# Object of Rotary

*The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:*

- I. The development of acquaintance as an opportunity for service;*
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;*
- III. The application of the ideal of service in each Rotarian's personal, business, and community life;*
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.*

I N T E R N A T I O N A L

## **RCCPC CREDO**

*We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International.*

*We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary*

*“One profits most who serves BEST”.*

*We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.*

*As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.*

*Because we care!*

# Rotary Hymn

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

**Refrain:** With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

**Refrain:** With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is our guide.

**Refrain:** With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.

## Prayer against COVID-19

O Mary,  
you always shine on our path  
as a sign of salvation and of hope.  
We entrust ourselves to you, Health of the Sick,  
who at the cross took part in Jesus' pain,  
keeping your faith firm.  
You, Salvation of the Roman People,  
know what we need,  
and we are sure you will provide so that,  
as in Cana of Galilee,  
we may return to joy and to feasting after this time of trial.  
Help us,  
Mother of Divine Love,  
to conform to the will of the Father  
and to do as we are told by Jesus,  
who has taken upon himself our sufferings  
and carried our sorrows to lead us,  
through the cross,  
to the joy of the resurrection.  
Amen.  
Under your protection, we seek refuge,  
Holy Mother of God.  
Do not disdain the entreaties of we who are in trial,  
but deliver us from every danger,  
O glorious and blessed Virgin.

## *Secretary's Message – May 2020*

"Your life does not get better by chance, it gets better by change."- Jim Rohn

**Great day** to all RCCPC Rotarians & Spouses!

For many of us, the best way to kick-start our inspiration is through kind and positive quotes. Words that remind us to love ourselves unconditionally. And soon enough, those words will stick with us and we can also look back at them at the times we need them the most. At the moment, these are unsettling times and COVID-19 is clearly impacting our personal and professional lives, and those that we love. I wanted to wish you, your loved ones and fellow Rotarians safe passage through this difficult period.

Please take care, stay positive and find sometime for having fun and smiling. It is challenging operating under the current restrictions however, I am confident that we will get through this, together. There is no blueprint for managing the current situation, it would appear that we must navigate without a map. The truth is that we are all finding our footing – whether at the global, country, organizational and/or individual level.

Without question, the COVID-19 pandemic is a health and economic crisis which we have not witnessed in our lifetimes. It appears that we are in a prolonged period of repeated shutdowns, and neither the human nor economic toll has yet to fully reveal itself.

Last Thursday, May 14, 2020, there were 250 pieces of Face Shields that were given to the LGU of Consolacion. ## *President's Message – May 2020*

*Today in 1958, is the death of Matias H. Aznar II, prominent Cebu educator. ”*

Good day Champion Rotarians & friends!

Cebu City LGU is extending its ECQ until end of this month. It is quite a mixed emotion to think that there are also Cebuano workers affected especially those who are “no work, no pay”.

While we had a pretty confusing Friday in Cebu City last week especially the transition from ECQ to MECQ - then to ECQ again, there were also a number of developments from our Rotary areas of concern. The extension of ECQ until end of May was somewhat timely as we committed to do more than one week and feed more people at Labangon area, one of the Covid heavily affected barangays.

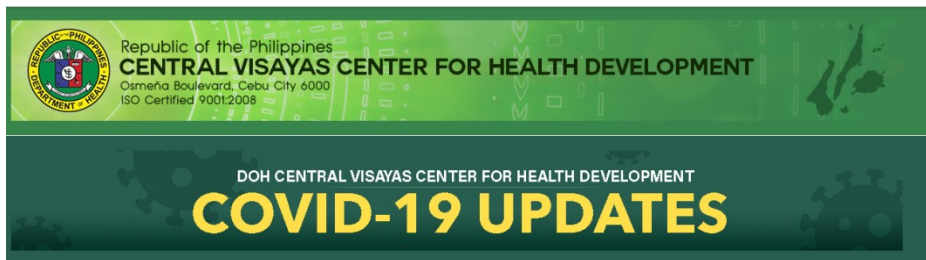

Last Saturday evening, our District 3860 held another Town Hall and invited – among others - the Champion Presidents under the term of DG Philip Tan. On that meeting, DG Philip reiterated that DISCON & DISTAS are now officially cancelled. With our new norm now, i.e. online, DG Philip is hoping that all Rotary clubs will now do online meetings including the upcoming other important Club events like Induction. DGE Riezl Reyes, on his part, made an appeal that IPP should closely mentor the incoming President so that smooth transition is attained. DGE Riezl also reminded Clubs to register their new set of officers for the RY 2020-2021 and already set goals.

