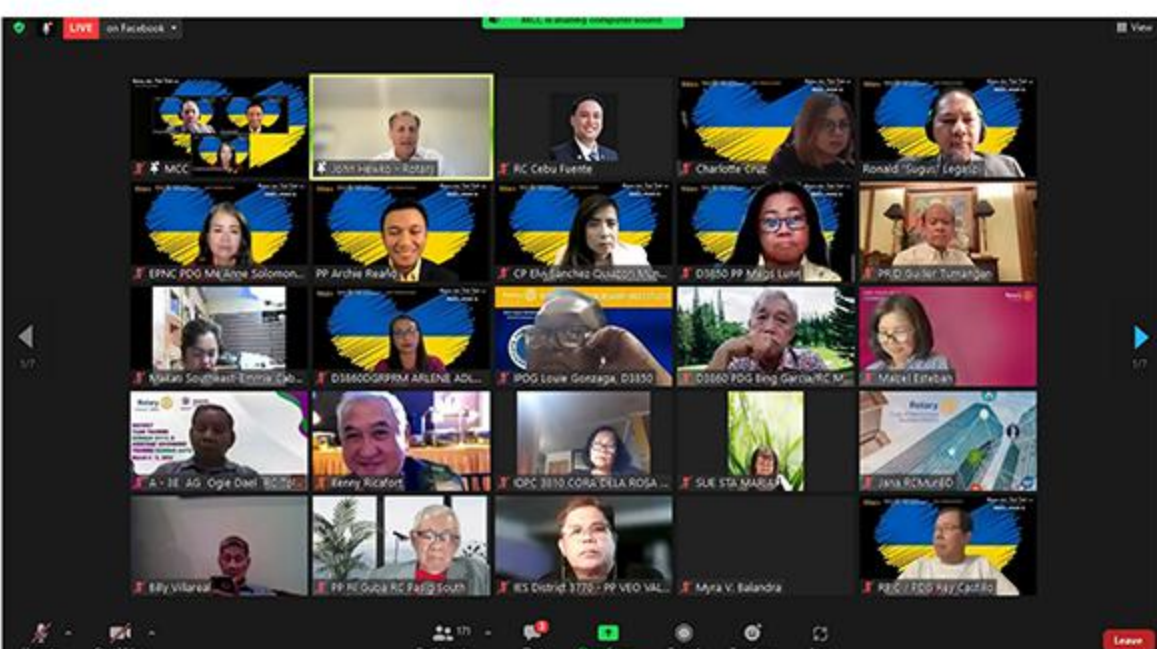

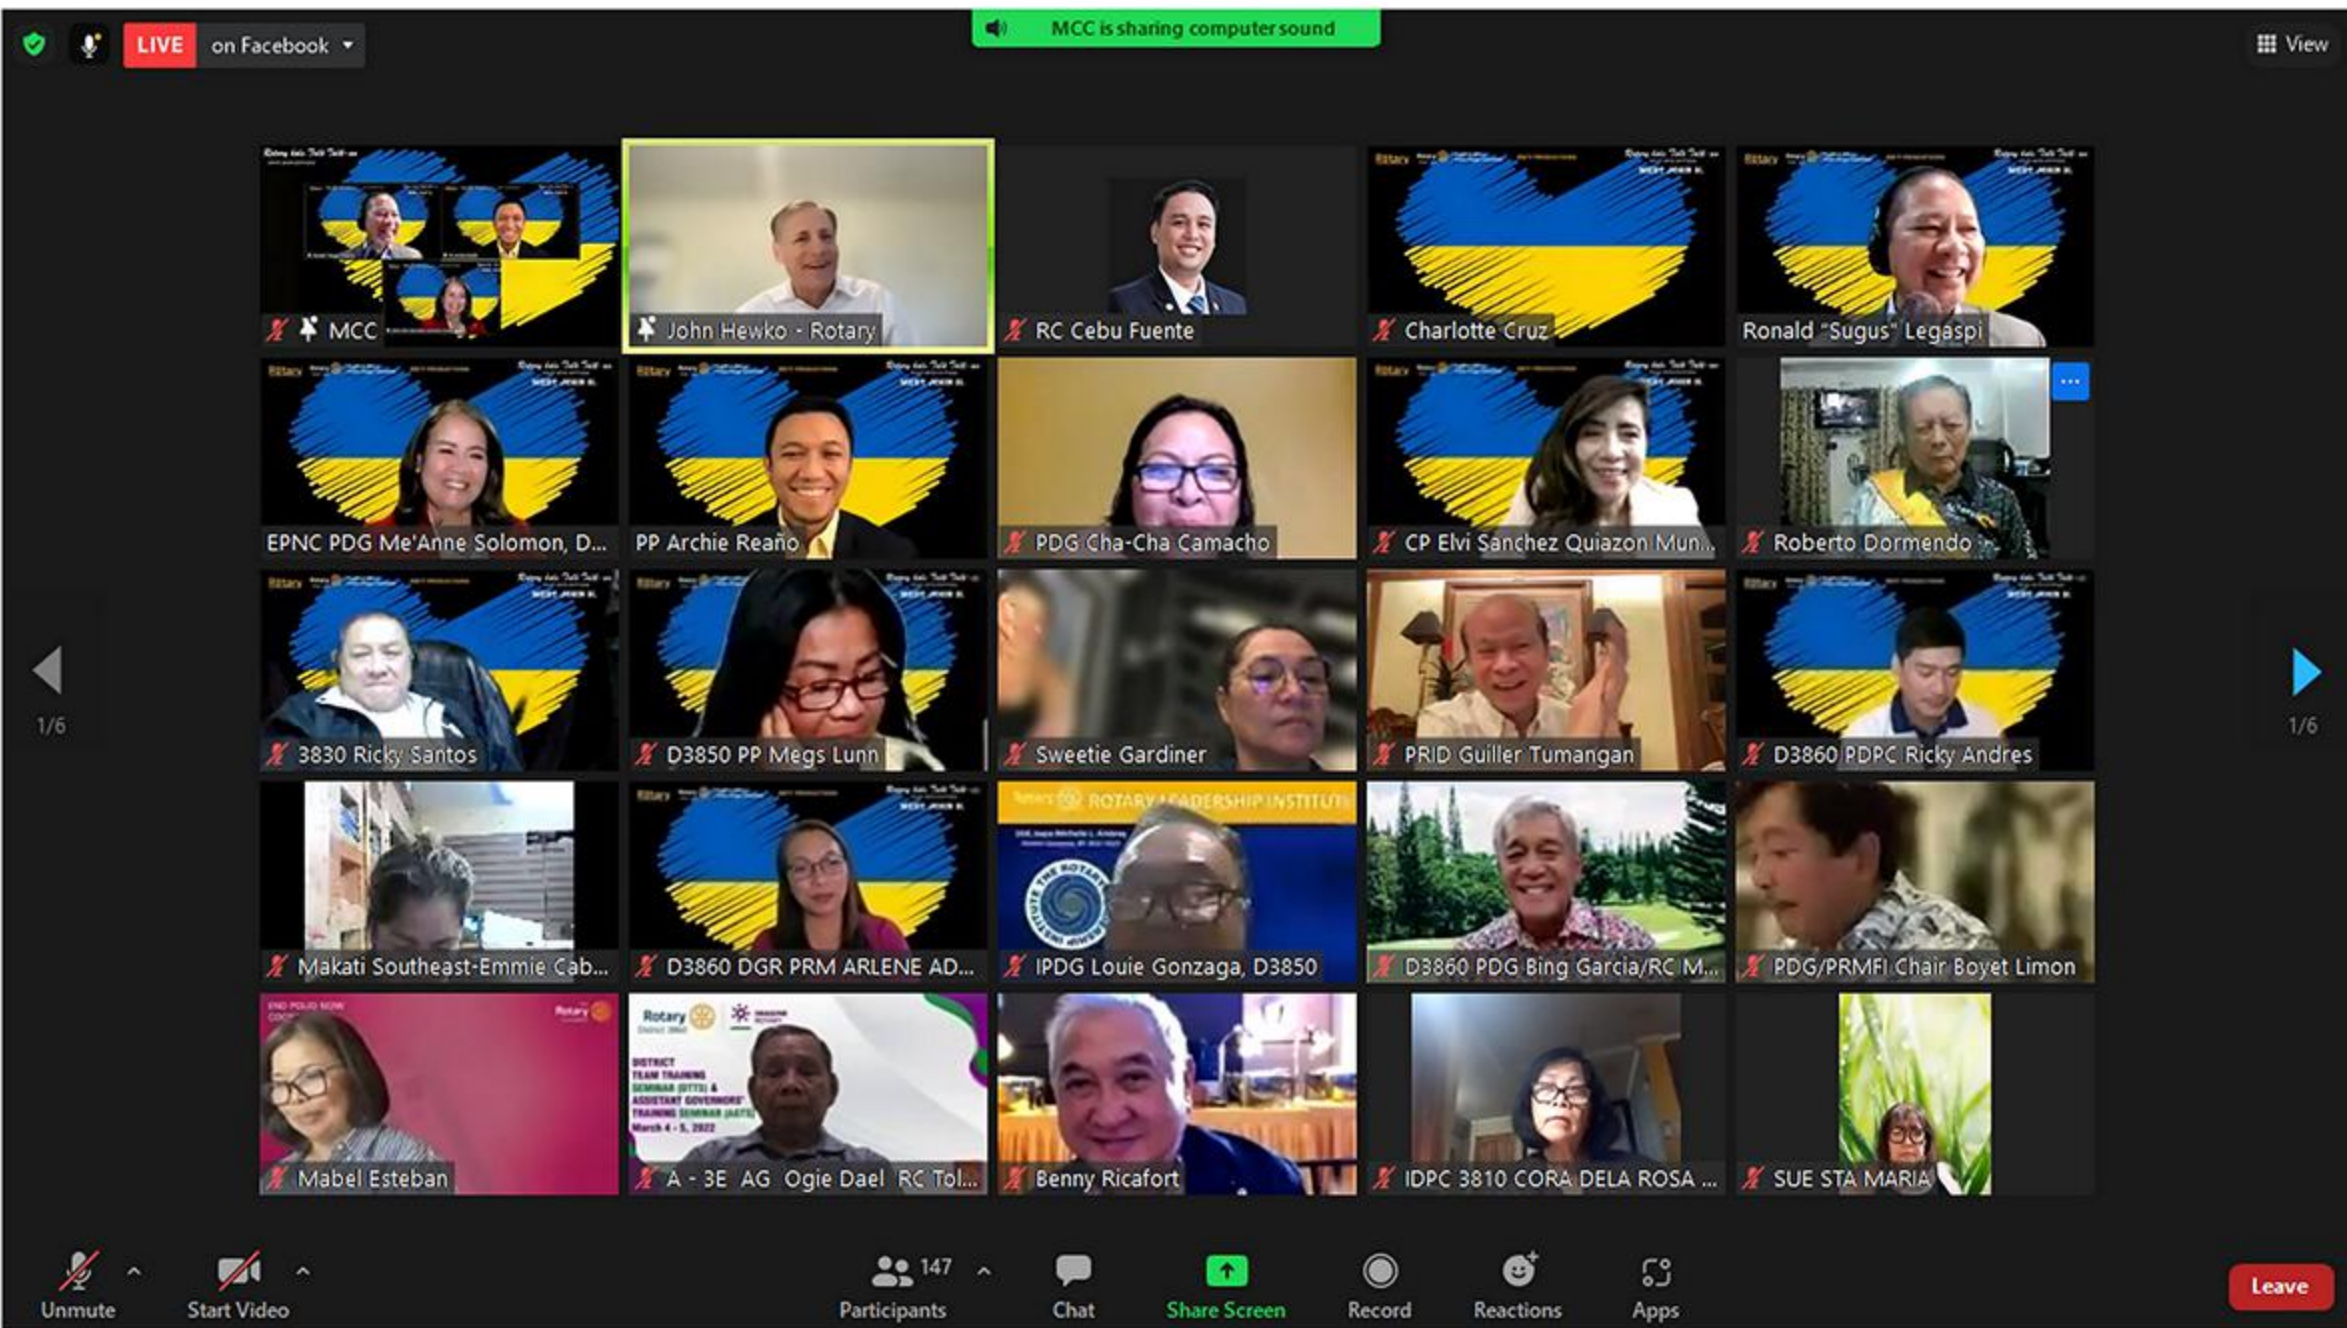

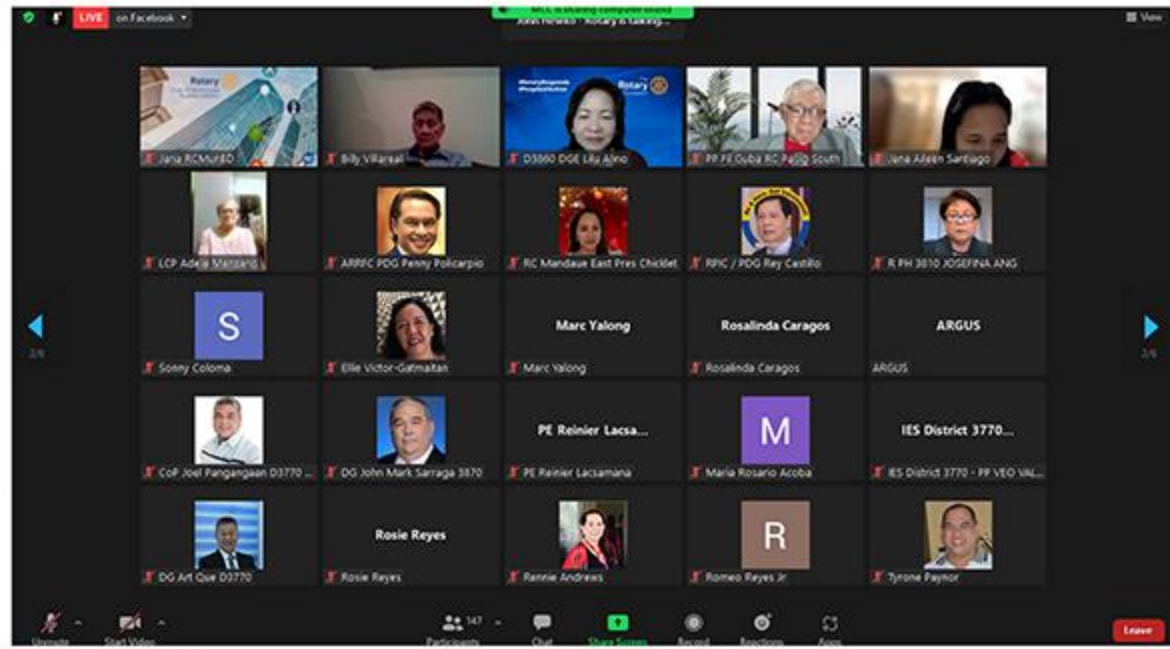

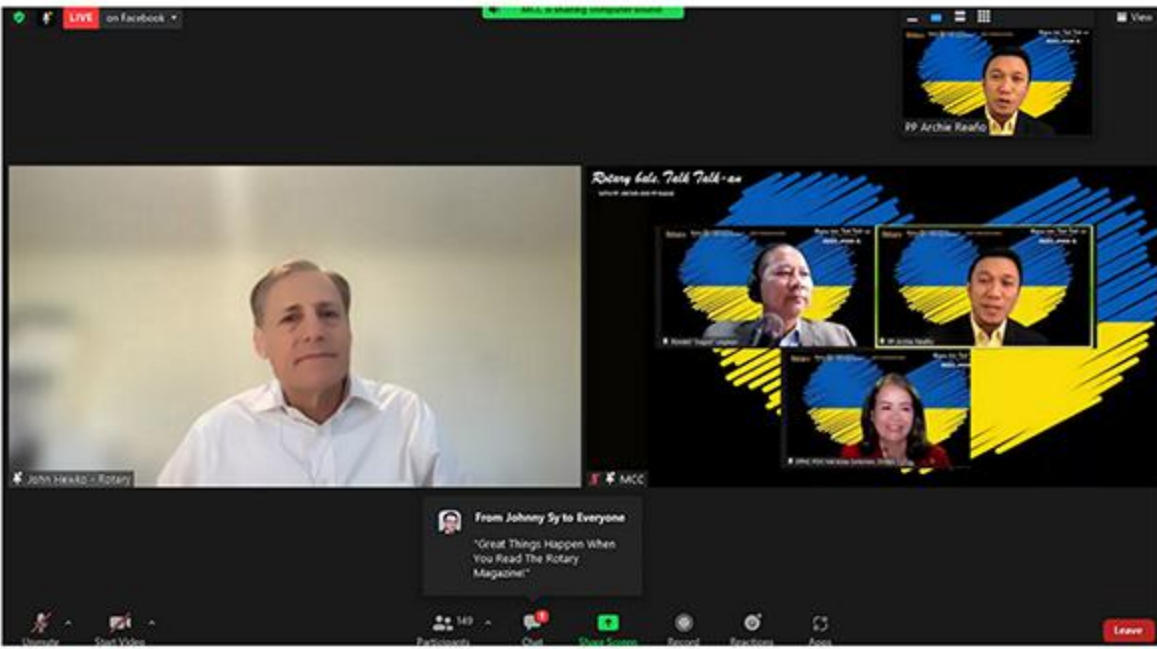

Event:
Lost Pines BBQ Showdown
Host:
Rotary Club of Bastrop County, Texas
What it benefits:
Local projects
Dates: 27-28 May

A barbecue competition sanctioned by the International Barbeque Cookers Association is the centerpiece of this two-day kickoff to summer. Live and silent auctions will be held simultaneously in person and online, to allow bids from anywhere