Dear fellow Rotarians,

I am pleased to welcome you all to our 19th General Membership Meeting where we will discuss important events for District 3860. We have an exciting agenda for tonight, where we will be formally introducing our incoming President Jomar Ponce and Secretary Patrick Yared, along with other incoming District Officers: Asst. Governor Area1B- Atty. Bernz Amago, DCS Dr. Allain Senerpida, CICO Tope Llegunas, Youth Protection Officer Atty. Ging Lomanta, and Asst. PRM Officer Dr. Maricel Borromeo-Amores.

As we embark on the new Rotary year 2023-2024, we have the opportunity to learn new vistas of Rotary and make a positive impact in our community. Our club has been tasked to do the Friendship Hall for the DISCON 2023, and I am honored to serve as the Chair for this project. I would like to request your support and assistance in making this event a great success. Let us aim to achieve 100% club registration for DISCON 2023.

I would like to take this opportunity to thank each and every one of you for your continued support and dedication to Rotary. Together, we can make a significant difference in our community and the world. I am confident that our incoming President Jomar will lead us towards greater heights, and I look forward to handing over the responsibility to an equally able leader.

Thank you once again for your presence tonight, and let us make the most of this opportunity to learn, grow and contribute towards a better tomorrow.

Top: Genshitsu Sen, former grand master of the Urasenke tea tradition, performs a traditional Japanese tea ceremony for Jones during her trip to Japan in November. The tea ceremony, known as *chadō*, dates back centuries and embraces the arts, religion, philosophy, and social life. Above: Sen stands outside the Urasenke tearoom compound where he lives in Kyoto. *Rotary* magazine wrote about Sen's remarkable story in the August 2022 issue. You can listen to an audio version of the story at rotary.org/peace-through-bowl-tea.

Lessons from the tea master

I will never forget the gift of meeting tea master Genshitsu Sen during my trip to Japan in November. Not only is Sen the former grand master of the Urasenke tea tradition, but he is also an accomplished Rotarian. Those accomplishments include helping charter the Rotary Club of Kyoto-South, Japan, serving as president of the Rotary Club of Kyoto and governor of District 2650, and holding leadership roles in Rotary International and The Rotary Foundation. It was an honor to spend time with him. He is a remarkable human being and a joyful soul. And his leadership and engagement in Rotary remain strong. During that same week in Japan, I had the opportunity to record a video for a 100-year-old World War II naval hero and two-time Rotary district governor from Park City, Utah. Sen and the Rotarian from Park City shared similar stories, though they served on opposing sides of the war. What was remarkable to me was that each of them chose Rotary to live lives of peacemaking. It struck me that we are all on this planet simply trying to do our best, and we are much more similar than we are different. I feel incredibly fortunate to be able to witness these stories and meet such incredible people.

TRUSTEE CHAIR'S MESSAGE

A precious resource inaccessible to many

Living in Australia, you think a lot about water. When you travel to the nation's vast interior, the Outback, you can't help but wonder how such an arid climate has supported life for millennia. There, each sip of water feels precious.

Each sip seems to get more precious by the day as climate change continues to impact water supply everywhere. Where Juliet and I live, on the temperate coast not far from Melbourne, I remember times not long ago when water supplies were so low that severe usage restrictions were put into place. We now live on rainwater that falls onto our roof and is collected in a tank. In many parts of the world, people don't have that luxury.

Water is essential for life no matter where we live. Yet many of us take it for granted. Think of all the times today you turned on the tap. About 1 in 4 people in the world have quite a different experience when they do — if they have a tap at all. Today, 2 billion people lack access to safely managed drinking water, according to the United Nations. It is heartbreaking that each year, about 300,000 children under age 5 die from diarrheal diseases caused by poor sanitation, poor hygiene, or unsafe drinking water — all preventable circumstances.

This is where Rotary comes in. Through your support, The Rotary Foundation pro-

vides water and sanitation for countless communities around the globe. Foundation global grants have ranged from providing toilets and hygiene education for villages in the Philippines to building infrastructure for year-round access to safe, affordable drinking water in Brazil.

The water and sanitation problems that we face are too great for any of us to solve alone. But whether we work with global grant partner districts across the world or with large agencies such as USAID, we are making a difference.

When thinking of teaming up to provide safe drinking water, sanitation, and hygiene, remember that one of our greatest partners is right here within the family of Rotary: Rotaract.

