Dear fellow Rotarians,

I am delighted to inform you that our medical mission, led by CHIGI Foundation under the guidance of our very own Tootsie Spaller, was a resounding success. The mission took place at Lahug Elementary School, where we provided essential services to over 1000+ patients, including dental, eye check-ups, and general medical check-ups. This initiative had a significant positive impact on the lives of those in need.

Rtn. Tootsie expressed her heartfelt gratitude to our sponsors, Fontis-ICAN Corp (which organized a job fair offering 100 jobs) and RCCF, for their generous support in making this event possible. I would also like to extend my sincere appreciation to the dedicated doctors, nurses, Rotaractors, and volunteers who selflessly devoted their time and expertise to ensure the smooth execution of the medical mission.

She further emphasized, "Through this event, we demonstrated the power of service above self and made a tangible difference in the lives of individuals within our community. It is only through the collective efforts of individuals like yourselves that we can continue to have a positive impact on our society."

I encourage everyone to take pride in our collective achievements and to continue embodying the values of Rotary in our daily lives. I eagerly anticipate our ongoing collaboration and the numerous opportunities that lie ahead.

Thank you for your unwavering support and dedication to RCCF. I look forward to seeing all of you at our next event.

# Introducing the Rotary Youth Network

## How do you take the best from the worst?

None of us will forget how the pandemic altered our world and our lives. Each of us had to traverse this period of uncertainty, and no one had a free pass from the effects.

I personally believe this has created space for a different kind of global leadership — one that is courageous, empathetic, and vulnerable. I met my good friend Anniela Carracedo online in early 2020. She is one such leader, and I'm thrilled to turn this month's column over to her.

— JENNIFER JONES

Anniela Carracedo addresses the International Assembly in January in Orlando, Florida.

In March 2020, I had a panic attack. I couldn't breathe, and I felt a terrible pain in my chest.

It had been a few days since the World Health Organization declared COVID-19 a global pandemic, and I was in the middle of my year as a Rotary Youth Exchange student in the United States. Think about it: an 18-year-old girl stuck in a different country, with a foreign language, with people she had only met six months before. It was scary.

But I am familiar with uncertainty. I was born and raised in Venezuela, which is going through one of the worst humanitarian and political crises in the Western Hemisphere. But my mom always said, "Challenges are nothing more than needs that require a solution."

I called up my Interact and Youth Exchange friends. Together, we organized an online meeting to share projects and get inspired by what everyone else was doing during the quarantine. In that first meeting, we had 70 people, mainly students, from 17 countries.

From that beginning, we built an online platform for Rotary youths worldwide to share their experiences and inspire others with project ideas during isolation. We looked for mentors and supporters who would help our group connect young people, share cultures, and open new collaborative opportunities for international service projects. We called it Rotary Interactive Quarantine, or RIQ.

After only a year, we engaged with more than 5,000 students from 80 countries. Several of our team members became district Interact representatives and district committee members, and some of us even

serve on Rotary International councils.

Eventually, quarantine restrictions were being lifted, and the needs of our participants were changing. At our last official meeting as RIQ, Past RI President Barry Rassin inspired us to create even bigger change, so we transformed RIQ into the Rotary Youth Network, or RYN.

A few of our members, including me, were selected to serve on the inaugural Interact Advisory Council, where we presented our vision for youth in Rotary to the RI Board of Directors.

Our presentation to the Board inspired President Jennifer and her team to create a Youth Advisory Council in Rotary International, which I am honored to serve on as a co-chair.

The Rotary Youth Network officially launched during a breakout session at the 2022 Rotary International Convention in Houston. Five of us, who had participated in Interact, Youth Exchange, and Rotary Youth Leadership Awards, traveled across continents to launch an organization we had kicked off online two years before. The convention was the first time we had met in person.

When my friends and I finished our talk, we realized more than 500 people were giving us a standing ovation. Tears filled our eyes, and the feeling of excitement and accomplishment took over.

Who would have thought that a panic attack would lead to this?

### TRUSTEE CHAIR'S MESSAGE

## Think big, act big

In a letter to his brother Theo in 1874, Vincent Van Gogh wrote: "If you truly love nature, you will find beauty everywhere."

You can see Van Gogh's love of the natural world in his paintings: luminous sunflowers, gnarled olive trees, and the starry night sky over a Provençal village. When you see nature through Van Gogh's eyes or through your own, such as during a trip to the park or a beach, you can't help but stop to appreciate it. And when you love nature, you also want to take care of it.

April is Environmental Month for Rotary, and Earth Day is the 22nd. Marking the occasion with local projects such as roadside cleanups is fantastic and makes a difference. Consider also thinking big about protecting the environment — one of Rotary's seven areas of focus — by partnering with other clubs and districts on a larger-scale project funded through The Rotary Foundation.

