Dear RCCF Family,

Greetings to you all, and to your loved ones, Tonight, it is with great anticipation and enthusiasm that we turn the spotlight onto our prospective members. They will take the center stage as we gather to listen to their unique classification talks. What makes this evening even more intriguing is the fact that each of these four individuals is no stranger to the world of community service. They will graciously share with us their respective classifications.

As Rotarians, we understand the significance of Rotary classifications. These classifications represent the distinct and recognized business or professional services that each of us provides to society. They are an essential component in ensuring that our Rotary club accurately reflects the diverse array of business and professional services within our community.

So, fasten your seatbelts, my fellow Rotarians, as we embark on a journey to discover what they do, what they can bring to Rotary, and the personal facets they wish to share. Pave the way for these candidates namely: (Atty. Kristine Centino Andrino with Classification: Local Government Law, Arch. Jason H. Honrada with Classification: Architecture, Joshua Tan with Classification: Government Customs and Engr. Lowell A. Papellero with Classification: Electronics Engineering) I have no doubt that this evening will be both enlightening and enjoyable.

The prospect of welcoming these new members and injecting fresh energy into our club is truly exciting. It's evident that these candidates share our dedication to serving our community through meaningful projects. We eagerly anticipate their formal induction, which will be thoughtfully planned out.

Yours in Rotary service,

**JOSE MARIE "JOMAR" PONCE**

# CREATE HOPE in the WORLD

## In the spirit of caring

**A**t the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment.

It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

We've grown into an amazing global network of 1.4 million interconnected community leaders — leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, "We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders." I am proud of what Rotary has done across generations to build those kinds of social connections — and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

Our worldwide community and our foundational value prioritizing Service Above Self makes Rotary a

powerful global advocate for mental health. A recently published study by Ohio State University found performing acts of kindness was the only one of three mental health interventions tested that helped people feel more connected to others. Study co-author David Cregg said, "Performing acts of kindness seems to be one of the best ways to promote those connections."

This research suggests what we've known all along — that doing good helps transform not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let's not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years, and we will be looking to members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let's work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services.

Together, we will *Create Hope in the World*.

## TRUSTEE CHAIR'S MESSAGE

# Reaching into the future

**This year, I urge all of you to think big** about The Rotary Foundation. To reach our goals and make the impact we know we can make, we must think outside the box and embrace innovation. We must make bold plans to expand our reach today, tomorrow, and in the future.

Start by thinking big about Foundation-supported projects. If your club hasn't engaged in a Rotary Foundation district grant or global grant, make this the year you do. Collaborating with your Rotary counterparts in another district on one of Rotary's seven areas of focus can make a lasting impact beyond your wildest dreams. Explore Rotary Showcase at [rotary.org/showcase](http://rotary.org/showcase) or arrange a meeting between your club and your district Rotary Foundation chair to start a conversation.

Let's also think big about our polio fundraising this year. Begin planning your World Polio Day fundraiser now for 24 October if you haven't already. Let's see how Rotaract and Rotary clubs can make this year's fundraisers our best ever.

Thinking big about the Foundation also means remembering that through it, our impact goes beyond the current Rotary year. We see this through not only the emphasis on sustainability in our grant projects but also in initiatives such as Programs of Scale. The third Programs of Scale recipient will take on a big challenge: combating cervical cancer and en-

hancing women's health in Egypt through awareness-raising and improved access to preventive care. (Read about the project on page 56.)

The success of the Programs of Scale grant model lies in our approach of closely collaborating with partners to amplify proven methods. Each year, The Rotary Foundation awards \$2 million to a member-led program that has demonstrated success and has the potential to reach more people through scaling up over a three- to five-year period.

Our Programs of Scale are the epitome of thinking big: Through them, we aim to establish sustainable partnerships and cost-effective programs that deliver tangible benefits beyond the funding period. This way, Rotary and its Foundation can reach and assist more people in more places.

Lastly, let's remember that our efforts to make the world a better place should extend beyond our time on earth. As we strive to reach \$2.025 billion by 2025 for Rotary's Endowment, consider how you can leave a legacy by making a gift or a commitment to a Rotary endowment. This will ensure that Rotary's future generations will have greater financial resources to create positive change, just as so many are doing now, in so many ways.

# District Governor's Message

My dear Colleagues in Service,

August is the Rotary month of Membership, and New Club Development, an area of great importance since members are the life blood of our organization.

It is a reality that membership gains are lost during the following year. There are varied reasons. The most common is the change in the workplace and health. These cannot be controlled, but other causes can be resolved.

A good club, Membership Development Program, is the most effective way of retaining and increasing the club's membership. An effective Public Image program attracts new members, infusing your clubs with fresh ideas, energy, and enthusiasm. New members help your club broaden its service base. More brains to think and more hands to work. We must, therefore, dedicate a special and intensive focus on membership.

I urge you to work towards your goals. Goals that are reachable and understandable. I believe that setting a goal of a net increase of two members per year is reachable if we avoid membership loss at the end of each year. Retention is equally important.

To retain and increase membership, it is essential that we make our clubs vibrant with interesting and dynamic programs and meaningful projects. Let us take care of our members so they would feel that their membership in your club is relevant to their profession and vocation, giving value to their personal development, and most important, that members enjoy and have fun while serving others. Fellowship and friendship are two of the cornerstones on which Rotary was built.

A strong membership means a strong club. Every Rotarian has the responsibility to find the right person and the opportunity to share with them the gifts of what Rotary membership can give. There are challenges along the way, but there is HOPE!

