Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the Four Way Test
I'll pursue my quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test
We'll pursue our quest
And if I, in a way help obtain Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International. We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary

“One profits most who serves BEST”.

We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.

As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.

Because we care!

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

Today in the **history of Cebu**, “On February 15, 1897, General Adolfo Montero arrives in Cebu to assume the position of politico-military governor of Cebu. He succeeds General Celestino Fernandez Tejero y Mulet.”- **Dr. Resil Mojares**

Valentine’s Day is all about love, but there’s no rule that says it has to be all about *romantic* love. February 14 is also a great time to show appreciation for friends, the old ones, the close

ones, the fast ones, the true ones, and most importantly, the *best* ones.

February is the Month of Hearts. Many of us can remember as a child how excited we were to make Valentine hearts to give to our friends and families to show to them that we care. Rotarians have always been generous in their hearts by giving their time and money to the causes of Rotary. Thus, belated happy Valentine’s Day everyone!

On the other hand, the month of February is special in the Rotary calendar since it is designated as one of the Seven Areas of Focus: **Promoting Peace**.

This month gives each of us an opportunity to pause and to reflect on the ways we can promote Rotary’s quest for goodwill, peace, and understanding among people of the world. Are Rotarians up to this challenge of Promoting Peace? Definitely! Being part of the solution is how we as Rotarians build together. It takes only a small step on our part for it is “by small actions that we accomplish great things!”

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

Although, we are asked to be a catalyst for change. And as RI President Holger Knaack likes to say “We are in Rotary for one simple reason: Open the Doors of Opportunities to change the world”. It has been the way of Rotary to focus upon matters in which Rotarians are in agreement rather than upon matters in which we disagree.

Be that as it may, our Rotary Club must deliver value that satisfies our membership and give Rotarians the opportunity to make a greater impact.

Fellow Rotarians must find value in being a Rotarian. This can be accomplished if we strive to understand and deliver what our members joined Rotary for and what their future expectations

The first object of Rotary is ‘the development of acquaintance as an opportunity for service’. Acquaintance and friendship are often the reason people seek out joining any organization. Let us give and share the “Gift” of Rotary Membership to others. As Rotarians, we strive to build Goodwill and Better Friendships as we aspire to world understanding. These friendships endure when they are built on the foundation of Rotary’s core values: fellowship, service, diversity, integrity, and leadership.

Tonight, we all agreed to cancel our virtual fellowship for Valentine’s Day to give way to our offer of a group prayer to be led by VP/PN Aldrin Bantilan for the healing and fast recovery of our fellow Rotarians who are sick, for our departed loved ones and most of all, we will be asking for divine protection from the Covid-19 Virus. Furthermore, I will invoke the verses of Matthew 18:19-20, “Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my Father in heaven. For where two or three are gathered in my name, there am I among them.” Amen!

R.I. PRESIDENT'S REPORT FEB. '21

In Rotary, 23 February is our anniversary, and February is also the month when we focus on promoting peace. There is a reason for this: Contributing to peace and international understanding has been a high priority for us since our earliest days.

We are often asked: "How can we get involved in peace now?" There are many paths to peace in Rotary. Our youth programs point us in the direction of Positive Peace, as does the work of intercountry committees and the Rotary Action Group for Peace.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

Another path is the Rotarian Peace Projects Incubator (RPPI), an inspirational collaboration among Rotarians, Rotaractors, and Rotary Peace Fellows and alumni. Led by Rotarians in Switzerland and Liechtenstein, RPPI has designed 48 global projects that any club can support, either directly or through Rotary Foundation global grants. Nino Lotishvili and Matthew Johnsen, alumni of the Rotary Peace Center at Chulalongkorn University in Bangkok, Thailand, are two of the many volunteers.

During my Rotary peace journey, I have learned how personal resilience helps build inner peace and create sustainable outer peace. This was the inspiration behind the Women Peace Ambassadors for the South Caucasus project, which is based on my field research in Georgia. The RPPI team of Rotarians and peace fellows recognized the incredible potential of women from mixed-ethnicity families who live on borderlands to be role models for peace within and beyond their communities. Through workshops on building inner and outer peace that draw on the power of storytelling, 40 participants will be sharing their stories and reaching around 400 extended family and community members. These inspiring but marginalized women will reclaim their inner strength as peacebuilders at the grassroots level. In this way, we will take steps toward the sustainable, peaceful society we need so much, not only in our region, but throughout the world. — Nino Lotishvili

I was excited to join the peace incubator project and to further strengthen my ties with Rotary's peace community by working with past and current peace fellows to develop these proposals.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

R.I. PRESIDENT'S REPORT FEB. '21

My team wrote five proposals — three in Bangladesh, one in Iraq, and one in Poland, that focus on the arts and on education to generate dialogue across religious divisions and avert the radicalization of young people. I was inspired by how, despite the pandemic, we came together via technology with a vision to develop, test, and strengthen ideas and to produce workable solutions that clubs across the world can support to advance peace. I am excited to work with Rotary's peace community to transform these visions into reality. — Matthew Johnsen

Here is further proof that in Rotary, we prefer action to words. This is Rotary at its best. I encourage you to visit rppi.ch to explore the projects and support them.

We have lasted 116 years because of our strong ethics, our passion for Service Above Self, and our unique approach to problem-solving. One of our greatest strengths is how we reach across our communities and across national, ethnic, religious, and political divisions to unite people of all backgrounds and to help others. This month, let's celebrate our history and the many ways that Rotary Opens Opportunities to advance world understanding, goodwill, and peace, our ultimate mission.

Purpose and Objectives

What?

The Rotarian Peace Projects Incubator seeks to develop peace projects that are tailored to address urgent community needs. Every day, we hear about conflicts, wars, refugees, atrocities, and victims. These conflicts seem so remote to us, often times feeling unreal and difficult to imagine the hardships people endure. And yet, as humans we cannot close our eyes to the suffering because peace concerns us all.

What can we do as Rotarians? We have a moral responsibility to look closely and reflect on how we can alleviate suffering. If we turn away from those in need, their suffering can easily become our own.

More than 50 Rotary Peace Fellows, Rotarians, Rotaractors and international experts worked to have at almost 50 global grant ready Peace Projects, projects that Rotary Clubs world-wide can take on board and implement. Have a look at the project list.

Join us in developing projects that make the world a more peaceful place!

COVID UPDATE

Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

NO

→ None of the authorised/recommended vaccines in US (*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

NO

→ None of the authorised/recommended vaccines* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

NO

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

YES**

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ **Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

YES

→ There are severe health risks associated with Covid-19, and reinfection is possible

VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Rotary
Club of Cebu Port Centre

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".