The more our clubs work together on larger projects, the more we accomplish. Supported by a Foundation global grant, Rotary clubs in Pennsylvania and Brazil teamed up to provide plastic-processing equipment for a waste pickers cooperative in the city of Rio Claro. The workers, who recover recyclables from trash, increased their income by 50 percent and expanded the cooperative, while contributing to a cleaner environment.

Acting big is also one of the main ideas behind the Foundation's Programs of Scale. With each \$2 million grant distributed over a program's three- to five-year duration, the work done on the ground scales up to fulfill the potential for long-term sustainable change. The 2021-22 Programs of Scale recipient, Together for Healthy Families in Nigeria, is hard at work right now on solutions aimed at reducing the country's maternal and neonatal mortality rates.

Programs of Scale grants are among the most exciting developments of Rotary and its Foundation in recent years. They will have a big impact on the world. Remember that Programs of Scale grants take nothing away from your Foundation grant projects; the money invested is a relatively small portion of the Foundation's total. In addition, The Rotary Foundation designed Programs of Scale to foster greater partnerships, which can include co-funding the initiative.

So, think big this month — about the environment and about global grants and Programs of Scale — and you will see that, when it comes to the good we can do through our Foundation, the "starry night" sky's the limit.

# SERVICE ABOVE SELF

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

## ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

## The Paul Harris scrolls

Preserving tributes to Rotary's founder

Rotary's archives include letters and gifts to founder Paul Harris that reflect the high regard members had for his vision of fostering friendship and international understanding.

As part of Rotary's commitment to honoring key figures in our history, archivists at world headquarters worked with a professional paper conservator to treat four handcrafted gifts.

All four documents were spot cleaned with a dry process that reduces superficial dirt. Before the items were placed in custom storage mats for preservation, three made of vellum underwent additional conservation work to stretch and flatten them after being rolled for an unknown number of years.

Below are the three vellum documents before conservation; at right are the results. — SUSAN HANF