**ROZANNE TWINKLE C. GAMBOA**  
District Governor, RY 2023-2024

# SERVICE ABOVE SELF

## THE FOUR-WAY TEST

**Of the things we think, say, or do:**

- 1.) Is it the truth?
- 2.) Is it fair to all concerned?
- 3.) Will it build goodwill and better friendships?
- 4.) Will it be beneficial to all concerned?

## THE OBJECT OF ROTARY

**The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:**

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARIAN CODE OF CONDUCT

**The following code of conduct has been adopted for the use of Rotarians:  
As a Rotarian, I will**

- 1.) Act with integrity and high ethical standards in my personal and professional life
- 2.) Deal fairly with others and treat them and their occupations with respect
- 3.) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4.) Avoid behavior that reflects adversely on Rotary or other Rotarians
- 5.) Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

**Optimist**  
INTERNATIONAL

**Rotary**

For help developing projects or connecting with other service organizations' clubs, or if you have questions related to Celebrate Community Week, write to [rotary.service@rotary.org](mailto:rotary.service@rotary.org).

During the week of 11-17 September, Rotary and Rotaract clubs around the world will partner with nearby Kiwanis, Lions, and Optimist clubs on service projects related to health and wellness, food insecurity and hunger, education and literacy, and the environment. When we join together, there's no limit on the positive impact we can create in our communities. So start planning today!

- ▶ Visit Rotary Showcase for ideas and to record your shared project under the Celebrate Community campaign.
- ▶ Mark yourself as "going" to the Celebrate Community 2023 Facebook event.
- ▶ Share pictures on social media during that week, using the hashtag #CelebrateCommunity.

# CREATE HOPE in the WORLD

When we nurture peace, opportunities,  
and one another, we help heal the  
world and create lasting change.

## Let's create hope by:

- Confronting stigmas, expanding access, and raising awareness about the importance of mental health
- Fostering understanding and strengthening connections through virtual exchanges
- Unlocking the power of girls and women around the world

### United States

At Folsom State Prison in California, small groups of inmates have shifted gears through a project of the nearby Rotary Club of Cameron Park. Since 2007 the club in the Sacramento area has collected used bicycles and delivered them to Folsom, where inmates repair them. Rotarians deliver as many as 500 of the refashioned rides each year to school children from low-income households and to organizations serving homeless people, veterans, refugees, and families displaced by wildfires. “The bike refurbishing program not only provides valuable skills and opportunities for our inmates, but it also allows them to give back to our community in a meaningful way,” notes Tracy Johnson, Folsom’s acting warden. “Although it’s a step toward rehabilitation, it’s a big leap toward creating positive change.” The club spends about \$1,200 a year on the project. “I look at this as a win-win program,” says Don Fuller, the club’s immediate past president. “We’re picking up bikes that people don’t want. The inmates get a sense of satisfaction.”

The Rotary Club of Fray Bentos scooped up 320 servings of paella during a cook-off that has raised thousands of dollars for activities since 2016. Under the guidance of chef Eduardo Casales of La Tomasa restaurant, 23 of the club’s members peeled and cut vegetables to fill giant pans with the rice dish in April during this year’s event, which raised about \$2,800. The secret ingredient? “The high quality of the inputs used added to the flavor that maintains this traditional paella,” along with the charitable deeds enabled by the proceeds, says Alfredo Batista Fernández, a past club president. The club, which maintains a bank of wheelchairs, crutches, walkers, and canes loaned at no charge to people in need, has devoted the proceeds from the food sales to related causes, including the construction of 16 wheelchair-accessible ramps throughout the city of Fray Bentos, as well as at schools.

## Italy

Members of the Rotary Club of Milano International-Net organized an amateur ski race in March to support a local charity's initiative to donate defibrillators to try to prevent cardiac arrest deaths. The ski event attracted about 20 Rotarians, family members, and friends to Aprica, a resort nestled along a pass between Lake Como and the Dolomites. "There were also many nonskiers who enjoyed a beautiful day of sunshine, friendship, and conviviality," says Chiara Giudici, the club's immediate past president. The entry fee and sponsorships brought in more than \$1,750 to purchase a defibrillator for a city park, says Giudici. In October, the club again supported the initiative, which raises money through sports events, by sponsoring a 50-participant tournament of *padel*, a racquet sport compared to pickleball. That competition provided a defibrillator to the police department.

## Nigeria

Six members of the Lagos-based Rotaract Club of Gbagada spent three weeks and 810 hours on an extensive renovation of the washroom at the Apostolic Primary School in Ketu. Using about \$1,000 from individual donors, the Rotaractors replaced part of the roof and two worn doors, polished the floor, painted, undertook masonry repairs, and hired a plumber to connect the dilapidated six-toilet block to the existing borehole well. "The toilet was in a dirty and deplorable state," heightening absenteeism at the 500-pupil school because of illnesses such as diarrhea and cholera, says Michael Ekerin, immediate past president of the club. The project, completed in March, was among the club's 20 service projects during the 2022-23 Rotary year.

## Indonesia

The Rotary Club of Jakarta Metropolitan has offered free health checkups since 2015 for older people, mothers and their children, and others. For its eighth medical fair in February, the club expanded its screenings to include homeless people. X-rays detected signs of tuberculosis, bronchitis, or pneumonia in 97 of the 223 people screened. The club followed up to help them overcome barriers to treatment. "Our solution is to involve the civil registry service office to help with the homeless peoples' identification so that they can apply for government insurance and later go to a hospital," says club member Inne Ongkodjojo. "From this incident, we see the need to provide for public health screening, especially for TB, which has a fast and widespread transmission," says Arry Basuseno, the club's immediate past president.
