# Rotary Hymn

I. I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

II. With the  
Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived in vain.

III. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

IV. With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, why the good Lord is our guide.

VI. With the  
Four Way Test  
We'll pursue our quest  
And if I, in a way help obtain  
Peace in the world  
We shall not have lived in vain.

VII. Peace be achieved,  
We shall not have lived in vain.

Rotary Opens Opportunities

# RCCPC Brief History

*In the beginning were five men and one vision...*

*In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.*

*What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.*

*It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER". The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.*

*Pepe Casing was honored with the venerable title of "Godfather" of RCCPC Rotarians*

## TREATMENT

For case management of COVID-19 patients, healthcare providers are advised to adhere to the existing [PSMID Guidelines](#).

## POLICY IN-FOCUS

The Department of Health has issued Department Memorandum (DM) Number 2020-0439<sup>1</sup> "Omnibus Interim Guidelines on Prevention, Detection, Isolation Treatment, and Reintegration Strategies for COVID-19", to provide interim guidelines on surveillance, screening, contact tracing, quarantine or isolation, and testing as part of the COVID-19 response.

This interim guideline was developed to continuously recalibrate the DOH's strategies targeted to address the overall objective of the COVID-19 response, and monitor innovations and technologies which can be potentially useful in detecting the virus.

Check the DM [here](#).

## BEHAVIORAL MESSAGES

- While the country continues to respond to the COVID-19 pandemic, the measles and polio situation demands serious and urgent attention to avoid impending outbreaks and to protect the lives of children. The Department of Health, with support from the World Health Organization and UNICEF, will be conducting a nationwide measles, rubella, and polio supplemental immunization activity (MR-OPV SIA) campaign.
- Measles, rubella, and polio are highly contagious and can all lead to death but they are also all vaccine-preventable diseases. Measles and rubella can cause severe complications while polio causes lifetime paralysis. There is no cure for such diseases but vaccination is the safest and most effective way to prevent them.
- Just like all the other vaccines in the routine immunization program, measles and polio vaccines have been proven safe and effective and we have been using these in the Philippines for more than 40 years already.
- Parents and guardians are encouraged to get their child vaccinated (< 5 years old) from measles, rubella, and polio. On October 26 to November 25, there will be an extensive vaccination in Regions 1, 2, MIMAROPA, CAR, 5, and whole of Mindanao for free.
