7th General Membership Meeting

Virtual Meeting | September 12, 2022

Area of Focus: Basic education and Literacy Month

MANAGING YOUR CLUB FINANCES
GUEST SPEAKER: ROSALYN ONG
Financial Accountant, R.I. & TRF Philippines

September 12, 2022 | 7:00 PM via Zoom Meetings
Meeting ID: 924 5174 8232 | Passcode: D3860
Spearheaded by Area 1D Rotary Clubs

Hosted by:
BARBETTE LOMINOQUE
District Trainer

INVOCATION

Almighty God, our heavenly Father, receive us in this hour as we offer ourselves anew to you in body, soul and spirit. Let not your holy day pass, except it leave its benediction with us. Give to us the still and quiet heart. Speak to us your truth, that we may glorify you. Through Christ our Lord we pray. Amen.

ENVIRONMENT

Dear RCCF Family,

The Rotary Club of Cebu Fuente promotes breast cancer awareness as one of its main causes. Our Pink October opening event is the Cebu Pink Cancer Chat 2022—a breast cancer lay forum on October 1 with experts from medical professionals. The purpose of this event is to educate the people about breast cancer and answer questions about it.

Breast cancer not only affects women, but also men. As a result, we must raise awareness through this Cancer Chat, which is a virtual event that is broadcast on Facebook on Cancer Experts: Philippine Society of Medical Oncology.

Early detection saves lives. Let us all be ambassadors for creating awareness and helping save lives today.

고맙습니다

The power of taking uncomfortable chances

Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as “Tía Jennifer.”

On the third day, after visiting Patzún in the mountainous western highlands, we set out for Lake Atitlán, which we needed to reach by nightfall. If we took a back road we could get there faster. Locals told us it had just been repaved and assured us, “You’ll have no problem.”

At first, it was a breeze. We wound through misty-green coffee and corn fields covering the hillside like a patchwork quilt. But at a river crossing, we found a bridge washed away. The only way to continue would be to ford the river in our small bus. There were a few tense moments, but we decided to give it a try and, thankfully, we made it across safely.

This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two, sometimes you have to take uncomfortable chances to reach important goals.

Every day, I am honored to learn from our Rotary family. Every lesson is an opportunity to grow, and each story adds a chapter to our collective *Imagine Rotary* year.

JENNIFER JONES
President, Rotary International

Jennifer Jones and her husband, Nick Krayacich, (top left) talk with Náthali Batzibal, a student they support through the Guatemala Literacy Project, during an April visit. Since 1997, the project has improved education in rural areas of the country by providing books, teacher training, and scholarships. Former scholarship recipient Rosa Ixcoy (bottom right), also supported by Jones and Krayacich, poses with her daughter and mother. Turn to page 36 for a photo essay on the project.

TRUSTEE CHAIR'S MESSAGE

For those who cannot read these words

One of my favorite books, *A Short History of Nearly Everything* by Bill Bryson, muses on the creation of the universe and how a tiny speck of it we call Earth went from being a fiery ball with seas of molten rock to the lush green-and-blue home we know today. Bryson's argument is that it is a miracle that we — our planet and our species — have survived. "We enjoy not only the privilege of existence," Bryson writes, "but also the singular ability to appreciate it and even, in a multitude of ways, to make it better."

We are fortunate to be able to read his words or any others. And we are fortunate to be part of an organization that is making our world a better place by helping those who can't read them. There are an estimated 773 million illiterate adults — most of them women — who can't read these words or write their own name. They are at a clear disadvantage in life, with limited opportunities to work. And this situation isn't their fault.

Rotary has not forgotten them. In September, let's celebrate Basic Education and Literacy Month by looking at the long-term impact Rotary and The Rotary Foundation are making and how we are finding ways to lend a hand in the effort.

Last year alone, The Rotary Foundation approved 104 global grants totaling \$6.3 million for basic education and

literacy projects, according to preliminary figures. This is on top of decades of work in our clubs and districts. As an Australian, I'm especially proud of the work of Dick Walker, a past district governor from Queensland, who used a Foundation matching grant to develop the concentrated language encounter method that has been adopted by educational leaders around the world.

At the community level, our clubs are well known for book drives that have changed the lives of so many children. But when we gather many clubs and districts together and work on large-scale Rotary Foundation projects, we have the potential to impact entire communities for generations.

The opportunities for Rotary to make a difference in literacy are boundless. Once basic reading and writing is achieved, it opens a path to other types of literacy, such as numerical literacy, digital literacy, and financial literacy.

Let's not squander our opportunity to improve our corner of the universe. I encourage you to think big about literacy and education and change the world — this month and beyond.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Rosalyn Ong works as a Financial Accountant at the Rotary International South Pacific and Philippines Office in Sydney, Australia. She is a certified accountant in Australia and Philippines and

supports clubs and districts in the Philippines on finance matters including matters relating to RI dues, TRF contributions, as well as statutory reporting. She also assists with reports, data, and resources.

