Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the Four Way Test
I'll pursue my quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test
We'll pursue our quest
And if I, in a way help obtain Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

PRESIDENT'S REPORT

Dear fellow Rotarians and Guests,

Today in the history of Cebu, “On April 19, 1900, Rizal’s widow, Josephine Bracken, now married to a Cebuano, puts up an ad in the local newspaper El Pueblo, announcing that she is giving lessons in English and German at her residence near Plaza Rizal. The ad identifies her thus: “Josephine Bracking de Abad, Profesora de Lenguas.”- Dr. Resil Mojares

Pres. Jensen Racho
President, R.Y. 20-21

Welcome fellow Rotarians to our Club meeting! This is our 3rd to the last meeting for this Rotary Year 2020-2021. In line with our upcoming activities, I would like to encourage our incoming Club Leaders to attend the District Training and Assembly (DISTAS) on April 23, 24, 29 & 30 thru Zoom meeting. This event will help you prepare and plan for the next Rotary year. In lieu of this assembly, we will not hold a club meeting on April 26 (Monday). The chairman of the DISTAS is no other than the President-Elect Antonio Sulay II. He will elaborate on this event later.

Reminiscing my Induction Night, I ended my speech with the words: ‘Let the miracle happen!’ And what a miraculous year we’ve had, I must say.

I have been very fortunate to have a great team behind me. I would like to thank all my Committee Directors and Chairmen for the way they have supported me. They knew what was needed and got on with the job and have produced some remarkable results.

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

Thank you all. This has been an amazing year as Club President. A lot has happened, and it went quickly. I want you to know that I am extremely thankful and honored to have been able to serve as President for this Rotary year. Thank you all for your support and well-wishes. As we all know, none of us could have done this without the support of our fellow Rotarians. Hats off to you for your support, service, fellowship and friendship. Some say, Life is not about finding yourself.

Others say, Life is about creating yourself. Rotarians say, Life is about service above self.

Tonight, we have invited one of the best resource speakers in the Construction Industry, Engr. Kit Daleon. Let's all welcome him as part of tonight's meeting.

Thank you and good evening everyone!

R.I. PRESIDENT'S REPORT APRIL '21

This year, we celebrate Earth Day on 22 April with a new sense of purpose. The environment is now an area of focus for Rotary. Solutions for all great tasks always start with you and me, and there is much we as individuals can do simply by changing our behavior: Cutting down on our use of plastic and using energy wisely are just two examples. But now we have the opportunity to do more together.

RI Pres. Holger Knaack

RI President, R.Y. 20-21

Supporting the environment is not new to Rotary; clubs have long worked on environmental issues based on local needs.

Now climate change — a problem that affects us all, rich and poor — requires us to work together more closely than ever. Alberto Palombo, a Venezuelan engineer living in Brazil and a member of The Rotary Foundation Cadre of Technical Advisers, shares his view.

For 30 years, my work has been to connect with communities and policy officials to take care of the environment. Today, I am excited about Rotary's opportunities to help reduce environmental degradation and make communities more environmentally sustainable.

In every community where we have a Rotary, Rotaract, or Interact club or a Rotary Community Corps, there are environmental challenges. As Rotary members, we can become stewards of environmental sustainability and adopt the United Nations 2030 Sustainable Development Goals in our daily lives at home and in our clubs. Then we can incorporate them into our Rotary projects.

My club has been involved with water and environment projects since day one. We seek opportunities to empower Rotarians and foster partnerships in our region and beyond, working with groups such as the Inter-American Water Resources Network and the World Water Council. Local clubs worked with the Water, Sanitation, and Hygiene Rotary Action Group (wasrag.org) to help Rotary get a seat at the table during the 2018 World Water Forum in Brasilia, where we discussed how communities can recover from environmental disasters like the one caused by the failure of a mining dam on Brazil's Rio Doce in 2015.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

R.I. PRESIDENT'S REPORT APRIL '21

Taking care of the earth is an effort that never stops. To make an impact, we must align our knowledge, abilities, and enthusiasm — and Rotary is already great at doing this. As a volunteer with the Environmental Sustainability Rotary Action Group (esrag.org), I have seen how our work for the environment dovetails with much of what we are already doing in water and in our other areas of focus. Rotary members are not passive spectators; we take action. Let's work together and make a positive impact.

Support from The Rotary Foundation will define this new chapter in our service. Through district and global grant projects, we will build upon our previous projects that help the environment. We will look for ways to collaborate more closely and make a greater impact on global environmental issues. And we will incorporate environmental concerns into all of our programs, projects, and events.

Rotaractors and participants in our youth programs expect Rotary to take a clear position and provide leadership with vision. We will work with them, seeking intelligent solutions to the problems they will inherit. Our incredible members, networks, and Foundation give us the capacity to make an important and lasting contribution. Now, we will discover together how *Rotary Opens Opportunities* to help us expand our service to preserve the home we all share.

Rotary Opens Opportunities

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

COVID UPDATE

Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

NO

→ None of the authorised/recommended vaccines in US (*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

NO

→ None of the authorised/recommended vaccines* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

NO

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

YES**

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ **Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

YES

→ There are severe health risks associated with Covid-19, and reinfection is possible

VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

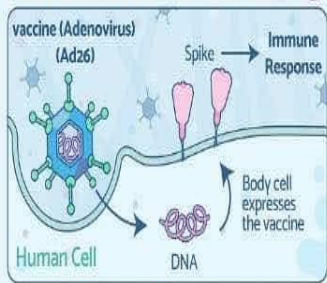

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Rotary
Club of Cebu Port Centre

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".
