The Four-Way Test

Of the things we think, say or do.

- | | |
|----------------------|---|
| <u>First</u> | Is it the TRUTH? |
| <u>Second</u> | Is it FAIR to all concerned? |
| <u>Third</u> | Will it build GOODWILL and BETTER FRIENDSHIPS? |
| <u>Fourth</u> | Will it be BENEFICIAL to all concerned? |

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First - The development of acquaintance as an opportunity for service;

Second - High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third - The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth - The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

RCCPC Credo

We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International. We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary

"One profits most who serves BEST".

We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.

As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.

Because we care!

Rotary Hymn

*I want to be a Rotarian for the world,
Make the Rotary flag as the flag of
peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my
all,
World understanding shall be my
cherished goal.*

*With the Four Way Test
I'll pursue my quest
And if I, in a way help obtain
Peace in the world
I shall not have lived in vain.*

*I observe service above self,
Lend a hand to all who need my
help;*

*I'll get my spouse to involve in Rotary
And in Rotary ways I will train my
family.*

*With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
We shall not have lived in vain.*

*Build a bridge for tomorrow's youth,
Strengthened by nothing but the
truth;
Let's join our hands, there's no
reason we'll divide.
We shall all understand, why the
good Lord is our guide.*

*With the Four Way Test
We'll pursue our quest
And if I, in a way help obtain
Peace in the world
We shall not have lived in vain.*

*Peace be achieved,
We shall not have lived in vain.*

Secretary's Message

*Sec. Antonio Sulay II
R.Y. 2020-2021*

Good evening fellow RCCPC Rotarians.

My apology for being not around last General membership Meeting and Induction of our two new members due to very important family matters to attend. Special thanks to Asec. Ludwig for assuming my duty last Monday.

Last meeting was indeed one of the books for our meetings because of 22 RCCPC Rotarians

with our two own PDG's, PDG Anton Florendo and PDG Ted Locson were present together with our only female member, honorary member and our Rotaplast Mission Director, Rtn. Evelyn Aba.

We have also guests from the District 3860 headed by DG Rodel Riezl Reyes, IPDG Philip Tan, PDC Ricky Andres, IPP Candy Cuzi – RCMetro Cebu and our very own AG Rodien Paca. The event will not be this momentous without highlights of the meeting, induction of two new members and now official rotarians, Rtn Dennice Tito Mendoza with Spouse Jenniefel and Rtn. Marlon Philip Pajulas with Spouse Annabel. Again, welcome and congratulations to you both.

In relation to membership, since August is the **Membership and New Club Development** Month in Rotary Calendar we already update and submit their names to Rotary International and this ables our club reach our goal in Membership which to admit atleast one member.

President's Message

*Pres. Jensen Racho
R.Y. 2020-2021*

Good evening to all fellow Transforming Rotarians.

Today in the history of Cebu, “On August 3, 1900, the residents of Liloan and Tabogon, through their respective town councils, register a formal protest against the American occupation of their towns. While on August 1, 1940, Jose Delgado assumes the mayorship of Cebu City, succeeding Vicente Rama. Delgado remains mayor until April 10, 1942, when he is succeeded

by Juan C. Zamora, Japanese occupation mayor of Cebu.” - This is a research done by **Dr. Resil Mojares**, a National Artist for Literature in 2018.

Our **first month is in the books!** And what a grand month it was: first virtual induction and turn-over ceremonies, inducting new members, finding the gavel....

August is **Membership and New Club Development** Month in Rotary, when we energize our membership with new blood, new visitors, fun videos and forming new friendships even in the virtual world. Exciting times in Rotary as we look to add names to our rosters and to form new alliances!

One such alliance is the creation of club membership committee, not relying on a single chair person. With the formation of a committee, we have fresh ways to look at membership attraction, and the opportunity to infuse diversity into our ranks. When the new committee suggests—then implements—their membership attraction strategy, the members catch the renewed spirit of a vibrant club, a double whammy!

And remember our families! We encourage bringing partners and other family members to meetings and events even in the virtual world. Have a neighborhood social where Rotarians and friends get together for fun and socializing with a distance through online meetings.

President's Message

*Pres. Jensen Racho
R.Y. 2020-2021*

Of course, we are a member organization that does good in the community and in the world. Invite coworkers, neighbors and family to our service organizations. Do you remember your **impressions the first** time you were in the Club Fellowship Night? When you played Santa's helper for underprivileged children? After your arm ached from pouring more Coke-Rum than you've ever consumed?

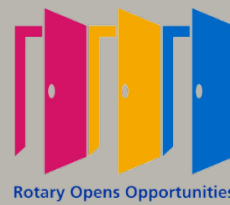

We are proud to be ROTARIANS! Be proud to be a sponsor. Be happy and greet our visitors like they belong amongst us! **Let's GROW ROTARY!**

On the other hand, we will be able to tell Our Story, because our identity is more than just our logos and colors. It is the essence of who we are and what we do. Strengthening our club and membership will help us tell that story in a compelling way. Many of us rarely visit **my.rotary.org** (It has a new image & format) and take advantage of the online tools that have been so well designed for our development. Whether we are looking to **ATTRACT, ENGAGE, CONNECT, ADAPT or GROW**, these are excellent resource tools. The learning center provides avenues for us to be more effective Rotarians, and provides training at our finger tips, while the inspiration for your next project can be just a visit to **Rotary Ideas or Showcase**. Promoting our club has been made simple by the brand center and I encourage you to take advantage of it.