After finishing her Accountancy degree as a cum laude, she worked for over 10 years in commercial, non-profit, and academic roles before joining Rotary International, where she now has worked for more than 8 years in her accounting role.

September 2022 Events Around the World

FEELING CRAFTY

Event: Labor Day Weekend Craft Fair
Host: Rotary Club of Falmouth, Massachusetts
What it benefits: Local projects and scholarships
Dates: 3-4 September
 In its 22nd year, this fair showcases jewelry, paintings, photography, knit creations, handmade birdhouses, and other arts and crafts from local vendors. The fair will also include food and live entertainment.

OFF TO THE RACES

Event: The Ramble
Host: Rotary Club of Kirkwood, Missouri
What it benefits: Local projects
Date: 10 September
 Runners at this event will take to the streets of Kirkwood, following a 5K or 10K course. This year's theme is Cartoon Carnival Runners, and both runners and their dogs are encouraged to dress up for the occasion. After the longer races, a fun run will be held for children aged 10 and under. The elementary and middle schools with the most participating students in the fun run and 5K will earn \$500 each.

START YOUR ENGINES

Event: Rev Up Car Show
Host: Rotary Club of New Market, Maryland
What it benefits: Driven to Cure, a cancer charity
Date: 17 September
 After a successful inaugural run in 2021, this car show is taking another spin at the Adventure Park USA amusement park. Cars, trucks, and motorcycles will compete for prizes in multiple categories, including a model car category for kids. There will also be a 50/50 raffle and music courtesy of a DJ. The vehicles

MORE ART, MORE CRAFTS

Event: Olde Salem Days
Host: Rotary Club of Salem, Virginia
What it benefits: Local and international projects
Date: 10 September
 More than 300 vendors are expected to set up booths along the streets of downtown Salem for this annual event, which features only handmade or hand-altered arts and crafts. A bake sale will offer treats, and live music will contribute to the festive atmosphere.

on display will include a bright orange Nissan GT-R that promotes Driven to Cure; it was owned by the nonprofit's founder, who died of a rare form of kidney cancer.

IT'S ON THE GREEN

Event: Outhouse Open Charity Golf Tournament
Host: Rotary Club of Fairfield-Suisun, California
What it benefits: Local projects
Date: 19 September
 This 48th annual golf tournament takes place on a beautiful championship course at the Green Valley Country Club. Unlike many other golf outings, the event is all-inclusive: A \$230 entrance fee covers lunch, dinner, cart and green

fees, tee prizes, raffle tickets, and entry to all contests. The format is a four-person scramble.

BETTER THAN SURF AND TURF

Event: Rockin' Beef & Reef Bash
Host: Rotary Club of Elk Grove, California
What it benefits: Local and international projects
Date: 24 September
 After two years of adaptations forced by the pandemic, this annual fundraiser returns to its traditional format at the Lent Ranch with dinner, live music, dancing, and an auction planned for guests. The event's name refers to the tri-tip steaks, shrimp, and barbecued oysters that are on the menu.

TAKE ACTION

ERADICATE A DISEASE FOREVER

WORLD POLIO DAY **24 OCTOBER 2022**

endpolio.org/world-polio-day

Rotary 

**END
POLIO
NOW**

5 REASONS WHY WE MUST ERADICATE POLIO

1 YOUR GIFT WILL IMPROVE LIVES.

Today, 20 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

At the end of the 1980s, more than 350,000 children were paralyzed by polio every year. Today, Rotary and its partners have reduced the incidence of polio by 99.9%. However, until we see the last of the poliovirus, eradication efforts need additional funding to:

IMMUNIZE

more than 400 million children against polio every year

IMPROVE

disease surveillance systems to detect any poliovirus in a person or the environment

