But I must explain to you how all this mistaken idea of denouncing pleasure and praising pain was born and I will give you a complete account of the system, and expound the actual teachings of the great explorer of the truth, the master-builder of human happiness. No one rejects, dislikes, or avoids pleasure itself, because it is pleasure, but because those who do not know how to pursue pleasure rationally encounter consequences that are extremely painful.

SAPATOS SA PASKO, KALIPAY KO

The Rotary Club of Cebu Gloria Maris, together with their soon to be chartered Rotaract Club of Cebu 3rd District and Rotary Club of Mandaue North, celebrated Christmas with a group of children from Barangay Cantibas, Balamban.

SPENDING A MORNING IN THE DUMPSITE DECEMBER 18, 2023

Despite the relentless downpour from the Typhoon Kabayan, the Rotarians and Interactors persevered in their commitment to serve the residents residing in the dumpsite.

The Rotary Club of Cebu Gloria Maris together with the Marie Ernestine School Interact Club, distributed grocery items to 76 families residing in the dumpsite.

Teamwork is crucial in every event, both clubs work together despite adverse conditions underscores the strength of their partnerships.

The joyous expressions on the faces of the recipients of goods from the residents in the dumpsite not only brought happiness to the group but also encapsulated the positive impact of the club's charitable efforts.

The experience of young Interactors witnessing the difficult lives of people living in the dumpsite can be a transformative and eye-opening encounter.

Witnessing the difficult lives of the people in the dumpsite evoked a sense of empathy among the young volunteers. They may have gained a deeper understanding of the struggles faced by those living in such conditions.

The happiness experienced by the group stems from a profound sense of fulfillment derived from helping others in need. Witnessing the joy on the faces of the recipients validates the purpose and significance of their charitable actions. The experience teaches everyone about the transformative power of altruism. Witnessing the tangible impact of their generosity provides a lesson in the potential of collective efforts to bring about positive change.

But I must explain to you how all this mistaken idea of denouncing pleasure and praising pain was born and I will give you a complete account of the system, and expound the actual teachings of the great explorer of the truth, the master-builder of human happiness. No one rejects, dislikes, or avoids pleasure itself, because it is pleasure, but because those who do not know how to pursue pleasure rationally encounter consequences that are extremely painful.

This empowerment creates a ripple effect, fostering a more resilient and self-sufficient community.

Our sincerest gratitude also to those who partnered with us in the distribution and helped us make the event lively and more meaningful, To our Rotaract Club of Cebu 3rd District , Marie Ernestine School Interact Club, Rotaract Club of Fuente, Rotaract Club of Fuente University of San Carlos, SK Officers of each Barangay, let us continue to be a beacon of generosity, lighting the way towards a more compassionate and caring community.
