INVOCATION

Ever-living God, by whose mercy we have come to the gateway of another year, grant that we may enter it with humble and grateful hearts, and confirm our resolution, we beseech you, to walk more closely with you, and labor more faithfully in your service, according to the teaching and example of your Son our Lord. Let not the errors and offenses of the past cling to us, but pardon us and set us free, that with a purer purpose and a better hope we may renew our vows in your presence, and set forth under the guidance of your Spirit to travel in the path that shines more and more unto the perfect day of your heavenly kingdom. Amen.

...Fellowship Continues...

COMMUNITY ECONOMIC
DEVELOPMENT

ENVIRONMENT

Thank you for coming, RCCF family. I am happy that we can hold a hybrid meeting so that others who might not be able to attend in person can still participate.

We will watch tonight as our newest members present their classification talk. Classification is important in Rotary, as we all know.

Almost all Rotary membership is based on a "classification," which is essentially a description of the distinctive and well-known business or professional service that the Rotarian offers to society.

The Rotary classification principle is a little bit more precise and comprehensive. It is essential to consider the primary or acknowledged commercial or professional activity of the firm, company, or institution while deciding the classification of active member is connected. The classification principle is a fundamental idea for trying to ensure that each Rotary club represents a diversity of the community's business and professional services.

We hope that we will have more members to join our RCCF Family.

WEDDING ANNIVERSARY

November 18 Glen & Haile Elendrino

Being asked to *Imagine Rotary* can seem like a big, heady exercise, but the most important element of it is something quite small, even personal.

Not too long ago, Rotary members were expected to perform our acts of service quietly. I understood and appreciated the thought behind that — humility is a wonderful trait, and we should continue to nurture it in other ways.

But keeping Rotary to ourselves has a cost. And by sharing our Rotary moments, we are being generous with others and giving them an opportunity to understand the impact of Rotary.

It brings to mind that wonderful aphorism that poet Maya Angelou was known for: “People will forget what you said. People will forget what you did. But people will never forget how you made them feel.”

So how do we make people feel Rotary? The best way is to share our Rotary moments. We have all had them — when the ordinary collides with intention to create something extraordinary.

Some people have those Rotary moments the first time they go to a meeting. For others, finding such a moment can take years, perhaps when seeing the joy in the eyes of someone we serve. Or in hearing from another member something that hits close to home.

As Nick and I share this journey, we are amazed

at the work you are performing and the lives that are transforming. Throughout the year, I’m going to share with you the sights and the stories that made those tours meaningful for us.

I hope you can do the same in your corner of Rotary. It can be something you share in meetings or on social media. For the most savvy and ambitious, it could be an event you publicize through local media. Even telling your stories to friends has impact.

We need ambassadors for Rotary’s message and our dreams for a better world. The best ambassadors are our members. The more you share stories — and share them from the heart — the more you encourage others to partner with us, to join us, and to stay.

To give you just one small example, in the months ahead, I will be turning over this column to Rotary members who will share their personal stories as they relate to diversity, equity, and inclusion in our organization. It’s important that we hear these stories directly from the people who experienced them as a way of feeling the importance of DEI for the future of Rotary.

In everything we do, what people feel about Rotary will shape our future. I can only imagine what you will inspire through the stories you’ll tell.

JENNIFER JONES

President, Rotary International

“In the months ahead, I will be turning over this column to Rotary members who will share their personal stories as they relate to diversity, equity, and inclusion in our organization.”

P.S. November marks the 60th anniversary of Interact! I want to express my fondest wishes to our Interact members and the people who support them. Thank you for everything you do.

TRUSTEE CHAIR'S MESSAGE

From trees to a forest

Many of you will recall my challenge to Rotary clubs when I was RI president in 2017-18: to plant one tree per member to help the environment. Thanks to you, we estimate over 4 million trees went into the ground — quite a forest indeed.

This month, as we celebrate The Rotary Foundation, let's remember that each Foundation project is much like planting a tree. With each sapling of hope, health, and peace, we make an investment in the future that will one day grow into something even greater.

Such a tree was planted by Rotary in Sri Lanka, where more than 2,000 children born annually with a congenital heart defect can now get corrective surgery allowing them to survive to adulthood. Local Rotarians saw a need to make the surgery more accessible, and rallied 17 Rotary districts to contribute District Designated Funds. After the Foundation matched those funds, a total global grant of \$365,000 was used to create the first human heart-valve tissue bank in Sri Lanka, with the government providing the building, staffing, and supplies to ensure its sustainability.

Visiting this life-saving facility in 2017 was an unforgettable experience for me. But I have seen countless other great "trees" planted across our seven areas of focus. We planted PolioPlus in 1985 and it has grown into one of the greatest public health initiatives in history,

helping reduce cases of wild poliovirus by 99.9 percent. Seven Rotary Peace Centers around the world have also taken root and are now bearing fruit as scores of peacebuilders and community leaders go forth with the skills to make the world more safe and secure.