Effective this Rotary year, Rotaract clubs may apply for global grants. I encourage Rotary and Rotaract clubs to work together on existing grants and for Rotary clubs to support grants sponsored by Rotaract clubs. Together, Rotary and Rotaract clubs are going to take the power of the Foundation to a new level.

The Rotary Foundation has more potential than ever to make a difference in the water and sanitation challenges we all face, thanks to your generous support.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GOODWILL

Making a plan

The power of giving in perpetuity

Gityjoon and Mike Hebel have been part of Rotary for more than 30 years. Now in their 70s, they intend to be members of their club for the rest of their lives.

They've made plans for beyond that too.

"We want a way to continue that participation, let's just say post-death," Mike says. "The way we can do that is through the endowment we have set up with The Rotary Foundation. We feel comforted that we will be a part of all the projects Rotary does, and all the projects it will do in the future. We want to have an endless participation in Rotary."

Mike joined the Rotary Club of San Francisco-Greater Mission in 1990. He was a police captain assigned to a station in the neighborhood when the city's police chief, who was a Rotary member, urged him to join the newly chartered club. Although he was soon transferred to another station and later retired to work full time as an attorney and welfare officer with the San Francisco Police Officers Association, he stayed with the club, "mainly because of the friends I have made and the international and community projects we are involved in," he says. "Rotary became very important to me."

Gityjoon joined the club a few years later, finding Rotary's motto of Service Above Self consistent with her spiritual teacher's philosophy: "love all, serve all, help ever, hurt never." "That's my religion," she says. "That's what I live by."

Gityjoon, who moved to the United States from Iran in 1967 and is involved in real estate, has long donated 10 percent of her gross income to those in need, with a particular interest in mothers and children. She was inspired by her mother. "If it was the last penny in her pocket, she'd give it away."

As Gityjoon saw the impact her own donations had, she learned of more need and was inspired to give more. "It's like a chain from one step to another," she says.

The Hebels have included The Rotary Foundation in their charitable giving for three decades, but it was at the 2014 Rotary International Convention in Sydney that they were moved to do more. There, they heard about a \$1 million donation toward ending human trafficking, a goal that Gityjoon is especially passionate about. They noticed a Rotary Foundation booth, where they learned about the power of giving to Rotary at higher levels. They have since become Arch Klumph Society members, donating \$1 million to the Foundation. And they've included a bequest for \$10 million in their wills.

The Hebels encourage other Rotary members to join the Legacy Society, which recognizes those who promise a gift of \$1 million or more to The Rotary Foundation in their estate plans. "You will never see a hearse with a luggage rack on it," Mike quips. "You can't take it with you." — DIANA SCHOBERG

Visit rotary.org/legacy to find more information about including a commitment to the Foundation in your will or estate plan.

WHY GIVE TO THE ROTARY FOUNDATION?

The Hebels say the Foundation stands out for the following reasons:

Outstanding ratings by independent organizations

Charity Navigator has given the Foundation a four-star rating, its highest possible, for 14 years in a row.

Low overhead

In 2021-22, 89 percent of the money given to The Rotary Foundation went to programs. "To me the standard is Rotary's standard," Mike Hebel says.

Stewardship

"Their financial reporting is done very well — it's very clear, very easy to understand," Mike says. Money that Rotarians donate is "being guarded well, used well, protected well, invested well."

Gityjoon Hebel adds: "We believe in the Foundation and the whole of Rotary. The money goes to good use, and we have seen it. That trust for me is the most important part."

Last Feb. 25, 2023, Rotaractors from the Rotaract Club of Cebu Fuente and all other clubs from across the country took part in three separate outreach events on Day 2 of the Pilipinas Rotaract Convention (PROCON) 2023. Two of the three events – cleanup drive and garden improvement - were held at Malabantias Integrated School in Angeles City, Pampanga. Before the event, Rotarian and former volleyball star Rotarian Kaye Martinez-Daly gave an important seminar regarding how to properly manage waste and the impact of any such negligence on our environment in the future. The Rotaractors then veered off into mini-teams and cleaned areas vicinities within the school, while the other Rotaractors made a few tweaks in the home garden- ing portion of the program. The other Rotaractors joined together in the seminar on how to make woven punique-sourced materials to help local folks in their industry. The community outreach events thus confirmed once more the hunger and passion of our Filipino Rotaractors to put service above self and strive to become better for other each and every day.
