## Object of Rotary

*The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:*

**First** - The development of acquaintance as an opportunity for service;

**Second** - High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third** - The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth** - The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## RCCPC Credo

*We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International. We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary*

*“One profits most who serves BEST”.*

*We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.*

*As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.*

*Because we care!*

# Rotary Hymn

- I. I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.
- II. With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived in vain.
- III. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in  
Rotary  
And in Rotary ways I will train my family.
- IV. With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
We shall not have lived in vain.
- V. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, why the good Lord is our guide.
- VI. With the Four Way Test  
We'll pursue our quest  
And if I, in a way help obtain  
Peace in the world  
We shall not have lived in vain.
- VII. Peace be achieved,  
We shall not have lived in vain.

# President's Message

*Pres. Jensen Racho  
R.Y. 2020-2021*

Good evening to all Transforming Rotarians & Guests,

**Today in the history of Cebu**, “On August 24, 1898, The Philippine Revolution begins. In a secret assembly of the Katipunan held in the Manila suburb of Balintawak, a decision is reached to start a general uprising against Spain” - Dr. Resil Mojares

In connection of the Membership and Club Development Month, we know that we are looking for right people who are community-minded, helpful and resourceful.

As Rotarians we need to create a positive experience within our Club, one that is based on the Four Way Test where our actions are fair to all, build goodwill and better friendships and beneficial to all concerned. Once we acknowledge that, we can assert our reputation as being welcoming, diverse and inclusive into our communities.

Attracting members to join Rotary may well be easier than retaining them. With that in mind, we need to select our members carefully. We must make sure that they are a good fit with your Club and that meets their expectations. Clubs are the vehicle to being a Rotarian. For the future success of Rotary, we need to think of membership as being part of Rotary International, not an individual Club.

Meanwhile, we have upcoming community projects that are ready for implementation with the Service Project Committee led by PAG Boy Unabia, PP Rey Sabay, Dir. Robert Barquilla and Dir. Walter Ong, namely:

1. Hand Washing Station at Tisa Elementary School;
2. Water Supply & Drilling at Tisa Elementary School;
3. Basic education and literacy on the health protocol for school teachers, parents and barangay leaders of Tisa. Our resource speaker is PAG Dr. Boy Unabia; and
4. Distribution of Trash Cans at Tisa Elementary School.

# President's Message

*Pres. Jensen Racho  
R.Y. 2020-2021*

These projects will be launched on August 29, 2020, 11:00 in the morning at Tisa Elementary School, Cebu City. Please join us and wear your dark blue shirt Club uniform. My appreciation and thanks to all the donors most especially to PP Marcy Koike and the Japanese Sister Clubs, namely: RC Yokohama Konan, RC Yokohama Konan Dai, RC Tatebayashi and RC Oita Minami for their donation to our water drilling projects and to Dir. Walter Ong (Worldwide Steel Corporation & Worldwide Home depot) for the construction materials of the Hand Washing Station project.

**Talking about health protocol**, there is a great idea from Past President George Hong about helping our community to abide the health protocol set by the government by wearing face mask at all times in the public areas aside from social distancing and hand washing. Since many of our urban poor residents in the city cannot afford to buy a face mask in this trying time, we are initiating to donate a **Washable Face Masks** at Barangay Luz, Cebu City. Aside from protecting them, this project can also create a big impact on the Rotary public image in the neighborhood considering that the Rotary brand is printed on it. Please join us in this endeavor to help and protect our unfortunate fellow Cebuanos by contributing any amount to our fund raising campaign. It will be posted at the Viber group by Sec. John. My appreciation and thanks goes to PP George Hong as the Project Chairman and to all donors.

Tonight, PP Jack Jamero will talk about the state of the banking sector during this time of the pandemic.

In closing, ““There is nothing more beautiful than someone who goes out of their way to make life beautiful for others.”— **Mandy Hale**

Thank you for joining us and hope to see you again in the next meeting!

## RCCPC Brief History

*In the beginning were five men and one vision...*

*In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.*

*What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.*

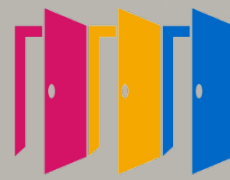

*It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".*

*The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.*

*Pepe Casing was honored with the venerable title of "Godfather".*

## BEHAVIORAL MESSAGES OF THE DAY

As of 22 August 2020

- The country's continuous battle against the virus has affected a number of sectors, including public transportation. Hence, the need to have an alternative way of transporting. To ease everyone's burden, **Joint Administrative Order (JAO) 2020-0001** was signed to serve as a guide on **promoting and designating safe Active Transport**.

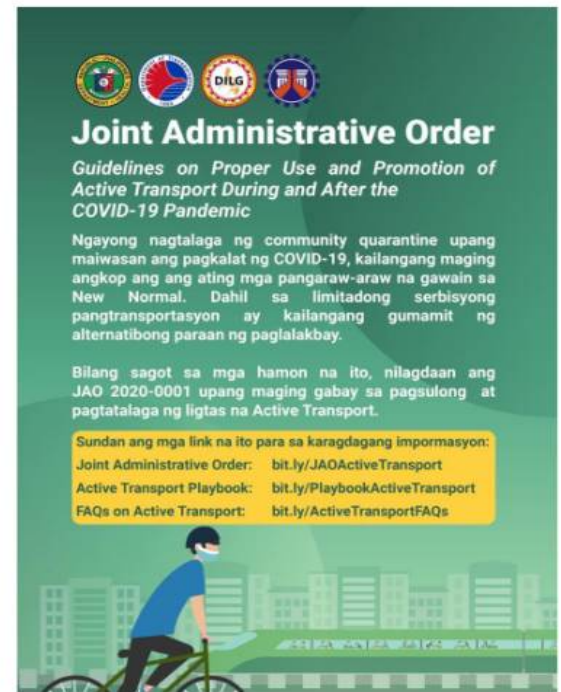

For more information visit the following links:

JAO: [bit.ly/JAOActiveTransport](https://bit.ly/JAOActiveTransport)

Active Transport Playbook: [bit.ly/PlaybookActiveTransport](https://bit.ly/PlaybookActiveTransport)

FAQs on Active Transport: [bit.ly/ActiveTransportFAQs](https://bit.ly/ActiveTransportFAQs)

- While quarantine measures have eased out in some areas, **going outside for non-essential reasons is still discouraged**. If truly needed (such as running errands or reporting to work), **everyone is advised to observe minimum health standards and double-check all the essentials needed before going out**.
- Due to the quarantine, our body movements have been limited but it is still essential to do enough **physical activity to strengthen one's immunity**. Everyday, the recommended time of physical activity for 0-17 years old is 1 hour (moderate + vigorous), while for 18 years old and above, it should be 2 hours and 30 minutes (moderate), 75 minutes (vigorous) or combination of the two within a week. The DOH suggests to do a 30-minute moderate or vigorous physical activities everyday to achieve the recommended time.

**Joint Administrative Order**  
*Guidelines on Proper Use and Promotion of Active Transport During and After the COVID-19 Pandemic*

Ngayong nagtatala ng community quarantine upang maiwasan ang pagkalat ng COVID-19, kailangang maging angkop ang ating mga pangaraw-araw na gawain sa New Normal. Dahil sa limitadong serbisyong pangtransportasyon ay kailangang gumamit ng alternatibong paraan ng paglalakbay.

Bilang sagot sa mga hamon na ito, nilagdaan ang JAO 2020-0001 upang maging gabay sa pagsulong at pagtatalaga ng ligtas na Active Transport.