In closing, **Frank Sinatra** once said with a twinkle "You only go around once, but if you play your cards right, once is enough."

Thank you for joining us and hope to see you again in the next meeting!

Rotaplast Message

Dear Rotaplast Family:

The Board of Directors of Rotaplast International extends our thanks to all of our volunteers, donors, supporting Rotary districts and international partners for your support and dedication over the past 27 years. So far, we have supported 220 missions to 26 countries and treated 20,200 patients.

Those of you who have served on missions or followed the blog know the heartbreaking stories of our patients' lives, and the heartwarming stories of how Rotaplast has changed those lives for the better. We hope that being a part of this organization means as much to you as it does to us.

As a result of the COVID-19 pandemic, we have been meeting weekly to discuss the evolving situation and plan for the future. Because of the uncertainty surrounding international travel, and the risks of sending volunteers into limited resource environments, we have postponed all missions for the rest of 2020 and into the first quarter of 2021. We are monitoring the global situation closely and remain dedicated to resuming our important mission work as soon as it is safe to do so. In this interim we are focused on minimizing expenditures, maintaining our assets and maximizing our opportunities to resume successfully. We are focused on using this time to refining our systems to improve the quality of care we provide.

We are well aware that many of the countries that we serve have been hit particularly hard by the pandemic. Their health care systems have been severely challenged. We are exploring opportunities for continuing support of our host sponsors and their patients such as remote education or critical care supplies. We anticipate that there will be a significant backlog of children needing the free life-changing corrective plastic surgery that we offer. We want to be ready to address that need.

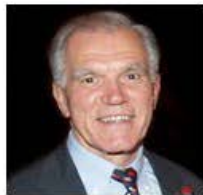

Rotaplast Message

With that in mind, we ask that as you plan your charitable giving in the coming months, you remember Rotaplast and the amazing and inspiring work that we do. Our vision is that Rotaplast will emerge from the present crisis stronger and with renewed energy to serve as many children as possible.

We think of our Rotaplast community as a family. We value the dedication, talents and contributions of each of you. We hope you are all staying safe and healthy and look forward to serving with you in the future. Please follow us on our website (Rotaplast.org) where we will post regular updates. The office phones and email address will be maintained. We remain always available to answer your calls.

Thank you again

R.I. President's Message (Aug 2020)

*R.I. Pres Holger Knaack
R.Y. 2020-2021*

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped.

We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere—in traditional meetings, on cellphones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

R.I. President's Message (Aug 2020)

*R.I. Pres Holger Knaack
R.Y. 2020-2021*

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

As Rotary's founder, Paul Harris, said, we have to be revolutionary from time to time. Now is such a time. *Rotary Opens Opportunities* — countless ones — for us to embrace change that will strengthen us even as we remain true to our core values.

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".

COVID-19'S CAPACITY TO SPREAD (R_t VALUE)

July 4: 0.94 ± 0.02

July 5: 1.04 ± 0.02

Nationwide R_t

The time-varying **reproduction number (R_t)** indicates the possible number of people being infected by a sick person, at a specific time with control measures in place.

IMPORTANT NOTE. The reproduction number is measured using symptom onset, we do not include in the interpretation the past 14-16 days given the time between symptoms, health seeking, testing, and reporting. When interpreting the reproduction number keep in mind that it is a **lagging indicator**. Please do not expect this number to change daily.

- The reproduction number (R_t) was around 2 early on in the outbreak. This meant that each confirmed person with COVID was infecting 2 other people.
- Based on the latest data, we are 95 percent confident that $R_t = 1.04 \pm 0.02$, which means each infected individual was infecting an average of 1.04 other persons **around two weeks ago**.
- **Lowering this value is made possible through efforts such as social distancing, wearing of PPE, and other means to stop the spread of the virus.**
- The goal is for R_t to be less than 1 and sustain it, which would mean that, on average, an infected person is infecting less than one person, eventually stopping the transmission of COVID-19.

UTILIZATION OF COVID-19 BEDS

Note. The number of confirmed severe and critical cases may not necessarily correspond to occupancy of ICU beds and mechanical ventilators as suspect and probable cases in severe or critical condition also utilize these resources. Facilities which did not submit a daily utilization report have their most recent carry over to today.

DAILY TESTING STATISTICS (Data for July 31 as reported as of August 1, 6 PM)

Daily Testing Output (Nationwide)

Daily Positivity Rate

Testing Output (July 31)

Samples Tested	28,230
Individuals Tested	26,149
Positive Tests	3,641
Positivity Rate	13.9%
Testing Backlogs	4,306
Compliance of Labs	71/89

Cumulative Testing Output

Samples tested	1,534,319
Individuals Tested	1,433,544
Positive Tests	136,118
Positivity Rate	9.5%

Notes.

1. The DOH is continuously validating the number of positive individuals as reported by the laboratories. When necessary, they are deduplicated. As such, the discrepancy with the number of confirmed cases does not necessarily reflect backlogs in case validation.
2. Please visit www.doh.gov.ph/covid19tracker for details regarding the testing output per laboratory.
3. A 6 PM cut-off for the situation report is used, and so the numbers presented here are not yet final. A few laboratories submit data between 6 PM and the time the public data drop is generated.
