# President's Message

*Pres. Jensen Racho  
R.Y. 2020-2021*

Good evening to all Transforming Rotarians & Guests,

**Today in the history of Cebu**, “On September 7, 1522, The remnants of the Magellan expedition, led by Sebastian del Cano, arrive in San Lucar de Barrameda in Spain, thus completing the first circumnavigation of the globe.” - Dr. Resil Mojares

I welcome you to the new month of **September**. Time really flies! This is my 9th weekly message already and it seems like only yesterday I became president. I am really quite astonished as to how much appears to happen in just two months.

The Rotary International monthly theme for September is “**Basic Education and Literacy Month**”, with the collective goal of strengthening the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. Last month, we had responded the call on **Brigada Eskwela: Bondpaper Mo, Module ko project** of IBA Elementary School, a mountain barangay in Talisay City. We handed over 50-ream of Long Bond paper and 2 sets of EPSON Printer to the teachers of the school so that they can start making their class printed modules for the pupils. This school has no wifi or internet connection, thus online class is impossible. My appreciation and thanks goes to the RCCPC Spouses for taking the lead in this project and to all sponsors.

Aside from the teaching support in IBA Elementary School, last week, August 29, 2020, we had initiated a talk on **basic education and literacy for health protocols** set by the DOH to the school teachers, PTA, and barangay officials in preparation to the opening of classes on October 5, 2020. Thanks to PAG Boy Unabia for being the resource speaker. Thank you also to the following Rotarians who attended the event, to wit: 1. PAG Boy Unabia, 2. PP Rey Sabay,

3. Treasurer Buboy Tan and Spouse Marz, 4. Dir. Nestor Toledo, 5. Dir. Robert Barquilla and yours truly.

Tonight, we have invited Past Assistant Governor Stephen Chian of RC Cebu to talk about the Rotary Foundation and its updates.

In closing, **Anne Frank** once said with a lovely smile, "No one has ever become poor by giving."

Thank you for joining us and hope to see again in the next meeting!

# R.I. President's Message (Sept 2020)

*R.I. Pres Holger Knaack  
R.Y. 2020-2021*

Rotary youth exchange — one of the many programs for youths and young adults that we celebrate this month — was my path into true engagement in Rotary. My wife, Susanne, and I began hosting exchange students soon after I joined, and the experience helped me go from simply being a member of my Rotary club to being a true Rotarian. Now Rotary Youth Exchange is a family tradition, and a strong one: Over the past 24 years, we have hosted 43 students

From the start, we loved it so much that, in addition to hosting students

in our home, we became involved with the program by helping to organize student summer camps. During one such camp, I met Christine Lichtin, who was a German high school student at the time and whose father is a past president of my Rotary club. To try something new during this year of embracing change, I am turning this space, normally reserved for the president of Rotary, over to Christine so she can share her story

*My first contact with Rotaract was about 13 years ago, when I was with Susanne and Holger at a barbecue for the summer youth camp. Holger turned to me and said: "Why don't you visit a Rotaract club? You'll meet a lot of great young people who come together to have fun and to make a difference."*

*A few years later, when I was at Trier University, his words came back to me and I decided to give it a try. That was more than eight years ago, and I'm still at it. Once you are in Rotaract, you just don't want to get out. Rotaract has accompanied me everywhere, starting with the Trier club and then on to a club in Bologna, Italy, during the year I studied there. When I was in Kiel for my master's degree, I got involved with Rotaract there before landing at the Rotaract Club of Hamburg-Alstertal as I began my career. Each of those clubs has its own identity and focus, but all have the same intrinsic motivation.*

*I am now taking on a senior advisory role in my Rotaract club, which I really enjoy. I carry Rotaract in my heart, and it shapes my values, even as my*

# R.I. President's Message (Sept 2020)

*R.I. Pres Holger Knaack  
R.Y. 2020-2021*

*interests evolve. One day, as if she had sensed this evolution, Susanne knocked on my door, wanting to introduce me to a young, modern Rotary club located between Hamburg and Mölln, my hometown. The E-Club of Hamburg-Connect, which Susanne helped charter, holds e-meetings, all of them very relaxed and personal. With members of different ages, everything just seemed to fit, so I thought, why not try it out? After all, time is precious and should be filled with fun whenever possible; the rest happens by itself.*

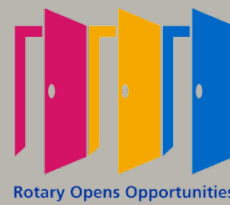

*Now I am in both worlds — a proud member of Rotaract and a Rotarian. And my small personal*

*goal is to build a bridge between these two parallel worlds. All of us have very similar reasons for being part of the Rotary family.*

It took some persistence to persuade Christine to become a member of Rotary, but it was well worth the effort. It is our duty to put in this kind of effort with youth program participants and Rotaractors so we can keep them in the family of Rotary. I hope you were inspired by her story. It's up to each of us to ensure that more young people like Christine can experience the many ways Rotary Opens Opportunities for us and for the people we serve.

