Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the
Four Way Test
I'll pursue my quest
And if I, in a way help obtain
Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the
Four Way Test
We'll pursue our quest
And if I, in a way help obtain
Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

PRESIDENT'S REPORT

Dear fellow Rotarians and guests,
VIVA PIT SENYOR to all!

Today in the history of Cebu, "On **January 18, 1917**, Dionisio Jakosalem is appointed as Secretary of Commerce and Communication in the Philippine Cabinet. He is reappointed to the same position in 1920."- Dr. Resil Mojares

January is Vocational Service Month. As Rotary became part of my journey, I discovered that the words of Paul Harris that became the basis of Rotary, "that shared effort knows no limitations", were also true for my profession. I could not bring my vocation to the community alone. We need to extend our hand to invite our industry partners to bring it on for the sake of service above self. From the beginning, the diversity of those vocations gave

Rotary a special strength. And that diversity is reflected in our classification system, which aims to ensure that each club represents the full range of businesses and professions that serve each community. In line with the calling of vocational service, we will be launching the "**PAINTOR'S TRAINING MO, FUTURE KO**" program of our Club in partnership with the DAVIES PAINTS on January 22, 2021, 1PM to 5PM at The Davies Training Center, M.J. Cuenco Avenue, Cebu City.

In the same manner, Paul Harris put it this way, "Each Rotarian is the connecting link between the idealism of Rotary and his trade or profession." It was true when he said it and should be equally true now. We only spend an hour or two a week at our Rotary meetings, but most of us spend most of our waking time at work.

JANUARY IS VOCATIONAL SERVICE MONTH

"Vocational service gives Rotarians the opportunity to help others escape poverty and gain a measure of self-respect. As business and professional leaders, we have a duty to lead and encourage good ethics through vocation." Carlos Frum, PDG D6440

RI PRESIDENT'S REPORT-JAN. 2021

January is finally here. As we look forward to 2021, our thinking doesn't have to stop at the end of these 365 days. Are you thinking ahead about what you will be doing in 2022, 2023, and beyond?

We cannot foresee the future, but we can steer ourselves where we want to go. I think it is important that every Rotary club hold a strategic meeting at least once a year. Past RI Director Greg Yank, who has a lot of experience working with clubs on their plans, shares his viewpoint.

A famous aphorism states, "By failing to prepare, you are preparing to fail." Planning is essential to achieving success in all areas of life, including Rotary, and we're getting better at it every year. Strategic planning for Rotary clubs works. I have helped many clubs find that pathway by working with them to build what I call a blueprint, a multiyear plan that answers the fundamental question: "What is our vision for our club?" The best plans I have seen are those that are focused, when a club concentrates its resources on the best opportunities it has. Your Rotary club cannot be all things to its members and to the community it serves; it has limited human, financial, and time resources. A successful plan factors in assets and limitations to chart the desired pathway for your members.

Begin building a multiyear strategic plan by brainstorming with your club, asking, "What are our initiatives and priorities for the next two to three years?" Document your answers using action-oriented language that is specific, concrete, and measurable about the goals you want to achieve.

Next, narrow down your initiatives to a core set of three to five priorities. Your club will then develop specific objectives for each initiative, outlining who will be involved, key milestones of achievement, how progress will be tracked, and a timeline for completion. Keep your plan short and simple.

Then go out and do it. Review the progress you make toward accomplishing the initiatives, and revise as needed at least once a year. Rotary has a solid template to assist clubs in their planning, which you can find at my.rotary.org/en/document/strategic-planning-guide.

RI PRESIDENT'S REPORT-JAN. 2021

We want to enrich and enliven our clubs with new discussions and ideas. But how do we attract the diverse professionals, from different backgrounds, ages, and experiences, who are all driven by as strong a sense of integrity as we are?

Through strategic planning, we explore this question to define the very nature of our club and the value it offers to its members and to the community. Each club is different, and each club's value will be unique.

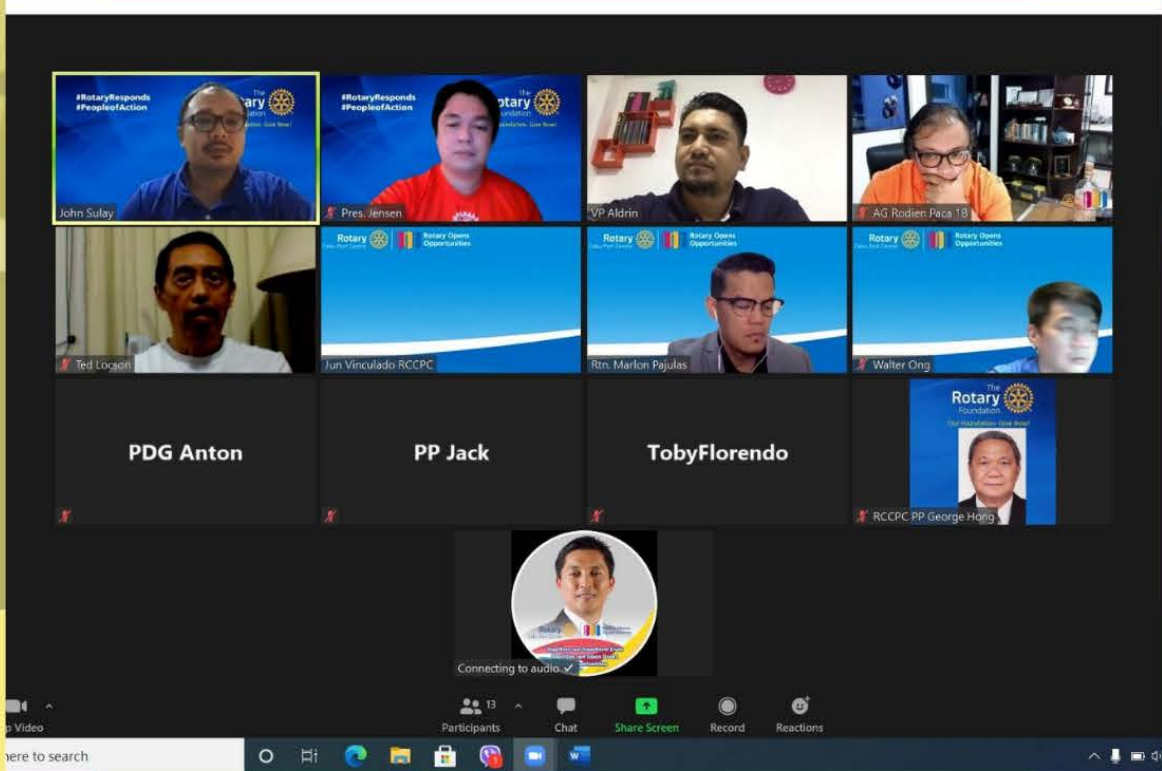

During the planning process, clubs may also find that some of the activities they used to do are no longer relevant or attractive.

Once your club makes a strategic plan, it's time to take action and carry out the necessary changes. When we do that — as we engage members in vibrant and active clubs that not only have fun but also serve their communities with projects that have real and lasting impact — our clubs grow stronger. And when we discover what makes our own clubs unique and build upon those core values in all our efforts, *Rotary Opens Opportunities* to enrich the lives of everyone.

COVID UPDATE

Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

NO

→ None of the authorised/recommended vaccines in US (*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

NO

→ None of the authorised/recommended vaccines* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

NO

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

YES**

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ **Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

YES

→ There are severe health risks associated with Covid-19, and reinfection is possible

VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".
