Rotary Hymn

I. I want to be a Rotarian for the world,
Make the Rotary flag as the flag of peace unfurled;
I shall serve my community,
Help achieve universal unity.
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

II. With the
Four Way Test
I'll pursue my quest
And if I, in a way help obtain
Peace in the world
I shall not have lived in vain.

III. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

IV. With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
We shall not have lived in vain.

V. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, why the good Lord is our guide.

VI. With the
Four Way Test
We'll pursue our quest
And if I, in a way help obtain
Peace in the world
We shall not have lived in vain.

VII. Peace be achieved,
We shall not have lived in vain.

RCCPC Credo

We believe we are the Rotary Club composed of business persons and professionals who encourage and foster the ideals of service of Rotary International. We believe we are the embodiment of a strong, vibrant and family-oriented club which puts to action the tenet of Rotary

“One profits most who serves BEST”.

We believe in our cherished role to be the leading civic organization in delivery of community and vocational services, particularly in the area of maternal and child care, coupled with educational empowerment, to the marginalized sector of society.

As we commit ourselves to do all these, we humbly seek the aid of the Divine Providence.

Because we care!

Rotary Guiding Principle

The Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Guiding Principle

Code of Conduct

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment.

President's Report

Pres. Antonio Sulay II
Club President, RCCPC

Good evening fellow Rotarians.

Tonight is a very special milestone for this Rotary year as our Club will induct 4 new talented, handsome, young, and successful (in their respective fields) Rotarians to join our All male club, Rotary Club of Cebu Port Centre which will add up to the 2,779 Total Members under Rotary District 3860 as of this date.

It's my pleasure and honor to charge them later in which they will be inducted by our very own beautiful and very proactive District Governor Anna Louisa Bumagat. We are also grateful for the presence of our District Membership Chair Fortunato Uy from whom we are going to hear his message.

We are also honored to have with us a guest from RC Greenhills, Pres. Ricardo Felizardo, will give us a message later.

The impact of the Covid-19 pandemic is drastically changing the lives of people, including the already challenged 'membership' for Rotarians for the District and Rotary International Membership in general. I am proud to say that despite all the challenges we have faced, we are strengthened to serve above ourselves and become proactive and productive community members. As people of action, Rotary members like our membership sponsors tonight have never been so motivated before to grow the club's membership. We warmly welcome aboard our new set of leaders (who later will be individually introduced) to join our club with diverse classification with one goal of strengthening connections to friends and neighbors towards our commitment to improving lives and serving our community in this time of crisis.

Our new set of leaders have joined our club meetings since June 2021 and attended our 37th Induction and Hand-over Ceremonies last July 12, 2021. Since then, they have regularly attended our weekly meetings.

President's Report

Pres. Antonio Sulay II
Club President, RCCPC

Just recently, last September 13, 2021, we had formerly conducted the Rotary Information which was headed by our Membership Chair PP George Hong, TRF Chair PAG Tony Ynoc, Protocol Officer PP Jack Jamero, together with their respective club sponsors. Rotary Information's purpose has been realized and that is to give an overview of Rotary; to know what to expect in one's membership; to know what club expectations are there for its members, and to answer any questions one prospective member might have about Rotary in general and about the club in particular. I hope that the recently concluded Rotary Information event has given satisfaction to the baffles they have in mind about Rotary.

With all these exposures of our new leaders of the club, from meetings to projects, I know as an inductee, they will truly fit our club membership and are ready to **Serve and Change Lives** this Rotary Year!

R.I. President's Report

I am sure you are having an enriching experience as you *Serve to Change Lives*. One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education,

RI Pres Shekhar Mehta
President, Rotary International

there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward boys, the cost of missed economic opportunity is more than \$1 billion per year.