Charity Navigator, an independent agency, has given The Rotary Foundation its highest ranking for more than a decade. Why? Our overhead expense level is much lower than most similar organizations — 89 percent of gifts to the Foundation went to programs and operations in Rotary year 2021-22. Not only are we efficient stewards, but Rotary's requirement of a community-needs assessment for global grants helps ensure the sustainability of our projects. And the Foundation, run by your fellow Rotarians, is a charity you can trust.

However, only about 38 percent of members actively support our own organization's great charity. We can and should do better. Just as I challenged you to plant trees as president, as Foundation trustee chair I would like to challenge each club to make a giving plan for our Rotary Foundation this year.

Imagine our impact — Rotary's great forest of hope and peace that will flourish — and please give today.

IAN H.S. RISELEY
Foundation trustee chair

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

THE ROTARY FOUNDATION

Arch Klumph Society 2021-22 honorees

Named for the founder of The Rotary Foundation, the Arch Klumph Society was established to recognize the Foundation's highest tier of donors — those who have contributed \$250,000 or more.

This distinguished society includes supporters from more than 50 countries and geographical areas. Their generosity enables the Foundation to continue its mission of advancing world understanding, goodwill, and peace through the alleviation of poverty, the support of education, and the eradication of polio.

The members listed below were recognized in the 2021-22 Rotary year through a formal induction or elevation ceremony.

People of action around the globe

By Brad Webber

Dominican Republic

Like other places in the Dominican Republic, Los Cocos de Jacagua faces shortages of suitable housing and sanitation infrastructure. For 15 years, the Rotary Club of Santiago Monumental has addressed community needs there in tandem with a Rotary Community Corps, creating a library, a community center, playgrounds, and a financial cooperative. They installed hundreds of latrines and provided medical care, among other contributions, many accomplished with the help of international partners in District 7710 (North Carolina). The Santiago Monumental club has begun building homes for families, completing nine as of February at a cost of about \$10,000 each, says club member David Crow. "Our international partners spend a week at a time with us, providing labor for the construction effort," Crow says. "This alliance is a powerful way to promote peace and offer Rotarians the opportunity to live and work together with local Rotarians and the communities served."

Four Rotary clubs in Florida flexed their muscles with a fire truck pull to raise more than \$15,000 to refurbish the entrance of an assisted living facility. Sixteen teams competed to be the fastest to tug the 17-ton truck 50 feet across the parking lot of a sponsoring brewpub. Led by the Rotary Club of Mid-Bay Bridge (Choctawhatchee Bay), the April event drew about 400 people. Joining the effort were the Rotary clubs of Destin, Fort Walton Beach, and Niceville-Valparaiso, which sponsored the winning team of Niceville High School football players. Members of two Knights of Columbus chapters and the Boggy Sisters, a senior support group, assisted the Rotarians. Community partnerships "lightened the load and made the event possible," says Steve Wolfrom, immediate past president of the Mid-Bay Bridge club.

The value of Germany's apple exports in 2021

Germany

The Rotary Club of Göttingen-Sternwarte teamed up with the Production School Göttingen, a trades-oriented institution for teens, to harvest about 2 tons of apples and turn them into nearly 400 gallons of juice. The Apfelfest project culminated in October 2021 with the juice being donated to elementary schools or sold, raising more than \$3,300 for End Polio Now. "The juice is amazing — a sweet-sour note, pure apple flavors," reports club member Sönke Jaek. "And the dry apple mash was used to feed game such as deer and boar. They loved it." Club members also serve as tutors and assist the students in writing resumes, finding internships, and applying for jobs.

To put the brakes on dangerous driving, the Rotaract Club of Bistrița Omnia recently partnered with the police and a driving school to set up a car crash simulator at locations in the northern Transylvanian city. "It consists of a driver's seat equipped with a seat belt, fitted on a moving platform that reaches a speed of about 18 mph," says Christian Nistor, immediate past president of the club. "The platform crashes into a stopping bar, simulating the accident." The device was built by the Rotaract Club of Târgu Mureș Téka. Interact and Rotary clubs have also helped with the project. During one simulation event in May, about 200 people were put to the test during the "Drive Safely, Choose Life" initiative, Nistor says. "Drivers are reminded of the importance of seat belts and the effect of speed in a car crash," he says.

Australia

Reveling in a uniquely Australian art form, the Rotary Club of Gloucester stages readings of bush poetry, which celebrates life in the less populated hinterlands. "Bush poetry is principally stories from the bush," the tales suitable for "shearing sheds, cattle yards, pubs, etc.," says club member Grahame Stelzer. "Normally very funny, sometimes rude, and occasionally serious." In February, three poets and a country band headlined the "Bush Poetry at the Saleyard" event, held, fittingly, in a livestock arena. "The idea was born at a private dinner when one of the guests just happened to be a current Australian bush poet champion," says Stelzer. "My club was looking for a fundraiser for a nursing home, so it all came together that night." The festivities raised about \$3,900 for local projects.

Ribbons of Life!

As we are nearing the end of October, the Rotaract Club of Cebu Fuente-University of the Visayas Chapter would like to thank everyone for supporting all the breast cancer awareness campaign activities.

RACCF-UV Rotaractors and Visayanian students showed support by doing the Ribbons of Life pose!

May the support for promoting and empowering the advocacy continue to grow.
