Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- I. *The development of acquaintance as an opportunity for service;*
- II. *High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;*
- III. *The application of the ideal of service in each Rotarian's personal, business, and community life;*
- IV. *The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.*

I N T E R N A T I O N A L

RCCPC CREDO

We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International.

We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary

“One profits most who serves BEST”.

We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.

As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.

Because we care!

Rotary Hymn

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain: With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain: With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.

Prayer against COVID-19

Lord Jesus, you came into the world to heal our infirmities and to endure our sufferings. You went about healing all and bringing comfort to those in pain and need. We come before you now in this time of illness asking that you may be the source of our strength in body, courage in spirit and patience in pain. May we join ourselves more closely to you on the cross and in your suffering that through them we may draw our patience and hope. Assist us and restore us to health so that united more closely to your family, the Church, we may give praise and honor to your name.

Amen.

Secretary's Message – March 2020

"Take up one idea. Make that one idea your life--think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success." --Swami Vivekananda

Good evening, fellow RCCPC Rotarians!

Tonight, I wish and hope that everything is well and warm. At the present time, the outspread of the novel coronavirus (COVID-19) has been a cataclysm for the economy, shown impuissance in public health systems, and killed several thousand people worldwide. It has also made clear how interconnected the modern world has become. Walls are ineffectual for preventing the waterway movement of the virus around the globe. Thus, we are all advised to stay at home for our safety.

The executive order (E.O.) by the Cebu Province Governor and the Mayors in Cebu was issued last Saturday and took effect yesterday, March 22, 2020 at 3:00 in the afternoon. This E.O. was about the 24-hour Curfew for the students and the elderly, 65 years old and above. This meant that they can not leave their homes except to those needing medical care or during emergencies and they must always bring ID's when travelling outside their homes. A gentle reminder to all RCCPC Rotarians to take extra care in this time of crisis.

During the previous outbreaks due to other coronavirus (Middle-East Respiratory Syndrome (MERS) and Severe Acute Respiratory Syndrome (SARS), human-to-human transmission occurred through droplets, contact and fomites, suggesting that the transmission mode of the COVID-19 can be similar. The basic principles to reduce the general risk of transmission of acute respiratory infections include the following (WHO, 2020):

- Avoiding close contact with people suffering from acute respiratory infections.
- Frequent hand-washing, especially after direct contact with ill people or their environment.
 - Avoiding unprotected contact with farm or wild animals.
 - People with symptoms of acute respiratory infection should practice cough etiquette (maintain distance, cover coughs and sneezes with disposable tissues or clothing, and wash hands).
- Within health care facilities, enhance standard infection prevention and control practices in hospitals, especially in emergency departments.

WHO does not recommend any specific health measures for travellers. In case of symptoms suggestive of respiratory illness either during or after travel, travellers are encouraged to seek medical attention and share their travel history with their health care provider.

HIGHLIGHTS from W.H.O.:

- Six new countries/territories/areas (African Region [2], European Region [1], Region of the Americas [1], South East Asia Region [1] and Western Pacific Region [1]) have reported cases of COVID-19.
- WHO has updated the case definitions. The full guidance document can be found at their website and in Case Definitions.
- WHO regional directors of Europe, the Western Pacific and Africa called for global solidarity to fight COVID-19. Ensuring international cooperation, investing in health, and engaging communities are keys to effectively tackle the pandemic.
- Updated technical guidance on critical preparedness, readiness and response; advice on the use of masks; infection prevention and control; and laboratory testing.
- Open WHO is constantly updating and adding online open courses for COVID19 as a resource for health professionals, decision-makers and the public. As of 20 March, more than 500 000 learners have already enrolled. COVID-19 resources are hosted on 2 learning channels: one for courses in official WHO languages here and a second for courses in additional national languages.