Our “Kitchen Soup” project has already been smoothly running and serving include Saturday and Sunday. We thank PP Toby Florendo for heading and overseeing this project. Appreciate also the presence of some Rotarians at Labangon like Dir. Robert Barquilla, PAG/PP Boy Unabia, and those who dropby at our mission site. We are happy that ‘Open Mic’ Resto owner – Ian Osmeña (the who prepared the foods) is also a Rotarian himself. Our Club, however, is still open for additional donations so that we can feed more hungry stomach within this ECQ period. We still have more projects and upcoming Club activities to undertake especially addressing this pandemic. And I am hoping that more members can attend our online meeting so we can discuss our plans thoroughly.

On this juncture, I am inviting everyone - our RCCPC colleagues - to join our Monday Zoom online meeting. Our Rotary Club e-Meeting is at 8PM for us to have more interaction and fun. Zoom invitation (ID No. & password) will be sent by our PE/Sec. Jensen thru RCCPC Viber.

Covid will never sleep but Rotary is fighting round the clock globally and always ready to help our needy populace. Be counted as one. God bless...

**INCOMING!**

3 May 2020

Dear Esteemed Rotarians and Rotaractors of District 3860,

The District Conference (DISCON) Committee has decided to cancel the DISCON this coming May 13, 14 and 15, 2020. I know that you have always looked forward to the DISCON but because of travel restrictions and safety issues, this may not be possible anymore. Your safety takes the highest priority at this time.

In lieu of the DISCON, we will be expanding our souvenir program into a coffee table book that shall contain the history of Rotary and the District, the Speaker Profiles and their Presentations, Club Awards and Recognition based on the Balanced Score Card and the Rotary and Presidential Citations, and other highlights. In line with club awards, the deadline for submission of reports will now be on June 30, 2020 while target publication of the coffee table book will be on the second week of August 2020. As the DISCON kits have already been prepared as early as February, we will find ways on how we can deliver them to you. The coffee table book, certificates and awards, will be included, too.

We are consolidating all records of those who have paid for the individual registration, club listing, advertisements and sponsorships. As soon as we have finished accounting, we will inform you about the procedures on how to get a refund.

Thank you so much for your support and understating. Keep safe always!

Yours in Rotary,

District 3860

April 25, 2020

To my beloved Rotarians of **District 3860**,

Just this morning, at 9:00 am, I was able to connect myself via ZOOM with our **R.I. President MARK MALONEY** for an hour, with other DG's in the Philippines, and Rotary Officers in Parramatta headed by Andrew Best, on the direction of Rotary in the midst of the Covid 19 pandemic that has affected most if not all the lives of Rotarians.

The following are the salient points shared to us:

1. **MEETINGS** – Clubs are encouraged to stay connected using technology, such as ZOOM, Facebook, messenger, to sustain the burning desire to do service and fellowship. The future of Rotary will be using digital apps and social media platforms.
2. **CLUB R. I. DUES** – Clubs who may have difficulty collecting and paying dues because the E.C.Q. restriction must seek request relief from Paramatta on a case-to-case basis.
  - a. There will be no reduction of R.I. dues for Rotary 2020-21, as of this moment pending approval of the incoming RY 2020-21 Board for consideration.
3. **MEMBERSHIP** – Rotary, through the District Governors, will prioritize more on RETENTION, expecting that with this pandemic, some 5% or less may not continue.
4. **GRANTS** – Pending applications specifically for Covid 19 projects by some Districts like ours, may have to wait till some DDF savings of other Districts may have been pooled together.
  - a. As to the Global Grants, the 30% foreign sister-club requirement has been waived momentarily on Covid 19 related projects. Applications has been prioritized by TRF and approved within days, as experienced by some Districts in the Philippines. Coordinate with your DRFC Chair and Grants Co-Chair.

In behalf of our **R.I. President Mark Maloney**, I extend my heartfelt appreciation and gratitude to Clubs, such as the **RC Cebu**, for leading our District in using technology in their on-going regular weekly meetings and stayed connected in raising funds for Covid 19 projects. **We, the Champion Rotarians, will be best remembered most for making a significance in saving many lives during this once-in-a-lifetime Crisis for our act of kindness.**

God will bless us by being SAFE and healthy with our respective families.

