CHILDREN'S MEDICAL MISSION

01-24-2024: MEDICAL MISSION

A life saved is a family saved. There may be medical and non-medical tools in your hands to treat different patients, but those hands must be of that loving, compassionate and conscientious human being in the world. As they say, every person above the ordinary has a certain MISSION that they are called to FULFILL. Let's make our lives a MISSION not an INTERMISSION.

Rotaract Club of Cebu 3rd District in cooperation with Rotary Club of Cebu Gloria Maris and Marie Ernestine School Interact Club initiated a Medical Mission last January 27, 2024 at Marie Ernestine School Lapu-Lapu City. 100 beneficiaries have been given free medicines, medical check-up, freebies and foods. Their dedication and participation made our mission more purposeful. No one can help everyone but everyone can help someone.