## RCCPC Brief History

*In the beginning were five men and one vision...*

*In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.*

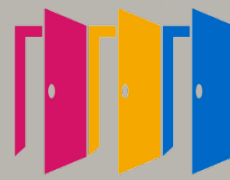

*What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.*

*It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".*

*The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.*

*Pepe Casing was honored with the venerable title of "Godfather".*

**Asymptomatic**

A patient with an RT-PCR confirmed case of COVID-19 without symptoms.

**62,476**  
(90.4%)  
**Mild**

A patient with mild symptoms and stable vital signs. Unless the patient belongs to high-risk subgroups or has comorbidities, they are often not admitted to a treatment facility.

**657**  
(1%)  
**Severe**

A patient with difficulty breathing, altered mental status, considered high-risk or in need of hospital care.

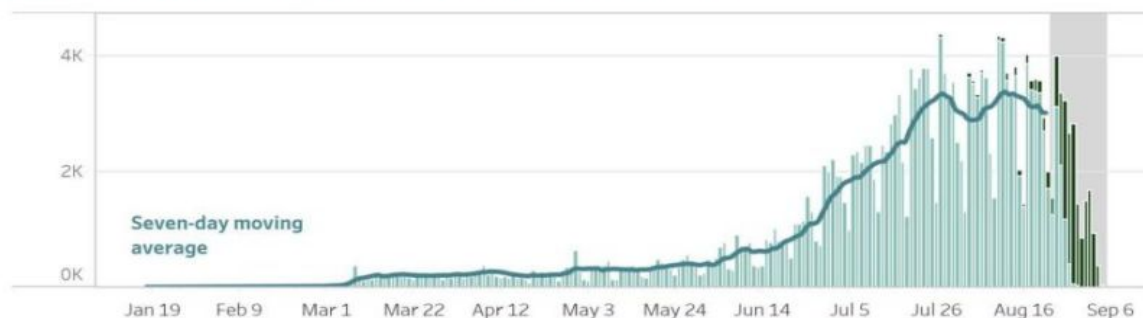

**982**  
(1.4%)  
**Critical**

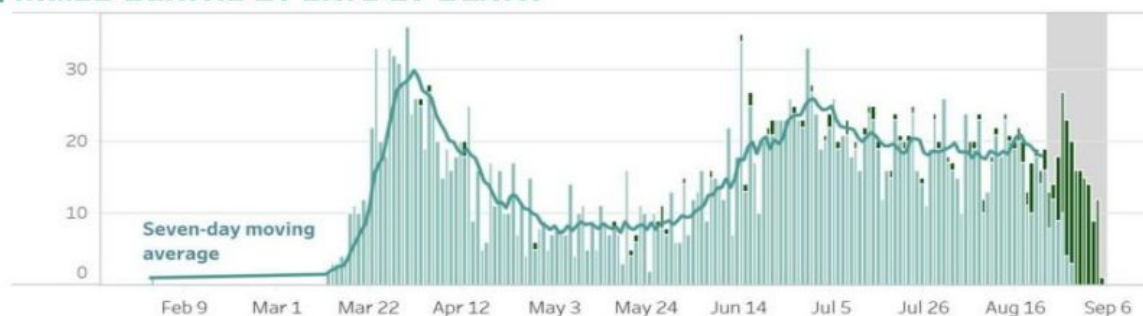

A patient with impending or ongoing respiratory failure, in need of mechanical ventilation, or with evidence of end-organ damage.

**Note.** A person who is classified as having a mild case of COVID-19 but is considered high-risk due to age or the presence of comorbidities must be admitted to a treatment facility. Severe or critical cases must be admitted to a treatment facility, regardless of inclusion in high-risk subgroups or presence of comorbidities.

### CONFIRMED CASES BY DATE OF ONSET OF ILLNESS

### CONFIRMED DEATHS BY DATE OF DEATH

#### Notes.

1. Bars with dark green colors indicate the actual date of onset or date of death for cases reported from August 9 to August 15.
2. In cases where date of onset of illness is unreported, date of specimen collection was used as proxy. Cases that do not have both are not accounted for in the date of onset histogram. As of this situation report, around 10% of cases have unreported dates of specimen collection and onset of illness.
3. **Owing to delays in reporting, case counts in the gray shaded area are still most likely incomplete. Hence, we urge caution in interpreting data beyond this date.** Rest assured that the DOH continues to work tirelessly to ensure the timely reporting of accurate data.