in the world. A junior rodeo and a dance accompanied by live music will round out a fun-filled weekend.

OUR WORLD

People of action around the globe

By BRAD WEBBER

United States

The Rotary Club of Collierville, Tennessee, treated hundreds of children with special needs and their families to a complimentary evening of hot-air balloon rides, food, and activities. The event, held on the eve of the Bluff City Balloon Jamboree, had 80 helpers across seven clubs in District 6800 (Tennessee and Mississippi). The clubs generated \$30,000 in donations to cover the expense. "This was a once-in-a-lifetime event for a special-needs child," says Dave Rhylander, a member of the Collierville club. "Just how many children in general have been on a tethered balloon ride? Roughly 300 kids got an opportunity to do that." For September, the club is planning a riff on a TV show about high school football as another event for children with special needs. "We're having our own Friday Night Lights for them this year," Rhylander says.

1783
FIRST-RECORDED UNMANNED BALLOON FLIGHT OF 10 MINUTES

Belize

In 1991, a year after the Rotary Club of Three Rivers, Michigan, signed on to the District 6360 "Belizerve" project, member Larry Campbell packed his bags for his first trip to a foreign country. He delivered books to a primary school in Libertad, in northern Belize on the Yucatán Peninsula. The years passed, and Campbell kept returning, participating in projects that supplied communities with used school buses, ambulances, and trucks, as well as medical equipment. In 1995 the club raised \$20,000 for a five-room schoolhouse, built with the assistance of several Rotarians; by the end of the decade, a British charity had added a second floor, doubling the space which currently serves about 100 students. By mid-2021 the club, with donations from a Three Rivers church and private individuals, had given the school \$132,000, much of it to pay high school tuition for graduates. "Many students with scholarships have done well: one doctor, three teachers, one banker, a store manager, just to name a few," says Campbell.

