ROTARY

Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- I. The development of acquaintance as an opportunity for service;*
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;*
- III. The application of the ideal of service in each Rotarian's personal, business, and community life;*
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.*

INTERNATIONAL

RCCPC Credo

We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International. We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary

"One profits most who serves BEST".

We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.

As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.

Because we care!

PRESIDENT'S REPORT

Good evening to all Transforming Rotarians and Guests,

Today in the history of Cebu, “On **October 19, 1898**, A battle takes place in Bogo between Spanish troops and Cebuano insurgents led by Don Nemesio Maxilom, the encounter is indecisively concluded with casualties while on **October**

19, 1961, Death of Philippine President Sergio Osmeña (1878-1961). Death came at 1:30 P.M. at the Veterans Memorial Hospital in Manila.”- Dr. Resil Mojares

Welcome everyone to our weekly meeting. Our adapted community is the Sitio Mahusay, Subangdaku, Mandaue City. We transformed this Sitio into a **Rotary Community Corps of Sitio Mahusay Subangdaku** and was chartered last July 28, 2020 by the Rotary International. Last Friday, we created a **Fire Brigade in this Sitio** together with the Non-Rotarians or Sitio Leaders of Sitio Mahusay. The Fire Brigade was created as a first line of defense in case of fire in the Sitio. This was started with a dream shared by PDG Anton Florendo that one day we can initiate to create a Fire Brigade in a community. Last Friday the dream became a reality as we organized and created a Fire Brigade in our RCC and gave them 15 sets of Brand new and high-quality Fire Extinguishers (15kgs) and training workshop on how to use it. It was participated by our Rotary Youth Leaders of Subangdaku, Barangay officials, BFP and the young fire fighters. In my dream that one day, this community will have their own Fire Truck aside from the fire extinguishers. Thank you so much to all the donors.

Meanwhile, our advocacy in **Maternal and Child Care** by distributing **Vitamins and Clinical Instruments** to Barangay Health Centers will continue as there are more barangays that requested these items from us. I am glad that our new PHF club member Rtn. Marlon Pajulas will help us on this as we need more donors for this project.

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".

The Department of Health has issued Department Memorandum (DM) Number 2020-0439¹ “Omnibus Interim Guidelines on Prevention, Detection, Isolation Treatment, and Reintegration Strategies for COVID-19”, to provide interim guidelines on surveillance, screening, contact tracing, quarantine or isolation, and testing as part of the COVID-19 response.

This interim guideline was developed to continuously recalibrate the DOH’s strategies targeted to address the overall objective of the COVID-19 response, and monitor innovations and technologies which can be potentially useful in detecting the virus.

BEHAVIORAL MESSAGES

- While the country continues to respond to the COVID-19 pandemic, the measles and polio situation demands serious and urgent attention to avoid impending outbreaks and to protect the lives of children. The Department of Health, with support from the World Health Organization and UNICEF, will be conducting a nationwide measles, rubella, and polio supplemental immunization activity (MR-OPV SIA) campaign.
- Measles, rubella, and polio are highly contagious and can all lead to death but they are also all vaccine-preventable diseases. Measles and rubella can cause severe complications while polio causes lifetime paralysis. There is no cure for such diseases but vaccination is the safest and most effective way to prevent them.
- Just like all the other vaccines in the routine immunization program, measles and polio vaccines have been proven safe and effective and we have been using these in the Philippines for more than 40 years already.
- Parents and guardians are encouraged to get their child vaccinated (< 5 years old) from measles, rubella, and polio. On October 26 to November 25, there will be an extensive vaccination in Regions 1, 2, MIMAROPA, CAR, 5, and whole of Mindanao for free.
