ENVIRONMENT

Good evening, esteemed RCCF Rotarians,

I hope this message finds you well and filled with the spirit of service that defines our Rotary family. It is with great pleasure that I reflect on the recent events of our 20th General Membership Meeting, a gathering that truly showcased the essence of Rotary and the profound impact we can achieve together.

I must begin by extending my heartfelt gratitude to our Assistant Governor and TRF Director, Atty. Bernardino T. Amago IV, CPA, for his enlightening presentation on the true essence of giving and the invaluable work of The Rotary Foundation. His insights into the various grants available and the transformative projects they support, from Polio Plus initiatives to aiding in global crises like the Australian forest fires, truly highlighted the power of Rotary to change lives around the world.

Furthermore, I would like to express my deepest appreciation to our esteemed Past Assistant Governor, Dr. Maricel Borrromeo-Amores, for her gracious introduction of Atty. Amago. Her unwavering support and dedication to Rotary continue to inspire us all.

Atty. Amago's message resonated deeply with me, emphasizing that in giving to Rotary, we not only contribute to worthy causes but also open ourselves to receiving blessings in return. The impact of our contributions, whether building schools in Africa or providing aid to the less fortunate, transcends borders and creates a ripple effect of positive change.

I must also commend Atty. Bernardino T. Amago IV, CPA, for his dynamic engagement during the event. Not only did he serve as a resource speaker, but his inventive pop quiz, with TRF points as prizes, added an exciting and educational element to the meeting. His dedication to furthering our understanding of TRF and encouraging active participation within our club is truly commendable.

Additionally, I extend my gratitude to Atty. Erl Borrromeo Amores for his efficient and effective hosting, ensuring the smooth progression of our gathering.

As we reflect on the insights shared and the camaraderie experienced during our General Membership Meeting, let us recommit ourselves to the principles of Rotary: service above self, integrity, and goodwill. Together, we have the power to make a difference in the world, one project at a time.

Thank you once again to all who contributed to the success of our gathering. Your dedication to Rotary's mission is truly commendable, and I look forward to our continued collaboration in service to humanity.

Yours in Rotary Service,

## Think like a Rotary Peace Fellow

**T**here are many pathways to peace, and in Rotary, we are fortunate to have Rotary Peace Fellows who demonstrate this truth time and again.

Each year, Rotary awards up to 130 fellowships for leaders around the world to study peace and development, and what these peace fellows learn prepares them to work in conflict prevention and resolution and promote Positive Peace. Here are a few examples of the creative ways peace fellows advance peace:

### Promoting sustainability

Alejandra Rueda-Zarate combined her Rotary Peace Fellowship in peace and conflict resolution with her master's degree in energy and resources to support her dream of protecting the Colombian countryside.

She founded the organization NES Naturaleza in 2011 to help farmers in Colombia and across rural Latin America gain access to knowledge and training to uphold sustainable farming standards. That support has improved the lives of nearly 4,500 farmers, inspiring many of them to become entrepreneurs. And it's helped promote both natural and social sustainability throughout Latin America.

### Ending racism

Peace fellows Geoffrey Diesel and Kathy Doherty have applied their fellowships in peace and development studies toward co-founding the Racial Equity Project, a subcommittee of Rotary Positive Peace Activators in North America committed to studying ways to create a more peaceful society through anti-racism efforts.

The Racial Equity Project takes a deep look into how the eight Pillars of Positive Peace could support efforts to address racism, and it works to spread this message to communities across North America. The organization initially grew from Rotary's strategic partnership with the Institute for Economics and Peace, a global think tank dedicated to promoting Positive Peace.

### Managing disasters using data

Through a Rotary Peace Fellowship, Jamie LeSueur earned a master's degree in social science within peace and conflict research. He now leads emergency operations for the International Federation of Red Cross and Red Crescent Societies, setting a management and operational framework for agency collaboration in emergency response situations.

Jamie has found that research data is a powerful tool to bring calm to the complex world of disaster response. No matter what an organization's protocols might entail, letting research be the foundation for decision making helps clarify even the most complicated emergencies.

These stories — and hundreds like them — show how Rotary is creating a generation of leaders ready and able to build peace worldwide. Nearly 1,800 peace fellows have graduated from Rotary Peace Centers, and they are applying their craft in more than 140 countries.

May the continuing work of peace fellows and the Rotary members who support them inspire you to continue to *Create Hope in the World* through service, fundraising, and creative thinking.

## TRUSTEE CHAIR'S MESSAGE

# More than a basic necessity

**Rotary's focus turns to two themes this month.** March is Water, Sanitation, and Hygiene Month, and we celebrate World Rotaract Week 11-17 March. Both WASH and Rotaract are near and dear to me.

Clean water, basic sanitation, and proper hygiene are fundamental human rights, yet a staggering 2.2 billion people still lack access to safe drinking water.

We're taking action. Over the past decade, your Rotary Foundation has invested more than \$180 million in over 2,500 water and sanitation projects worldwide. Rotary is on the ground making a difference through global grant-supported projects funded by your contributions to the Foundation.

