Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the Four Way Test
I'll pursue my quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test
We'll pursue our quest
And if I, in a way help obtain Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

PRESIDENT'S REPORT

Dear fellow Rotarians and Guests,

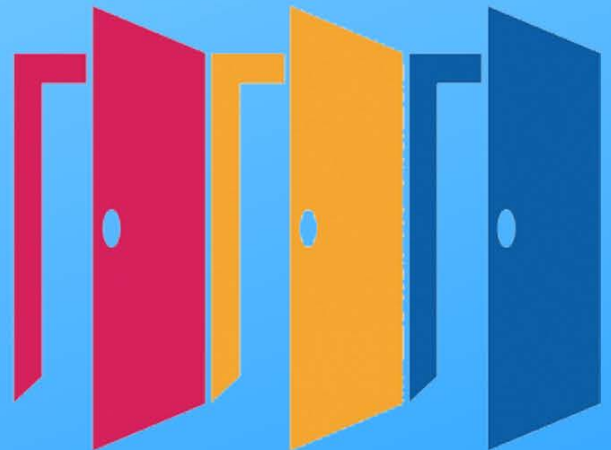

Today in the history of Cebu, "On March 8, 1945, In Malacañang Palace, President Sergio Osmeña administers the oath of office to the members of the Cabinet."- Dr. Resil Mojares

NEVER, did I imagine becoming the President of the Rotary Club of Cebu Port Centre during a world-wide pandemic that isolated us in our homes, put us in masks whenever we did venture out and kept our children out of school since mid-March of 2020. It has caused so much financial stress in our

community and the world, along with the mental anguish of not being able to shake hands or be socially close to our family and friends.

But here I am, the **first virtually inducted President** of this club, always ready to make a difference in our community and now preparing to hand over the leadership to the next Club leaders for Rotary year 2021-2022 during these unusual and difficult times in the history of present generations.

I will encourage our **PE John Sulay** and **SE Aldrin Bantilan** to attend the upcoming **PETS & SETS** this week so that they can plan ahead and "serve to change lives".

Rotary Opens Opportunities

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

As Rotarians, we look at these changes and challenges as a time of opportunity to serve! It is a time for all of us to open ourselves up to learning new skills and doing projects in new ways. How disconnected our club would have become without the web-based video conferencing tool, Zoom, that allows us to meet on-line together, safely in the convenience of our home as we continue our work as the **“People of Action”** in our community and around the world.

As Wayne Dyer once said, “Change the way you look at things and the things you look at change!”

Let’s embrace the new technology this century has to offer. Let’s try new ways of doing things. Let’s move our club forward into the world that our children and grand-children just take for granted. This is the world of our future members, the ones full of new ideas, spirit and energy. We need them in our Rotary Club of Cebu Port Centre because we want to continue the service and amazing work that we have been known for over the past 36 years in our community and across our globe. This month happens to be **‘Water, Sanitation and Hygiene Month’** and let’s celebrate the accomplishments that we had in July to October 2020. Last July 2020, we started our project on **Water, Sanitation and Hygiene (WASH)** and turned over in October 2020 at Tisa Elementary School, Cebu City. This WASH Project is composed of complete water system including water well drilling, water pump and hand washing stations for 30 students.

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

My thanks and appreciation to our Japanese Sister Clubs, PP Marcy Koike, Dir. Water Ong, PAG Boy Unabia, IPP Jun Falcon and Dir. Robert Barquilla for their donations and for helping us to ensure that this project will be completed on time. I am forever grateful to all who made this **WASH Project** a success.

I came to appreciate Rotary and the values it upholds, the dedication to service of its members through the projects that were successfully undertaken and the diversity and integrity of the people who belong to this world-wide organization.

In fact, that is Rotary International's theme for this year, "**Rotary Opens Opportunities.**" Yes, I am so proud to be a Rotarian and to be part of this club that has already proven its abilities to reach out, seize an opportunity to work together in collaboration with another organization to offer immediate help to people in need at a rapid pace. **We always walk the talk!**

On the other hand, my thanks and appreciation to all Past Presidents, Officers and Members of our Club for their attendance last meeting and to PSAG Al Alcibar for continuing his attendance thru service project visits as his make-up.

Tonight, one of the leaders of our Club, **VP/PN Aldrin Bantilan** will share something to us about his expertise and classification. Let's all welcome him as part of tonight's meeting.

Thank you and have a good evening!

R.I. PRESIDENT'S REPORT MAR. '21

RI Pres. Holger Knaack
RI President, R.Y. 20-21

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fundraise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.

Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.

R.I. PRESIDENT'S REPORT MAR. '21

That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

COVID UPDATE

Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

NO

→ None of the authorised/recommended vaccines in US (*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

NO

→ None of the authorised/recommended vaccines* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

NO

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

YES**

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ **Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

YES

→ There are severe health risks associated with Covid-19, and reinfection is possible

VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Rotary
Club of Cebu Port Centre

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".