8%
PORTION OF BELIZE'S GDP SPENT ON EDUCATION

Italy

When it comes to celebrating Italy's cultural heritage, the Rotary Club of Catania Ovest has become a bit of a treasure itself. In February, the club joined the Rotary Club of Palermo-Est in welcoming to Catania a 17th-century Flemish tapestry based on Raphael's *The Death of Ananias*. The Catania Ovest club sponsored its two-month showing at the Ursino Castle, spending about \$625 to insure and transport the work. Club member Filippo Pappalardo, an art enthusiast, secured sponsors for the \$4,500 needed for lighting, videography, and signage for the project, one of several the club has undertaken supporting the arts. "Our club strongly believes that the preservation and promotion of our city's historic heritage is a great factor in generating economic development," says Club President Alberto Lunetta. "Art can also play an essential role in creating social cohesion."

\$900 million

INFRASTRUCTURE AND AGRICULTURE DAMAGE FROM TYPHOON RAI

Philippines

On 16 and 17 December, Odette, a Category 5 typhoon known internationally as Typhoon Rai, slashed through 11 of 17 regions of the Philippines, affecting at least 11 million people. Rotary members across the country rallied to render assistance. Districts 3850 and 3860 worked to serve some of the hardest-hit areas. "The primary effort was to provide much-needed water and food, as everything was cut off for several days," says Maria Ester Espina of the Rotary Club of Bacolod Central. District 3850 focused on two major cities, Sipalay and Kabankalan, the latter of which was 70 percent underwater after the storm. Rotary members rushed in with a power generator, water, water purification equipment, food, medicine, clothing, mattresses, toys, and more. The Bacolod Central club has inaugurated a districtwide initiative to build homes for displaced families.

Rwanda

Dismayed by images of children completing their schoolwork alongside perilous roads to take advantage of street lighting, the Rotaract Club of Kigali City embarked on a \$5,000 project to equip 15 households with solar home systems. The project, Murikira Umwana — Light for a Child — began in late 2020. By November 2021, the systems were powering as many as three lights in each home and charging cellphones and radios. The Rotaractors enlisted the Development Bank of Rwanda as a key sponsor. Club members sold T-shirts and conducted other fundraisers to expand the campaign to include school supplies, books, and, for the girls, hygiene products, says Rogers Nsubaga, the club's president.

ORATIO IMPERATA: PRAYER AGAINST COVID-19 or 2019 CORONA VIRUS DISEASE

Merciful and compassionate Father, we come to you in our need to seek your protection against the COVID 19 virus that has disturbed and even claimed lives. We ask you now to look upon us with love and by your healing hand, dispel the fear of sickness and death, restore our hope, and strengthen our faith.

We pray that you guide the people tasked to find cures for this disease and to stem its transmission. We thank you for the vaccines developed made possible by your guiding hands.

Bless our efforts to use these vaccines to end the pandemic in our country.

We pray for our health workers that they may minister to the sick with competence and compassion. strength in their commitment, protection from the disease.

We pray for those afflicted.

May they be restored to health.

Protect those who care for them.

Grant eternal rest to those who have died.

Give us the grace in these trying times to work for the good of all and to help those in need.

May our concern and compassion for each other see us through this crisis and lead us to conversion and holiness.

Grant all these through our Lord Jesus Christ your Son who lives and reigns with you, in the unity of the Holy Spirit, God forever and ever. Amen.

We fly to Your protection, O Holy Mother of God.

Do not despise our petition in our necessities, but deliver us always from all dangers, O glorious and blessed Virgin. Amen.

Our Lady, health of the sick, pray for us.

St. Joseph, pray for us.

St. Raphael the Archangel, pray for us.

San Roque, pray for us.

San Lorenzo Ruiz, pray for us

San Pedro Calungsod, pray for us.

HANDBOOK

Logos to go

How to keep your club's graphics up-to-date

Montague M. Bear did not have it easy. A Chicago engraver, he created Rotary's first logo in 1905 — a wagon wheel with 13 spokes. When members complained that it looked too static, he added what he intended to be clouds, but which his critics thought looked like dust, impossibly appearing on both sides of the wheel.