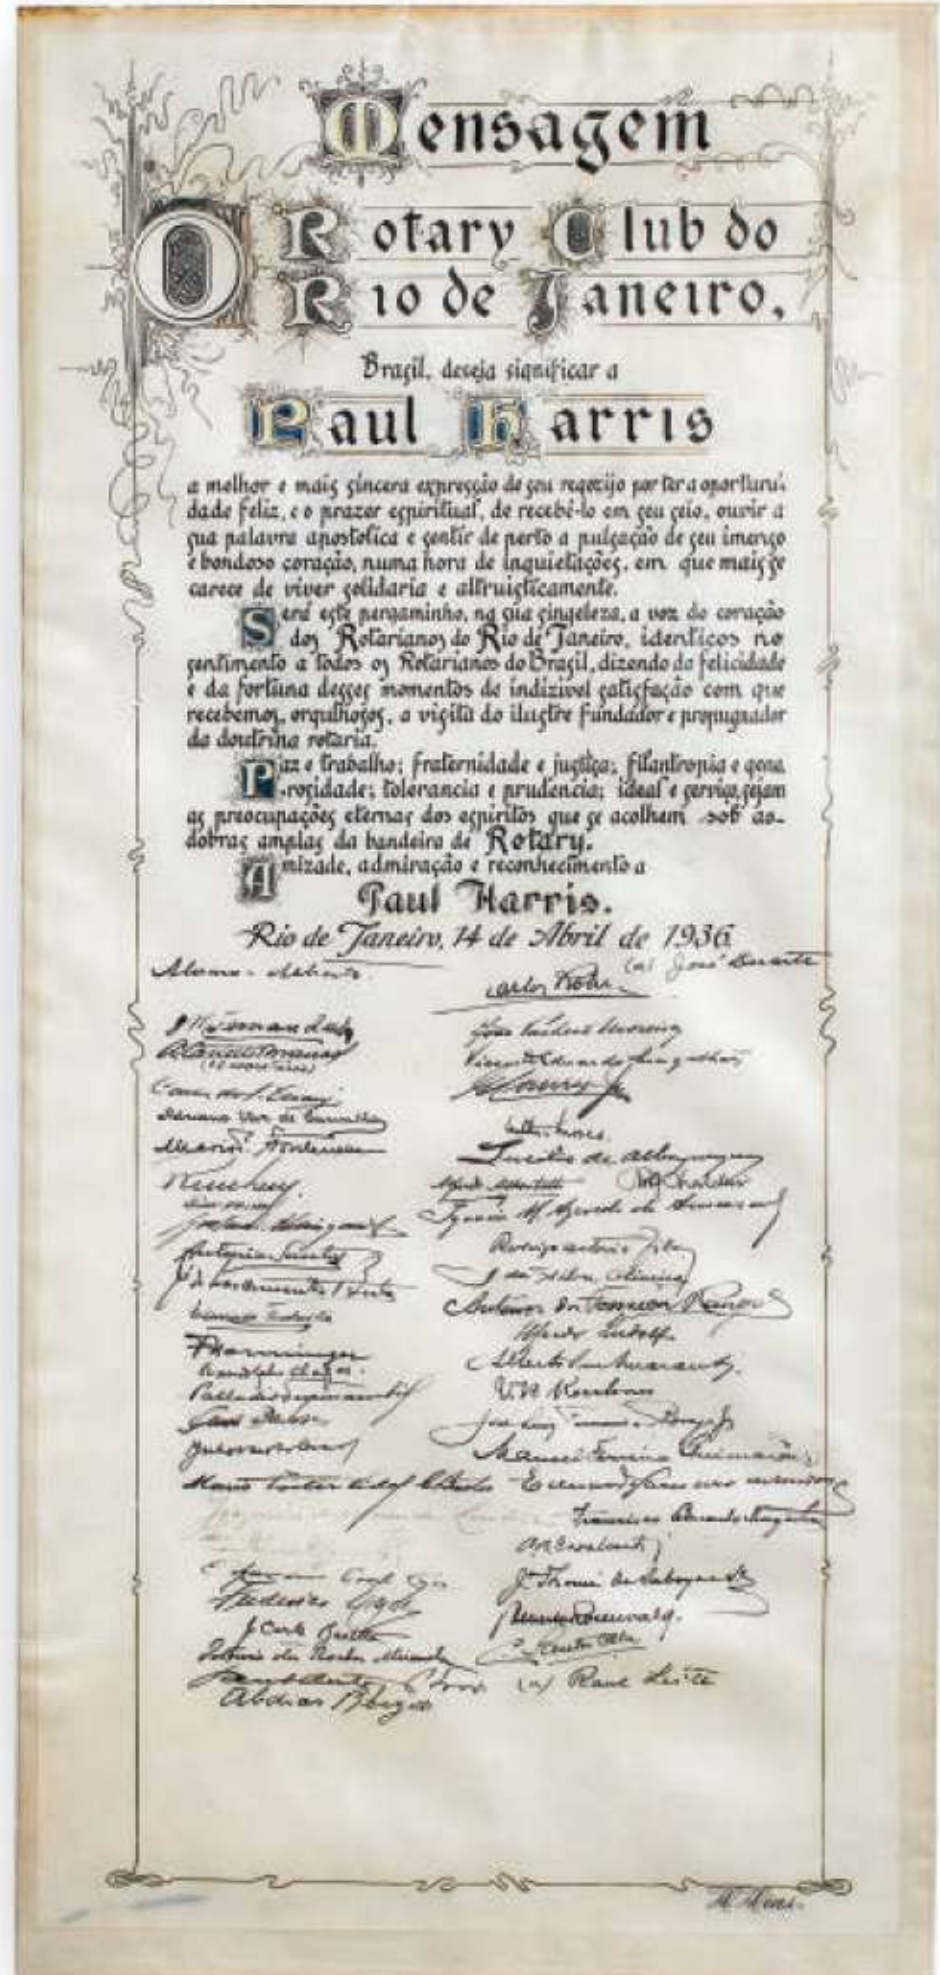

Members in Guadalajara, Mexico, created a 75th birthday message in calligraphy with a painted Rotary emblem.

In January 1936, Harris and his wife, Jean, embarked on a three-month journey to Panama and several South American countries, where they met with numerous clubs. Harris' visit to Ecuador that February was commemorated by the Rotary Club of Riobamba with a beautifully illustrated message featuring hand-painted national symbols.

The Rotary Club of Cuenca memorialized Harris' visit to the Ecuadorian port city of Guayaquil with a scroll featuring an illuminated initial. Conservation included mending tears with Japanese tissue paper and wheat starch paste.

Brazil was Harris' last South American destination before a two-week ocean voyage to New York, and then home to Chicago. Members of the Rotary Club of Rio de Janeiro, which had been chartered 13 years earlier, signed an elegant message.

IT ALL STARTS WITH WASH

JOIN US IN MELBOURNE Friday, May 26, 2023

## Join People of Action at World Water Summit 15

Rotarians are playing a critical role addressing WASH—water, sanitation, and hygiene—necessary for community health, economic growth, food security, education, well-being, and the alleviation of poverty.

Join us right before the international convention. Keynote speakers include Past RI President Barry Rassin, and “the Toilet Warrior” Mark Balla. Breakout sessions encourage knowledge sharing and networking.