But Rotary can't do it alone. We have partnered with organizations like USAID to deliver large-scale solutions. The Rotary-USAID Partnership has helped thousands access water and sanitation services in the Dominican Republic, Ghana, the Philippines, and Uganda.

Our Foundation is the connector for other water partnerships, too. This was the case when I worked with leaders from Rotary District 7020 to set up the Haiti National Water, Sanitation, and Hygiene Initiative, known as HANWASH. Foundation grants continue to play a critical role in our strategy of working with nongovernmental organizations, municipalities, and government agencies in communities throughout Haiti.

Rotary efforts to connect people with clean water go beyond providing a basic necessity. We are paving the way for healthier communities and brighter futures, and doing so in a sustainable manner. With access to water, communities enhance education levels, improve health, and further development.

When we talk about partnerships, we can't forget our closest ally, right here in the family of Rotary: Rotaract. The engagement, energy, and ideas of Rotaract complement the experience of Rotary clubs and increase our collective impact.

Yet many Rotary members still do not know that, as of 2022, Rotaract club activities can be included in district grants, and they are eligible for global grants, expanding avenues for collaboration.

I encourage all Rotary and Rotaract clubs to foster closer collaboration and engagement in our Foundation, whether it's rolling up their sleeves on a project or giving.

We all know that in Rotary, great opportunities are always around the corner. When you combine water and sanitation projects, Rotaract, and the Foundation, all will become a big part of your life, as they have in mine — and not just this month, but forever.

# District Governor's March Message

My dear Colleagues in Service,

I am so much amazed by the way you celebrated Rotary Week is the last month of February. You were so creative and made it more significant with your service projects. You have done an excellent job in showing what Rotary can do for people in need of help through your exhibits And Rotary windows. The fellowships were fun and fantastic! Congratulations!

This month of March, we commemorate Water Sanitation and Hygiene Month (WASH). We implement projects that give easy access to safe water in our communities, especially in schools where they are most needed. Water is so important. It gives life and provides sanitation and hygiene. Places in far-flung areas and the uplands most needed supply of water. Rotarians must help them.

I have great expectations from Rotary clubs in our district. I am hoping that I have encouraged you, my fellow Rotarians, to do more humanitarian projects that are sustainable and continue your excellent work in your communities. I encourage more members who are less active to participate more extensively.

We are almost just a month away from our District Convention (DISCON 2024) in Davao City. I could see how the Committee was working hard in the preparation. I could see how all the clubs cooperated in the preparations. Your enthusiasm inspires me and I am grateful! Let us all join hands and minds to make it successful. Most of all, let us make it enjoyable.

Together, let us show the world what Rotary does to be a beacon of HOPE! Thank you!

With warmest regards,

**ROZANNE TWINKLE C. GAMBOA**  
District Governor, RY 2023-2024  
Rotary International District 3860

# SERVICE ABOVE SELF

## THE FOUR-WAY TEST

**Of the things we think, say, or do:**

- 1.) Is it the truth?
- 2.) Is it fair to all concerned?
- 3.) Will it build goodwill and better friendships?
- 4.) Will it be beneficial to all concerned?

## THE OBJECT OF ROTARY

**The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:**

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARIAN CODE OF CONDUCT

**The following code of conduct has been adopted for the use of Rotarians:  
As a Rotarian, I will**

- 1.) Act with integrity and high ethical standards in my personal and professional life
- 2.) Deal fairly with others and treat them and their occupations with respect
- 3.) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4.) Avoid behavior that reflects adversely on Rotary or other Rotarians
- 5.) Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

## How Rotaract transformed me

*By Shahroz Ahmed, Rotaract Club of Faisalabad City, Pakistan*

Shahroz Ahmed speaks at a membership seminar. Ahmed credits Rotaract with boosting his confidence and public speaking skills.

My journey in Rotaract has been transformative, marked by personal growth and the acquisition of valuable skills. Prior to joining Rotaract, I struggled with speaking in public. Rotaract gave me a supportive environment where I could gradually overcome my fear of public speaking. Through opportunities to address meetings and participate in community events, I improved my communication skills and gained confidence in expressing my ideas effectively.

Rotaract has also equipped me with a diverse set of practical skills that have proven beneficial in both my personal and professional lives. From project management and event coordination to technical engagements, my involvement in Rotaract exposed me to hands-on experiences that enhanced my problem-solving abilities and taught me to be adaptable.

By embracing the challenges and opportunities in Rotaract, I have grown as a leader and as an individual. I am grateful for both the experiences and the platform it has provided me.

I would encourage anyone seeking personal growth, leadership development, and the opportunity to make a positive impact in their community to consider joining Rotaract. It's a welcoming community where you can learn new skills, meet inspiring individuals, and contribute meaningfully to causes you care about.

World Rotaract Week, 11-17 March, commemorates the founding of the first Rotaract club in 1968 and celebrates Rotaract's success around the world. Explore ways to partner and collaborate with Rotaractors.