After the 1912 convention, Bear's wagon wheel was replaced by the current, gear-like look, followed by a wide range of variations. The current design became standard in 2013: a simplified, monochrome wheel along with the Rotary wordmark, which reproduces well in different sizes across digital platforms. This new logo also provides space to add your club's name.

While many Rotary, Rotaract, and Interact clubs have updated their logos, others have not, which harms the consistency of Rotary's image across the world. "We need Rotary to speak with one voice," says Liz Thiam, Rotary's brand specialist. As with major consumer brands, Rotary's marks feature a standardized and specific font, color, and design that is legally protected, Thiam says, "just like the Nike Swoosh."

But have no fear: With these tips, within minutes any member can create a proper club logo for use on their website, social media accounts, or event signage by visiting the recently updated Brand Center at My Rotary.

— JOSEPH DERR

FIND OUT THE LAST TIME YOUR CLUB UPDATED ITS LOGO.

Was it before 2013? Does your logo's wheel contain more than one color? If yes, then it's time for a change.

DON'T SEARCH THE WEB

to download the Rotary logo or other branding material. While Google may be your friend for many things, it's also packed with off-brand Rotary logos.

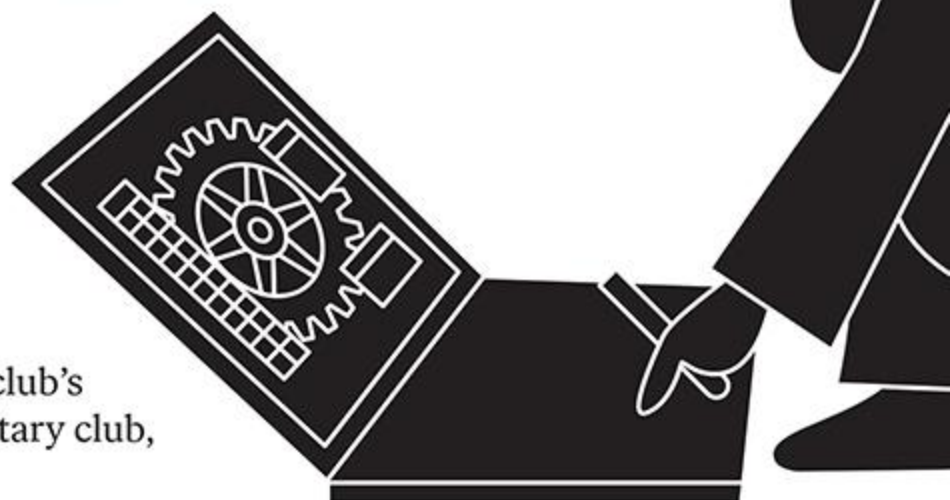

INSTEAD, OPEN YOUR ACCOUNT

on My Rotary and go to the Brand Center. There you'll find the tools needed to create your own club logo, ads, and other club resources.

USE THE TEMPLATE IN THE BRAND CENTER

to create your club's new logo. Type in the name of your Rotary club, download the logo, and you're done.

UPDATE YOUR DIGITAL PRESENCE FIRST, such as your website and social media. Then set aside a budget and update printed materials, starting with signage, event banners, and clothing. After that, refresh Rotary business cards, club flyers, brochures, trading banners, and name badges.

PROVIDE YOUR CLUB'S UPDATED LOGO to project partners and outside organizations so they don't search online — and potentially download an old wagon wheel.

RESOURCES

- Find official logo templates and graphics for clubs, along with brand guidelines, at rotary.org/brandcenter.
- To learn more about Rotary's brand, take a quick course at rotary.org/learn.

DON'T OBSCURE THE WHEEL

or use it to depict another graphic element. "I've seen the Rotary wheel turned into sunrises and pancakes," says Thiam. "When a club logo is altered or used improperly, it can create confusion and mistrust."