Yours in Rotary

The New Norm

- 1- Every tragedy brings a silver lining & we just have to work on making Rotary work better in this difficult situation.
- 2- Rotary International is operationally & financially sound. We're expecting drop in membership but it should be not more than 5% (our lowest during the 1930 depression).
- 3- We work on retention. Keep clubs going. Don't let clubs "languish" (i.e. no meetings, activities, communication). Engage new Rotarians (2 y/o & below).
- 4-No blanket relief from RI Dues but RI will work with clubs having financial difficulties (extend payment terms/ sched- case-to-case basis).
- 5- RI HQ is working harder than before & needs our (financial) support.
- 6-We have opportunity to create new culture & step up in this new environment. Clubs can now be more flexible & innovative. It's up to us leaders to help clubs find ways do their service activities in the new situation.
- 7-"Never waste a good crisis" (Winston Churchill) - there are great opportunities in this current crisis & we will emerge as a better organization after this.

**Subject:** 2020 Cebu Rotaplast Mission Cancelation

**Dear Anton,**

I hope this greeting finds you and your family well and safe during this COVID-19 pandemic. I think of you often and sincerely wish you well.

I'm writing to officially cancel the 2020 Rotaplast Mission to Cebu. The pandemic has impacted global travel and these restrictions as well as the type of elective surgery we perform, prevents us from entering the Philippines and other countries for sometime well into 2021. At this time we do not yet know about a reschedule at the end of 2021.

None of us have a crystal ball. We know the restrictions imposed by the spread of this pandemic will cause a backlog of new and existing cleft lip and palate patients. We watch and wait and hope we can resume our missions in the future when it is safe for the patients and the team.

Anton, please extend my profound appreciation for the past ,present and future support from the full Rotary team from the Rotary Club of Port Central. You are so special to us and I will never ever forget being in Cebu on the Rotaplast mission that was supported in memory of my dear Rotarian surgeon husband Dr. Vicente Garcia Rubin . It was a mission near and dear to my heart sponsored in his memory by my and his Rotary District D7930 in Boston Massachusetts. That is still our best Rotaplast video. I so enjoyed that mission being in Cebu with Evelyn Abad ,all my District Rotarians, and my Cebu Rotarian contacts and the entire Cebu team ,the hospital and staff and volunteers. This was my personal favorite mission despite being stranded and delayed by the typhoon ! Quite an experience but it did not take away from the wonderful humanitarian work we provided in Cebu,changing and improving so many lives.

I will be notifying our sponsors of this cancelation and hope we can still look forward to a future mission in Cebu. My former District will be awaiting their devoted accrued sponsorship toward this future mission. None of us have a crystal ball to foresee the end of this pandemic . What we do know is that hopefully we will come out the other side of this strong ,safe and well, to continue our work.

