# President's Message

Good evening, esteemed RCCF Rotarians,

I hope this message finds you all in good health and high spirits. It is with great pleasure and enthusiasm that I share an important update with you all today.

After a thorough and diligent process of nominations, discussions, and evaluations, the Election Committee has reached a unanimous decision. I am delighted to announce that Emman Abay-abay has been selected as the lone nominee for the position of President-Nominee of the Rotary Club of Cebu Fuente.

Emman has graciously accepted this nomination, and I have no doubt that he will bring exceptional dedication and leadership to our club. As many of you are well aware, Emman has been an integral part of RCCF for a decade, dedicating his time and efforts to our shared Rotary values and mission.

## Peace in practice

**T**he International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as people of action, to simply avoid making war. If we are to *Create Hope in the World*, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.

In March 2020, about 50 Rotary members from Pakistan met about 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honors Guru Nanak, the founder of Sikhism, a religion practiced in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims to the Kartarpur Sahib shrine, but Paki-

stani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step.

Let's see where it takes us.

## TRUSTEE CHAIR'S MESSAGE

# Create your Rotary moment

**When was your Rotary moment?** It's when you realize that being part of Rotary means more than just showing up for a meeting, when you discover you are part of something that changes the lives of others as it changes yours.

I will never forget the moment when I learned about Daniel, a Haitian child. Rotary Foundation Trustee Greg Podd, who at the time was serving with me on an RI committee, had been trying to get Daniel on a plane for urgent heart surgery through the Gift of Life program. But Daniel couldn't get the visa to travel, and doctors had given him only months to live.

When Greg told me this, I remembered that Gift of Life was operating in Haiti and we could do the surgery there. This was on a Wednesday. Greg helped get ahold of Daniel's medical records. The Gift of Life surgeon I knew — who visited only once or twice every month — happened to be in Haiti. By Thursday, the surgeon had looked over the medical charts and told us that he could repair Daniel's heart but said he was traveling soon. We had to get Daniel to a medical facility by Friday morning.

Daniel and his parents rode 90 minutes on a scooter through the bumpy roads of rural Haiti to get to the facility, and the surgeon successfully performed the procedure. Thankful, Greg and I moved on to other projects.

A few months later, I got an email with a picture of Daniel. I will never forget his smiling face, despite the foot-long scar running down his chest, and what he wrote: "I know you helped me. You saved my life. Thank you."

On behalf of Daniel and countless others, I am passing along that gratitude to all Rotary members who have helped or will help this year.

The beauty of Rotary, especially with The Rotary Foundation, is that we can create these Rotary moments anytime. Just reach out to others in Rotary and discuss our work. Our caring network, our dedicated volunteers, and available resources will take care of the rest.

If two people can make such a difference, imagine what we can accomplish by working together in larger groups through The Rotary Foundation. Picture the impact of clubs within a district joining forces for a Foundation district grant to boost literacy, or two districts from different parts of the world transforming a community through a water, sanitation, and hygiene global grant.

If you haven't discovered your Rotary moment yet, keep searching. Serving Rotary through our Foundation is a great place to find it, and it will change your life.

# District Governor's Message

Dear Fellow Rotarians,

I am more than half way of my official club visits, and I value each club visit I made. I may have shared some significant Rotary information I personally learned from many trainings I got, but let it be known that I too learned from you the true meaning of what it is to be one in a Family of Rotary, the bonding, friendship and fellowship that can CREATE HOPE IN THE WORLD.

From the onset of my visit, the invaluable support of the assistant governors stood out, ensuring each engagement within the clubs was seamlessly coordinated. Their meticulous attention to details created a foundation for success, evident in the thorough preparations of each club I had the privilege to visit.

It was indeed heartening to interact with club presidents, whose dedication and perseverance in meeting District challenges were both commendable and palpable. Their leadership and team cohesion were evident in the myriad of meaningful projects since July 1 of this year.

The One District, One Activity developed friendship and camaraderie among Rotarians in the area. Celebrations of the Rotary New year with the children brought forth the joyous spirit of the clubs, while the Bloodletting Activity showcased the clubs' commitment to community health. The Brigada Eskwela initiative highlighted their dedication to education, and the mangrove and tree planting activities in September underscored their reverence for the environment

In totality, my visits painted a vivid picture of clubs that are not just community leaders but also passionate change-makers. Their diverse humanitarian service projects demonstrate a holistic approach to community service and growth, leaving me inspired and optimistic about the future undertakings of the district.

