Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the Four Way Test
I'll pursue my quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test
We'll pursue our quest
And if I, in a way help obtain Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

PRESIDENT'S REPORT

Dear fellow Rotarians and Guests,

Today in the history of Cebu, “On **March 1, 1899**, Gen. Elwell S. Otis issues an order providing for the creation of the Visayan Military District, to be composed of Panay, Negros and Cebu. Brig. Gen. Marcus P. Miller is named commander of the District.”- Dr. Resil Mojares

March is the month we **celebrate Rotaract** and this has been quite a year for our young partners in service. We all know that the Council on

Legislation elevated Rotaract in our constitution. Rotary International is now the association of both Rotary clubs and Rotaract clubs. Then, the Rotary Board of Directors eliminated the artificial Rotaract age limit and took other steps to break down barriers that were preventing Rotaract from growing in some parts of the world.

In the Rotary world, we acknowledge a different theme for each month of the year. March happens to be ‘**Water, Sanitation and Hygiene Month**’ which is one of Rotary’s 7 areas of focus. This Rotary year, we are a key supporter to a school-based water well drilling and hand washing stations as well as promoting proper sanitation in all barangays of Mandaue City by

distributing 150 toilet bowls for community communal toilets in line with our project entitled “Kubeta Mo, Kalinisan Ko” in partnership with HCG Philippines.

WATER & SANITATION MONTH

Rotary

Clean water and sanitation is a human right. When people, especially children, have access to clean water, and hygiene, they lead healthier and more successful lives.

\$24 is all it takes to provide a child with safe water

23 million people now have safe water because of Rotary

21 million people have access to sanitation and hygiene thanks to Rotary projects

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

My thanks and appreciation to the Chairmen of this project, to wit: Dir. Joshua Lim, Dir. Daryll Abay-abay and Dir. Kit Daleon. Also, in attendance, namely: PE John Sulay, Rtn. Kash Mahtani, and Treas. Buboy Tan. Aside from these activities, we also organized a Bayanihan Project entitled: **"To Clean as One"** a Clean-up drive in Mahiga River, a river boundary between Cebu City & Mandaue City. My thanks and appreciation to the LGU of Subangdaku Mandaue, Rotary Community Corps of Sitio Mahusay,

Rotaract Club of Cebu Port Center & Metro Mandaue, Sangguniang Kabataan & Rotary Youth Leaders of Subangdaku, PAG Tony Ynoc & Dir. Mark Ynoc for their cash donation of 10,000, Golden Star Shipping for the 100 pieces of gloves and Barangay Volunteers for making this noble project a success. It is with great honor and privilege to take a lead in this bayanihan project as our way of supporting environment & End Polio Now campaign of Rotary International. Although, we are asked to be a catalyst for change. However, we were promised that the community will take care of cleanliness and upkeep of the facilities and environment.

On the other hand, our advocacy to **empower women and children** have also created a spotlight in the community as we continued in supporting the **Mother and Child Care** program of the Barangays by distributing Vitamins and Medicines to Barangay Cogon Pardo, Cebu City, Cabancalan, Mandaue City and Ibabao Estancia Mandaue City as part of our Rotary Week Celebration.

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

My thanks & appreciation to PAG Doc Boy Unabia for the Vitamins and his Health Literacy Talk to the mothers, Barangay Health officers and Officials of Cogon Pardo, Dir. Robert Barquilla for coordinating with Kap Harry Eran of Cogon Pardo, Treas. Buboy Tan for his active participation and Rtn. Marlon Pajulas for joining us in Cabanalan, Mandaue City.

As Club President, it was indeed a wonderful experience and truly a Happy Rotary Week Celebration!

Tonight, one of our active Rotarians and Directors, Dir. Walter Ong, will share something to us about his expertise and classification. Let's all welcome him as part of tonight's meeting.

Thank you and have a good evening!

R.I. PRESIDENT'S REPORT MAR. '21

RI Pres. Holger Knaack
RI President, R.Y. 20-21

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fundraise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.

Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.

R.I. PRESIDENT'S REPORT MAR. '21

That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

COVID UPDATE

Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

NO

→ None of the authorised/recommended vaccines in US (*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

NO

→ None of the authorised/recommended vaccines* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

NO

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

YES**

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ **Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

YES

→ There are severe health risks associated with Covid-19, and reinfection is possible

VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Rotary
Club of Cebu Port Centre

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".