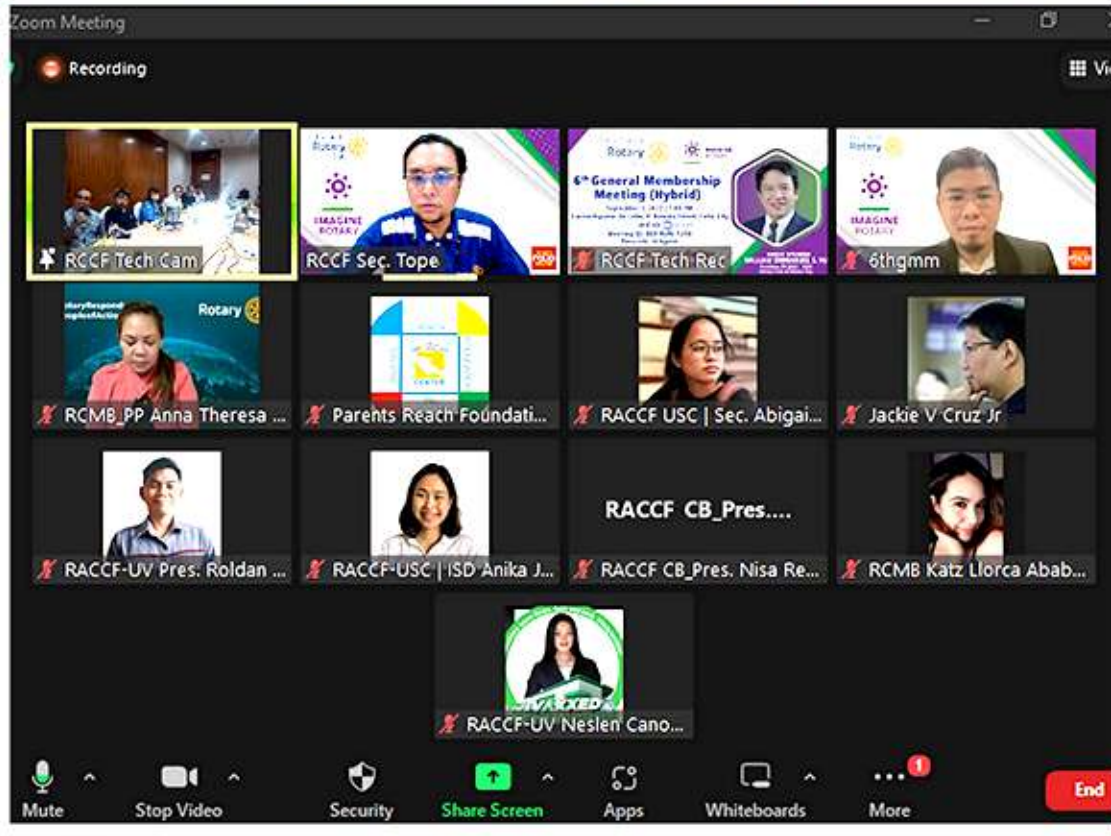

HIRE

more than 150,000 health workers to go door to door to find every child

OUR WORLD

People of action around the globe

By BRAD WEBBER

United States

While Silicon Valley is among the world's most affluent locales, hunger and income disparities strain food distribution programs in the area. For the past two years, the Rotary Club of Saratoga, California, has been a continuing presence at Martha's Kitchen, a soup kitchen in San Jose, where members prepare food once a month. The club coordinated the \$95,000 purchase of a refrigerated box truck so the facility could collect perishables and goods donated by organizations such as the Second Harvest of Silicon Valley, a food bank that covered half the truck's cost. "The soup kitchen itself does not have extensive storage facilities. The truck helps so food doesn't spoil," says Sangita Seshadri, immediate past president of the club. With \$3,000 contributed by the Rotary Club of Bangalore West, India, the project shows the power of international friendships. "Typically, people look at the developed countries giving to the developing countries," Seshadri says. "There is need all over, and when we talk about partnerships, it is both ways."

20%

of Californians are facing food insecurity daily

5th

Brazil's global rank in registered vehicles

Brazil

A year after some of its members participated in their municipality's inaugural road rally, the Rotary Club of Campo Novo do Parecis ventured into a bigger role as a principal driver of the event. The Travessia do Parecis, held in April, followed a roughly 120-mile route in the west-central state of Mato Grosso, with 87 vehicles and 261 motorists participating. "The setting for the event is full of natural beauty – spectacular waterfalls, rivers with crystal clear waters – and indigenous culture," says Adriano Paz, a club member and organizer who, with his wife, Heloisa, finished second at the intermediate level. About 35 of the club's 44 members handled food and beverage chores to help the club raise more than \$4,200.

PHOTOGRAPHS: COURTESY OF ROTARY AND ROTARACT CLUBS

27%

of French people consume two or three croissants weekly

France

For nearly a decade, the Rotaract Club of Tours has raised money for a rotating slate of charities through regular sales of baskets containing a croissant, a pain au chocolat, a tea bag, honey, and a surprise treat. During the 2021-22 Rotary year, the club sold 852 baskets to generate about \$4,700 for the Sapeurs-Lipopette Association, a firefighters charity that provides stuffed animals and other gifts for pediatric patients. The club obtained the baskets' items for free from six donor businesses. Most of the Tours club members participate in the effort, and other area clubs, including the Rotary Club of Tours Plumereau, assist with

the deliveries. Local Rotarians also take delight in purchasing the baskets. "It is a collective effort and a beautiful project that is truly making an impact in our city," says Léonore Afif, immediate past president of the club.