This month of September, we focus on the New Generation. Rotary's program on Basic Education and Literacy prepares them well in facing the challenges of the future. We start them young on leadership skills and community service. Rotary's programs on Interact, Rotaract, Youth Exchange and RYLA all build upon the Youth's personal growth and leadership skills of youth and by youth, making them a rich source of future Rotarians. We instill on them Rotary's motto of SERVICE ABOVE SELF at a young age, letting them be familiarized with the ideals of Rotary service.

Here is wishing you all the best in all your undertakings, and know that my Hope Creating Team and I are here to support you all the way.

**ROZANNE TWINKLE C. GAMBOA**  
District Governor, RY 2023-2024

# SERVICE ABOVE SELF

## THE FOUR-WAY TEST

**Of the things we think, say, or do:**

- 1.) Is it the truth?
- 2.) Is it fair to all concerned?
- 3.) Will it build goodwill and better friendships?
- 4.) Will it be beneficial to all concerned?

## THE OBJECT OF ROTARY

**The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:**

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARIAN CODE OF CONDUCT

**The following code of conduct has been adopted for the use of Rotarians:  
As a Rotarian, I will**

- 1.) Act with integrity and high ethical standards in my personal and professional life
- 2.) Deal fairly with others and treat them and their occupations with respect
- 3.) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4.) Avoid behavior that reflects adversely on Rotary or other Rotarians
- 5.) Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

## Singapore – A land of Surprises

Singapore Skyline at night

*By Jennifer Scott, Chair of the 2024 International Convention Committee*

As the chair of the committee helping plan the 2024 Rotary International Convention in Singapore, I get asked a fair number of questions about this year's annual event. I felt it was only natural to share with you why I am tremendously excited about Singapore, and why I believe it will be an event you won't want to miss.

Singapore is a country that never ceases to surprise! It is both a city and a country. And would you believe, it is made up of 65 islands! It is an incredible fusion of cultures, food, architecture, and passions. Singapore, known as the garden city, is one of the greenest cities in the world. It is energetic, beautiful, and always changing.

Your Rotary Convention adventure will start at Changi Airport, known as the World's Best Airport with its magnificent rain vortex waterfall. If you arrive early, you will have time to take a stroll through the beautiful Gardens by the Bay. Once you have settled in, enjoy a refreshing Singapore Sling, served at the iconic Raffles Hotel. Savour a dozen satays with delicious peanut sauce, (you can't stop at just one). And do try Singapore's famous Chicken rice, Singapore noodles, or chilli crab. For dessert, you won't be able to resist Singapore's favorite Ice cream sandwich. If you stay a little longer you can relax and enjoy the hiking trails, parks and recreational areas, the night zoo, or go shopping.

Ferris Wheel seen from the Gardens By the Bay

The convention general sessions will be held at the Singapore National Stadium, which has the biggest retractable dome in the world. The House of Friendship and all the breakout sessions will take place at the famous Marina Bay Sands.

**Why join us** in Singapore? Because we will be sharing the hope that you and your clubs have built during the past year. Rotary conventions are the best opportunity to catch up with Rotary friends you have made in the past or to make new ones. It's the perfect place to meet current or future project partners. It's an opportunity to recharge your Rotary batteries.

This year, Rotary International President R. Gordon R. McNally has asked Rotary members to Create Hope in the World. The convention will give you the opportunity to share that hope. You will go back to your districts and clubs energized and even more prepared to continue to share hope with the world.

Jonas Salk, who together with Albert Sabin, was a pioneer for a polio-free world, summed it up with his quote:

*"Hope lies in dreams, in imagination, and in the courage of those who dare to make dreams into reality."*

We look forward to seeing all of you at the Rotary International Convention in Singapore! Register by 15 December to receive the early discount. Register Here: <https://convention.rotary.org/>

## On the road to a polio-free future!

Last Sunday, September 10, 2023, Hope-Creating President Rtr. Jysrielle Faith Paderes, The Rotary Foundation Chair Rtr. Chrissia Mae Buctot, and 3 of our members joined the Ride to End Polio 2023 headed by the Rotary Clubs in Cebu where they were able to witness Rotarians pedaling from SRP to Naga City, Cebu to visit the Vaccination Sites. They were able to meet Rotaractors and Rotarians present, learned about the importance of polio vaccination, and witnessed how polio vaccination is done, thus strengthened their will to help end polio.
