Last club meeting was dedicated more on the preparation of the Rotaplast Medical Mission 2019 and had activated the welcoming committee led by no other than PDG Ted Locson. The Rotaplast Team had arrived at 12:15 in the afternoon of September 24, 2019 at the MCI A Terminal 1I. Thank you to all Rotarians who joined in welcoming our Rotaplast Team and most especially PAG Tony Ynoc & Dir. Mark Ynoc for the cargo van that carried the 29 boxes for the medical mission straight to the hospital from the airport. Personnel of the Golden Star group of companies led by Treasurer John Sulay for being the cargo porters at the hospital and for preparing the venue of this medical mission.

Our sincere appreciation and thanks goes to each and everyone of the RCCPC Rotarians, Rotaractors, Spouses, Secretariat led by Fe Escano and the hospital volunteers for their continued support of this noble medical mission especially to the Club Mission Director PDG Anton Florendo and Club Mission Assistant Director PP Toby Florendo for their

guidance and dedication to lead in this project. Also, to the Finance Committee chaired by PP Edward Go, Co-chaired by PP Marcy Koike and PP George Hong for finding ways to get our sponsors and target amount. Treasurer John Sulay will report later for the updated total amount of the sponsorship.

To the team of the Rotaplast volunteers led by our very own honorary member Rtn. Evelyn Abad and Sp. Joy for bringing in the medical and non-medical volunteers of the Rotaplast International to Cebu and most especially to District 7930, thank you very much from the bottom of our heart.

Last September 28, 2019, The RCCPC Rotarians had joined the 50th Anniversary of the RC Yokohama Konan at the Royal Hall in Yokohama City. It was attended by 25 delegates from our club including spouses and families. It was a memorable experienced and had witnessed the 50th celebration of our sister club. Thank you to PP Marcy Koike and Sp. Rosanna for guiding us in Japan together with the Rotarians of RC Yokohama Konan and RC Yokohama Kona Dai. Some of the members went on playing golf with our Japanese Rotarians and some went on sight seeing at the Mt. Fuji, Tokyo Olympic Museum, and many more. PP George Hong was declared winner of the fellowship golf. Thank you to VP Boboy Tan for being the group coordinator and I'm very sure that he will share with us later his experiences during this Japan Visit. In the news, Japan was devastated by the super typhoon. Our prayers for the safety of our Japanese Sister Clubs and friends who are in Japan.

In closing, Mother Teresa once said, "Let us always meet each other with a smile, for the smile is the beginning of love."

Kudos to each and everyone for a job well done and enjoy the rest of the evening. Thank you!

President's Message – October 2019
Today in 1943, Inauguration of the Japanese-sponsored Republic of the Philippines, with Jose P. Laurel as President. Also, today is the death anniversary of Fr. Pedro de Agurto, the first Bishop of Cebu.

A pleasant evening to RCCPC champions!

Welcome everyone for tonight's meeting.

Rotaplast Cebu Medical Mission 2019

On behalf of our RCCPC Officers and Board, I would like to extend my sincerest appreciation and thanks to everyone from your support to our recently concluded flagship project, Cebu Rotaplast Medical Mission 2019.

An expression of gratitude to the following individuals per committee (specific committee and names posted from our last Portside issue) who – in one way or the other – contributed impressively to the attainment of our success, to wit:

- 1.) Rotaplast officer of each day – beginning September 24 (Tuesday) and until October 4 (Friday), the post-operation of our patients;
- 2.) Rotaplast 2019 Committees (Rotaplast Mission, Finance, Secretariat, Chief Liason, Logistics, Transp. & Comm., Marshall & Security, Physical Arrangement, Welcoming, Medical Service, Publicity & Promotion/Internet Connection, Food, and Appreciation/Souvenir/Tour Committee) – with its respective Chairman, Co-Chair and Rotarian members;
- 3.) Rotaplast Delegates Cebu Tour – September 28, 2019 (Saturday), whole day, and Rotaplast Japanese Visitors for Project Tour on the same day;
- 4.) Welcome Dinner – September 28, 2019 (Saturday), 6pm at Cebu Country Club, Banilad, Cebu City;
- 5.) Appreciation Dinner – October 4, 2019 (Friday), 6pm at St. Mark's Hotel, hosted by Cebu City Government.

