# HOW'S YOUR JAB?

Stories and Advocacies for the Philippine Rotary VaccinNation Campaign against COVID-19

Cebu North Rotary Club University of Cebu

"I am a person with a chronic illness. I am a health care worker and have an obligation to protect them and my family. I was hesitant to get vaccinated because of my health conditions, but my doctor advised me to get vaccinated. Being vaccinated is the safest way to protect them and myself. We are helping our community by getting rid of the virus."

**Rtn. Jennifer Moreno**  
Life-Changing President, RC Cebu North

Cebu North Rotary Club University of Cebu

"Being a nursing student, I know vaccines work and I am grateful that you are the only one who can help me. I always appreciate your support and I hope you are vaccinated to protect everyone especially our loved ones. Let us all do our part and get vaccinated that the best vaccine is available for you! God bless."

**Rtn. Andrea Moreno**  
Life-Changing Public Image Director, RC Cebu North

Cebu North Rotary Club University of Cebu

"Serving to change lives also means changing yourself for yourself during these challenging times. My parents (an A2 dad and a mom) coupled with the experience brings me lessons to continue to protect myself, educate others, and protect the community. I'm proud to be a part of this team, and it brings our family the opportunity of being jabbed. We are all the more confident and ready to continue our fight, so that we can continue to contribute to the ongoing battles. Yet, we are to maintain our resilience as emerging variants continue to emerge and society goes on. Immunity. Ending COVID-19. Monumental collaboration organized and executed, one job at a time."

Life-Changing President, RAC Cebu North - UP Cebu