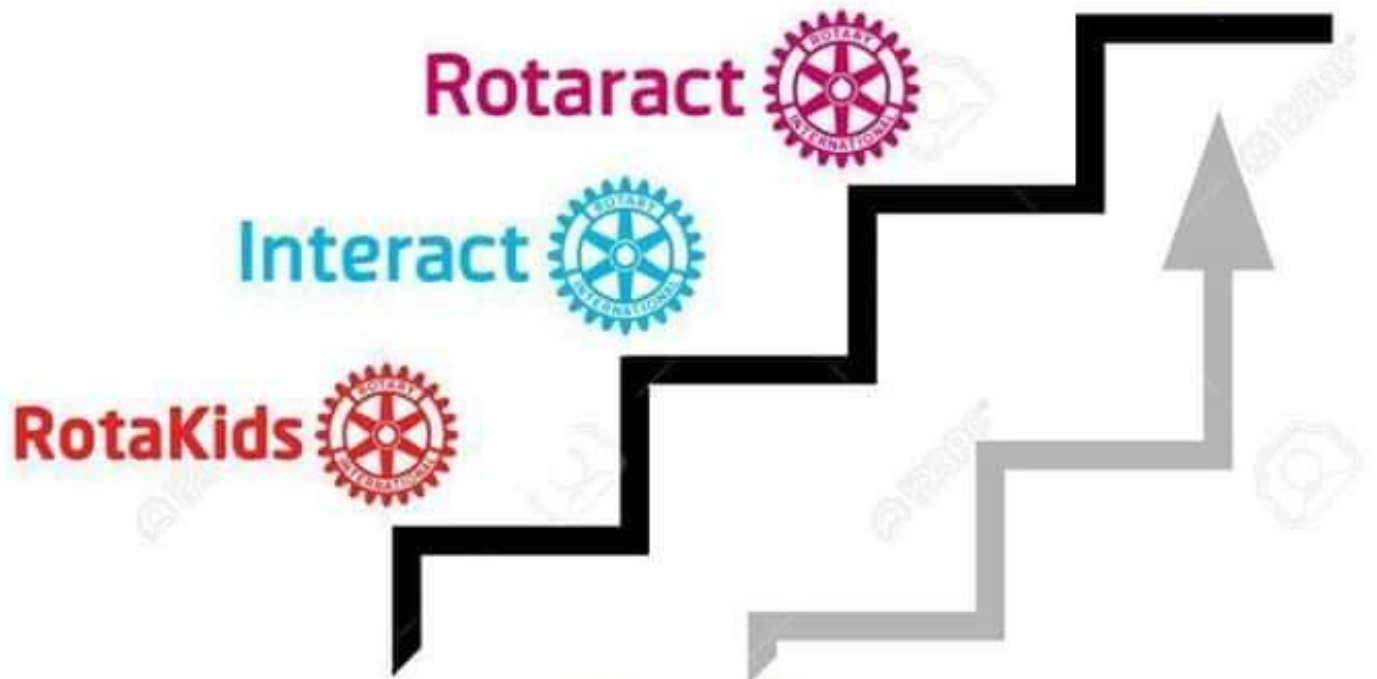

I send you , your family, and the club, volunteers and patient recruiters, my warmest greetings and blessings to you all.

Until the next time , I remain sincerely yours in Rotary Service,

# New Generations are the Future of Rotary

[www.rotakidsworld.com](http://www.rotakidsworld.com)

## ROTARY CONNECTS THE WORLD

Rotary is built on connection. When Paul Harris came to Chicago as a young lawyer, he formed Rotary for one compelling reason: to help him connect to others in a new city. More than a century later, we have at our disposal countless ways to form friendships and networks, most of which Paul Harris never dreamed. Yet Rotary's ability to connect us remains unique – and unrivaled.

Through its distinct mission and structure, Rotary International provides a way to connect to our communities, to network professionally, and to build strong and lasting relationships. Our membership connects us to a global community through our countless projects and programs, our leadership in polio eradication, and our work with and through the United Nations. Our service connects us to people who share our values, who want to take action for a better world; it connects us to people we would never otherwise meet, who are more like us than we could have imagined; and it connects us to people who need our help, allowing us to change lives in communities around the world.

As a new decade begins, we are shaping Rotary's future. In 2019-2020, Rotary will implement its new strategic plan, respond to the innovation of the Council on Legislation, and serve in our revitalized areas of focus. But the real work of shaping Rotary's future lies in our clubs, where our organization must do the most to adapt to today's changing realities.

While the club remains the core of the Rotary experience, we are now far more creative and flexible in deciding what a club can be, how it can meet, and even what can be considered a Rotary meeting. We need to be organized, strategic, and innovative in how we approach membership, forging wider and deeper connections to our communities and forming new club models to attract and engage more – and more diverse – members.

Rotary is indeed a family. Yet too often, the structure of membership or the demands of leadership seem to place Rotary out of reach for today's younger professionals. Rotary can and should be an experience that complements our families instead of competing with them. When our Rotary clubs are warm, welcoming places where service and family go hand in hand, we give family-oriented young professionals the opportunity to embrace Rotary service and model positive civic engagement. And when we make the expectations of Rotary offices realistic and manageable for busy professionals, we develop the skills and networks of a new generation of Rotarians – who will become Rotary leaders.

In 2019-2020, it will be our challenge to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.

## THE BRIEF HISTORY OF ROTARY CLUB OF CEBU PORT CENTER

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".

The pioneering charter members, most of who are still with the RCCPC, instilled the club's love for sports – golf, bowling and tennis – in that order of popularity among its members. An incessant talk about these sports keeps alive the fellowship that follows its weekly meeting every Monday evening. Do not be surprised if you hear other people mistakenly refer to RCCPC as the Rotary Club of Cebu "Sports Center".
