Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the Four Way Test
I'll pursue my quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the Four Way Test
We'll pursue our quest
And if I, in a way help obtain Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.

Because we care!

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

Dear fellow Rotarians and Guests

Today in the history of Cebu, “On **May 10, 1894**, Birth in Barili, Cebu, of Antonio M. Abad (1894-1970), writer and journalist in Spanish and Cebuano and winner of prizes in the Nobel Awards and the Commonwealth Literacy Awards.”- **Dr. Resil Mojares**

Welcome fellow Rotarians to our Club meeting! This is our last meeting for this Rotary Year 2020-2021. For the next weeks, we will be preparing for the 36th Charter Day Celebration of RCCPC.

The month of May is very important and special because Rotary International dedicates it to the Youth. We all know the roles of these young people in our communities as well as in Rotary.

Rotarians help them Grow Stronger to be able to Serve Better by guiding them and offering training seminars through their sponsor clubs. In some cases, not only that these Rotaractors attend RYLA but also participate in RLI (Rotary Leadership Institute). Our objective is to encourage young people who are interested in personal growth and who have a desire to make a difference in their community to participate in RYLA and learn more about our organization.

PRESIDENT'S REPORT

Pres. Jensen Racho
President, R.Y. 20-21

As my term as President comes to an end, my gratitude to all for the opportunity to serve in this capacity. It has been a valuable experience both personally and professionally. Our Club is a well-respected and highly-regarded Rotary Club in the District, and it has been such an honor just to be a part of a leadership team that continues to strive to be on the cutting edge of the organization. I have been fortunate to have worked closely with such quality board and committee members and appreciate all they've done for the Club during my term.

There have been so many noteworthy moments, as I write this message, we look forward to some first-time and new accomplishments.

Tonight, Past President Jack Jamero will report to the Club as the Club Administrator. Let's all welcome him as part of tonight's meeting.

Thank you and keep safe!

R.I. PRESIDENT'S REPORT MAY 2021

For years, Susanne and I hosted many Rotary Youth Exchange students in our home. This program was an entry point to Rotary for me, and my heart is truly in it. When Rotary's exchange programs were suspended because of COVID-19 to keep students and families safe, we felt sorry, especially for the participants, because those years cannot be repeated.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

2022. As we look ahead with hope, we thank Youth Exchange officers, host families, and volunteers for their contributions in years past, and we encourage districts to offer virtual exchanges as a way of connecting students around the world with each other and with our communities.

Because of the many uncertainties of the pandemic, the Rotary Board has decided to suspend in-person exchanges through June

For those who are not able to participate in Rotary Youth Exchange, Rotary offers other opportunities. New Generations Service Exchange (NGSE) is a Rotary program that deserves wider recognition: It is an excellent opportunity for young people ages 18 to 30 to participate in community service as individuals or in a group and to gain internship experience. Simukai Matshalaga, a Rotaractor from Zimbabwe, stayed with us in Ratzeburg during her NGSE experience three years ago.

When I applied for the New Generations Service Exchange program, I did not realize that I was signing up for a life-changing experience. This program gave me that opportunity and much more. It taught me about the importance of failing fast, learning quicker, and being myself.

Some of my greatest experiences happened at the dinner table. The warmth and kindness of every home I lived in still resonate with me today. It took me weeks to understand how a stranger could care for me as deeply as these members of the Rotary family did. I am inspired by the lessons of humility I learned from all the amazing people I met. I came to understand a new culture and realized that the only things that separate us as people are our experiences and, at times, our false assumptions.

RI Pres. Holger Knaack
RI President, R.Y. 20-21

R.I. PRESIDENT'S REPORT MAY 2021

Professionally, it gave me confidence in my own abilities as an engineer. Seeing how other organizations handled problems made me aware that the best person to solve the challenges in my country was me. Returning home from northern Germany, I declined a promotion, quit my job, and began building a family business — a decision that previously I would have never made, out of fear.

I am indebted to the Rotary family. I am not sure whether the friends, mentors, and families I left behind knew that they changed my life permanently. I hope they now do.

New Generations Service Exchange changed Simukai's life. It can change yours, too. All Rotary members can experience something similar at any time: I encourage everyone to take a virtual journey this month and visit meetings of other clubs online. You will see how different Rotary is around the world as you meet great people and make new friends.

Let us build upon these connections forged online — and later, when the time is right, enjoy in-person exchanges through Rotary Friendship Exchange, another excellent program for Rotary members of all ages.

Our ability to meet in person is limited now, but we know that *Rotary Opens Opportunities*, always. Now is the time to get ready, so that when the pandemic is behind us, Rotary's exchange programs will come back stronger than before, serving a world that is yearning to reconnect.

COVID UPDATE

Covid-19 vaccine: your questions answered

Information from US CDC

Can the vaccine make me sick with Covid-19?

NO

→ None of the authorised/recommended vaccines in US (*Pfizer/BioNTech and Moderna) contain the live virus that causes COVID-19

After vaccination, will I test positive for Covid-19 on a viral test?

NO

→ None of the authorised/recommended vaccines* can cause positive viral tests, used to detect current infections

Will the vaccine alter my DNA?

NO

→ The Covid-19 messenger RNA vaccines do not change or interact with the DNA in any way

→ mRNA vaccines teach cells to make proteins that trigger an immune response, but never enter the cell nucleus, where the DNA is kept

Does the vaccine protect me from getting sick with Covid-19?

YES**

→ The vaccine teaches the immune system to recognise/fight the virus that causes Covid-19

→ **Vaccines currently available have effectiveness range from 60 to 95%. Experts are still collecting data on the effects of the vaccines

If I recovered from Covid-19, do I still need a vaccine?

YES

→ There are severe health risks associated with Covid-19, and reinfection is possible

VACCINATION

→ After vaccination, the body takes a few weeks to build immunity

→ May cause symptoms (like fever), a normal sign that the body is building protection against the Covid-19 virus

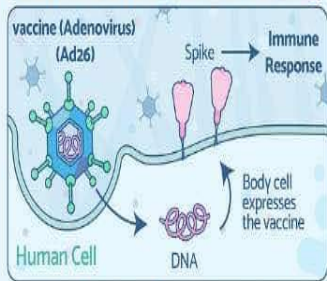

→ It is possible a person can be infected with the virus just before or just after vaccination and still get sick

→ This is because vaccine has not had enough time to provide protection

Rotary
Club of Cebu Port Centre

RCCPC Brief History

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian. It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".