I was really stunned and amazed by these two individuals, who from Rotaplast Day 1 to Day 9 spent their first hour of each day and feeling like juniors (& not seniors). I am referring to PDG Ted Locson and PP Al Alcibar who really supported the mission with their passion and joy. These two gentlemen deserve a special prize from me for their exemplary service.

Our Rotaplast Mission went well and according to our preparations - from the arrival of foreign visitors, screening of patients, start of surgical operations and up to the last day our mission – the post operation.

While everyone observed the Rotaplast Mission days, there were RCCPC Rotarians – our delegates who went to Japan and, on September 28, attended our sister club's – the Rotary Club of Yokohama Konan – 50th Charter Anniversary and celebrated the Golden Jubilee Celebration in honor of the occasion. Let us hear them tonight from their experience there in Japan.

Last October 9, I had the wonderful experience of joining PDG Anton Florendo in visiting Adventist (Miller) Hospital and checking with our total bills, discussing post-mission concerns, and improvements. With this, we realized that there should be extensive evaluations for possible step up for next year's Rotaplast Mission.

DG Message for Club Bulletin

My fellow "Champion" Club Officers and Rotarians,

This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian's aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor's training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our Rotary International President Mark Maloney who encouraged us to live by the theme: "Rotary Connects the World". Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make **innovative and sustainable CONNECTIONS** with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: First, is to grow Rotary – by strengthening membership, both at the Club and Rotaract levels. Secondly, is to allow Rotary meetings become more flexible, closer to our homes and involve our Family in our service projects or activities. Third, is to develop leaders beyond the club level and provide opportunities for them to grow. And fourth, broadening projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary's major priorities on supporting The Rotary Foundation (TRF) through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our Public Image initiatives would our community be able to value and appreciate the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to **SERVE BEYOND OURSELVES**.

Yours in Rotary Service,

Philip N. Tan
District Governor, RY 2019-20

ROTARY CONNECTS THE WORLD

Rotary is built on connection. When Paul Harris came to Chicago as a young lawyer, he formed Rotary for one compelling reason: to help him connect to others in a new city. More than a century later, we have at our disposal countless ways to form friendships and networks, most of which Paul Harris never dreamed. Yet Rotary's ability to connect us remains unique — and unrivaled.

Through its distinct mission and structure, Rotary International provides a way to connect to our communities, to network professionally, and to build strong and lasting relationships. Our membership connects us to a global community through our countless projects and programs, our leadership in polio eradication, and our work with and through the United Nations. Our service connects us to people who share our values, who want to take action for a better world; it connects us to people we would never otherwise meet, who are more like us than we could have imagined; and it connects us to people who need our help, allowing us to change lives in communities around the world.

As a new decade begins, we are shaping Rotary's future. In 2019-2020, Rotary will implement its new strategic plan, respond to the innovation of the Council on Legislation, and serve in our revitalized areas of focus. But the real work of shaping Rotary's future lies in our clubs, where our organization must do the most to adapt to today's changing realities.

While the club remains the core of the Rotary experience, we are now far more creative and flexible in deciding what a club can be, how it can meet, and even what can be considered a Rotary meeting. We need to be organized, strategic, and innovative in how we approach membership, forging wider and deeper connections to our communities and forming new club models to attract and engage more — and more diverse — members.

Rotary is indeed a family. Yet too often, the structure of membership or the demands of leadership seem to place Rotary out of reach for today's younger professionals. Rotary can and should be an experience that complements our families instead of competing with them. When our Rotary clubs are warm, welcoming places where service and family go hand in hand, we give family-oriented young professionals the opportunity to embrace Rotary service and model positive civic engagement. And when we make the expectations of Rotary offices realistic and manageable for busy professionals, we develop the skills and networks of a new generation of Rotarians — who will become Rotary leaders.

In 2019-2020, it will be our challenge to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.

Mark Daniel Maloney
President, Rotary International, 2019-2020

THE BRIEF HISTORY OF ROTARY CLUB OF CEBU PORT CENTER

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".

The pioneering charter members, most of who are still with the RCCPC, instilled the club's love for sports – golf, bowling and tennis – in that order of popularity among its members. An incessant talk about these sports keeps alive the fellowship that follows its weekly meeting every Monday evening. Do not be surprised if you hear other people mistakenly refer to RCCPC as the Rotary Club of Cebu "Sports Center".

Rotary Hymn

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.