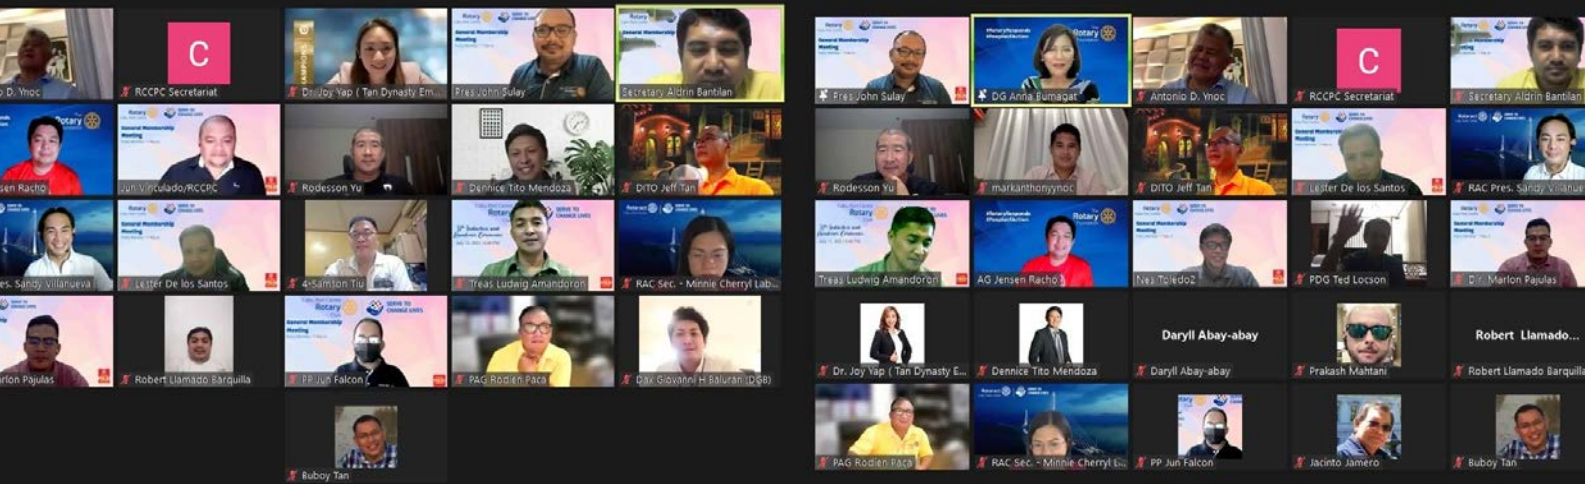

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can *Serve to Change Lives* through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

Literacy is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."

THE HISTORY OF ROTARY CLUB OF CEBU PORT CENTER

In the beginning were five men and one vision...

In a historic series of preparative meetings in May 1985, Felipe Casing, Antonio Elumir, Manny Granada, Jacinto Jamero and Rey Sanggalang envisioned the Port Center of Cebu as a vantage ground from where a band of noble men shall rise by the name of Rotary, in a game of service to humanity.

What followed was a marathon dash in establishing a Rotary Club in the Cebu Port District to obtain a charter from then District 3860 Governor Jose "Joe" Lardizabal whose term was to conclude very soon. On the forefront was Pepe Casing, a Cebu Fuente Rotarian.

It was in the special day of June 6, 1985 when a charter was granted to a club that was christened a most befitting name: The "ROTARY CLUB OF CEBU PORT CENTER".

The newfound organization that was once a nucleus of five visionaries became a club of 34 gentlemen who convened charter members in the middle of June 1985 to bear witness to the first set of officers. Antonio "Jun" Elumir, who was then the Phil. Ports Authority Officer, was the Charter President. With him at the helm was Manuel "Manny" Granada, the charter vice-president, Jacinto "Boy" Jamero and "Rey" Sanggalang were the charter secretary and charter treasurer, respectively. These gentlemen who were the prime movers for the organization of our club were equally accorded those distinct and rare positions which can only happen once in a history of a club.

Pepe Casing was honored with the venerable title of "Godfather".

Message of the District Governor

Greetings!

I am very pleased to join you on this momentous occasion on your 37th Induction and Turn-Over Ceremonies as we warmly welcome the Life-Changing Team of the Rotary Club of Cebu Port Centre led by President Antonio "John" Sulay II.

This year, we put emphasis on SERVICE at a time when Rotary is most needed by your communities in addressing their needs. This means committing yourselves - your time, talent, and treasure - to pursue your club's purpose to causes greater than yourselves. It also entails taking service to the next level, finding inspiration in your club's successes over the course of its 37-year history, while setting your sights on what you can collectively do together as one of the most vibrant clubs of District 3860. And I say this with a deep conviction knowing how your club has always risen above the various challenges.

I hope this time will inspire, motivate, and unite you as one RCCPC family to pursue your goals with relentless passion. Together, let us all work towards achieving greater things as we Serve to Change Lives.

CONGRATULATIONS!

Sincerely,

Anna Louisa A. Bumagat
