# Rotary Hymn

I. I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

II. With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain Peace in the world  
I shall not have lived in vain.

III. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

IV. With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain Peace in the world  
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test  
We'll pursue our quest  
And if I, in a way help obtain Peace in the world  
We shall not have lived in vain.

VII. Peace be achieved,  
We shall not have lived in vain.

# PRESIDENT'S REPORT

**Pres. Jensen Racho**  
**President, R.Y. 20-21**

Dear fellow Rotarians and Guests,

Today in the **history of Cebu**, "On March 15, 1952, Sergio Osmeña, Sr., receives the Doctor of Laws, honoris causa, from the University of Southern Philippines. He delivers a speech on the value of education in national development."- Dr. Resil Mojares.

## March is Water, Sanitation, & Hygiene month (WASH).

Last October 2020, we successfully turned-over our **TISA WASH Project**. We all know that so much in our lives depends on access to clean water. We wash our hands with it to keep ourselves and our communities healthy, cook meals with it to nourish our bodies, and rely on it for proper sanitation. Yet there are still communities in the Metro that don't have reliable sources of clean water. When people have clean water and sanitation, it means waterborne diseases decrease, children stay healthier, and parents can spend less time carrying water and more time with their families. Your gift helps fund water, sanitation, and hygiene programs (**WASH**) of **RCCPC** that empower Rotary's people of action to mobilize resources, form partnerships (this year we have Worldwide Steel Corporation by Dir. Water Ong, RAB Construction by Dir. Robert Barquilla and Service Project Director PAG Boy Unabia), and invest in infrastructure and training that all yield long-term change.

# PRESIDENT'S REPORT

**Pres. Jensen Racho**  
**President, R.Y. 20-21**

My special thanks and appreciation to our Japanese Sister Clubs and International Service Director, PP Marcy Koike for their undying support to our Water Supply System including the Water Well Drilling, water tanks and distribution pipes.

**SERVICE ABOVE SELF** – That is what Rotary is all about. A vision to see and the faith to believe and the courage to act. It is our spiritual salary here on earth for one that impacts our working colleagues, family,

and friends who see the difference we are making and are going to make in the community and in the world. For Rotary to thrive, members must face current and future challenges and opportunities with “passion, enthusiasm, perseverance, and above all, integrity.”

On the other hand, I would like to remind the Committee on By-laws headed by PP Jack Jamero, our Club Admin Director to meet on March 29, 2021 (Monday) for their committee to discuss on the provisions that requires an amendment. We don't have Club Meeting on March 29 (last Monday of the month), in lieu of this Committee Meeting.

Tonight, we have invited one of the best resource speakers in the Bureau of Customs at the Port of Cebu, Mr. Erwin Andaya – a friend of Dir. Daryll Abay-abay, will share something to us about the updates in the Bureau. Let's all welcome him as part of tonight's meeting.

Thank you and have a good evening everyone!

# R.I. PRESIDENT'S REPORT MAR. '21

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

*Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fundraise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.*

*Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.*

*Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.*

# R.I. PRESIDENT'S REPORT MAR. '21

*That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.*

**RI Pres. Holger Knaack**  
**RI President, R.Y. 20-21**

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

# ROTARY'S VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

# ROTARY

SERVICE Above Self

# END POLIO NOW

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### FIRST:

The development of acquaintance as an opportunity for service;

### SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

### FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

# COVID UPDATE

## Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

**NO**

→ None of the authorised/recommended vaccines in US (\*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

**NO**

→ None of the authorised/recommended vaccines\* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

**NO**

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

**YES\*\***

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ \*\*Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

**YES**

→ There are severe health risks associated with Covid-19, and reinfection is possible

### VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

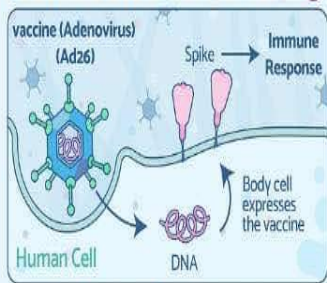

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Club of Cebu Port Centre

## **RCCPC Brief History**

*In the beginning were five men and one vision...*

*In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.*

*What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".*

*The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.*

*Pepe Casing was honored with the venerable title of "Godfather".*
