## RCCNC PRES: KIDS ARE AFFECTED BY ODETTE, TOO

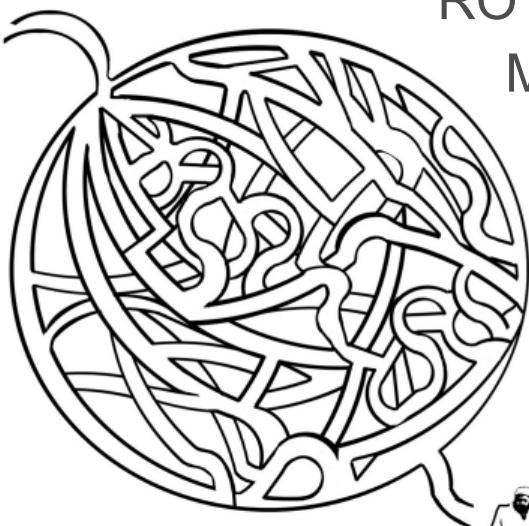

RCCNC President Eric Brylle Adlawan on his speech to over 50 parents of Grade 1 pupils present during the turn-over of school and art supplies highlighted that not only adults are affected by Typhoon Odette — but also the kids.

The short ceremony took place last at Placido L. Senor High School which is the temporary school building of Langtad Elementary School after their building was temporarily converted as Covid facility of the Local Government Unit of the City of Naga.

One of the parents shared that during the height of the typhoon on December 16, her little daughter was shivering because their house roof was flown away by the strong wind and it made an impact to her.
