# INVOCATION

Dear Lord and Father, thank you that you promise us that where two or three are gathered you are there in the midst.

Lord we welcome You amongst us today and celebrate the gift of life that you have lavished upon each of us. We ask that you would open your ears so that we may hear your voice. Open our minds so that we may receive Your eternal wisdom. Open our spirits so that we may know Your leading and guidance. And open our hearts so that we may receive your wonderful love.

We ask all of this in the glorious name of Jesus. AMEN.

# THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

# ROTARIAN HYMN

By: George Canseco

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest  
And if I, in a way help obtain  
Peace in the world Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world Then we won't have lived in vain.  
Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,  
in a way help obtain Peace in the world  
Then we won't have lived in vain. Peace be achieved,  
So we won't have lived in vain.

## PRESIDENT'S CORNER

**RICHARD AZARES**

**PRESIDENT, RY2020-2021**

Today, 21 August, is NINOY AQUINO DAY - a national Non-Working Holiday in our country to annually observe the assassination of former Senator Benigno Aquino and with this I would like to take the opportunity to thank everyone for being present tonight in our 4th Regular Membership Meeting ... since we do our weekly meetings via ZOOM now, there is one more reason to be present in ROTARY meetings.

It was a very productive this week because we have joined the TRF Fundraising and Grant Management Seminar together with our TRF Chair Helbert Espinosa and PE Rail Litigio. With our attendance, the club can now apply for a Global and a District Grant for our future projects. Last Sunday we have scheduled a photoshoot for group and individual photos taken of our Rotarian members for our E-Habagat, future Billboard and other club's marketing collateral at the roof deck of Castle Peak Hotel. Fellowship continued with food, drinks and most importantly the favorite of all, the KARAOKE. To those who were not able to join, they can send their photos wearing the End Polio Shirt and on a Business Attire.

Some more good news ... we already have a YouTube account under the name Rotary Club Cebu South. Our current feature is the Membership Invite RCCS that features on how to Join the Rotary Organization. Please do take time to watch it and the site was shared already to Rotary International District 3860 FB Group account for their information too.

We are looking forward for a very good attendance every week and we will make each meeting vibrant, interesting and lively for all to enjoy. Your kind support, comments, suggestions and others is very much welcome to make it more effective.

Once again daghang salamat and enjoy the weekend 😊

## **PRESIDENTIAL'S MESSAGE AUGUST 2020**

The year 2020 has brought monumental changes that have already included a global pandemic and a renewed call for social justice. We are reminded that we live in a constantly changing world, and Rotary is a reflection of that world.

We must be ready to listen and adapt, always drawing upon our core values of service, fellowship, diversity, integrity, and leadership. If we live these values and apply The Four-Way Test to all aspects of our lives, we will be prepared to lead at all times.

I am proud of how we have proven our ability to adapt. Faced with a pandemic, Rotary has not stopped. We moved meetings online and found new ways to serve. We turned the canceled 2020 Rotary International Convention in Honolulu into our first virtual convention. Each week, we are proving that Rotary is a flexible gathering that happens anywhere — in traditional meetings, on cell-phones, and on computers. Rotary offers a way to connect for everyone who wants to, at any time, and will continue to do so.

Some have even told me that they enjoy Rotary's mix of online and in-person meetings more now than before! How can we build on this momentum and seize the opportunity to embrace change so that Rotary keeps thriving?

For me, supporting new types of clubs is key. They are no longer just experiments but a real part of Rotary today. In addition to traditional clubs, we have e-clubs, Rotaract clubs, cause-based clubs, and passport clubs. These help make Rotary more inclusive, more flexible, and more attractive to new members. Visit these clubs, exchange ideas and partner with them, and promote them to one another and to our communities.

We all agree that we need to grow Rotary, but sometimes we can get caught up in the numbers game and lose sight of the bigger picture. After all, an increase in membership is meaningless if next year, those new members leave our clubs. Let's grow Rotary sustainably. Rotary's flexible options for participation will engage members and show the community how we're different from any other club. Let's celebrate that Rotary is now less about rules and more about joining together in a variety of ways besides traditional meetings.

I recommend that each club hold an annual strategy meeting to ask — and honestly answer — if we are doing all we can for our members and if our club reflects the community we serve. We are taking this approach at the international level, too. I am proud that six women are serving with me on the RI Board of Directors this year, the most we have ever had. Let's keep Rotary moving in this direction at every level. We need more perspectives, more diversity, for Rotary to thrive.

It's fascinating to imagine how we will find new ways to adapt and stay nimble this year and beyond. But I am also inspired about what hasn't changed and never will in Rotary: the friendships, the networking, the ethics, and the service. Indeed, these are the values that make Rotary attractive to all.

## Rotary's Areas of Focus BASIC EDUCATION & LITERACY

More than 775 million people over the age of 15 are illiterate. That's 17 percent of the world's adult population.

ROTARY goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

### HOW ROTARY MAKES HELP HAPPEN

We take action to empower educators to inspire learning at all ages.

#### MENTORING STUDENTS

Rotary club pairs students with celebrity and CEO mentors for success.

#### TEACHER TRAINING

We share our knowledge and experience with educators and other professionals who work with vulnerable populations.

#### ADULT LITERACY

Rotary members fight adult illiteracy by working with local advocates to offer community literacy programs.

## August - Membership and New Club Development Month

Plan and conduct your monthly board meeting.

Publish 2020-21 Club Roster (with updated information about Club members' vocations).

Provide information about the club's international projects, community service projects, educational awards, current and past club officers).

Attend socials or get together for newer members.

Conduct Club activities to support membership engagement & recruitment efforts.

Log on to Rotary Club Central and download TRF contribution and recognition reports. This task can also be assigned to the Club secretary, treasurer or Club Foundation chair.

Revisit the Club's VISION and start execution of plan to implement that vision. If your club has not taken part in a Club Visioning Session consider doing so this year. Club Visioning information can be found on the District Website under the Club Support Tab.

Ask the Club Secretary, Membership Chair or attendance chair to give you a heads-up about people who missed several meetings in the prior month or those whose attendance/engagement has fallen in general. You can then contact them and invite them back to meetings. Work to get them involved in your club's activities.

If your club gives scholarships, hold a ceremony to award the scholarships before the students leave for college or community college. (Good opportunity for press coverage!).

# ROTARY INTERNATIONAL NEWS & FEATURES

**Jennifer E. Jones**, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

Jones recently led the successful #RotaryResponds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

### **How District 3860 Evolved**

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

### **DISTRICT 3860**

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

# RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

## “JUST THE WAY YOU ARE”

By: Billy Joel

[Verse 1]

Don't go changing to try and please me  
You never let me down before  
Don't imagine you're too familiar  
And I don't see you anymore

[Refrain 1]

I would not leave you in times of trouble  
We never could have come this far  
I took the good times, I'll take the bad times  
I'll take you just the way you are

[Verse 2]

Don't go trying some new fashion  
Don't change the color of your hair  
You always have my unspoken passion  
Although I might not seem to care

[Refrain 2]

I don't want clever conversation  
I never want to work that hard  
I just want someone that I can talk to  
I want you just the way you are

[Bridge]

I need to know that you will always be  
The same old someone that I knew  
What will it take till you believe in me  
The way that I believe in you

[Refrain 3]

I said I love you and that's forever  
And this I promise from the heart  
I could not love you any better  
I love you just the way you are

[Saxophone Solo]

[Refrain 2]

I don't want clever conversation  
I never want to work that hard  
I just want someone that I can talk to  
I want you just the way you are