Meanwhile, our PORTSIDE E-bulletin will still be posted at our Viber Group and the District Website at www.rotarydistrict3860.com. We encourage all members to post your concerns and suggestions in our Viber Group account. Online interactions thru social media or group chats in the meantime will be adopted in lieu of actual physical meetings. Tonight, we will be having our mock online meeting using the ZOOM Application. Please download Zoom App and let's try our online meeting there. The App can be downloaded through Windows at <https://zoom.us/download>. Otherwise, for Android and Iphone, it can be downloaded from their respective flat-forms. Zoom App can accommodate 300 participants and we can make this as our meeting App. See and hear you all tonight! According to Eleanor Roosevelt, "Great minds discuss ideas; average minds discuss events; small minds discuss people."

That's all for now, stay safe and healthy my dear RCCPC Rotarians.

God bless us all!

President's Message – March 2020

Today in 1864, A bishop's decree confirms the erection of San Remigio, Cebu, as a parish, thus separating it from the Jurisdiction of Bogu. Its patron saint is San Juan Nepomuceno. Also, today in 1891, Birth in Gapan, Nueva Ecija, of Alfredo V. Jacinto Cebu Provincial Treasurer and Mayor of Cebu City in 1937-38.

It would be difficult for us now to physically meet with our Monday regular meeting at 7:30PM as Metro Cebu mayors already adopting Governor's Gwen's '24-hour curfew' for minor and senior citizens.

What we can somehow do is to really find a way of having a virtual meeting amidst the COVID-19 crisis. I already piloted a test meeting with our Secretary Jensen using Zoom last week and it went well. We will try for more Apps that can do virtual meeting. Anyway, we will be sending invitations to every member on the final App that we will use and install it in to their respective smart cellphones and computers.

BROADCAST MEDIA OPPORTUNITY

Last March 20, 2020, a Friday, some of our Officers/Board and yours truly visited DYRF as RCCPC has been given by one program anchor (and as approved by the station manager) to talk and tell story about our Rotary and other things on its 2-3PM slot, Monday to Thursday.

Before that day, I already was given a time to be aired last Wednesday – March 18, 2020. We are hoping that – by this opportunity - we can still connect leaders, connect families and connect our service projects' recipients through broadcast media despite our COVID-19 predicament and community quarantine situation. It is a continuation of our education campaign to Cebu listeners especially to our areas of concern.

I have to acknowledge with thanks to those who heed my invitations – though I invited only few among our officers/board to have social distancing – namely: Sec Jensen Rachon, VP Boboy Tan, Dir. Robert Barquilla, Dir. Kit Daleon, PAG/PP Boy Unabia, and PP Rey Sabay.

COVID-19 PREPAREDNESS AND RESPONSE

(from the Office of the RI President)

Dear Fellow Rotarian,

The COVID-19 coronavirus is affecting every aspect of our lives in real time, and this puts Rotarians in an unfamiliar place. As People of Action, we are most comfortable when we are fully engaged in the world – moving freely, meeting openly, and offering helping hands. These are very difficult times for people who, like us, are at our best when we are learning, growing, and serving—together.

We are also leaders in our communities, and these times call for leadership. In many ways, this also is our time. We have proven abilities to reach out and collaborate to offer immediate help to people in need at a rapid pace. These are precisely the skills needed all over the world today. The global effort against COVID-19 depends on actions taken in every country. Rotary has the unique ability to help improve those efforts in every community and every country.

Using all the technology we have at our disposal, we as Rotarians can continue to reach out and collaborate on big projects with Rotary clubs, Rotaractors, and Interactors. There are a number of examples where Rotary clubs are helping health authorities communicate best practices or provide needed equipment or support that have been shared with our leaders around the world.

As Rotary's president and president-elect, we have been thinking of these issues very seriously in regard to upcoming Rotary events. As you may be aware, we have made the difficult decision to cancel two Rotary Presidential Conferences honoring our relationship with the United Nations— one in Paris, another in Rome. In the near term, we recommend that Rotary districts and clubs cancel or postpone meetings or events following the advice of national and local health officials.

We know that clubs and districts are seizing the opportunity to become leaders in their communities and are making better use of technology in this time of need. For example, a Rotary e-club in Italy held a live online session about COVID-19 awareness, a Taiwan club worked with companies and a pharmacy association to donate 1,600 bottles of hand sanitizer to the city of Ji-Long, and Rotary clubs in Sri Lanka helped upgrade software and hardware for the health promotion bureau to assist its social messaging.

