ABOUT THE COVER

THE MERIDIAN is the official publication of the Rotary Club of Cebu North.

It debuted during the term of Past President Jaime Tiong in 2005. The bulletin derived its name from the idea that meridian points to the north. The original title of the club bulletin was *AMIHANON*, which also means North. Today, the club adopts The Meridian as its official club bulletin. Cebu North Rotary Club

Jennifer Jones President 2022-23 **Rotary Club of Windsor-Roseland** Ontario, Canada

Jennifer Jones is the founder and president of Media Street Productions, an award-winning 27-year-old media company in Windsor, Ontario. She is a member of the Rotary Club of Windsor-Roseland.

Jennifer's talents have strengthened Rotary's reach and impact as she has served in roles including vice president, director, Rotary Foundation trustee, and co-chair of the End Polio Now: Make History Today fundraising campaign. Jennifer is a leader in cultivating experiential fundraising opportunities, such as a day of golfing with Rotary polio ambassador Jack Nicklaus in Jupiter, Florida, USA, that raised over \$5.25 million for polio eradication. She also led the innovative #RotaryResponds virtual event in May 2020, which raised money for COVID-19 relief projects and showcased how Rotary members were responding to the pandemic around the world.

Working alongside political figures, celebrities, and global leaders, Jennifer has raised awareness and hundreds of millions of dollars to eradicate disease, support peace, and provide clean water and sanitation. An expert storyteller, she inspires hope and promise and motivates people to take action.

She has received the Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She holds a Doctor of Laws (LL.D.) and has been recognized with the YMCA Peace Medal and the Queen's Diamond Jubilee Medal, and she was the first Canadian to receive Wayne State University's Community Peacemaker Award.

Jennifer is married to Rotary member Nick Krayacich, a family physician. They share a love for travel, cycling, golf, and relaxing at their family cottage, in addition to adventures such as climbing to the summit of Kilimanjaro in Tanzania. Jennifer and Nick support The Rotary Foundation as members of the Arch Klumph Society, Paul Harris Society, and Bequest Society.

MESSAGE OF THE RI PRESIDENT JENNIFER JONES | JULY 2022

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization — the one we all know and love. I have learned so much over the years about service projects and lives that each of vou have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour.

MESSAGE OF THE RI PRESIDENT JENNIFER JONES | JUL 2022

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider — our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories — we will be tweeting, posting, and "going live" to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts — your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

MESSAGE OF THE RI PRESIDENT JENNIFER JONES | AUG 2022

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength and our commitment to excellence requires us to maintain high standards for our members as well.

THE AND THE WAY AND THE AND THE

MESSAGE OF THE RI PRESIDENT JENNIFER JONES | AUG 2022

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come. A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership. During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would "go to the moon [and do] other things, not because they are easy, but because they are hard."

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

Shalom!

Today marks the beginning of my Presidency for the Rotary Year 2022-2023. Though it's been a custom of the Rotary Club of Cebu North to have the Club Secretary as the President-Elect, but still the position is challenging. Challenging in the sense that my load is heavier now for all the responsibilities, and decisions lie in the palms of my hands.

Nevertheless, I am strengthened by the support, help, and guidance of the past presidents, and also the members of the Club, since we have the indefatigable Past District Secretary and now District Trainer Barbette Barbon Lominoque who patiently explained to each member the duties and responsibilities of being a Rotarian, generously shared ideas what benefits we will get out of helping and the spiritual blessing you will receive for sharing what you have to the needy and underprivileged brothers and sisters. I am sincerely grateful coz without them, this position would be nothing and far possible.

You might come to wonder how we sustain the club and keep abreast amidst increasing demands (especially for the past two (2) pandemic years) and made us reach 46 years of active existence and participation. All of these lies in our cohesiveness and individual dedication. I believe in the saying, "There is Power in Number" but strongly convinced that "Power Lies in Quality and Active Members".

To all imaginative Rotarians, let's continue to move forward, be victorious and join hands as we journey together for another Rotary
