# Rotary Hymn

I. I want to be a Rotarian for the world,  
Make the Rotary flag as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

II. With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain Peace in the world  
I shall not have lived in vain.

III. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

IV. With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain Peace in the world  
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test  
We'll pursue our quest  
And if I, in a way help obtain Peace in the world  
We shall not have lived in vain.

VII. Peace be achieved,  
We shall not have lived in vain.

# PRESIDENT'S REPORT

Dear fellow Rotarians and Guests,

**Today in the history of Cebu**, "On April 12, 1945, Heavy fighting in the liberation of Cebu from the Japanese continues as Americans battle the Japanese in Mananga River Valley and in other points near Cebu City."- Dr. Resil Mojares

**APRIL IS MATERNAL & CHILD HEALTH MONTH.**

**Pres. Jensen Racho**  
**President, R.Y. 20-21**

Rotary International's monthly theme for April is Maternal and Child Health! According to WHO, every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation.

To help reduce this rate, Rotary provides immunizations and antibiotics to babies, improves access to essential medical services, and supports trained health care providers for mothers and their children.

Rotary's projects ensure sustainability by empowering the local community to take ownership of health care training programs. Maternal and Child Health Care is also recognized as one of Rotary's Seven Areas of Focus.

**SERVICE ABOVE SELF** – That is what Rotary is all about. A vision to see and the faith to believe and the courage to act.

**Pres. Jensen Racho**  
**President, R.Y. 20-21**

# PRESIDENT'S REPORT

It is our spiritual salary here on earth for one that impacts our working colleagues, family, and friends who see the difference we are making and are going to make in the community and in the world. For Rotary to thrive, members must face current and future challenges and opportunities with “passion, enthusiasm, perseverance, and above all, integrity.”

About the last Governor’s Visit, I am blissful and forever grateful to all of you for your valuable service to Rotary. My thanks and appreciation to AG Rodien Paca, PDG Anton Florendo and PDG Ted Locson for

the wisdom and guidance, our Past Presidents and Past Assistant Governors for your undying support and service to our Club and to the officers, Japanese Sister Clubs, Industry & Community Partners and future leaders of our Club.

My **special thanks** to the Committee Chairmen for their short but concise reports to the Governor, to wit:

1. PP Chilo Delator – Chairman of the Membership Committee
2. PAG Tony Ynoc – Chairman of the Rotary Foundation Committee
3. PAG Boy Unabia – Chairman of the Service Project Committee

And to the Virtual Organizing Committee headed by Sec/PE John Sulay, ASec Ludwig Amandoron as the Rotarian of the evening, ASec Star Espino, DITO Jeff Tan, CICO Lester de los Santos, VP/PN Aldrin Bantilan, and Past President George Hong for his remarkable closing. Thank you very much to one and all!

Tonight, we have invited one of the best resource speakers in the Maritime Engineering Industry, Engr, Jun Vinculado. Let’s all welcome him as part of tonight’s meeting.

Thank you and have a good evening everyone!

# R.I. PRESIDENT'S REPORT APRIL '21

This year, we celebrate Earth Day on 22 April with a new sense of purpose. The environment is now an area of focus for Rotary. Solutions for all great tasks always start with you and me, and there is much we as individuals can do simply by changing our behavior: Cutting down on our use of plastic and using energy wisely are just two examples. But now we have the opportunity to do more together.

**RI Pres. Holger Knaack**

**RI President, R.Y. 20-21**

Supporting the environment is not new to Rotary; clubs have long worked on environmental issues based on local needs.

Now climate change — a problem that affects us all, rich and poor — requires us to work together more closely than ever. Alberto Palombo, a Venezuelan engineer living in Brazil and a member of The Rotary Foundation Cadre of Technical Advisers, shares his view.

*For 30 years, my work has been to connect with communities and policy officials to take care of the environment. Today, I am excited about Rotary's opportunities to help reduce environmental degradation and make communities more environmentally sustainable.*

*In every community where we have a Rotary, Rotaract, or Interact club or a Rotary Community Corps, there are environmental challenges. As Rotary members, we can become stewards of environmental sustainability and adopt the United Nations 2030 Sustainable Development Goals in our daily lives at home and in our clubs. Then we can incorporate them into our Rotary projects.*

*My club has been involved with water and environment projects since day one. We seek opportunities to empower Rotarians and foster partnerships in our region and beyond, working with groups such as the Inter-American Water Resources Network and the World Water Council. Local clubs worked with the Water, Sanitation, and Hygiene Rotary Action Group (wasrag.org) to help Rotary get a seat at the table during the 2018 World Water Forum in Brasilia, where we discussed how communities can recover from environmental disasters like the one caused by the failure of a mining dam on Brazil's Rio Doce in 2015.*

**RI Pres. Holger Knaack**  
**RI President, R.Y. 20-21**

# R.I. PRESIDENT'S REPORT APRIL '21

*Taking care of the earth is an effort that never stops. To make an impact, we must align our knowledge, abilities, and enthusiasm — and Rotary is already great at doing this. As a volunteer with the Environmental Sustainability Rotary Action Group (esrag.org), I have seen how our work for the environment dovetails with much of what we are already doing in water and in our other areas of focus. Rotary members are not passive spectators; we take action. Let's work together and make a positive impact.*

Support from The Rotary Foundation will define this new chapter in our service. Through district and global grant projects, we will build upon our previous projects that help the environment. We will look for ways to collaborate more closely and make a greater impact on global environmental issues. And we will incorporate environmental concerns into all of our programs, projects, and events.

Rotaractors and participants in our youth programs expect Rotary to take a clear position and provide leadership with vision. We will work with them, seeking intelligent solutions to the problems they will inherit. Our incredible members, networks, and Foundation give us the capacity to make an important and lasting contribution. Now, we will discover together how *Rotary Opens Opportunities* to help us expand our service to preserve the home we all share.

# ROTARY'S VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

# ROTARY

SERVICE Above Self

# END POLIO NOW

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### FIRST:

The development of acquaintance as an opportunity for service;

### SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

### FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The Four-Way Test

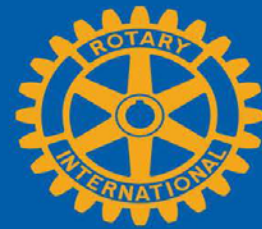

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

# COVID UPDATE

## Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

**NO**

→ None of the authorised/recommended vaccines in US (\*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

**NO**

→ None of the authorised/recommended vaccines\* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

**NO**

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

**YES\*\***

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ \*\*Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

**YES**

→ There are severe health risks associated with Covid-19, and reinfection is possible

### VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

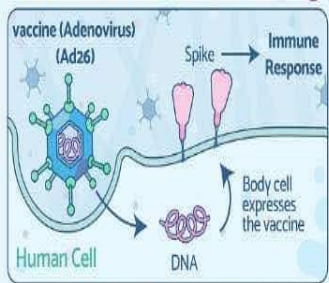

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Club of Cebu Port Centre

## **RCCPC Brief History**

*In the beginning were five men and one vision...*

*In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.*

*What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".*

*The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.*

*Pepe Casing was honored with the venerable title of "Godfather".*