Italy

The Rotaract Club of Fiorenzuola d'Arda partnered with municipal officials and the Rotary clubs of Fiorenzuola d'Arda, Cortemaggiore Pallavicino, and Piacenza S. Antonino to challenge high school students to propose environmentally sustainable projects that city leaders could implement. Dozens of students of the Mattei Institute vied for cash prizes in the (Rotar)Act for Nature. Rotaractors served as tutors for the process, says Guido Bosi, the club's immediate past president. "First place, and €500 [about \$550 at the time], went to a project to rehabilitate Lucca Park," Bosi says, noting that jurors were impressed with the students' research incorporating existing park plans into their proposal.

32%

of Italy is covered by forests

Sri Lanka

The Rotaract Club of Colombo celebrated its 52nd anniversary by completing 52 projects during the 2021-22 Rotary year. In March, to finish 10 of them, the Rotaractors boarded a bus for a 30-hour drive. The Charity Bus, as the decade-old project is known, delivered books to a school library, heaters to a wildlife rehabilitation center, an electric oven to a skills development center, a rice cooker to a children's residence, and rations and other products to homes that serve children and older adults. The group installed plastic recycling bins along a beach and planted trees to help prevent erosion and nurture turtle hatchlings. The initiatives are funded by current and past club members, families, and businesses. "We have developed a culture of building a network of generous well-wishers as opposed to holding fundraisers," says Chedliya Ishak, immediate past president.

Rotary discovers new horizons in Houston

Members come together for the first in-person convention in 3 years

1: Shekhar Mehta, 2021-22 RI president, and his wife, Rashi, stride across the convention center stage. **2:** Jennifer Jones, 2022-23 RI president, and her husband, Nick Krayacich, greet thousands of Rotary members from around the world at the June event. **3:** Rotary members show their enthusiasm during a general session. **4:** Hamid Jafari, director of polio eradication for the World Health Organization’s Eastern Mediterranean region, highlights the efforts of Rotary and its partners to end the disease. **5:** Olha Paliychuk, a gynecologist oncologist from the Rotary Club of Cherkasy, Ukraine, relates how the war in her country has affected her and others. **6:** Former astronaut Charlie Duke advises attendees to “look beyond Z” to address the world’s challenges. **7:** Anbita Nadine Siregar, founder of the nonprofit Generation Girl, talks about empowering girls to become future leaders by giving them science and technology skills. **8:** Orion Jean, named *Time* magazine’s 2021 Kid of the Year at 11 years old, inspires the crowd with his commitment to spreading kindness by helping to donate thousands of meals and books. **9:** ShelterBox CEO Sanj Srikanthan speaks about his organization’s 10-year partnership with Rotary to provide supplies after disasters. **10:** The Gentlemen of Hip Hop dance troupe performs at the closing general session. **11:** Rotary member Bruktawit Tigabu, a children’s educational media entrepreneur, discusses the importance of partnerships. **12:** Antoni Slodkowski (right), a Rotary Youth Exchange alumnus who is now a Pulitzer Prize-winning journalist, accepts the Rotary Alumni Global Service Award from 2021-22 Rotary Foundation Trustee Chair John F. Germ.

Public Image Director, RCCF RY 2022-2023

Past Assistant Governor Area 1B D3860 RY 2021-2022

President, RCCF RY 2017-2018

This year's theme in DepEd for Brigada , "Brigada Eskwela: Tugon sa Hamon ng Ligtas na Balik-Aral", a week-long repair, maintenance, and cleanup activities of elementary and secondary schools, is being steered in preparation for the opening of classes on August 22. This is in accordance with the DepEd Order .

The Brigada Eskwela 2022, an initiative by the Department of Education (DepEd) to encourage cooperation and resilience in primary education, began in earnest on Monday.

According to Vice President and Education Secretary Sara Z. Duterte, "The engagement between the parents, the teachers, local governments, and the entire community on Brigada Eskwela enables a deeper and meaningful collaboration long after the school year concludes."

RCCF joins Brigada Eskwela through the Paint Donation Project to one of the schools we support—Guinacot Integrated School of Danao City. We extend our profound thanks to our benefactors, Rtn. Jason Ong and Treasure Island Paints, for their generous support of these projects over the years.

TRAIN, SPEAK, INFLUENCE!

The Rotaract Club of Cebu Fuente-University of the Visayas Chapter conducted its LET'S TALK! Gear 2: public speaking seminar and workshop last September 23, 2022, at one of the e-learning rooms of the College of Arts and Sciences.

The speaker or trainer of the activity is a Licensed Professional Teacher and has an Education degree major in English at the University of the Visayas Main Campus. He is one of the awardees of the Ten Outstanding Students of the Philippines, the Charter President and Adviser of RACCF-UV, Adrian Edward Aniñon.

Rotaractors and aspirants who are eager to develop their communication and public speaking skills actively participated in the activity. The first part of the program was more focused on the basics, tips and techniques. For the second part, each individual was given a chance to talk in front of the audience with their own impromptu speech.