We cannot know quite yet what path this virus will take. We know we can play a role to help “flatten the curve,” reducing the number of cases in the short term to allow our health systems to address this issue. If the collective global effort helps bring the situation under control, then we hope to re-embrace our core values at the 2020 Rotary Convention in Honolulu. Our time together will have greater meaning and purpose than ever.

Please know that we are taking a close, continuing look at our plans for the convention in June to make sure all attendees' safety will be protected. We are following the lead of the world's most trusted sources, including the World Health Organization (WHO) and the U.S. Centers for Disease Control and Prevention, for their guidance. We want you to be able to make decisions about what is best for you and your families in terms of attending this year's event.

COVID-19 PREPAREDNESS AND RESPONSE

(from the Office of the RI President)

In the meantime, this is an opportunity for us to demonstrate that Rotary Connects the World in innovative ways. We should be closely following the advice of the WHO and local health authorities. Again, this includes canceling Rotary club events and meetings in the short term to reduce unnecessary interactions that could cause infections. We can put a greater emphasis on the work we do in our communities by helping our less fortunate neighbors cope with the effects of isolation and fear, or by supporting our health authorities to address this situation.

We are dealing with this situation in real time. Please visit the [rotary.org](https://www.rotary.org) COVID-19 response page for ongoing updates.

This is an unprecedented challenge for nearly all of us. But it is also an opportunity for Rotarians to find new, meaningful ways to lead individuals and communities to connect and do good in the world.

We have never been prouder to be part of an organization that does so much to protect and strengthen our communities, at home and across the globe.

Kindest regards,

Mark Daniel Maloney

ROTARY CONNECTS THE WORLD

Rotary is built on connection. When Paul Harris came to Chicago as a young lawyer, he formed Rotary for one compelling reason: to help him connect to others in a new city. More than a century later, we have at our disposal countless ways to form friendships and networks, most of which Paul Harris never dreamed. Yet Rotary's ability to connect us remains unique — and unrivaled.

Through its distinct mission and structure, Rotary International provides a way to connect to our communities, to network professionally, and to build strong and lasting relationships. Our membership connects us to a global community through our countless projects and programs, our leadership in polio eradication, and our work with and through the United Nations. Our service connects us to people who share our values, who want to take action for a better world; it connects us to people we would never otherwise meet, who are more like us than we could have imagined; and it connects us to people who need our help, allowing us to change lives in communities around the world.

As a new decade begins, we are shaping Rotary's future. In 2019-2020, Rotary will implement its new strategic plan, respond to the innovation of the Council on Legislation, and serve in our revitalized areas of focus. But the real work of shaping Rotary's future lies in our clubs, where our organization must do the most to adapt to today's changing realities.

While the club remains the core of the Rotary experience, we are now far more creative and flexible in deciding what a club can be, how it can meet, and even what can be considered a Rotary meeting. We need to be organized, strategic, and innovative in how we approach membership, forging wider and deeper connections to our communities and forming new club models to attract and engage more — and more diverse — members.

Rotary is indeed a family. Yet too often, the structure of membership or the demands of leadership seem to place Rotary out of reach for today's younger professionals. Rotary can and should be an experience that complements our families instead of competing with them. When our Rotary clubs are warm, welcoming places where service and family go hand in hand, we give family-oriented young professionals the opportunity to embrace Rotary service and model positive civic engagement. And when we make the expectations of Rotary offices realistic and manageable for busy professionals, we develop the skills and networks of a new generation of Rotarians — who will become Rotary leaders.

In 2019-2020, it will be our challenge to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.

Mark Daniel Maloney
President, Rotary International, 2019-2020

THE BRIEF HISTORY OF ROTARY CLUB OF CEBU PORT CENTER

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".

The pioneering charter members, most of who are still with the RCCPC, instilled the club's love for sports – golf, bowling and tennis – in that order of popularity among its members. An incessant talk about these sports keeps alive the fellowship that follows its weekly meeting every Monday evening. Do not be surprised if you hear other people mistakenly refer to RCCPC as the Rotary Club of Cebu "Sports Center".
